Application for Board of Supervisors Appeal Fee Waiver

Various decisions of Commissions or a Department Director may be appealed to the Board of Supervisors and carry a provision where the Office of the Clerk of the Board of Supervisors may establish a policy to waive its appeal filing fee. Any individual or organization who file such an appeal that requires a fee payable directly to the Office of the Clerk of the Board of Supervisors may use this application if: (A) The appeal is filed by a neighborhood organization that is on the Planning Department's neighborhood organization notification list and can demonstrate to the Clerk of the Board that the organization is affected by the appealable decision; or (B) The applicant's income is not enough to pay for the fee without affecting their ability to pay for the necessities of life, provided that the person seeking the exemption demonstrates to the Clerk of the Board, or their designee, that they are substantially affected by the appealable decision.
