NOTICE OF PUBLIC HEARING

LAND USE & ECONOMIC DEVELOPMENT COMMITTEE

SAN FRANCISCO BOARD OF SUPERVISORS

NOTICE IS HEREBY GIVEN THAT the Land Use and Economic Development Committee will a hold a public hearing to consider the following proposal and said public hearing will be held as follows, at which time all interested parties may attend and be heard

Date: Monday, January 30, 2012

Time: 1:00 p.m.

Location: Committee Room 263 located at City Hall, 1 Dr. Carlton B. Goodlett Place, San Francisco, CA

Subject: File No. 110853. Ordinance: 1) amending the San Francisco Planning Code Section 429 to provide that developers currently required to spend one percent (1%) of construction costs for public artwork on any new development project or addition to an existing building over 25,000 square feet located in a C-3 district have an option to contribute all or a portion of that fee to a City fund dedicated to support public art, and after January 1, 2013, imposing this requirement on any new development project or addition to an existing building over 75,000 square feet located in a zoning district other than C-3; 2) amending the San Francisco Administrative Code by adding Section 10.200-29 to establish a Public Artwork Trust Fund, funded through contributions and Public Art Fees, for the creation, installation, exhibition, conservation, preservation, and restoration of temporary and permanent public art and capital improvements to nonprofit art facilities within the C-3 district and within a half mile of the boundary of the C-3 district or, if the project is in another zoning district, within a half mile of the project boundary, to be administered and expended by the Arts Commission; and 3) making environmental findings, Planning Code Section 302 findings, and findings of consistency with the General Plan and the Priority Policies of Planning Code Section 101.1.

Currently, project sponsors of new development projects or the addition to an existing building over 25,000 square feet, located in the C-3 District, are required to install works of art equivalent to 1% of the construction cost. If the legislation passes, it will establish a Public Artwork Trust Fund and developers will have the option to pay all or a portion of the 1% Public Art Fee into the Fund, instead of installing art on the project site. Fees placed in the Fund, for projects within the C-3 District, can be used within the C-3 District and one-half mile in all directions of the C-3 District. After January 1, 2013, this requirement will be imposed on any

new development project or addition to an existing building over 75,000 square feet, in a zoning district other than the C-3 District. Fees placed in the Fund, for projects not in the C-3 District, can be used within a half mile of the project boundary. Fees placed in the Public Artwork Trust Fund will be paid to the Development Fee Collection Unit at the Department of Building Inspection and the Arts Commission will determine how the funds are expended.

In accordance with Section 67.7-1 of the San Francisco Administrative Code, persons who are unable to attend the hearing on this matter may submit written comments to the City prior to the time the hearing begins. These comments will be made a part of the official public record in this matter, and shall be brought to the attention of the Members of the Committee.
