Subject [TO BE CONTINUED TO MARCH 27] HEARING NOTICE - 1111 California Street Conditional Use Appeal

All -

As some of you know, three Supervisors will be out of town for the Board meeting of March 20, the scheduled date of this CU appeal.

Consequently, on March 20 President Chiu will entertain a motion to continue the appeal to Tuesday, March 27, at 4pm.

The appellant and project sponsor have been made aware of this continuance.

Best,
Judson

File No. 120183, Planning Case No. 2011.0471C
1111 California Street Conditional Use Appeal

Dear Appellants:

This is in reference to the appeal you submitted from the decision of the Planning Commission by Motion No. 18520, on property located at:

1111 California Street, Assessor's Block No. 0253, Lot No. 020.

The Director of Public Works has informed the Board of Supervisors in a letter dated February 27, 2012, (copy attached), that the signatures represented with your appeal of February 21, 2012, have been checked pursuant to the Planning Code and represent owners of more than 20 percent of the property involved and would be sufficient for appeal.

A hearing date has been scheduled on **Tuesday, March 20, 2012, at 4:00 p.m.**, at the Board of Supervisors meeting to be held in City Hall, Legislative Chamber, Room 250, 1 Dr. Carlton B. Goodlett Place, San Francisco, CA 94102.

Please provide 18 copies to the Clerk's Office by:

8 days prior to the hearing: any documentation which you may want available to the Board members prior to the hearing;

11 days prior to the hearing: names of interested parties to be notified of the hearing in label format.

If you have any questions, please feel free to contact Legislative Deputy Director, Rick Caldeira at (415) 554-7711 or Legislative Clerk, Joy Lamug at (415) 554-7712.

Sincerely,

Angela Calvillo
Clerk of the Board

Appealing Planning Commissions Approval of
Conditional Use Application No. 2011.0471C

Dear Ms. Calvillo:

This letter is in response to your February 22, 2012 request for our Department to check the sufficiency of the signatures with respect to the above referenced appeal.

Please be advised that per our calculations the appellants' signatures represent 30.14% of the area within the 300 foot radius of the property of interest; which is more than the minimum required 20% of the area involved and is therefore sufficient for appeal.

If you have any questions concerning this matter, please contact Mr. Javier Rivera of my staff at 554-5864.

Sincerely

Bruce R. Storrs
City & County Surveyor

Planning Case No. 2011.0471C
1111 California Street Conditional Use Appeal

Dear Interim Director Nuru:

The Office of the Clerk of the Board is in receipt of an appeal filed by Stephen Gomez (Nob Hill Coalition), James Wall (Nob Hill Association), William Terrell, Elizabeth Pomada, Donna Muse, and Aldo Caccamo, on February 21, 2012, from the decision of the Planning Commission by its Motion No. 18520 dated January 19, 2012, relating to the approval of a Conditional Use Authorization (Case No. 2011.0471C) to continue the existing non-conforming assembly and entertainment uses of the "Nob Hill Masonic Center" and to continue the existing food and beverage service uses within the center, pursuant to Planning Code Sections 185(e) and 303, on a property within the RM-4 (Residential Mixed, Medium Density) District, the 65-A Height and Bulk District, and the Nob Hill Special Use District, on property located at:

1111 California Street, Assessor's Block No. 0253, Lot No. 020

By copy of this letter, the City Engineer's Office is requested to determine the sufficiency of the signatures in regard to the percentage of the area represented by the appellant. Please submit a report not later than 5:00 p.m., February 29, 2012, to give us time to prepare and mail out the hearing notices as the Board of Supervisors has tentatively scheduled the appeal to be heard on March 20, 2012, at 4:00 p.m.

Sincerely,

Madeleine Licavoli

BOARD OF SUPERVISORS
SAN FRANCISCO
2012 FEB 21 AM 10: 06
BY:

_____ The Planning Commission disapproved in whole or in part an application for reclassification of property, Case No. _____.

_____ The Planning Commission disapproved in whole or in part an application for establishment, abolition or modification of a set-back line, Case No. _____.

__X__ The Planning Commission approved in whole or in part an application for conditional use authorization, Case No. **2011.0471C**.

_____ The Planning Commission disapproved in whole or in part an application for conditional use authorization, Case No. _____.

Statement of Appeal:

a) Set forth the part(s) of the decision the appeal is taken from:

The decision of the Planning Commission is based on findings of facts that are not supported by evidence in the record (See Planning Commission Motion 18520 attached hereto as Exhibit A.) The Commission approved a number of entertainment events and non-entertainment events based on an inflated historic annual total and increased the number of events by an additional 25%. Contrary to clear evidence presented at the hearing and in written submissions, the Commission approved without limitation as to location and number of alcoholic service stations without considering the overwhelming likelihood of a substantial increase in alcoholic beverage consumption and the associated consequences.

b) Set forth the reasons in support of your appeal:

The conditional use application is filed per Planning Code Section 185(e) which allows a lawful non-conforming use to continue without any expansion, intensification or extension. In this case, the Commission allows a 25% increase in the number of events over an inflated number of historic annual total, extended the end time of the evening events, and increased the number of and the duration of when alcoholic beverages can be served.

See letter to Planning Commission from the Nob Hill Coalition dated October 19, 2011 opposing grant of conditional use application. A copy is attached hereto as Exhibit B.

See letter to Planning Commission from the Nob Hill Coalition dated January 17, 2012 opposing grant of conditional use application. A copy is attached hereto as Exhibit C.

ADOPTING FINDINGS RELATED TO THE APPROVAL OF A CONDITIONAL USE AUTHORIZATION TO CONTINUE THE EXISTING NONCONFORMING ASSEMBLY AND ENTERTAINMENT USES OF THE "NOB HILL MASONIC CENTER", AND TO CONTINUE THE EXISTING FOOD AND BEVERAGE SERVICE USES WITHIN THE CENTER, PURSUANT TO PLANNING CODE SECTIONS 185(e) AND 303, ON A PROPERTY WITHIN THE RM-4 (RESIDENTIAL MIXED, MEDIUM DENSITY) DISTRICT, THE 65-A HEIGHT AND BULK DISTRICT, AND THE NOB HILL SPECIAL USE DISTRICT.

PREAMBLE

On August 12, 2011, Steven Vettel, acting on behalf of Allan Casalou, ("Project Sponsor", representing the California Masonic Memorial Temple), submitted a request with the City and County of San Francisco Planning Department ("Department") for a Conditional Use authorization (Case No. 2011.0471C) to continue the existing non-conforming assembly and entertainment uses, as well as the existing food and beverage service uses, at the Nob Hill Masonic Center ("Center") located at 1111 California Street ("Project Site"), within the RM-4 Zoning District and the Nob Hill Special Use District ("SUD"), pursuant to Planning Code Section ("Section") 238(d). No enlargement, intensification, or extension of the existing nonconforming use is proposed as part of the request for Conditional Use authorization.

The requested Conditional Use Authorization is not subject to the California Environmental Quality Act ("CEQA") because it is not defined as a project under CEQA Guidelines section 15060(c)(2) and Section

15378 because the continued operation of the existing uses will not result in a direct or reasonably foreseeable indirect physical change in the environment.

On January 19, 2012, the San Francisco Planning Commission ("Commission") conducted a duly noticed public hearing at a regularly scheduled meeting on Conditional Use Application No. 2011.0471C.

The Commission has heard and considered the testimony presented to it at the public hearing and has further considered written materials and oral testimony presented on behalf of the applicant, Department staff, and other interested parties.

MOVED, that the Commission hereby authorizes the Conditional Use requested in Application No. 2011.0471C, subject to the conditions contained in "EXHIBIT A" of this motion, based on the following findings:

FINDINGS

Having reviewed the materials identified in the preamble above, and having heard all testimony and arguments, this Commission finds, concludes, and determines as follows:

1. The above recitals are accurate and constitute findings of this Commission.

2. **Project Description.** The Center has operated since 1958, hosting activities associated with the Freemasons, as well as a variety of events that include music, comedy, and cultural performances, civic events (such as graduations and naturalization ceremonies), exhibitions, and corporate meetings. The assembly and entertainment functions of the Center became nonconforming in 1978, when the subject property was rezoned to the RM-4 District, which does not permit such activities. The proposal is to continue the operation of the nonconforming entertainment and assembly uses, as well as the existing food and beverage service uses, which are conditionally permitted within the Nob Hill Special Use District. No enlargement or intensification of the existing nonconforming use, and no change to the physical configuration of the Center is proposed as part of the request for Conditional Use authorization. The maximum capacity of the auditorium would remain at 3,282 persons.

   The Center has operated since the 1950's without substantial operational conditions, other than those imposed by the Planning Code and other applicable regulations. Conditions of approval are proposed to maintain the historic level of operating intensity and to minimize impacts to the surrounding neighborhood. These conditions would limit the number of annual events and operating hours, promote safety and security, address parking and traffic control, set parameters for loading operations, limit hours for serving alcoholic beverages, and establish a program to monitor and enforce these conditions.

3. **Site Description and Present Use.** The Project Site is located on the south side of California Street between Jones and Taylor Streets, Block 0253, Lot 020. The subject property is located

within the RM-4 (Residential Mixed, High Density) District, the 65-A Height and Bulk District, and the Nob Hill Special Use District. The Project Site gently slopes along the California Street frontage, but is steeply sloped along the Taylor Street frontage. The Center occupies nearly the entire site, and includes approximately 118,000 square feet of assembly and entertainment space, 17,000 square feet of administrative space utilized by the Freemasons, and a parking garage containing approximately 565 off-street parking spaces. The property measures 49,841 square feet, including a 25-foot wide flag portion fronting on Pine Street. This flag portion provides access to a loading area, and secondary access to the parking garage.

4. **Surrounding Properties and Neighborhood.** The Project Site is located within the Nob Hill neighborhood, an area characterized by a mix of hotel, institutional, and high-density residential uses. Neighborhood-serving commercial uses are scattered at various corners throughout the neighborhood, as well as along nearby commercial strips on Polk Street, Pacific Avenue, and the Chinatown neighborhood to the east. Several prominent institutional uses (including the Grace Cathedral and the Pacific Union Club) and hotels (the Fairmont and the Mark Hopkins Intercontinental) are clustered in the immediate vicinity on California Street between Powell and Jones Streets.

   The scale of existing buildings varies greatly in the vicinity of the Project Site. Taller buildings, some exceeding twelve stories in height, are clustered near the crest of Nob Hill. This cluster accentuates and exaggerates the underlying topography, creating a recognizable orientation point within the skyline of the City. Buildings are generally lower to the in the downslope areas, averaging four to five stories in height. The building immediately to the west is a 16-story residential tower, while the remainder of the block to the south is comprised of lower-scale residential uses.

5. **Public Comment.** Staff has received a large number of communications regarding the project. A significant number of these communications have questioned the historic frequency and number of events (particularly live entertainment events) that have occurred in the past and would serve as a baseline for future operating conditions. Several communications also claim that the Center has infrequently served alcohol at prior events, at fewer beverage stations than the five stations proposed for continued operation. Members of the public have also raised concerns regarding traffic, noise (from patron activity and loading operations), parking impacts (from patrons, tour buses, and equipment trucks), and changes in the type of events that would be held at the Center.

6. **Planning Code Compliance:** The Commission finds that the project is consistent with the relevant provisions of the Planning Code in the following manner:

   A. **Uses.** Section 185(e) permits nonconforming uses to continue operation beyond specified termination dates through the Conditional Use authorization process, provided that no intensification or enlargement of the use is proposed. Section 238(d) permits eating and drinking uses (except large fast-food restaurants) within the Nob Hill SUD, through the Conditional Use authorization process.

The existing Center was operated as a permitted use until 1978, when the subject property was rezoned to the RM-4 Zoning District. The RM-4 District does not permit entertainment and assembly uses, therefore, the Center became non-conforming with this rezoning. The Project Sponsor is requesting Conditional Use authorization to continue the operation of the nonconforming assembly and entertainment uses of the Center, without any enlargement or intensification. Conditions of approval are proposed to maintain the historic level of operating intensity and to minimize impacts to the surrounding neighborhood.

The Project Sponsor proposes to operate five food and beverage stations concession stations within the Center, and has represented that this would be a continuation of the average number of food and beverages stations that have historically operated within the Center. Until 2010, individual event promoters were responsible for obtaining "one-day" permits from the California Department of Alcoholic Beverage Control (ABC). These permits applied to the premises of the Center, and did not describe a specific number of concession stations. There is insufficient evidence to reliably establish an historic average in terms of the number of these stations. Therefore, this motion does not include any conditions with respect to the quantity of stations.

B. **Off-Street Parking.** Section 151 theater or auditorium uses to provide one parking space for every eight seats up to 1,000 seats, plus one space for each ten seats in excess of 1,000.

The existing Masonic Center garage contains 565 parking spaces. However, 205 of these spaces are currently leased to monthly leaseholders. A condition of approval has been added requiring that the Center provide off-street parking spaces within the garage in perpetuity for the use of event patrons, in an amount which conforms to the requirements of Planning Code Section 151. This conditions stipulates that the number of spaces may not be reduced or otherwise made unavailable due to monthly leases or other commitments of spaces within the garage.

C. **Loading.** Section 152 requires off-street freight loading for uses above a certain size. An Other Entertainment use that measures between 100,001 to 200,000 square feet of gross floor area would be required to provide one off-street loading space.

The gross floor area of the Center measures approximately 118,000 square feet. An existing loading dock is accessed via Pine Street and measures approximately 35 feet in length by 10 feet in width. This loading space fails to meet several aspects of the Planning Code as follows:

1) Enclosure: Pursuant to Section 155(p), a loading area within 50 feet of an "R" District shall be completely enclosed within a building if the area is used in regular night operation. Given the nature of the proposed Other Entertainment use, it is expected that this loading dock would be used at night. The dock is unenclosed and is located within an "R" District, and therefore fails to meet the enclosure requirement of the Planning Code.

2) Dual-Use of Loading Dock: According to the Project Sponsor, the loading dock area also partially serves as a secondary driveway for vehicles to access the Masonic Center parking garage.

Because the existing loading dock does not comply with these aspects of the Planning Code, the Center is considered to be a "noncomplying structure" as defined by Section 180(a)(2). The Planning Code calculates loading requirements based on the gross floor area of a structure. Because the Project would continue the existing operation of the Center, and would not increase the overall gross floor area of the structure, the Project is not considered an intensification that would increase the number of required loading spaces pursuant to the Planning Code.

D. **Hours of Operation.** Section 185(e) does not specify hours of operation of nonconforming uses which are permitted to continue operation through Conditional Use authorization.

A Condition of approval have been added requiring that all weeknight events end by 11:00PM, and all weekend events end by 11:30PM. In addition, this condition would allow the Project Sponsor to seek authorization from the San Francisco Police Department, the Planning Department, and the Entertainment Commission for up to three events per year that extend until 1:00AM.

7. **Planning Code Section 303(c)** establishes criteria for the Planning Commission to consider when reviewing applications for Conditional Use Authorization. On balance, the Project does comply with said criteria in that:

A. The proposed use or feature, at the size and intensity contemplated and at the proposed location, will provide a development that is necessary or desirable for, and compatible with, the neighborhood or the community.

The Center is a venue of regional cultural, entertainment, and civic importance that has hosted a wide variety of events since 1958. In addition to activities associated with the Freemasons, these events include music, comedy, and cultural performances, civic events (such as graduations and naturalization ceremonies), exhibitions, and corporate meetings. However, the operation of a venue with Citywide and regional significance, has the potential to cause a number of substantial impacts to the surrounding area.

The Center has operated since the 1950's without substantial operational conditions, other than those imposed by the Planning Code and other applicable regulations. The imposition of conditions of approval will allow the Center to continue operating as a important entertainment, cultural, and civic venue while minimizing impacts to the surrounding neighborhood. Conditions have been added that limit the number of events and operating hours, promote safety and security, address parking and traffic control, set parameters for loading operations, limit hours for serving alcoholic beverages, and establish a program to monitor and enforce these conditions. On balance, these conditions will allow the venue to continue operating in a manner that is desirable for the community and the City as a whole, and is compatible with the area, and reflects historic operating conditions at the Center.

