Meeting Procedures

The Board of Supervisors is the legislative body of the City and County of San Francisco. The Board has several standing committees where ordinances and resolutions are the subject of hearings at which members of the public are urged to testify. The full Board does not hold a second public hearing on measures which have been heard in committee.

Board procedures do not permit: 1) persons in the audience to vocally express support or opposition to statements by Supervisors or by other persons testifying; 2) ringing and use of cell phones, pagers, and similar sound-producing electronic devices; 3) bringing in or displaying signs in the meeting room; and 4) standing in the meeting room.

Each member of the public will be allotted the same maximum number of minutes to speak as set by the President or Chair at the beginning of each item or public comment, excluding City representatives, except that public speakers using translation assistance will be allowed to testify for twice the amount of the public testimony time limit. If simultaneous translation services are used, speakers will be governed by the public testimony time limit applied to speakers not requesting translation assistance. Members of the public who want a document placed on the overhead for display should clearly state such and subsequently remove the document when they want the screen to return to live coverage of the meeting.

IMPORTANT INFORMATION: The public is encouraged to testify at Committee meetings. Persons unable to attend the meeting may submit to the City, by the time the proceedings begin, written comments regarding the agenda items above. These comments will be made a part of the official public record and shall be brought to the attention of the Board of Supervisors. Written communications should be submitted to the Clerk of the Board, Clerk of a Committee or its members: 1 Dr. Carlton B. Goodlett Place, Room 244, San Francisco, CA 94102. ROLL CALL AND PLEDGE OF ALLEGIANCE

AGENDA CHANGES

APPROVAL OF MEETING MINUTES

Approval of the January 8, 2013, Board Meeting Minutes.

COMMUNICATIONS

SPECIAL ORDER 2:00 P.M. - Mayor's Appearance Before The Board

Pursuant to Charter Section 3.100(7), this item will be read at the Board Meeting on the second Tuesday of each month, unless rescheduled by the Mayor and the Board President. The Mayor and the Board may not discuss matters that have already been considered in Committee and that are on the Board's Agenda as an action item.

By supermajority vote of the Board of Supervisors (8 votes), the Board may, by oral motion, allow an eligible District Supervisor to ask a question that was not previously posed if the question relates to a sudden or unexpected incident or occurrence raising formal, time-sensitive policy questions that were not anticipated prior to the posting of this agenda. Public comment for this item will take place during general public comment.

1. 130129 [Formal Policy Discussions - February 12, 2013]

Pursuant to Charter Sections 2.103 and 3.100(7), and Administrative Code Section 2.11, the Mayor shall answer the following eligible questions submitted from Supervisors representing Districts 1, 3, and 11. The Mayor may address the Board initially for up to five minutes. Discussion shall not exceed five minutes per Supervisor.

1. The Municipal Transportation Agency recently released its Draft Bicycle Strategy, which lays out an aggressive plan to upgrade San Francisco's bicycle facilities. It supports biking for everyone, including seniors, families, and persons with disabilities. However, I am hearing growing concerns both in my district and city-wide about the mismatch between verbal commitments to better bicycling and budget realities. Currently, bicycle projects account for just 0.46% of all MTA capital. This is not enough to get us to the goals laid out in the Bicycle Strategy.

How will you fund the Bicycle Strategy to make San Francisco a national leader in bicycling safety and use? (Supervisor Mar, District 1)

2. Mr. Mayor, the Board of Supervisors is considering legislation to allow existing owners of Tenancies in Common (TICs) to bypass the condominium conversion lottery and be converted after the payment of a fee. I recently asked supporters of the legislation and tenant advocates to engage in negotiations, which Supervisor Farrell and I are hosting.

What is your position on this pending legislation? What protections would you support to prevent the loss of rent-controlled housing in our increasingly unaffordable city? How would you address the concern that if we allow the current generation of TIC owners to convert, we will replace them with a new generation of TIC owners and additional real estate investments that will lead us right back to an identical debate within a short time? (Supervisor Chiu, District 3)

3. Last Sunday, at his Inaugural Address, San Francisco's Poet Laureate Alejandro Murguía encouraged the residents of San Francisco, including elected officials, to include more poetry in their lives. In that spirit, I shall submit my question in the form of a haiku. Your response does not necessarily need to follow the same format:

Murguía's address
Citing arts deprivation
Springing forth new funding?

In simple prose - will we see a renewed financial commitment to the arts in your City budget? (Supervisor Avalos, District 11)

Discussion: The Mayor shall DISCUSS eligible questions with the Board of Supervisors.

CONSENT AGENDA

All matters listed hereunder constitute a Consent Agenda, are considered to be routine by the Board of Supervisors and will be acted upon by a single roll call vote of the Board. There will be no separate discussion of these items unless a member of the Board so requests, in which event the matter shall be removed from the Consent Agenda and considered as a separate item.