B. The proposed use or feature will not be detrimental to the health, safety, convenience, or general welfare of persons residing or working in the vicinity, or injurious to property, improvements, or potential development in the vicinity, with respect to aspects including, but not limited to the following:

i. Nature of proposed site, including its size and shape, and the proposed size, shape and arrangement of structures;

The size and shape of the site and the size, shape, and arrangement of the building would not change. With the imposition of the conditions of approval for the Project, the site and the building are adequate for the proposed use.

ii. The accessibility and traffic patterns for persons and vehicles, the type and volume of such traffic, and the adequacy of proposed off-street parking and loading, including provision of car-share parking spaces, as defined in Section 166 of this Code;

The Center includes a garage with 565 parking spaces. A condition of approval has been added requiring that the Center provide off-street parking spaces within the garage in perpetuity for the use of event patrons, in an amount which conforms to the requirements of Planning Code Section 151. In addition, the Grace Cathedral garage and the Crocker garage are each located within one-half block of the Project Site and offer a total of 330 parking spaces. These garages could therefore accommodate parking needs which are not met within the Masonic Center garage. The Project Sponsor proposes to offer fixed-priced parking for larger events, with parking that can be pre-purchased at the time that the patron orders tickets for an event.

The area is moderately well-served by transit, with four MUNI lines (1 - California, 27 - Bryant, and the California and Powell-Hyde Cable Car lines) available within two blocks of the Project Site. In addition, patrons have the option to arrive at the Center by taxi, walking, or bicycling.

Because the Pine Street loading dock is unsuitable for use by large delivery vehicles, such loading is proposed to occur from the curbside parking on California Street. The Planning Code does not specifically regulate curbside parking, however, several operational conditions of approval have been added to help minimize impacts related to this curbside loading activity. Specifically, the Project Sponsor must seek approval from the San Francisco Police Department to designate a temporary truck and passenger loading zone on the south side of California Street, extending from the Masonic Center garage entrance approximately 185 feet to the west, prior to and during large events. This zone would serve multiple purposes, as enumerated and restricted by the conditions of approval, and as summarized below:

1) Large trucks would park within this zone during the transfer of stage equipment and other materials for events. After the unloading activities conclude, the delivery trucks would be stored off site for the duration of the event. The trucks would return to load the materials at the end of the event, and would not be parked overnight on California Street.

2) Up to two performer buses may park within this zone beginning at to 1.5 hours prior to the beginning of an event, and may remain within the zone during the duration of the event. No more than two performer buses may park within this zone at any time, and no performer buses shall be permitted to park within this zone overnight. The Project Sponsor shall be required to install shore power (following receipts of all necessary approvals) to provide electrical power to these performer buses and avoid the use of

engines or generators. The sponsor must also research the viability of utilizing off-street parking facilities in the vicinity to park performer buses during events.

- *3) The remainder of the zone (not occupied by performer buses or delivery trucks) is intended for passenger drop-off, taxi loading, and queuing for vehicles entering the Masonic Center garage.*

iii. The safeguards afforded to prevent noxious or offensive emissions such as noise, glare, dust and odor;

All events scheduled for the Center would occur within the interior of the building. Therefore, all noise directly resulting from events such as concerts is attenuated and is not perceptible outside of the building. The majority of pedestrian queuing for events would occur within the interior of the building, in the main lobby area, reducing conversational noise from waiting patrons. Shore power will be installed adjacent to street parking spaces that will accommodate performer bus parking, so that engines or generators will not need to run continuously to power accessories within these parked vehicles. Rubber or vinyl mats and curb and ramp transition strips would be placed to reduce the noise generated by loading activities requiring dollies or other rolling conveyances. The project proposes no interior or exterior changes to the Center, therefore, the Project is not expected to generate new dust or glare.

iv. Treatment given, as appropriate, to such aspects as landscaping, screening, open spaces, parking and loading areas, service areas, lighting and signs;

The Project Site is completely built-out and no changes are proposed to the exterior with regards to landscaping, open spaces, lighting, or signs. Conditions of approval have been added to ensure that the parking, loading, and other functions associated with the events at the Center operate in a manner that minimizes impacts to the surrounding neighborhood. These conditions are discussed further under item 8(B)(ii) above.

C. That the use as proposed will comply with the applicable provisions of the Planning Code and will not adversely affect the General Plan.

The Project complies with the applicable requirements of the Planning Code, and will not adversely affect the policies of the General Plan as discussed under Item #8 below.

8. **General Plan Compliance.** The Project is, on balance, consistent with the following Objectives and Policies of the General Plan:

ARTS ELEMENT

OBJECTIVE I-1:
RECOGNIZE THE ARTS AS NECESSARY TO THE QUALITY OF LIFE FOR ALL SEGMENTS OF SAN FRANCISCO.

Policy I-1.1
Promote inclusion of artistic considerations in local decision-making.

Policy I-1.2
Officially recognize on a regular basis the contributions arts make to the quality of life in San Francisco.

Policy I-1.4
Provide access to the creative process and cultural resources for all neighborhoods, cultural communities, and segments of the city and its populations.

OBJECTIVE VI-1
SUPPORT THE CONTINUED DEVELOPMENT AND PRESERVATION OF ARTISTS' AND ARTS ORGANIZATIONS' SPACES.

Policy VI-1.4
Preserve existing performing spaces in San Francisco.

The Center is a venue of regional cultural, entertainment, and civic importance that has hosted a wide variety of events since 1958. Some events of these events have been associated with the Freemasons, civic events, and exhibitions. However, the Center has a longstanding tradition of hosting performance arts events, including music of all genres, comedy, dance, and cultural performances. These events strengthen the recognition and reputation of San Francisco as a city that is supportive of the arts. Such activities strengthen the recreational and cultural vitality of San Francisco, bolster tourism, and support the local economy by drawing patrons from throughout the region. The Project would allow for the continued operation and viability of the Center as a venue to host performing arts events.

COMMERCE AND INDUSTRY ELEMENT

OBJECTIVE 8:
ENHANCE SAN FRANCISCO'S POSITION AS A NATIONAL CENTER FOR CONVENTIONS AND VISITOR TRADE.

Policy 8.1
Guide the location of additional tourist related activities to minimize their adverse impacts on existing residential, commercial, and industrial activities.

These policies includes guidelines that seek to avoid the negative impacts to residential uses resulting from entertainment venues. Conditions have been added that limit the number of evening events and operating hours, promote safety and security, address parking and traffic control, set parameters for loading operations, limit hours for serving alcoholic beverages, and establish a program to monitor and enforce these conditions. These conditions of approval will allow the Center to continue its existing operation while minimizing impacts to the surrounding neighborhood.

9. Planning Code Section 101.1(b) establishes eight priority-planning policies and requires review of permits for consistency with said policies. On balance, the project does comply with said policies in that

A. That existing neighborhood-serving retail uses be preserved and enhanced and future opportunities for resident employment in and ownership of such businesses be enhanced.

The Project would not displace any retail establishments or compromise employment opportunities in the area.

B. That existing housing and neighborhood character be conserved and protected in order to preserve the cultural and economic diversity of our neighborhoods.

The Project would not displace any existing housing. The conditions of approval will ensure that the venue will operate in a manner that preserves and enhances the cultural and economic diversity of the neighborhood and the City, while minimizing negative impacts to the character of the area.

C. That the City's supply of affordable housing be preserved and enhanced.

The Project will not result in the loss of any existing affordable housing units

D. That commuter traffic not impede MUNI transit service or overburden our streets or neighborhood parking.

For patrons who wish to drive private vehicles to events, adequate parking exists at the Masonic Center garage, and other nearby garages. The area is moderately well-served by transit, and patrons may choose to arrive to the event by a mode other than private vehicles (transit, taxis, walking, or bicycles). Conditions of approval have been added to address parking and circulation of performer buses, equipment trucks, and patron vehicles.

E. That a diverse economic base be maintained by protecting our industrial and service sectors from displacement due to commercial office development, and that future opportunities for resident employment and ownership in these sectors be enhanced.

The Project does not include any commercial office space, and will enhance opportunities for service sector employment.

F. That the City achieve the greatest possible preparedness to protect against injury and loss of life in an earthquake.

The Project does not involve any construction activities that would compromise the structural integrity of the existing building.

G. That landmarks and historic buildings be preserved.

No exterior or interior changes are proposed for the Project. Any future alterations and signage would be required to comply with applicable preservation standards.

H. That our parks and open space and their access to sunlight and vistas be protected from development.

The Project, which does not include any physical expansion of the existing building envelope, would not impact any parks or open spaces or their access to sunlight.

10. The Project is consistent with and would promote the general and specific purposes of the Code provided under Section 101.1(b) in that, as designed, the Project would contribute to the character and stability of the neighborhood and would constitute a beneficial development.

11. The Commission hereby finds that approval of the Conditional Use authorization would promote the health, safety and welfare of the City.

DECISION

That based upon the Record, the submissions by the Applicant, the staff of the Department and other interested parties, the oral testimony presented to this Commission at the public hearings, and all other written materials submitted by all parties, the Commission hereby APPROVES Conditional Use Application No. 2011.0471C subject to the following conditions attached hereto as "EXHIBIT A" in general conformance with plans on file, dated January 19, 2012, and stamped "EXHIBIT B", which is incorporated herein by reference as though fully set forth.

APPEAL AND EFFECTIVE DATE OF MOTION: Any aggrieved person may appeal this Conditional Use Authorization to the Board of Supervisors within thirty (30) days after the date of this Motion No.

18520. The effective date of this Motion shall be the date of this Motion if not appealed (After the 30-day period has expired) OR the date of the decision of the Board of Supervisors if appealed to the Board of Supervisors. For further information, please contact the Board of Supervisors at (415) 554-5184, City Hall, Room 244, 1 Dr. Carlton B. Goodlett Place, San Francisco, CA 94102.

I hereby certify that the Planning Commission ADOPTED the foregoing Motion on January 19, 2012.

Linda D. Avery
Commission Secretary

AYES: Miguel, Antonini, Borden. Fong, Moore

NAYS:

ABSENT: Sugaya (Recused)

ADOPTED: January 19, 2012

EXHIBIT A

AUTHORIZATION

This authorization is for a conditional use to allow the continuation of the existing nonconforming assembly and entertainment uses, as well as the existing food and beverage service uses (d.b.a. Nob Hill Masonic Center) located at 1111 California Street, Block 0253, Lot 020 pursuant to Planning Code Sections 185(e) and 303 within the RM-4 District, the 65-A Height and Bulk District, and the Nob Hill Special Use District; in general conformance with plans, dated January 19, 2012, and stamped "EXHIBIT B" included in the docket for Case No. 2011.0471C and subject to conditions of approval reviewed and approved by the Commission on January 19, 2012 under Motion No 18520. This authorization and the conditions contained herein run with the property and not with a particular Project Sponsor, business, or operator.

RECORDATION OF CONDITIONS OF APPROVAL

Prior to the commencement of use for the Project the Zoning Administrator shall approve and order the recordation of a Notice in the Official Records of the Recorder of the City and County of San Francisco for the subject property. This Notice shall state that the project is subject to the conditions of approval contained herein and reviewed and approved by the Planning Commission on January 19, 2012 under Motion No 18520.

SEVERABILITY

The Project shall comply with all applicable City codes and requirements. If any clause, sentence, section or any part of these conditions of approval is for any reason held to be invalid, such invalidity shall not affect or impair other remaining clauses, sentences, or sections of these conditions. This decision conveys no right to construct, or to receive a building permit. "Project Sponsor" shall include any subsequent responsible party.

CHANGES AND MODIFICATIONS

Changes to the approved plans may be approved administratively by the Zoning Administrator. Significant changes and modifications of conditions shall require Planning Commission approval of a new Conditional Use authorization.

Conditions of approval, Compliance, Monitoring, and Reporting

PERFORMANCE

1. **Validity and Expiration.** The authorization and right vested by virtue of this action is valid for three years from the effective date of the Motion. The approved use must be commenced within three years of the approval of this Conditional Use authorization. The Planning Commission may, in a public hearing, consider the revocation of the approvals granted if the use has not commenced within three (3) years of the date of the Motion approving the Project.

For information about compliance, contact Code Enforcement, Planning Department at 415-575-6863, www.sf-planning.org

PARKING AND TRAFFIC

2. **Parking Requirement.** The Project Sponsor shall make available to the general public within the Masonic Center garage no less than number of off-street parking spaces required by Planning Code Section 151 for "theater or auditorium" uses (a minimum of 1 parking space per 8 patron occupancy for the first 1,000 patrons, plus 1 space per 10 patrons above 1,000 patrons in the Auditorium). The number of spaces shall not be reduced or otherwise be made unavailable for the use of the Masonic Center due to monthly leases or other arrangements.
For information about compliance, contact Code Enforcement, Planning Department at 415-575-6863, www.sf-planning.org

3. **Parking Fee.** There shall be a fixed parking fee for events with more than 1,250 ticketed attendees.
For information about compliance, contact Code Enforcement, Planning Department at 415-575-6863, www.sf-planning.org

4. **Pre-Paid Parking.** The Project Sponsor shall offer pre-paid parking to event attendees who purchase tickets in advance of the event date through an on-line ticket service. Such pre-paid parking passes shall specify the location of the garage for which the ticket has been paid (either the Masonic Center garage or any other nearby garage that enters into a cooperating agreement with the Project Sponsor for pre-paid parking) and the location of the garage's entrance.
For information about compliance, contact Code Enforcement, Planning Department at 415-575-6863, www.sf-planning.org

5. **Bicycle Parking.** The Project Sponsor shall provide not less than 26 Class I or Class II bicycle parking spaces at the property, consistent with Planning Code Section 155.2.
For information about compliance, contact Code Enforcement, Planning Department at 415-575-6863, www.sf-planning.org

6. **Pine Street Access.** The Project Sponsor shall allow access to the Masonic Center garage through the Pine Street loading dock prior to events for holders of pre-paid parking tickets in order to reduce vehicle queuing on California Street. The Pine Street loading dock shall also be used for exiting from the garage after events.
For information about compliance, contact Code Enforcement, Planning Department at 415-575-6863, www.sf-planning.org

7. **Traffic Management.** The Project Sponsor shall minimize vehicular queuing on California Street by use of the following strategies events with more than 1,250 ticketed patrons:

- Increase traffic staffing inside the California Street garage entrance to increase the rate of vehicular entry to the garage.
- Position security personnel (including San Francisco Police Department services when warranted) outside the garage to assist with controlling and directing

traffic, including directing patrons to other nearby garages if and when the Masonic Center garage is full.

- Convert the center lane of the existing garage entrance ramp to a second inbound lane to increase queuing room within the garage.
- Event staff shall ensure that u-turns are prevented and that the cable car lane is free-flowing.

For information about compliance, contact Code Enforcement, Planning Department at 415-575-6863, www.sf-planning.org

8. **Overflow Parking.** The Project Sponsor shall consult with nearby public garages to inform arriving patrons that those garages can be used to park for performances and events when the Center's garage is full.
For information about compliance, contact Code Enforcement, Planning Department at 415-575-6863, www.sf-planning.org

9. **Loading Zone.** The Project Sponsor shall apply for designation of a truck and bus loading zone and passenger zone for drop-off by taxis and other vehicles and additional garage queuing for the approximately 185-foot long curb zone on California Street between the entrance to the Center garage and Gramercy Tower (1177 California Street) driveway, to be in effect only prior to and during events at the Masonic Center. The drop-off zone shall be sufficient to accommodate a minimum of three taxis or private vehicles dropping off passengers at one time.
For information about compliance, contact Code Enforcement, Planning Department at 415-575-6863, www.sf-planning.org

10. **Loading on California Street.** The Project Sponsor shall seek a special event "no parking" permit from the Police Department whenever it anticipates loading or bus operations on California Street and direct trucks to park in that zone. No double-parking of trucks shall be permitted. The Project Sponsor may load and unload from the California Street curb only stage sets, performance equipment, and related materials associated with specific events. Pursuant to the regulations of the Department of Building Inspection, a sign shall be posted on the access ramp during loading and unloading operations that notifies disabled persons of the duration of the loading and provides specific information about alternative means of disabled access into the building, which alternative access shall be maintained at all times during loading and unloading operations on California Street. After the conclusion of unloading activities, trucks using the California Street curb loading zone shall depart the premises, park off-site, and not return for loading until near the conclusion of the performance. No overnight curb parking of trucks shall be permitted on California Street.
For information about compliance, contact Code Enforcement, Planning Department at 415-575-6863, www.sf-planning.org

11. **Loading Noise.** To minimize noise during loading and unloading operations on California Street, the Project Sponsor shall install prior to loading and unloading activities a resilient surface material, such as rubber or vinyl, on truck ramps, pavement, sidewalk and the ramp and incorporate transition strips between different surfaces and shall direct that truck

engines be turned off except when moving the vehicle or functions that require engine power are occurring, such as lowering or raising of hydraulic ramps.
For information about compliance, contact Code Enforcement, Planning Department at 415-575-6863, www.sf-planning.org

12. Personnel conducting loading and unloading activities on California Street shall be instructed to minimize the volume of conversation and prohibit the playing of amplified music outside the building during loading and unloading, particularly during nighttime hours.
For information about compliance, contact Code Enforcement, Planning Department at 415-575-6863, www.sf-planning.org

13. **Performer Bus Parking.** During the one and one-half hour period prior to the start of events, no more than two performer buses shall park on the south side of California Street, so that the remainder of the 185-foot long curbside area is available for attendee unloading and loading and vehicle queuing into the garage. The Project Sponsor shall direct any additional buses to park in other bus parking zone(s) the City chooses to designate near the corner of California and Taylor Streets, such as on Taylor Street adjacent to Huntington Park or on the north side of California Street. The Project Sponsor shall make best available efforts to evaluate and demonstrate to the Zoning Administrator the physical and operational feasibility of storing performer buses at nearby off-street parking facilities during events.
For information about compliance, contact Code Enforcement, Planning Department at 415-575-6863, www.sf-planning.org

14. **"Shore" Power.** The Project Sponsor shall provide electric power on the south side of California Street for event buses in order to ensure the quiet and clean powering of these vehicles and shall direct that all performer buses parking at this zone connect to this electric power and not run their engines or generators.
For information about compliance, contact Code Enforcement, Planning Department at 415-575-6863, www.sf-planning.org

15. The project sponsor shall seek permission from the appropriate City agency or adjacent property owners to install electric power adjacent to any other City-designated bus parking zone that is within ½ block of the property, if feasible, so that, if there is a feasible method of providing electric power, the Project Sponsor shall direct performer buses to connect to this electric power and not run their engines or generators.
For information about compliance, contact Code Enforcement, Planning Department at 415-575-6863, www.sf-planning.org

16. **Overnight Bus Parking Prohibited.** Overnight curb parking of buses or habitable trailers for performers, support staff, or other associated with the operations or productions at the property shall not be permitted on either side of California Street. The Project Sponsor shall include in any contract or agreement, or rules or guidance given to any performers, support staff, or others associated with the operations or productions at the property a requirement to abide by this condition. The Project Sponsor shall remain responsible for compliance with this condition, regardless of such notice or contractual provisions.

For information about compliance, contact Code Enforcement, Planning Department at 415-575-6863, www.sf-planning.org

MONITORING - AFTER ENTITLEMENT

17. **Enforcement.** Violation of any of the Planning Department conditions of approval contained in this Motion or of any other provisions of Planning Code applicable to this Project shall be subject to the enforcement procedures and administrative penalties set forth under Planning Code Section 176 or Section 176.1. The Planning Department may also refer the violation complaints to other city departments and agencies for appropriate enforcement action under their jurisdiction.
For information about compliance, contact Code Enforcement, Planning Department at 415-575-6863, www.sf-planning.org

18. **Monitoring.** The Project requires monitoring of the conditions of approval in this Motion. The Project Sponsor or the subsequent responsible parties for the Project shall pay fees as established under Planning Code Section 351(e) (1) and work with the Planning Department for information about compliance.
For information about compliance, contact Code Enforcement, Planning Department at 415-575-6863, www.sf-planning.org

19. **Revocation due to Violation of Conditions.** Should implementation of this Project result in complaints from interested property owners, residents, or commercial lessees which are not resolved by the Project Sponsor and found to be in violation of the Planning Code and/or the specific conditions of approval for the Project as set forth in Exhibit A of this Motion, the Zoning Administrator shall refer such complaints to the Commission, after which it may hold a public hearing on the matter to consider revocation of this authorization.
For information about compliance, contact Code Enforcement, Planning Department at 415-575-6863, www.sf-planning.org

OPERATION

20. **Garbage, Recycling, and Composting Receptacles.** Garbage, recycling, and compost containers shall be kept within the premises and hidden from public view, and placed outside only when being serviced by the disposal company. Trash shall be contained and disposed of pursuant to garbage and recycling receptacles guidelines set forth by the Department of Public Works.
For information about compliance, contact Bureau of Street Use and Mapping, Department of Public Works at 415-554-.5810, http://sfdpw.org

21. **Sidewalk Maintenance.** The Project Sponsor shall maintain the main entrance to the building and all sidewalks abutting the subject property in a clean and sanitary condition in compliance with the Department of Public Works Streets and Sidewalk Maintenance Standards.
For information about compliance, contact Bureau of Street Use and Mapping, Department of Public Works, 415-695-2017, http://sfdpw.org

22. **Noise Control.** The premises shall be adequately soundproofed or insulated for noise and operated so that incidental noise shall not be audible beyond the premises and fixed-source equipment noise shall not exceed the decibel levels specified in the San Francisco Noise Control Ordinance.
For information about compliance with the fixed mechanical objects such as rooftop air conditioning, restaurant ventilation systems, and motors and compressors with acceptable noise levels, contact the Environmental Health Section, Department of Public Health at (415) 252-3800, www.sfdph.org
For information about compliance with the construction noise, contact the Department of Building Inspection, 415-558-6570, www.sfdbi.org
For information about compliance with the amplified sound including music and television contact the Police Department at 415-553-1012 or 415-5530123, www.sf-police.org

23. **Community Liaison.** Prior to issuance of a building permit to construct the project and implement the approved use, the Project Sponsor shall appoint a community liaison officer to deal with the issues of concern to owners and occupants of nearby properties. The Project Sponsor shall provide the Zoning Administrator with written notice of the name, business address, and telephone number of the community liaison. Should the contact information change, the Zoning Administrator shall be made aware of such change. The community liaison shall report to the Zoning Administrator what issues, if any, are of concern to the community and what issues have not been resolved by the Project Sponsor. The community liaison shall make available, upon request, a list of future scheduled events which will be updated on a monthly basis.
For information about compliance, contact Code Enforcement, Planning Department at 415-575-6863, www.sf-planning.org

24. **Notices Posted at Bars and Entertainment Venues.** Notices urging patrons to leave the establishment and neighborhood in a quiet, peaceful, and orderly fashion and to not litter or block driveways in the neighborhood, shall be well-lit and prominently displayed at all entrances to and exits from the establishment.

For information about compliance, contact the Entertainment Commission, at 415 554-6678, www.sfgov.org/entertainment

25. **Entertainment and Assembly.** The entertainment and assembly functions shall be performed within the enclosed building only. The building shall be adequately soundproofed or insulated for noise and operated so that incidental noise shall not be audible beyond the premises or in other sections of the building and fixed-source equipment noise shall not exceed the decibel levels specified in the San Francisco Noise Control Ordinance. Bass and vibrations shall also be contained within the enclosed structure. The Project Sponsor shall obtain all necessary approvals from the Entertainment Commission within a reasonable timeframe following project approval. The authorized entertainment use shall also comply with all of the conditions imposed by the Entertainment Commission.

For information about compliance, contact the Entertainment Commission, at 415 554-6678, www.sfgov.org/entertainment

26. **Lighting.** All Project lighting shall be directed onto the Project site and immediately surrounding sidewalk area only, and designed and managed so as not to be a nuisance to adjacent residents. Nighttime lighting shall be the minimum necessary to ensure safety, but shall in no case be directed so as to constitute a nuisance to any surrounding property.

For information about compliance, contact Code Enforcement, Planning Department at 415-575-6863, www.sf-planning.org

27. **Event Operations Manual.** The Project Sponsor shall maintain, update over time, provide to event personnel, and make available to the Planning Department an event Operations Manual to include:

- A security plan to ensure neighborhood safety before, during and after performances, including in Huntington Park and near Grace Cathedral.
- A traffic control plan, including deployment of traffic control personnel outside the venue to assist patron unloading and loading, queuing into the garage, and enforcement of the Parking and Traffic, Loading and Performer Bus Parking conditions set forth below.
- Trash pick-up program within two hours after each event in the four blocks bounded by Sacramento, Jones, Pine and Mason Streets.
- Direction to event personnel to assure compliance with these conditions of approval.

28. **Patron Queuing.** All patron queuing for events with general admission attendance shall occur within the Masonic Center property, including the main lobby and in the plaza fronting on California Street.

For information about compliance, contact Code Enforcement, Planning Department at 415-575-6863, www.sf-planning.org

29. **Food and Beverage Service.** Food and beverage service is limited to service to patrons of on-site assembly and entertainment events within the Nob Hill Masonic Center. There shall be no operations of a restaurant, either full-service or self-service, open to members of the public who are not patrons of assembly or entertainment uses within the Masonic Center.

For information about compliance, contact Code Enforcement, Planning Department at 415-575-6863, www.sf-planning.org

30. **Alcohol Sales.** Following the conclusion of the last intermission of an event, or one hour prior to the conclusion of an event within no intermission, a maximum of three concession stands may serve alcoholic beverages. One hour prior to the conclusion of an event, line markers shall be placed at the end of each of the lines. No patron approaching a line for a concession stand after the placement of the line marker will be served an alcoholic beverage, with the intent that alcohol service will conclude 45 minutes prior to the end of an event. There shall be no minimum purchase of alcohol required, and a maximum of two alcoholic beverages may be served per order.
For information about compliance, contact Code Enforcement, Planning Department at 415-575-6863, www.sf-planning.org

31. **Police Department Review.** If an event has presented a pattern of safety and security problems in previous concert seasons or at other venues, then the Project Sponsor shall consult with the Police Department to determine whether the Project Sponsor can provide adequate safety and through utilization of its security personnel, contracted private security, and/or on-duty or off-duty Police officers. To the extent that the Chief of Police reasonably determines, based entirely on the ability to provide safety and security and not on the expressive content of the event, that the Project Sponsor cannot provide adequate safety and security for any proposed event or that the event's historic pattern establishes that safety and security issues cannot be adequately handled at the venue regardless of the Project Sponsor's security plan, the Chief of Police may order that the event shall not be held. This provision does not supersede any subsequent regulations regarding place of entertainment permits.
For information about compliance, contact Code Enforcement, Planning Department at 415-575-6863, www.sf-planning.org

32. **Off-Duty Police Officers.** Project Sponsor shall comply with Administrative Code Section 10-B, and if off-duty officers are hired pursuant to subsections thereof, a minimum of two officers be hired for events with 1,250 or more presold tickets; if SFPD determines that more than two officers are required, the Project Sponsor shall provide the additional officers.
For information about compliance, contact Code Enforcement, Planning Department at 415-575-6863, www.sf-planning.org

MAXIMUM OCCUPANCY AND EVENTS

33. **Occupancy.** No more than 3,282 patrons shall be permitted for events in the auditorium on the main floor level and mezzanine of the Masonic Center.
For information about compliance, contact Code Enforcement, Planning Department at 415-575-6863, www.sf-planning.org

34. **Number of Events.** There shall be an annual maximum of 68 live entertainment events, and an annual maximum of 219 events not involving live entertainment, held at the Masonic Center. Notwithstanding these limitations, there shall be no limitations on the number of events that are attended by 250 patrons or fewer.
For information about compliance, contact Code Enforcement, Planning Department at 415-575-6863, www.sf-planning.org

35. **Event Hours.** All events shall conclude by 11:00PM on weeknights (non-holiday Sunday-Thursday evenings) and 11:30PM on weekends (Friday, Saturday, and holiday evenings). Up to three events per year may extend until 1:00AM, subject to prior consultation with and approval by the San Francisco Police Department, the San Francisco Planning Department, and the Entertainment Commission a minimum of 30 days prior to the date of such an event.
For information about compliance, contact Code Enforcement, Planning Department at 415-575-6863, www.sf-planning.org

Subject: California Masonic Memorial Temple Conditional Use Application to Continue Lawful Non-Conforming Use Pursuant to Planning Code Section 185(e)Planning Department Case No. 2011.0471C

Dear President Olague:

This office represents the Nob Hill Coalition ("Coalition"), whose membership consists of residents of Nob Hill that are affected by the operations of the California Masonic Memorial Temple ("CMMT" or the "Applicant") located at 1111 California Street ("the Site"). On October 27, 2011, the Planning Commission ("Commission") will conduct a hearing on CMMT's application for conditional use authorization ("Application") seeking continuation of its lawful non-conforming "commercial assembly and entertainment use," which expired in 2008. It is noted that the Coalition does not object to the continuation of the lawful non-conforming use. However, Planning Code[1] section 185(e) allows for continuation of the lawful non-conforming use so long as there is no "enlargement, intensification or extension of the non-conforming use."

We understand that, based on CMMT's stated purpose in the Application, which is "to continue the existing operations of the California Masonic Temple's legal non-conforming commercial assembly and entertainment venue," the Planning Department issued a categorical exemption for the Application prior to performing any independent analysis of the event data provided by CMMT. However, the Application and proposed condition of approval submitted by CMMT grossly misrepresents and exaggerates the historic use of the Temple. As submitted, the Application actually both intensifies and enlarges the lawful non-conforming use. CMMT's application is nothing more than a blatant attempt to circumvent the Court's decision setting aside the previously granted conditional use permit because it was an intensification of the lawful non-conforming use without proper environmental review. Therefore, the Coalition requests that the Commission reject the Application as framed and CMMT's proposed conditions of approval (attached as Exhibit C to the Application).

[1] Further section references are to the Planning Code

ZONING HISTORY OF THE SITE

CCMT purchased the Site in 1947 when it was located in the then Second Residential Zoning District. Thereafter, CMMT applied to reclassify the site to a Commercial District. The City Planning Commission adopted Resolution No. 4171 in 1953 and reclassified the Site to Commercial, allowing CMMT to construct a Temple and a public garage at the Site. Construction of the Temple was completed in 1958. Between 1960 and 1964, the site was rezoned to R-5, which allows for non-commercial private clubs or lodges that were not used primarily for a gainful business as principal permitted use, but disallowed public garages. In 1968, as part of a City-wide rezoning, the Nob Hill Special Use District ("Nob Hill SUD") was created as an overlay district, the boundaries of which included the Site. Public parking garages were not allowed in the R5 zone or the Nob Hill SUD, and the parking garage at the Site became a lawful non-conforming use. During this time, the neighbors did not complain about the occasional for-profit performance, because the events took place infrequently as an ancillary use and the neighbors recognized that monies were needed for the upkeep of the facility on the Site.

In 1978, the underlying zoning district of the Nob Hill SUD was reclassified from R-5 to RM-4 (residential, mixed, high-density). Fraternal organizations, such the CMMT, were not permitted and that use of the Temple also became a lawful non-conforming use. In 1991, the Nob Hill SUD was amended again to allow private lodges and clubhouses, which are not operated as a gainful (for profit) business but can be authorized as a conditional use under Section 238(a); the garage remained a lawful non-conforming use. Under Section 178(a)(2), the use of the Temple as a fraternal organization became a conditional use by operation of law; the public garage, entertainment and assembly uses remained as lawful conditional uses.

Under Section 185(b), the lawful non-conforming public garage and assembly/entertainment uses at the Site terminated in 2008 and could continue ***only*** if CMMT applied for a conditional use to continue these lawful non-conforming uses. CMMT never applied for a conditional use to continue the non-conforming use until a neighbor filed a complaint alleging that the uses in CMMT were illegal; then in 2009 CMMT applied for and was granted a conditional use application to intensify the non-conforming assembly and entertainment uses. That conditional use authorization was set recently aside by the San Francisco Superior Court as in violation of CEQA in a lawsuit brought by, among others, the Coalition. (*Nob Hill Association et.al. v. City and County of San Francisco et.al.*, San Francisco Superior Court No. CPF-10-510495).

PROJECT DESCRIPTION

The Notice issued by the Planning Department described CMMT's Project as follows:

> *"Request for Conditional Use Authorization to continue the existing nonconforming entertainment and assembly use of the 'Nob Hill Masonic Center,' and to continue operation of the existing food and beverage service uses within the Center pursuant to Planning Code Sections 185(e) and 303."*

Therefore, this Application seeks conditional use authorization *only* to continue the non-conforming uses at the Temple under Section 185(e). The Application represents that the Project will involve no physical or operational changes to the Temple's current use as a commercial assembly and entertainment venue. The Application claims that that there were an average of 245 events per year between 2005 and 2008, of which 51 were live entertainment events, 88 were meetings/conferences/conferences, 68 were trade shows/exhibits and 38 were special events.[2] These summaries, attached to the Application, are also attached hereto for your convenience as **Exhibit 1.** CMMT's annual average is based on Exhibit B of the Application, which is a schedule of events from 2002-2008 (Application Schedule).[3] For the reasons discussed below, an examination of the event data attached to the Application shows an unlawful and inappropriate intensification of use.

NO ENVIRONMENTAL REVIEW WAS PERFORMED

Based on CMMT's representation that the conditional use application only seeks to continue a lawful non-conforming use, the Department found that no environmental review is required. In an e-mail to an neighbor inquiring about the environmental review process, the Department stated as follows:

> The renewal of the historic use through the CU is an activity not subject to CEQA per Guidelines Section 15060. The current operation of the Masonic is considered the baseline for analysis under CEQA and since the renewal of the historic use would result in no physical alteration or intensification of the existing building/use, the renewal is considered an activity not subject to CEQA.

---

[2] These annual averages were based on the events for years 2005 to 2008 presented in a second summary by event category and time of date. CMMT contends that these years are the "most representative of its existing operating level before event reservations were curtailed in anticipation of construction of the proposed [capacity and food and beverage] modifications."

[3] The 2002-2008 event schedules were the same as those in the Administrative Record in the case challenging the Zoning Administrator's Letter of Determination.

The Coalition objects to the conclusion that no environmental review is required.[4] It does not appear that the Department independently reviewed the event data submitted to ascertain if in fact there is an intensification of uses.

ANALYSIS OF THE HISTORICAL USE DATA SHOWS THAT CMMT GROSSLY EXAGGERATED THE NUMBER OF EVENTS AND PAST ALCOHOLIC BEVERAGE SERVICE AT THE TEMPLE

The Application for a permanent license for five bars and the alleged average annual number of events, is premised on a manipulation of the historic event data, which inflates certain categories of uses. The Coalition notes that CMMT submitted a different schedule of events for the year 2002 to 2007 to the Department of Alcoholic Beverage Control Board ("ABC Schedule").[5] The ABC Schedule organized the events by category, size (large or small), location in the Temple complete with start-and-end-time.[6] CMMT also submitted to ABC additional historical data for year 2009 and 2010 that were marked as ABC Exhibit Q that was not included in the conditional use package.[7]

1. *Criteria To Be Used In Determining Historic Use.*

CMMT's summary of events in Exhibit A only covers the average of the total number of events in years 2005 through 2008. It can be argued that a fair examination of historic use would require CMMT to go back to 1958, before the entertainment use became a non-conforming use and was far less frequent. This is not clear in the Planning Code. Even if the relevant period of time is

---

[4] CEQA Guideline Section 15060(c) provides that "Once an application is deemed complete, a lead agency must first determine whether an activity is subject to CEQA before conducting an initial study. An activity is not subject to CEQA if:

(1) The activity does not involve the exercise of discretionary powers by a public agency;
(2) The activity will not result in a direct or reasonably foreseeable indirect physical change in the environment; or
(3) The activity is not a project as defined in Section 15378.

In this case, the Application as framed will result in a direct and reasonable foreseeable indirect physical change in the environment in the vicinity of the Temple.

[5] The events in the schedule provided to the ABC and marked as Exhibit B2 were identical to those in the Administrative Record of the case challenging the issuance of a Categorical Exemption for the 2010 CU authorization. A copy of the ABC 2002-2007 Schedule is attached hereto as **Exhibit 2**.

[6] The ABC proceeding includes a formal hearing conducted before an administrative law judge. Presentation of evidence is subject to the rules of evidence and witnesses testify under oath. The evidence presented at the ABC hearing is therefore more reliable than the summary representations made to the Department in support of the Application.

[7] Copies of the 2009 and 2010 schedule of events submitted to ABC are attached hereto as **Exhibit 3**.

more recent, it is unfair and inaccurate to restrict the consideration to such a generalized representation of a period consisting of only four years while omitting the two most recent years.

Determination of lawful non-conforming historic use is based on facts and must be determined on a case-by-case basis. It is the Coalition's position that, in evaluating the historic lawful non-conforming use, this Commission must consider the following components in arriving at the historic use:

A. Because CMMT provided historical data covering the last 10 years (2000 through 2010) as part of their sworn testimony in the ABC hearing, the period used to define historic use must include a minimum of 10 years of data. Any period less than 10 years would be unreasonable;

B. Events must be separated by size, because small events have substantially less impact on the neighborhood than large events;

C. Events must be categorized by type, because large live entertainment events have more noise, parking, traffic and other impacts then lectures, seminars or receptions;

D. The start-and-end-time of events must be considered, because they also have impact on the neighborhood;

E. Location and frequency of loading and unloading should be included, because they impact traffic, noise and aesthetics, and thus create their own impact on the neighborhood; and

F. The conditions under which alcoholic beverages and food are served (including frequency, duration, and location of service stations within the facility) should be included, because they affect the conduct of patrons, before during and after events, both at the Site and in the neighborhood (as the regulation of such activities by the ABC recognizes).

2. *Analysis of Historic Uses Applying the Above Criteria*

The Coalition reviewed the historic event information provided by CMMT to the Department and to ABC to determine whether CMMT's event numbers, loading/unloading, and alcoholic beverage service stations are supported by CMMT's application. The Coalition's findings are summarized below.

A. Number of Events For the Last Ten Years

When the Coalition reviewed the historic event data for year 2001 through 2010, the Coalition used the following methodology:

- *Compare the ABC Schedule and the Application Schedule.* The comparison showed there were 12 events in the Application Schedule that were not included to the ABC Schedule[8] and 53 events in the ABC schedule of events that were not included in the Application Schedule of events.

- *Use the ABC Schedule as the base document.* The Coalition decided to use the ABC schedule, because it is organized in a way that one can accurately count the total events by category, size, and time, and to include the 12 events in the Application Schedule but omitted in the ABC Schedule, which would skew the data favorably to the CMMT. Furthermore, the information in the ABC schedule was presented in a legal proceeding where the rules of evidence apply and testimony was given under oath and therefore probably closer to being accurate.

- *Examine and revise the Event Categories to conform them to the facts.* The Coalition examined the event list and moved events that were improperly categorized into their proper categories.[9] When an event could not be clearly identified, a Google search was conducted of the names of the entertainers or lecturers to place them in the correct categories. Additionally, because the end time of an event has different impact when it is after 8 PM, the Coalition added a category for events ending before 8 PM and removed them from the evening event category. A summary of events developed by the Coalition under this process is attached hereto as **Exhibit 6.**

- *Compare the Coalition's list with lists generated by other residents.* This comparison was performed to ensure that the Coalition's totals for each year are similar to the counts by other residents, since the CMMT summary shows approximately 357 events in 2005, which is 181 events more than that in the Coalition's summary for the same year.[10] At the hearing,

[8] A copy of the additional events not in the 2002-2007 event schedule is attached hereto as **Exhibit 4.**

[9] For example, lectures by Al Gore, Hilary Clinton and others listed under live-entertainment were reclassified and placed under Special Events, and Citizenship ceremonies were removed from the Meeting/Conference/Convention category and put under Special Events.

[10] Mr. Galanos, another neighbor, merged all the data from the various sources (ABC, CATEX, LOD submittals). He then used software to extract the data in searchable form and created a spreadsheet. The data (naturalization, exams, etc) were re-categorized, cleaned up the start and end times, added a column that calculates number of hours an event covers. He then summarized all the data using Excel's built in analysis tools and presented the data in tabular form. His data

this Commission will have received or will hear testimony from nearby residents, who independently reviewed the Application Schedule and the ABC Schedule, Googled each event to verify the accuracy of the time of the event, the dates of the events and the type of events. They found that cancelled events were included in the Applicant's schedule of events, while others could not be verified by Google searches. The cancelled events and events that could not be verified were not discounted in the Coalition's summary.

A close examination of CMMT's summary of the Application Schedule simply does not stand up to scrutiny. The inescapable conclusion is that the CMMT grossly exaggerated the number of events in its Application. ***When properly categorized, the average number of annual live entertainment events drops from an average of 47 live evening entertainment events in the Application to an average of 35 large all day and evening live entertainment events in the last ten years.***[11]

It is evident that CMMT grossly misrepresents the scope and impact of the alleged historic use of the Temple in an attempt to illegally increase of the number of evening live entertainment events and the day time meeting/conferences/conventions events -- events with the most impact on the neighborhood. The facts reveal that the Application ***is designed to enlarge and intensify*** the Temple's lawful non-conforming use in violation of Section 185(e). The Commission should reject the Application as currently framed and continue the hearing to allow its staff sufficient time to perform an ***independent*** analysis of the Application event data, the ABC event data, and to request additional event data prior to 2001, and to include event data from 2009 and 2010 that CMMT failed to include in its Application because the decreased use in those years skews their data downward.

B. Alcoholic Beverage and Food Service Stations.

In its Application, CMMT failed to provide any evidence to support the frequency or duration of alcoholic services in its proposed conditions of approval. The number of bars are only identified in its proposed conditions of approval. At the ABC hearings, Mr. Alan Cassalou, the Grand Secretary of the Temple, testified under oath that he has no idea how often alcoholic beverages were served, where the beverage stations were located, or at what events alcoholic

---

shows 179 events in 2005. A copy of Mr. Galanos' data forms is the files of the Planning Department and a copy of his summary of events is attached hereto as **Exhibit 5**

[11] The Coalition's 33.7 average annual large entertainment events assume that all 27 entertainment events in 2010 are large evening events and also included all 62 large evening events in 2004 which included 14 talent search shows and 9 Broadway On Ice shows where were anomalies for the ten year period.

beverages were served. Similarly, the last column of the ABC Schedule (Exhibit 2) showed that the Masonic Temple has no record of the events where alcoholic beverages were serviced.[12]

The record is also clear that the Masonic Temple ***never*** had a permanent liquor license, only temporary licenses that were requested and obtained by individual event sponsors. The documents provided by ABC at the ABC hearings and in response to public record requests show no permanent liquor license. In 2010, the ABC staff investigation report for a double transfer of a liquor license from another location stated that the Masonic Temple "has never been licensed by the Department" and there were only "eight (8) one day licenses, and seven (7) catering permits for various functions" from 1/1/09 to 6/2/10. In 2009, ABC granted 12 permits for events (10 concerts, a reception for 200 people and a dinner for 500 people) for the Masonic Temple; of these events only one event had an estimated 3,500 attendees; majority of the concerts only have 2000 attendees per event day.

In 2010, ABC granted five (5) permits (3 concert/comedy shows attended by an estimate of 3000 attendees each, 1 graduation attended by 1,500 attendees, and 1 conference with 50 attendees) for the premises of the Masonic Temple. Live Nation's recent applications for temporary liquor licenses included plans showing the locations of alcoholic beverages for the Jeff Beck Concert and the Conan O'Brien Comedy Show with estimated attendees of about 3,000 for each concert. All the plans attached to the ABC applications for events at the Temple clearly show no more than ***two*** bar locations (one in the main lobby and one in the balcony lobby). Copies of ABC applications for temporary liquor license are attached hereto and referred to collectively as **Exhibit 7.**

In contrast to claims by the CMMT, the Commission has a letter from Annette Berger, who worked as an usher at the Temple from 2001 to 2006. She was the head usher at the balcony level. Ms. Berger states in her letter to the Commission that during the years when she was an usher, most events did ***not*** include alcoholic beverage services. When alcohol was served, it was mainly limited to a single bar at the main lobby and, on rare occasion, there would be a single bar set up in the balcony lobby. Except for water, no alcohol or food was allowed inside the Auditorium. Finally, she states that drinks were served only before the start of an event and during intermission. The Berger letter also contradicts CMMT's representation that existing and historical operation of the Temple included serving snacks and other food throughout the Temple, from up to five temporary concession stands. This statement in Ms. Berger's letter is consistent with the information provided by ABC and contradicts information provided by CMMT in their application. A copy of Ms. Berger's letter is attached hereto as **Exhibit 8.**

The undisputed evidence is that alcohol was served at the Temple occasionally and always under one-day temporary licenses, ***never*** a permanent license. Furthermore, there were never more than ***two*** locations where alcoholic beverages were served and no alcoholic beverages were served

[12] Copies of the transcript Mr. Cassalou's testimony is in the Planning Department's case files.

after intermission. In order to avoid intensification, any conditions of approval must limit alcoholic beverage service to the historic conditions, with no more than *two* bars, with service limited to before the event and during intermission, and no alcoholic beverages should be allowed in the main auditorium.

C. Event End Time

Based on the ABC Schedule, most evening events have ended between 10 PM and 10:30 PM. Only 36 events in the past ten years were listed as ending at 11 PM or later, of which 12 were evening large events, the other 24 were small events (mostly examinations, receptions and tradeshows). Therefore, in order to avoid intensification, the conditions of approval should include a condition that evening events should end no later than 10:30 PM and only one large live entertainment or large special event per year may end at 11 PM.

D. Size of Events

While CMMT provides a spreadsheet of purported historical events, the Application fails to identify the location within the Temple where the events were held. Since events of different sizes would take place in an appropriately sized room, the Commission must rely on the evidence in the ABC Schedule to ascertain the sizes of historic events, as summarized by the Coalition (see Exhibit 5).

E. Loading and Unloading, On-street Bus Parking

Loading and Unloading

Prior to the 2010 conditional use hearing, Live Nation informed the neighbors that for concerts, California Street would be used for stage sets delivered by truck that could not fit into the Pine Street loading dock; such deliveries would arrive in the morning and that reloading back onto the trucks would take no more than 1 ½ hours immediately after the concert. Therefore, to the extent that some of the concerts would require the use of California Street, there would not be more than one (1) loading/unloading day per concert. Furthermore, CMMT does not give a reason why the Pine Street loading dock is insufficient for the majority of events such as examinations, graduation, citizenship ceremonies, lectures, stock holder's meetings, and other small conferences or conventions held at the Temple. To the extent that events such as the Apple conference utilized buses, the buses should unload the attendees and return to pick them up at the end of the day. Therefore, there is no basis for CMMT's proposed condition of approval for 125 days requiring loading and unloading on California Street. That figure was allowed as a condition of approval for an application that allowed (contrary to CEQA) for an ***intensification*** of the lawful non-conforming use. That point aside, the number is not substantiated by any evidence.

Finally, it appears that the figure was calculated in a misleading way. It appears that CMMT used ***event*** days, rather than loading and unloading days, as their base data, in order to achieve a baseline that will allow for more events and loading days. However, each day of a multi-day event is not an individual event; rather the entire multi-day event must be counted as just one event. Loading/unloading of equipment necessary for a multi-day event would occur the day of (or the day before) and on the last day (or day after) the event. Thus, in determining the impact of loading and unloading, the appropriate number is the number of events and not the number of event days.

The requirement for constant bus loading and freight loading and unloading on California Street was caused by the intensification of use presented in CMMT's 2009 conditional use application. CMMT's avoidance of using the loading dock because it is not as convenient as commandeering parking, public and handicapped access along California Street is not an acceptable and impermissible intensification of use.

Existing Loading Dock

The loading dock for the Temple, located on Pine Street, is served by a freight elevator from the loading level to the California room/Exhibit Hall level ("lower level") below the main auditorium. All small events that take place in the lower level can be serviced by the loading dock. All large events, such as lectures, graduation or citizenship ceremonies and other special events can be serviced by small vans or trucks that can use the loading lock.[13] All trucks less than 40' long should be required to use the loading dock, rather than take residential permit parking spaces out of service simply because that would be more convenient for the Applicant. Based on the foregoing, the Applicant's request for 125 days of loading and unloading on California Street should be rejected and CMMT should be required to submit evidence to justify its assertions for any condition approving loading or unloading on California Street.

3. ***CMMT's Proposed Conditions of Approval Must Be Modified By This Commission.***

The Commission also has before it a letter from Stan Landfair, a neighbor who resides next door to the Temple. In his October 6, 2011 letter, Mr. Landfair provides this Commission with his objections to the CMMT conditions of approval. The Coalition agrees with Mr. Landfair's objections, because his modifications correct inaccuracies in the proposal submitted by the Applicant and ensure that there will be no intensification of the historic uses. The Coalition urges this Commission to accept Mr. Landfair's comments and modified conditions. For the Commission's convenience, Mr. Landfair's letter and a redlined copy of his proposed modifications are attached

[13] Before any legal proceedings were initiated challenging the issuance of a categorical exemption and the conditional use authorization in 2010, and before the court issued its decisions on those challenges, The Masonic Temple actually did not use the loading dock for food and beverage services or other deliveries by trucks that are less than 40' long.

hereto as **Exhibit 9.** Additionally, the Commission should include the averages in the Coalition's Exhibit 7 or in other neighbors' testimony regarding the maximum number of daytime events, all day events, events ending before 8 PM, evening events by type, as well as the other standard conditions of approval.

COMPLIANCE WITH SECTION 303(c) CONDITIONAL USE CRITERIA

If the number of events accurately reflected the average number of events for a minimum of the last ten years by category, size, time of events, alcoholic beverage service, food service, and the historic pattern of loading and unloading, the Coalition would agree that a conditional use for historic uses would comply with the Section 303(c) criteria, as well as with the applicable General Plan Policies and Objectives. However, CMMT's application is replete with gross over-exaggerations and deception. The average number of events presented in the summaries in the CMMT Application or the summary submitted to ABC attached here to as **Exhibit 10** (and marked as Exhibit C by the ABC administrative law judge) cannot be the basis for granting CMMT's Conditional Use application, because the Project would exceed the scope of the Project in the Notice sent to the neighbors and the public and would not meet the following Section 303 criteria.

1. That the proposed use or feature, at the size and intensity contemplated and at the proposed location, will provide a development that is necessary or desirable for, and compatible with, the neighborhood or the community.

Based on the historic use criteria, the CU Applicant before this Commission clearly constitutes an intensification of use. Under CMMT's summary of annual historical use, the Temple will hold a total of 245 events a year.[14] The Site is located in an RM-4 district, overlaid with the Nob Hill SUD. One of the purposes of a residential district is the "promotion of a balanced and convenient neighborhood have appropriate public improvements and services, suitable nonresidential activities that meet the needs of residents, and other amenities that contribute to the livability of residential areas." (Planning Code section 206(e).) The primary purpose in creating the Nob Hill SUD was to ensure that the balance between the residential and limited commercial uses atop Nob Hill be maintained.

As demonstrated in Exhibit 6, there is not one single year from 2001 through 2010 in which there were more than 223 events (other than 267 in 2004). CMMT's claim of 357 events in 2005 is

14 As noted above, the Applicant claims that the 245 events per year included 68 daytime events (4 live events, 41 meetings/conferences/convention, 6 tradeshows/Exhibitions, and 17 special events), 86 nighttime events (47 live nighttime events, 20 meetings/conferences/convention, 6 tradeshows/Exhibitions, and 8 special events) and 91 all day events (27 meetings/conferences/convention, 56 tradeshows/Exhibitions, and 8 special events.) See Attachment to CU application, page 1.

without any factual foundation. See Exhibit 5. CMMT has purposely manipulated the event numbers to vastly exceed the historic number of events held annually at the Temple in order to increase the quantity, size and times of large evening and day time events — which is what CMMT seeks to do by this CU application under the guise of historic use. The size and intensity of use contemplated at the Temple by the Application is not necessary or desirable for, or compatible with the neighborhood or the community. Moreover, their environmental impact has not been analyzed.

2. That such use or feature as proposed will not be detrimental to the health, safety, convenience or general welfare of persons residing or working in the vicinity, or injurious to property improvements or potential developments in the vicinity, with respect to aspects including but not limited to the following:

A. *The nature of the proposed site, including its size and shape, and the proposed size, shape and arrangement of structures.*

While the Application states that there is no expansion of use, the described operation of the venue is actually substantially different from the historic operations. Furthermore, the current operation of evening entertainment events by Live Nation use creates a safety hazard. During the recent BB King concert, neighbors witnessed that, between sets, the opening act's equipment was wheeled off the stage, up the aisle, and through the door marked as a handicapped and emergency exit.[15] In fact, all aisles inside the auditorium serve as emergency exits. Using the aisle for loading and unloading during intermission creates an obvious safety hazard that is detrimental to the health, safety, convenience or general welfare of the concert attendees. In order to address this flagrant disregard of public safety, the criterion can only be met with a condition of approval that all stage sets and equipment between sets cannot be removed through the aisles in the seating area or any emergency exit.

B. *The accessibility and traffic patterns for persons and vehicles, the type and volume of such traffic and the adequacy of proposed off-street parking and loading;*

The intensification of use has not been analyzed to ascertain its impacts, environmental or otherwise, on the neighborhood. Consolidation of the average annual number of events by four broad categories (the event name, date and starting time of the event) by the Applicant makes it impossible for this Commission and the public to determine the increased impact of the Project on vehicular and/or pedestrian traffic pattern or the adequacy of the proposed off-street parking and

15 Mr. Pedro Mascaró sent an e-mail to the Commissioners on October 7, 2011 describing the loading and unloading inside the auditorium during the concert, albeit between sets.

loading policies. Therefore, this criterion can be met only if the Commission imposes a condition of approval based on the number of events by category, size and time, using the information submitted by the Coalition and other neighbors that expressed concerns with the Application.

C. *The safeguards afforded to prevent noxious or offensive emissions such as noise, glare, dust and odor;*

At the 2010 hearings, the Board of Supervisors and this Commission heard testimony about offensive glare from residents on Pine Street, and loud noise generated by late night unloading and loading on both California and Pine Streets. Much of the offensive noise and glare are associated with the operations by Live Nation, the current lessee of the Temple. The CMMT's proposed conditions of approval are insufficient to protect the public from noxious glare and noise. In addition to other conditions that the Commission must impose, a condition requiring the enclosure of the current loading area off Pine Street to help mitigate late evening–early morning noise generated by automobiles exiting on metal ramps, unloading/loading and glare. A copy of the transcript of testimony about the impact of large concerts on Cable Car operation is attached hereto as **Exhibit 11.**

D. *Treatment given, as appropriate, to such aspects as landscaping, screening, open spaces, parking and loading areas, services areas, lighting and signs; and*

To the extent that a smoking area is designated outside the building, mitigation measures should be imposed to ensure that cigarette smoke will not enter the open windows of the apartments located adjacent to the Temple. It would be preferable impose a condition of approval disallowing smoking on the premises of the Temple, including the plaza and other outdoor spaces.

CMMT proposes numerous conditions in Exhibit C to the Application to support its conclusion that the Project will not be detrimental to the health, safety and convenience or general welfare of persons residing or working in the vicinity of the Temple. However, the Coalition has clearly demonstrated that the Project and that CMMT's proposed conditions of approval are in fact an intensification of the historic uses. The increased impacts on traffic, on-street parking, and noise would be detrimental to the health, safety, convenience and general welfare of persons residing or working in the vicinity, injurious to property improvements or potential development in the vicinity, and detrimental to the peaceful enjoyment of the homes of the nearby residents.

THE PROJECT DOES NOT MEET CERTAIN SECTION 101(b) (1) PRIORITY POLICIES

The priority policy set forth in Section 101(b)(4) states that "Commuter traffic will impede Muni Transit service and overburden streets and neighborhoods." In this case, any intensification of events will have a adverse impact on the California Street Cable Car line. At the February 2010 CU

and Cat Ex Appeal hearings, there was testimony that prior to one of the concerts, the Cable Car was stopped because of traffic and ultimately taken offline. See Exhibit 11.

CONCLUSION

The Commission should ask for an application that is based on accurate historic data wherein events are separated into categories of size, start and end time, number and frequency of alcoholic beverage services.[16] A critical evaluation of the historical use is necessary because CMMT is attempting to establish an artificially high historical use that CMMT will use as the artificial baseline for future applications to further increase and intensify use. At a bare minimum, the Application should be scrutinized carefully. Conditions should be imposed to ensure that there is no intensification or expansion of the lawful non-conforming uses. If the Application were modified to would merely continue the ***true*** historic uses without intensification, as articulated in the Coalition's summary of the list of events, then the Coalition would have no objection to and would support a continuation of the historic uses at the Temple. The Coalition urges the Commission to remember that Nob Hill is primarily a residential district. Based on the foregoing, it is respectfully submitted that the conditional use application as currently framed must be rejected due to its numerous inaccuracies.

Very truly yours

Alice Suet Yee Barkley

Re: California Masonic Memorial Temple Conditional Use Application to Continue Lawful Non-Conforming Use Pursuant to Planning Code Section 185(e); Planning Department Case No. 2011.0471C

Dear Commissioner Miguel and Commissioners:

In connection with the above-referenced application, our office submitted a letter dated October 19, 2011 on behalf of the Nob Hill Coalition ("NHC") indicating that the NHC does not object to the continuation of the historic uses, but does object to the proposals to intensify those uses. Our letter provides the Commission with a detailed analysis of the historic use of the Masonic Temple and is incorporated as if fully set forth herein.

On January 12, 2012, the Planning Department released recommendations which, if approved, would both expand and intensify the historic use of the Masonic Temple in many material ways. However, the Department's recommendations are not supported by evidence or even its own flimsy logic. For example, the Department's analysis lumped events of different impacts on the environment into one single category, and also increased the number of events and other uses by 25%, improperly relying on Section 186.1(b) of the Planning Code as justification.

For the reasons discussed below, adoption or approval of the positions of your staff and the applicant would result in violations of the California Environmental Quality Act (CEQA), specifically including CEQA Guidelines Section 15060(b)(2), by failing to conduct an environmental review. The Commission would further act in excess of its jurisdiction and fail to proceed in accordance with the law by relying on Planning Code Section 186.1(b) to allow an increase the number of historic events.

NHC reiterates that the Coalition and the neighbors do not object to the continuation of the historic uses of the Masonic Temple, but do object to the proposals to intensify those uses. We therefore object to any approvals by this Commission that would result in any intensification without environmental review and without a conditional use application for such intensification.

The Commission Must Continue the Hearing and Instruct the Department to Conduct an Environmental Review in Accordance with CEQA

The Department relies on CEQA Guidelines Section 15060(c)(2) to exempt the project before the Commission from any environmental review. Section 15060(c) provides as follows:

> Once an application is deemed complete, a lead agency must first determine whether an activity is subject to CEQA before conducting an initial study. An activity is not subject to CEQA if:
>
> (1) The activity does not involve the exercise of discretionary powers by a public agency;
>
> (2) The activity will not result in a direct or reasonably foreseeable indirect physical change in the environment; or
>
> (3) The activity is not a project as defined in Section 15378.

Under CEQA Guidelines Section 15378(a), a "Project" means the whole of an action, which has a potential for resulting in either a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment, and that is any of the following:

* * *

> (3) An activity involving the issuance to a person of a lease, permit, license, certificate, or other entitlement for use by one or more public agencies.

Section 15389(c) defines the term "project" as referring "to the activity which is being approved and which may be subject to several discretionary approvals by governmental agencies."

The action before the Commission involves a conditional use authorization that is a land use entitlement that will be relied upon by other public agencies, such as the San Francisco Health Department, the California Alcoholic Beverage Board, among others. The activities involved in the project include, but are not limited to, evening entertainment.

These activities were lawful non-conforming uses that terminated as a matter of law in 2006. The Planning Code did not provide for continuation of such terminated lawful non-conforming uses by the submission of an application that would be approved as a ministerial act by the Planning Department. Rather, it specifically requires the operator or owner of a terminated lawful non-conforming use to seek a conditional use authorization to continue said uses. Conditional use authorizations require the exercise of sound discretion and application of the criteria set forth in

Section 303(c) of the Planning Code; therefore, the action involves the exercise of discretionary powers by the Commission.

Here, the Planning Department selectively applied CEQA Guideline Section 15060(b)(2) to exempt the project from environmental review without considering the related CEQA Guideline Section 15378 because "the continued operation of the existing uses will not result in a direct or reasonably foreseeable indirect physical change in the environment." *See* page 2 of the Department's Executive Summary, January 19, 2012.

The draft motion before the Commission, if adopted, would allow 68 live entertainment events (instead of the historical 54) and 219 non-live entertainment events per year, without limitation on the time of day or duration that these events can occur. This clearly would result in intensification of the historic use with associated direct or reasonably foreseeable indirect impacts on the physical environment, such as but not limited to traffic and noise.

As another example, please note that the proposed conditions of approval also would allow three (3) alcoholic concession stands, and suggests that a permanent liquor license would be obtained. The record is clear that the historic use of the Masonic Temple does not include more than two temporary stands for liquor. As a result, the proposed conditions would allow intensification with reasonably foreseeable indirect physical impact on the environment. Accordingly, any condition of approval related to the service of alcoholic beverages must specify that there should not be more than two alcoholic beverage concession stands and that only one-day temporary permits from ABC are allowed, on the same terms as allowed in the past. Otherwise, the activities approved under the draft motion will result in a direct or reasonably foreseeable indirect physical change that must be analyzed under CEQA.

The California Courts, including the Supreme Court, have long held that CEQA must be interpreted liberally. In this case, the Department is ignoring the spirit of CEQA and its legislative intent by selecting and applying only the provisions that would advance the cause of the Applicant to the detriment of the public. We urge the Commission to correct this error by continuing the hearing unless and until the Department conducts the review that is required under CEQA.

Reliance on Planning Code Section 186.1(b) is Misplaced

To our surprise, the Department has relied on Planning Code Section 186.1(b) to propose an increase in the number of events by 25%, as well as the number of alcoholic concession stands. If the Commission adopts the Department's position, its action would amount to an amendment of the Planning Code, in excess of the Commission's jurisdiction and contrary to law.

Section 186.1(b) provides in relevant part as follows:

> The purpose of this Section is to provide for the further continuance ***in NC*** Districts of nonconforming uses created by adoption of Ordinance No. 69-87, as herein described, and subsequent ordinances that change the uses allowed in NC Districts, ***which are beneficial to, or can be accommodated within the neighborhood commercial areas in which they are located.***
>
> * * *
>
> The following provisions shall govern with respect to nonconforming uses and features ***located in Neighborhood Commercial Districts*** to the extent that there is a conflict between the provisions of this Section and other Sections contained in this Article 1.7.
>
> (a) Expansion. ***A nonconforming use may expand***: (1) ***in floor area*** as provided in Subsection (b) below, but may not expand beyond the lot which it occupies, nor may the boundaries of such lot be expanded for purposes of expanding the use; nor may the use expand upward above the story or stories which it lawfully occupies, except as provided in Section 186.2 below.
>
> (b) Enlargements or Alteration.
>
> (1) ***A nonconforming use may not be significantly altered; enlarged or intensified, except upon approval of a conditional use application*** pursuant to the provisions of Article 3 of this Code . . . .

(*Emphasis added*).

In this case, the Masonic Temple is located in the Nob Hill Special Use District ("Nob Hill SUD") with an underlying RM-4 zoning district. It is not located in a Neighborhood Commercial District ("NCD"). There is nothing in the Planning Code that would allow the Planning Department or this Commission, in effect, to change the zoning of the Nob Hill SUD to a "Nob Hill NCD," thereby allowing an expansion of the lawful non-conforming use by 25%.[1] Moreover, Section 186.1(b) relates only to expansion of floor area, not an expansion of authorized or existing uses, or number of events.

---

[1] The only possible explanation for the Department's reliance on this provision to allow for a 25% expansion of the lawful non-conforming use would be the Zoning Administrator's earlier erroneous determination that because the Masonic Temple is located within ¼ mile of the Polk Street NCD, it could apply for a conditional use authorization to expand its entertainment use by using "other entertainment use" from the Polk Street NCD. However, the Superior Court has ruled that the Polk Street NCD uses may not be imported to the Nob Hill SUD. While the City and the Applicant have appealed, the Superior Court's decision remains binding unless it is overruled. See *Nob Hill Association et.al. v. City and County of San Francisco et.al.*, San Francisco Superior Court No. CPF-10-510365.

The notice to the neighbors describes the conditional use application as follows:

> "[T]o continue the existing nonconforming entertainment and assembly use of the "Nob Hill Masonic Center", and to continue operation of the existing operation of the exiting food and beverage service uses within the Center, pursuant to Planning Code Section 185(e) and 303, within the RM-4 (residential, Mixed, High Density) District, the Nob Hill Special Use District, and the 65-A Height and Bulk District. No interior or exterior modifications, or change in patron capacity of the existing facility, are requested as part of this action."

As can be seen, the conditional use application before this Commission did not request an expansion of the lawful non-conforming use. Without a conditional use application to expand the lawful nonconforming use, this Commission cannot approve *any* expansion of the existing uses under Section 186.1(b) or otherwise

Conclusion

Based on the foregoing, we respectfully submit that the Commission must reject the staff recommendation and direct the staff to provide this Commission with draft motion of approval that accurately reflects the historic and existing uses.

Very truly yours,

Alice Suet Yee Barkley

PROJECT ADDRESS: 1111 California Street; California Masonic Memorial Temple		
PLANNING CASE NO.: 2011.0471C	BUILDING PERMIT APPLICATION NO.:	DATE OF DECISION (IF ANY): February 19,2012

2. Required Criteria for Granting Waiver

(All must be satisfied; please attach supporting materials)

☒ The appellant is a member of the stated neighborhood organization and is authorized to file the appeal on behalf of the organization. Authorization may take the form of a letter signed by the President or other officer of the organization.

☒ The appellant is appealing on behalf of an organization that is registered with the Planning Department and that appears on the Department's current list of neighborhood organizations.

☒ The appellant is appealing on behalf of an organization that has been in existence at least 24 months prior to the submittal of the fee waiver request. Existence may be established by evidence including that relating to the organization's activities at that time such as meeting minutes, resolutions, publications and rosters.

☒ The appellant is appealing on behalf of a neighborhood organization that is affected by the project and that is the subject of the appeal.

I

The name of this corporation is:

NOB HILL ASSOCIATION

II

The purposes for which this corporation is formed are:

(a) The specific and primary purposes are to initiate, sponsor, promote and carry out plans, policies and activities which will exert a beneficial influence upon matters affecting the area known as Nob Hill in the City and County of San Francisco.

(b) The general purposes and powers are to engage in all lawful activities and operations usually and normally engaged in by a community improvement association; to assist members in their desire to improve the Nob Hill area; to promote the highest architectural standards for the Nob Hill area. To provide a medium through which the expression of the wishes of the owners of property in the Nob Hill area and those interested in the welfare of the Nob Hill area may be heard; to elevate and improve the civic and cultural standards of the Nob Hill area in every lawful way; to cooperate with other civic and community organizations in order to achieve the highest standards for Nob Hill and surrounding area; to ensure the maintaining and enhancing of Nob Hill as a site of historical significance internationally, nationally, State-wide and locally; and to educate both residents and visitors in the significance of Nob Hill and San Francisco in their role in the ~~westward migration from Europe~~ development of the west.

Notwithstanding any of the above statements of purposes and powers, this corporation shall not, except to an insubstantial degree, engage in any activities or exercise any powers that are not in furtherance of the primary purposes of this organization.

III

This corporation is or - to the General Nonprofit Corporation Law of the fornia.

IV

The county in this State where the principal office for the transaction of the business of this corporation is located is the City and County of San Francisco.

Block 0247C

1200 California Street Corporation is the Co-Op that owns all the property. City records do include some who are not property owners but are instead leaseholders.

Verified Petition
City Planning Commission Case No. 2011.0471C
Verified Petition Opposing The Masonic Conditional Use Authorization

We, the undersigned, are owners of properties within 300' radius of the 1111 California Street Property, commonly known as The California Masonic Memorial Temple ("CMMT"). We have been notified that the San Francisco Planning Commission, on January 19, 2012, has granted a conditional use permit per Planning Code Section 185(e) to continue the lawful non-conforming entertainment and assembly uses at CMMT. The Commission approval (i) allows 68 live entertainment events, 219 non-live entertainment events and unlimited number of events with fewer than 250 attendees; (ii) extends the end time for all events to 11pm on weekdays, 11:30pm on weekends, (iii) extends the end time for three events to 1am; and (iv) increases alcoholic consumption at the Masonic Temple substantially with an undefined number of alcoholic service stations compared to the historic one or two locations operating under temporary one day permits issued by the Department of Alcoholic Beverage Control. This conditional use authorization will ***vastly*** intensify, expand, or extend the non-conforming use and is prohibited by Planning Code Section 185(e).

We are familiar with CMMT's conditional use application. While we have no objection to CMMT continuing its historic uses, we find the conditional use authorization to be a misrepresentation of the true and accurate historic uses of CMMT. We, therefore, join in the appeal of the conditional use application and urge the Board of Supervisors to modify the Planning Commission's conditions of approval to reflect the true historic uses as presented by neighbors and neighborhood organization and to impose additional conditions to make the use compatible with the neighborhood.

If ownership has changed and the assessment roll has not been amended, please attach a copy of the Grant Deed as proof of ownership change.

If signing for a firm or corporation, proof of authorization to sign on behalf of the organization must be attached.

If signing for a Trust, sign your name and mark Trustee next to it.

RESOLUTION OF BOARD OF DIRECTORS OF

1200 CALIFORNIA STREET, A CALIFORNIA CORPORATION

Whereas, the 1200 California Street, a California Corporation, located at 1200 California Street, San Francisco, California, is the owner of a cooperative residential apartment building located at 1200 California Street;

Whereas, the Board of Director of the 1200 California Street (the "Board") has considered the Action of the San Francisco Planning Commission approving a conditional use relating to 1111 California Street, San Francisco, California, purportedly to allow continuation of the existing historic use;

Whereas, the approval by the Planning Commission exaggerated the number of historic events and increase the incorrect number by another 25% all without environment review in compliance with the California Environmental Quality Act

Whereas, the Board believes that this conditional use authorization for a total of 287 events per year, of which 68 are entertainment events, and undefined number of alcoholic beverage service stations during events will impair emergency vehicle access to 1200 California Street and is detrimental to the residents of 1200 California Street, its Shareholders and to the neighborhood of Nob Hill and the City of San Francisco, and

Whereas, the Board believes that this conditional use authorization will result in traffic, health, safety and economic detriment to the City of San Francisco, and

Whereas, there are 91 residential units at 1200 California Street, San Francisco, California, each of which is owned by the Corporation, and

Whereas, the Corporation wishes to appeal the said action of the Commission,

Now, therefore, on February 12, 2012, upon motion duly made by unanimous consent of the Directors as provided for in the Corporation's By-Law, adopted the following Resolution:

RESOLVED, that 1200 California Street intends to and does hereby appeal the San Francisco City Planning Commission's approval of the application by California Masonic Memorial Temple for a conditional use of the property at 1111 California Street, San Francisco, and the issuance of the categorical exemption for the conditional use project,

RESOLVED, that the Board hereby authorizes and directs and authorizes Mary Powell, the President of 1200 California Street, to execute and deliver such documents as she deems appropriate and necessary to make such appeal, including, without limitation, a Notice to Board

of Supervisors of Appeal from Action of the City Planning Commission and the issuance of the categorical exemption,

RESOLVED that the Board directs authorizes and directs Robert S. Epstein the Secretary of 1200 California Street to attest to this Resolution.

I declare that the foregoing is true and correct.

Attested

Robert S. Epstein, Secretary

Corporation Grant Deed

Affix I.R.S. $_____

By this instrument dated June 5, 1961, for a valuable consideration,

MAR-VISTA CORP.,

a corporation organized under the laws of the State of California,
hereby GRANTS to 1200 CALIFORNIA CORP., a corporation organized under the laws
of the State of California,

the following described real property in the State of California, County of San Francisco and
City of San Francisco:

BEGINNING at the point of intersection of the northerly line of California Street and the westerly line of Jones Street; running thence westerly and along said northerly line of California Street 140 feet and 6 inches; thence at a right angle northerly 137 feet and 6 inches; thence at a right angle easterly 140 feet and 6 inches to the said westerly line of Jones Street; thence at a right angle southerly and along said westerly line of Jones Street 137 feet and 6 inches to the point of beginning.

Being a portion of 50 VARA BLOCK NO. 247.

STATE OF ~~CALIFORNIA~~ New York
COUNTY OF New York } ss.

On June 5, 1961, before me, the undersigned, a Notary Public in and for said County and State, personally appeared Norman Tishman known to me to be the President, and John B. Coman, known to me to be the Assistant Secretary of the Corporation that executed the within instrument, known to me to be the persons who executed the within instrument on behalf of the Corporation therein named, and acknowledged to me that such Corporation executed the within instrument pursuant to its bylaws or a resolution of its Board of Directors.

WITNESS my hand and Official Seal,

(Seal) Jacqueline Nester
Notary Public in and for said County and State.

Hill Investment Company at 1201 California Street Corporation is the Co-Op that owns all the property. City records do include some who are not property owners but are instead leaseholders.

Verified Petition
City Planning Commission Case No. 2011.0471C
Verified Petition Opposing The Masonic Conditional Use Authorization

We, the undersigned, are owners of properties within 300' radius of the 1111 California Street Property, commonly known as The California Masonic Memorial Temple ("CMMT"). We have been notified that the San Francisco Planning Commission, on January 19, 2012, has granted a conditional use permit per Planning Code Section 185(e) to continue the lawful non-conforming entertainment and assembly uses at CMMT. The Commission approval (i) allows 68 live entertainment events, 219 non-live entertainment events and unlimited number of events with fewer than 250 attendees; (ii) extends the end time for all events to 11pm on weekdays, 11:30pm on weekends, (iii) extends the end time for three events to 1am; and (iv) increases alcoholic consumption at the Masonic Temple substantially with an undefined number of alcoholic service stations compared to the historic one or two locations operating under temporary one day permits issued by the Department of Alcoholic Beverage Control. This conditional use authorization will ***vastly*** intensify, expand, or extend the non-conforming use and is prohibited by Planning Code Section 185(e).

We are familiar with CMMT's conditional use application. While we have no objection to CMMT continuing its historic uses, we find the conditional use authorization to be a misrepresentation of the true and accurate historic uses of CMMT. We, therefore, join in the appeal of the conditional use application and urge the Board of Supervisors to modify the Planning Commission's conditions of approval to reflect the true historic uses as presented by neighbors and neighborhood organization and to impose additional conditions to make the use compatible with the neighborhood.

If ownership has changed and the assessment roll has not been amended, please attach a copy of the Grant Deed as proof of ownership change.

If signing for a firm or corporation, proof of authorization to sign on behalf of the organization must be attached.

If signing for a Trust, sign your name and mark 'Trustee' next to it.

RESOLUTION OF BOARD OF DIRECTORS OF
HILL INVESTMENT COOMPANY, A CALIFORNIA CORPORATION

Whereas, the **Hill Investment Company**, a California Corporation, located at **1201 California Street, San Francisco, California**, is the owner of a cooperative residential apartment building located at 1201 California Street;

Whereas, the Board of Director of the **Hill Investment Company** (the "Board") has considered the Action of the San Francisco Planning Commission approving a conditional use relating to 1111 California Street, San Francisco, California, purportedly to allow continuation of the existing historic use;

Whereas, the approval by the Planning Commission exaggerated the number of historic events and increased the incorrect number by another 25% without environment review in compliance with the California Environmental Quality Act

Whereas, the Board believes that this conditional use authorization for a total of 287 events per year, of which 68 are entertainment events, and undefined number of alcoholic beverage service stations during events will impair access to 1201 California Street and is detrimental to the residents of 1201 California Street, its Shareholders and to the neighborhood of Nob Hill and the City of San Francisco, and

Whereas, the Board believes that this conditional use authorization will result in traffic, health, safety and economic detriment to the City of San Francisco, and

Whereas, there are 75 residential units at 1201 California Street, San Francisco, California, each of which is owned by the Corporation, and

Whereas, the Corporation wishes to appeal the said action of the Commission,

Now, therefore, on February 8, 2012, upon motion duly made and seconded at a regular meeting of the Board for which there was a quorum of Directors present, the Board unanimously adopted the following Resolution:

RESOLVED, that Hill Investment Company intends to and does hereby appeal the San Francisco City Planning Commission's approval of the application by California Masonic Memorial Temple for a conditional use of the property at 1111 California Street, San Francisco, and the issuance of the categorical exemption for the conditional use project,

RESOLVED, that the Board hereby authorizes and directs and authorizes *Aldo Caccamo*. the Treasurer of Hill Investment Company, to execute and deliver such documents as he deems appropriate and necessary to make such appeal, including, without limitation, a Notice to Board of Supervisors of Appeal from Action of the City Planning Commission and the issuance of the categorical exemption,

RESOLVED that the Board authorizes and directs Linda Begler the Secretary to attest to this Resolution.

I declare that the foregoing is true and correct.

Attested

Linda Begler

Linda Begler, Secretary

MINUTES OF THE MEETING OF THE BOARD OF DIRECTORS OF HILL INVESTMENT COMPANY WEDNESDAY, MAY 18, 2011

Call to Order
Mrs. Stewart called the meeting to order at 6:00 p.m.

Attendance
Directors Present: Mr. Caccamo, Mr. Johns, Ms. Lehrman, Mr. Pope and Mr. Gough (by phone)

Directors Absent: Mrs. Begler, Mr. Gatto

Others Present: Ms. Dickerson, Mrs. Stewart.

Notice of Meeting and Quorum
It was stated that notice of this board meeting and the board election ballots had been prepared and distributed to each stockholder in accordance with the Davis Stirling Act. Ms. Dickerson, the election inspection completed the roll call based on the signed ballots received by mailed and confirmed that the holders of a majority of the stockholders (54.45%) of the corporation had casted a ballot. She noted that one ballot was deemed invalid because no signature was on the envelope.

Ratification of Approved 2010 Annual Minutes
It was moved by Mr. Caccamo, seconded by Mr. Johns and carried that the corrected approved April 13, 2010 Annual meeting minutes be ratified.

Mrs. Stewart stated that the April 28, 2011 board minutes had not been mailed to the shareholders yet therefore will be approved at the next board meeting.

Election of Officers
Mrs. Stewart stated that the Bylaws provide that only seven stockholders who have been duly nominated may be elected directors. It was moved by Mr. Caccamo and seconded by Mrs. Lehrman and carried to accept the slate as nominated to hold office as directors and be elected to serve as indicated below until the next annual meeting of the stockholders:

Mr. Phil Gatto be elected Board President
Mr. Frank Pope be elected Vice President
Mr. Aldo Caccamo be elected Treasurer
Mrs. Linda Begler be elected Secretary
Mrs. Lois Lehrman be elected Assistant Secretary

Appointment of Committee Chairperson
The following appointments were made at the meeting:
Mr. Michael Johns was appointed House Committee Chairperson
Mrs. Linda Begler was appointed Admission Committee Chairperson
Mr. Aldo Caccamo was appointed Finance Committee Chairperson
Mr. Phil Gough was appointed Building & Grounds Committee Chairperson

Recommendation for committee members will be presented at the next board meeting.

Signatories on Bank Accounts

It was stated that the following persons would be authorized to sign checks on the corporation's accounts with any two signatures required on all reserve checks: Mrs. Begler, Mr. Caccamo, Mr. Johns, Mr. Gatto and Mr. Pope.

Action Items

It was moved by Mr. Johns, seconded by Mr. Caccamo and carried that the approved reserve expense to complete additional metal framing work on the 19th floor at a cost of $6,270 be ratified.

Buildings and Grounds Committee

Mrs. Stewart stated that the committee is recommending that we hire ESH Engineers as the fire alarm project consultant, but we await the revised contract that was missing additional items that was included in the initial proposal.

Mr. Gough reported that he along with Mr. Oropeza and Mrs. Stewart met with the buildings plumber and completed an initial survey of the plumbing stacks in the building. It was concluded that a larger section of a horizontal drain pipe located in the boiler room has eroded and should be replaced. Mr. Gough stated that we will request bids for the immediate replacement of this pipe. We will also open up ceiling in the utility, garbage rooms and the maintenance room to inspect those pipes for repayment as well.

Mrs. Stewart stated that the main metal frame work on the roof tanks has been completed. Fidelity has also been out to survey the entire roof and will send us a recommendation on any additional work they believe is needed as well as the pitch pockets recommended by Peak Construction. Fidelity Roofing will also give us a bid on waterproofing the front wall of the building in the area we experienced the leak into the storage room.

House Committee

It was moved by Mr. Caccamo, seconded by Mr. Pope and carried to amend House Rule, Chapter 10, (2) of the sublease policy to read "The board shall not approve any sublease with a term for other than twelve months. No request for sublease shall be considered unless the shareholder is current in all obligations to the corporation. The board reserves the right to deny requests for any sublease if the board deems it to be in the best interest of the building.

Executive Session

The Board went into Executive Session at 7:10 pm to discuss tenant, employee issues and a small claim suit. The Board came out of Executive Session at 7:48 p.m. It was determined that no action took place during executive Session.

Open Session

Ms. Lehrman brought up some concerns about the lubricant in the drinking water. She feels that although the tanks will be flushed, lubricants may still be left in the lining of the tanks. Ms. Lehrman suggests that the tank be scrubbed out first before refilling the tanks. Mrs. Stewart stated that she had received a report from unit #205 that they had called the city and a water quality inspector had come out to the building and took samples of the water. Mrs. Stewart stated that she also spoke to the inspector which informed her that she had only received two calls from the building complaining about the water. Mrs. Stewart that she had sent out an email and placed a notice at the doors requesting the residents to call if the issue continued.

Next Board of Directors Meeting

The next regularly scheduled meeting of the Board of Directors will be held on Wednesday June 22, 2011 at 6:00 p.m. in the office.

There being no further business, the meeting was adjourned at 8:00 p.m.

Verified Petition
City Planning Commission Case No. 2011.0471C
Verified Petition Opposing The Masonic Conditional Use Authorization

We, the undersigned, are owners of properties within 300' radius of the 1111 California Street Property, commonly known as The California Masonic Memorial Temple ("CMMT"). We have been notified that the San Francisco Planning Commission, on January 19, 2012, has granted a conditional use permit per Planning Code Section 185(e) to continue the lawful non-conforming entertainment and assembly uses at CMMT. The Commission approval (i) allows 68 live entertainment events, 219 non-live entertainment events and unlimited number of events with fewer than 250 attendees; (ii) extends the end time for all events to 11pm on weekdays, 11:30pm on weekends, (iii) extends the end time for three events to 1am; and (iv) increases alcoholic consumption at the Masonic Temple substantially with an undefined number of alcoholic service stations compared to the historic one or two locations operating under temporary one day permits issued by the Department of Alcoholic Beverage Control. This conditional use authorization will *vastly* intensify, expand, or extend the non-conforming use and is prohibited by Planning Code Section 185(e).

We are familiar with CMMT's conditional use application. While we have no objection to CMMT continuing its historic uses, we find the conditional use authorization to be a misrepresentation of the true and accurate historic uses of CMMT. We, therefore, join in the appeal of the conditional use application and urge the Board of Supervisors to modify the Planning Commission's conditions of approval to reflect the true historic uses as presented by neighbors and neighborhood organization and to impose additional conditions to make the use compatible with the neighborhood.

If ownership has changed and the assessment roll has not been amended, please attach a copy of the Grant Deed as proof of ownership change.

If signing for a firm or corporation, proof of authorization to sign on behalf of the organization must be attached.

If signing for a Trust, sign your name and mark 'Trustee' next to it.

Verified Petition
City Planning Commission Case No. 2011.0471C
Verified Petition Opposing The Masonic Conditional Use Authorization

We, the undersigned, are owners of properties within 300' radius of the 1111 California Street Property, commonly known as The California Masonic Memorial Temple ("CMMT"). We have been notified that the San Francisco Planning Commission, on January 19, 2012, has granted a conditional use permit per Planning Code Section 185(e) to continue the lawful non-conforming entertainment and assembly uses at CMMT. The Commission approval (i) allows 68 live entertainment events, 219 non-live entertainment events and unlimited number of events with fewer than 250 attendees; (ii) extends the end time for all events to 11pm on weekdays, 11:30pm on weekends, (iii) extends the end time for three events to 1am; and (iv) increases alcoholic consumption at the Masonic Temple substantially with an undefined number of alcoholic service stations compared to the historic one or two locations operating under temporary one day permits issued by the Department of Alcoholic Beverage Control. This conditional use authorization will ***vastly*** intensify, expand, or extend the non-conforming use and is prohibited by Planning Code Section 185(e).

We are familiar with CMMT's conditional use application. While we have no objection to CMMT continuing its historic uses, we find the conditional use authorization to be a misrepresentation of the true and accurate historic uses of CMMT. We, therefore, join in the appeal of the conditional use application and urge the Board of Supervisors to modify the Planning Commission's conditions of approval to reflect the true historic uses as presented by neighbors and neighborhood organization and to impose additional conditions to make the use compatible with the neighborhood.

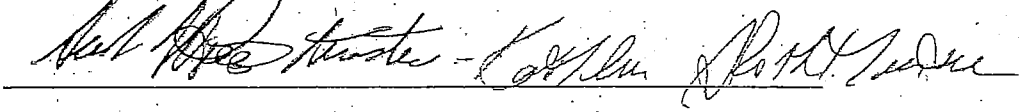

If ownership has changed and the assessment roll has not been amended, please attach a copy of the Grant Deed as proof of ownership change.

If signing for a firm or corporation, proof of authorization to sign on behalf of the organization must be attached.

If signing for a Trust, sign your name and mark 'Trustee' next to it.

Verified Petition Opposing The Masonic Conditional Use Authorization

We, the undersigned, are owners of properties within 300' radius of the 1111 California Street Property, commonly known as The California Masonic Memorial Temple ("CMMT"). We have been notified that the San Francisco Planning Commission, on January 19, 2012, has granted a conditional use permit per Planning Code Section 185(e) to continue the lawful non-conforming entertainment and assembly uses at CMMT. The Commission approval (i) allows 68 live entertainment events, 219 non-live entertainment events and unlimited number of events with fewer than 250 attendees; (ii) extends the end time for all events to 11pm on weekdays, 11:30pm on weekends, (iii) extends the end time for three events to 1am; and (iv) increases alcoholic consumption at the Masonic Temple substantially with an undefined number of alcoholic service stations compared to the historic one or two locations operating under temporary one day permits issued by the Department of Alcoholic Beverage Control. This conditional use authorization will *vastly* intensify, expand, or extend the non-conforming use and is prohibited by Planning Code Section 185(e).

We are familiar with CMMT's conditional use application. While we have no objection to CMMT continuing its historic uses, we find the conditional use authorization to be a misrepresentation of the true and accurate historic uses of CMMT. We, therefore, join in the appeal of the conditional use application and urge the Board of Supervisors to modify the Planning Commission's conditions of approval to reflect the true historic uses as presented by neighbors and neighborhood organization and to impose additional conditions to make the use compatible with the neighborhood.

If ownership has changed and the assessment roll has not been amended, please attach a copy of the Grant Deed as proof of ownership change.

If signing for a firm or corporation, proof of authorization to sign on behalf of the organization must be attached.

If signing for a Trust, sign your name and mark 'Trustee' next to it.

City Planning Commission Case No. 2011.0471C

Verified Petition Opposing The Masonic Conditional Use Authorization

We, the undersigned, are owners of properties within 300' radius of the 1111 California Street Property, commonly known as The California Masonic Memorial Temple ("CMMT"). We have been notified that the San Francisco Planning Commission, on January 19, 2012, has granted a conditional use permit per Planning Code Section 185(e) to continue the lawful non-conforming entertainment and assembly uses at CMMT. The Commission approval (i) allows 68 live entertainment events, 219 non-live entertainment events and unlimited number of events with fewer than 250 attendees; (ii) extends the end time for all events to 11pm on weekdays, 11:30pm on weekends, (iii) extends the end time for three events to 1am; and (iv) increases alcoholic consumption at the Masonic Temple substantially with an undefined number of alcoholic service stations compared to the historic one or two locations operating under temporary one day permits issued by the Department of Alcoholic Beverage Control. This conditional use authorization will ***vastly*** intensify, expand, or extend the non-conforming use and is prohibited by Planning Code Section 185(e).

We are familiar with CMMT's conditional use application. While we have no objection to CMMT continuing its historic uses, we find the conditional use authorization to be a misrepresentation of the true and accurate historic uses of CMMT. We, therefore, join in the appeal of the conditional use application and urge the Board of Supervisors to modify the Planning Commission's conditions of approval to reflect the true historic uses as presented by neighbors and neighborhood organization and to impose additional conditions to make the use compatible with the neighborhood.

If ownership has changed and the assessment roll has not been amended, please attach a copy of the Grant Deed as proof of ownership change.

If signing for a firm or corporation, proof of authorization to sign on behalf of the organization must be attached.

If signing for a Trust, sign your name and mark 'Trustee' next to it.

EXHIBIT A

The land referred to is situated in the County of San Francisco, City of San Francisco, State of California, and is described as follows:

A Condominium Comprised of:

Parcel I:

Condominium Unit No. 1040A, Lot No. 040, as shown upon the Condominium Plan (referred to herein as "the Plan") show in Exhibit "B" to Declaration of Covenants, Conditions and Restrictions of 1038A, 1038B, 1040A, 1040B, 1042 Pine Street recorded on July 13, 2010 as Recorder's Serial Number 2010-I994478, Official Records of the City and County of San Francisco, State of California (referred to herein as "the Declaration"), and as further defined therein.

Excepting therefrom any portion of the Common Area lying within said Unit, further excepting therefrom:

(A) Easements through said Unit, appurtenant to the Common Area and all other Units, for support and repair of the Common Area and all other Units.

(B) Easements, appurtenant to the Common Area for encroachment upon the air space of the Unit by those portions of the Common Area located within the Unit.

Parcel II:

An undivided 15.6% interest in and to the Common Area as shown and defined on the Plan excepting therefrom the following:

(A) Exclusive easements, other than Parcel III, as designated on the Plan and reserved to Units for use as designated in the Declaration; and

(B) Nonexclusive easements appurtenant to all Units for ingress and egress, support, repair and maintenance.

Parcel III:

(A) The exclusive easement to use the Parking Area(s) designated P-1040A on the Plan.

Parcel IV:

(A) The exclusive easement to use the Storage Area(s) designated S-4 on the Plan.

Parcel V:

A nonexclusive easement appurtenant to Parcel I above for support, repair and maintenance, and for ingress and egress through the Common Area in accordance with California Civil Code Section 1361(a).

Parcel VI:

Encroachment easements appurtenant to the Unit in accordance with the provisions of the Declaration.

Linda K. ERKELENS

1050 Pine St.
SF 94109

Certified Abstract of Declaration of Trust

The undersigned certify:

1. That Ronald W. Dion and Linda K. Erkelens, as Settlors, executed a Declaration of Trust, dated 9-23-_____, 2002, and that said Declaration of Trust is not of record in any court. Said declaration of trust is revocable and can be amended by the Settlors during their joint lifetime. The name of the trust is The Linda K. Erkelens and Ronald W. Dion Revocable Trust.

2. That the present beneficiaries under the terms of the Trust are the Settlors, who share the office of Trustee, as co-trustees. The name of the trust is The Linda K. Erkelens and Ronald W. Dion Revocable Trust. When more than one trustee is appointed, the trustees may designate on or more bank or financial accounts in which the signature of one of the trustees is sufficient for withdrawals or transfers to or from the trust account.

3. That the powers and authority of the Trustee with respect to the trust property include, by way of illustration, the following provisions:

A. To invest and reinvest funds in every kind of property, real, personal, or mixed, and every kind of investment, specifically including, but not limited to, corporate obligations of every kind, municipal bonds and other obligations which are exempt from federal income tax, stocks, preferred or common, shares of investment trusts, investment companies, and mutual funds, and mortgage participations, life insurance policies on the life of any beneficiary except the beneficiary of a marital deduction trust, that people of prudence, discretion, and intelligence acquire for their own account, including any common trust fund administered by the Trustee.

B. To continue to hold any property, including any shares of the Trustee's own stock, and to operate at the risk of the trust estate any business that the Trustee receives or acquires under the trust as long as the Trustee deems advisable.

C. To have all the rights, powers and privileges of an owner with respect to any of the securities held in trust, including, but not limited to, the powers to vote, give proxies, and pay assessments; to buy, sell and trade in securities on margin, include the buying and writing of options, short sales, maintain and operate a security margin account with brokers; to participate in voting trusts, pooling agreements, foreclosures, reorganizations; consolidations, mergers, and liquidations, and incident to such participation to deposit securities with and

transfer title to any protective or other committee on such terms as the Trustee may deem advisable; and to exercise or sell stock subscription or conversion rights.

D. To manage, control, grant options on, sell (for cash or on deferred payment), convey, exchange, partition, divide, improve, and repair trust property; and further, without limitation to the above, to enter into agreements to establish private annuities.

E. To lease trust property for terms within or beyond the term of the trust for any purpose, including exploration for the removal of gas, oil, and other minerals; and to enter into community oil leases, pooling and unitization agreements.

F. To lend money to any person, including the probate estate of the Settlors and/or any beneficiaries hereunder, provided that any such loan shall be adequately secured and shall bear a reasonable rate of interest.

G. To purchase property at its fair market value as determined by the Trustee in the Trustee's discretion, from the probate estate of the Settlors and/or from the beneficiaries hereunder. This power to purchase shall also include the right to exchange an annuity to any beneficiary hereunder in return for any interest such beneficiary may have under this Trust.

H. To loan or advance the Trustee's own funds to the trust for any trust purpose, with interest at current rate; to receive security for such loans in the form of a mortgage, pledge, deed of trust, or other encumbrance of any assets of the trust; to purchase assets of the trust at their fair market value as determined by an independent appraisal of those assets; and to sell property to the trust at a price not in excess of its fair market value as determined by an independent appraisal.

I. To take any action and to make any election, in the Trustee's discretion, to minimize the tax liabilities of this trust and its beneficiaries; and it shall allocate the benefits among the various beneficiaries, and the Trustee shall make adjustments in the rights of any beneficiaries, or between the income and principal accounts, to compensate for the consequences of any tax election or any investment or administrative decision that the Trustee believes had the effect of directly or indirectly preferring one beneficiary or group of beneficiaries over others.

J. To borrow money, and to encumber trust property by mortgage, deed of trust, pledge, or otherwise, for the debts of the trust or a co-owner of trust property.

K. To commence or defend, at the expense of the trust, such litigation with respect to the trust or any property of the trust estate as the Trustee may deem advisable, and to compromise or

otherwise adjust any claims or litigation against or in favor of the trust.

L. To carry insurance of such kinds and in such amounts as the Trustee deems advisable, at the expense of the trust, to protect the trust estate and the Trustee personally against any hazard.

M. To withhold from distribution, in the Trustee's discretion, at the time for distribution of any property in this trust, without the payment of interest, all or any part of the property, as long as the Trustee shall determine in the Trustee's discretion that such property may be subject to conflicting claims, to tax deficiencies, or to liabilities, contingent or otherwise, properly incurred in the administration of the estate.

N. To purchase bonds and to pay such premiums in connection with the purchase as the Trustee in the Trustee's discretion deems advisable, provided, however, that each premium shall be prepaid periodically to principal out of the interest on the bond in such reasonable manner as the Trustee shall determine and, to the extent necessary, out of the proceeds on the sale or other disposition of the bond.

O. To purchase bonds at such discount as the Trustee in the Trustee's discretion deems advisable provided, however, that each discount shall be accumulated periodically as interest in such reasonable manner as the Trustee shall determine and to the extent necessary paid out of the proceeds on the sale or other disposition of the bond or out of principal.

P. To partition, allot, and distribute the trust estate, on any division or partial or final distribution of the trust estate, in undivided interests or in kind, or partly in money and partly in kind, at valuations determined by the Trustee, and to sell such property as the Trustee may deem necessary to make division or distribution. In making any division or partial or final distribution of the trust estate, the Trustee shall be under no obligation to make a pro rata division, or to distribute the same assets to beneficiaries similarly situated; but rather, the Trustee may, in the Trustee's discretion, make a non-prorata division between trusts or shares and non-prorata distributions to such beneficiaries, as long as the respective assets allocated to separate trusts or shares, or distributed to such beneficiaries, have equivalent or proportionate fair market value; provided, however, that any stock in a professional corporation, interest in a professional partnership or practice shall be allocated to the trust of such professional, if any, with the other trust's remaining assets of comparable value.

Q. To employ any custodian, attorney, accountant, corporate fiduciary or any other agent or agents to assist the Trustee in the administration of this trust and to rely on the advice given by such agents. Reasonable compensation for all services

performed by these agents shall be paid from the trust estate out of either income or principal as the Trustee, in the Trustee's discretion, shall determine, and shall not decrease the compensation to which the Trustee is entitled.

R. There need be no physical segregation or division of the various trusts except as segregation or division may be required by the termination of any of the trusts, but the Trustee shall keep separate accounts for the different undivided interests.

S. Except as otherwise specifically provided in this instrument, the determination of all matters with respect to what is principal and income of the trust estate and the apportionment and allocation of receipts and expenses between these accounts shall be governed by the provisions of the California Revised Uniform Principal and Income Act from time to time existing. Any such matter not provided for either in this instrument or in the California Revised Uniform Principal and Income Act shall be determined by the Trustee in the Trustee's discretion.

Notwithstanding any other provision of this instrument or of the California Revised Uniform Principal and Income Act, the Trustee shall be required to establish such reserves for depreciation as may be required by good accounting practice. Among successive beneficiaries of this trust, all taxes and other current expenses shall be prorated over the period to which they relate on a daily basis.

T. When determining distribution of income or corpus authorized by this instrument and the person to whom it is made, to consider the tax consequences to the trust and to the beneficiaries to whom distribution may be made, (including the power to allocate different classes of income to different beneficiaries).

The Trustee may make distributions whether or not otherwise authorized by this instrument if the retention of the amount distributed would be considered an accumulation under Sections 665 and 669 of the Internal Revenue Code of 1986, or any successor to them. Such distribution shall be made to any of the persons to whom the Trustee may make income distributions.

U. If co-trustees are named pursuant to this instrument, they may elect to instruct one or more banks or other financial institutions that the signature of one of the co-trustees shall be sufficient to sign and negotiate checks, withdrawal slips and any other documents relating to bank accounts maintained by the trust.

4. That upon the resignation, incapacitation or death of the Settlor, the following persons will be the successor Trustee, empowered in similar fashion:

(a) the remaining Settlor;

(b) William J. Erkelens, Jr. and Timothy W. Dion, as co-trustees.

5. The trust has not been revoked, modified or amended in any manner which would cause the representations contained in this certification of trust to be incorrect. This certification shall be signed by all of the currently acting trustees of the trust.

Verified Petition
City Planning Commission Case No. 2011.0471C
Verified Petition Opposing The Masonic Conditional Use Authorization

We, the undersigned, are owners of properties within 300' radius of the 1111 California Street Property, commonly known as The California Masonic Memorial Temple ("CMMT"). We have been notified that the San Francisco Planning Commission, on January 19, 2012, has granted a conditional use permit per Planning Code Section 185(e) to continue the lawful non-conforming entertainment and assembly uses at CMMT. The Commission approval (i) allows 68 live entertainment events, 219 non-live entertainment events and unlimited number of events with fewer than 250 attendees; (ii) extends the end time for all events to 11pm on weekdays, 11:30pm on weekends, (iii) extends the end time for three events to 1am; and (iv) increases alcoholic consumption at the Masonic Temple substantially with an undefined number of alcoholic service stations compared to the historic one or two locations operating under temporary one day permits issued by the Department of Alcoholic Beverage Control. This conditional use authorization will *vastly* intensify, expand, or extend the non-conforming use and is prohibited by Planning Code Section 185(e).

We are familiar with CMMT's conditional use application. While we have no objection to CMMT continuing its historic uses, we find the conditional use authorization to be a misrepresentation of the true and accurate historic uses of CMMT. We, therefore, join in the appeal of the conditional use application and urge the Board of Supervisors to modify the Planning Commission's conditions of approval to reflect the true historic uses as presented by neighbors and neighborhood organization and to impose additional conditions to make the use compatible with the neighborhood.

If ownership has changed and the assessment roll has not been amended, please attach a copy of the Grant Deed as proof of ownership change.

If signing for a firm or corporation, proof of authorization to sign on behalf of the organization must be attached.

If signing for a Trust, sign your name and mark 'Trustee' next to it.

AMENDED AND RESTATED

REVOCABLE TRUST AGREEMENT

This Amended and Restated Revocable Trust Agreement is made and entered into this 5th day of January, 2000, by and between

OZRO E. WEST and KAREN L. WEST, husband and wife, residents of the State of California, hereinafter called the "Trustors",

and

OZRO E. WEST and KAREN L. WEST, hereinafter called the "Trustees".

R E C I T A L S:

The Trustors heretofore on or about July 29, 1982, established a revocable inter vivos trust known as the "West 1982 Living Trust" pursuant to a Declaration of Trust entered into by and between OZRO E. WEST and KAREN L. WEST, as Trustors, and OZRO E. WEST and KAREN L. WEST, as Trustees, which trust is hereinafter referred to as the "original agreement"; and

Pursuant to Paragraph B of Article Second of the original agreement, the Trustors retained the power and right to amend any terms of the trust; and

The Trustors now desire to amend and restate the trust in its entirety and to substitute the terms and provisions of this Amended and Restated Revocable Trust Agreement in the place and stead of the terms and provisions of the original agreement, so that the entire terms and provisions of the trust shall be set forth in full in this Amended and Restated Revocable Trust Agreement (hereinafter referred to as "this agreement"); and

City Planning Commission Case No. 2011.0471C
Verified Petition Opposing The Masonic Conditional Use Authorization

We, the undersigned, are owners of properties within 300' radius of the 1111 California Street Property, commonly known as The California Masonic Memorial Temple ("CMMT"). We have been notified that the San Francisco Planning Commission, on January 19, 2012, has granted a conditional use permit per Planning Code Section 185(e) to continue the lawful non-conforming entertainment and assembly uses at CMMT. The Commission approval (i) allows 68 live entertainment events, 219 non-live entertainment events and unlimited number of events with fewer than 250 attendees; (ii) extends the end time for all events to 11pm on weekdays, 11:30pm on weekends, (iii) extends the end time for three events to 1am; and (iv) increases alcoholic consumption at the Masonic Temple substantially with an undefined number of alcoholic service stations compared to the historic one or two locations operating under temporary one day permits issued by the Department of Alcoholic Beverage Control. This conditional use authorization will *vastly* intensify, expand, or extend the non-conforming use and is prohibited by Planning Code Section 185(e).

We are familiar with CMMT's conditional use application. While we have no objection to CMMT continuing its historic uses, we find the conditional use authorization to be a misrepresentation of the true and accurate historic uses of CMMT. We, therefore, join in the appeal of the conditional use application and urge the Board of Supervisors to modify the Planning Commission's conditions of approval to reflect the true historic uses as presented by neighbors and neighborhood organization and to impose additional conditions to make the use compatible with the neighborhood.

If ownership has changed and the assessment roll has not been amended, please attach a copy of the Grant Deed as proof of ownership change.

If signing for a firm or corporation, proof of authorization to sign on behalf of the organization must be attached.

If signing for a Trust, sign your name and mark 'Trustee' next to it.

RESOLUTION OF BOARD OF DIRECTORS OF

FRITZ PROPERTY GROUP, A CALIFORNIA CORPORATION

Whereas, the Fritz Property Group, a California Corporation, located at 408 Jackson Street, San Francisco, California, is the owner of a residential apartment building located at 1055 California Street and the Crocker Garage located at 1045 California Street.

Whereas, the Board of Director of the Fritz Property Group (the "Board") has considered the Action of the San Francisco Planning Commission approving a conditional use relating to 1111 California Street, San Francisco, California, purportedly to allow continuation of the existing historic use;

Whereas, the approval by the Planning Commission exaggerated the number of historic events and increase the incorrect number by another 25% all without environment review in compliance with the California Environmental Quality Act

Whereas, the Board believes that this conditional use authorization for a total of 287 events per year, of which 68 are entertainment events, and undefined number of alcoholic beverage service stations during events will impair access to the Crocker Garage located at 1045 California Street and is detrimental to the residents of 1055 California Street, its Shareholders and to the neighborhood of Nob Hill and the City of San Francisco, and

Whereas, the Board believes that this conditional use authorization will result in traffic, health, safety and economic detriment to the City of San Francisco, and

Whereas, there are 15residential units at 1055 California Street, San Francisco, California, each of which is owned by the Corporation, and

Whereas, the Corporation wishes to appeal the said action of the Commission,

Now, therefore, on February 9, 2012, upon motion duly made and seconded at a regular meeting of the Board for which there was a quorum of Directors present, the Board unanimously adopted the following Resolution:

RESOLVED, that Fritz Property Group intends to and does hereby appeal the San Francisco City Planning Commission's approval of the application by California Masonic Memorial Temple for a conditional use of the property at 1111 California Street, San Francisco, and the issuance of the categorical exemption for the conditional use project,

RESOLVED, that the Board hereby authorizes and directs and authorizes Enrique Landa, the President of Fritz Property Group, to execute and deliver such documents as he deem appropriate and necessary to make such appeal, including, without limitation, a Notice to Board of

Supervisors of Appeal from Action of the City Planning Commission and the issuance of the categorical exemption,

RESOLVED that the Board directs authorizes and directs Enrique Landa the Secretary to attest to this Resolution.

I declare that the foregoing is true and correct.

Attested

Secretary

Verified Petition
City Planning Commission Case No. 2011.0471C
Verified Petition Opposing The Masonic Conditional Use Authorization

We, the undersigned, are owners of properties within 300' radius of the 1111 California Street Property, commonly known as The California Masonic Memorial Temple ("CMMT"). We have been notified that the San Francisco Planning Commission, on January 19, 2012, has granted a conditional use permit per Planning Code Section 185(e) to continue the lawful non-conforming entertainment and assembly uses at CMMT. The Commission approval (i) allows 68 live entertainment events, 219 non-live entertainment events and unlimited number of events with fewer than 250 attendees; (ii) extends the end time for all events to 11pm on weekdays, 11:30pm on weekends, (iii) extends the end time for three events to 1am; and (iv) increases alcoholic consumption at the Masonic Temple substantially with an undefined number of alcoholic service stations compared to the historic one or two locations operating under temporary one day permits issued by the Department of Alcoholic Beverage Control. This conditional use authorization will ***vastly*** intensify, expand, or extend the non-conforming use and is prohibited by Planning Code Section 185(e).

We are familiar with CMMT's conditional use application. While we have no objection to CMMT continuing its historic uses, we find the conditional use authorization to be a misrepresentation of the true and accurate historic uses of CMMT. We, therefore, join in the appeal of the conditional use application and urge the Board of Supervisors to modify the Planning Commission's conditions of approval to reflect the true historic uses as presented by neighbors and neighborhood organization and to impose additional conditions to make the use compatible with the neighborhood.

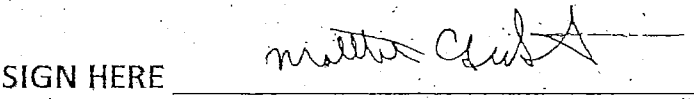

If ownership has changed and the assessment roll has not been amended, please attach a copy of the Grant Deed as proof of ownership change.

If signing for a firm or corporation, proof of authorization to sign on behalf of the organization must be attached.

If signing for a Trust, sign your name and mark 'Trustee' next to it.

Verified Petition Opposing The Masonic Conditional Use Authorization

We, the undersigned, are owners of properties within 300' radius of the 1111 California Street Property, commonly known as The California Masonic Memorial Temple ("CMMT"). We have been notified that the San Francisco Planning Commission, on January 19, 2012, has granted a conditional use permit per Planning Code Section 185(e) to continue the lawful non-conforming entertainment and assembly uses at CMMT. The Commission approval (i) allows 68 live entertainment events, 219 non-live entertainment events and unlimited number of events with fewer than 250 attendees; (ii) extends the end time for all events to 11pm on weekdays, 11:30pm on weekends, (iii) extends the end time for three events to 1am; and (iv) increases alcoholic consumption at the Masonic Temple substantially with an undefined number of alcoholic service stations compared to the historic one or two locations operating under temporary one day permits issued by the Department of Alcoholic Beverage Control. This conditional use authorization will ***vastly*** intensify, expand, or extend the non-conforming use and is prohibited by Planning Code Section 185(e).

We are familiar with CMMT's conditional use application. While we have no objection to CMMT continuing its historic uses, we find the conditional use authorization to be a misrepresentation of the true and accurate historic uses of CMMT. We, therefore, join in the appeal of the conditional use application and urge the Board of Supervisors to modify the Planning Commission's conditions of approval to reflect the true historic uses as presented by neighbors and neighborhood organization and to impose additional conditions to make the use compatible with the neighborhood.

If ownership has changed and the assessment roll has not been amended, please attach a copy of the Grant Deed as proof of ownership change.

If signing for a firm or corporation, proof of authorization to sign on behalf of the organization must be attached.

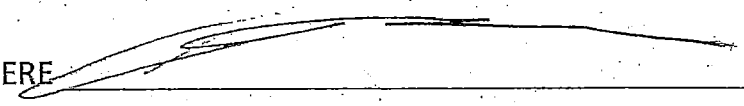

If signing for a Trust, sign your name and mark 'Trustee' next to it.

TRUST AGREEMENT

THE FREY FAMILY TRUST

THIS TRUST AGREEMENT is entered into on March 15, 2005, between the Trustors and the Trustees named in Article I below.

ARTICLE I

TRUSTORS, TRUSTEES AND SUCCESSOR TRUSTEES

1. Trustors. The Trustors are EDWARD E. FREY and DORIS M. FREY, husband and wife.

2. Trustees. The Trustees are EDWARD E. FREY and DORIS M. FREY. As used in this Trust Agreement, the term "the Trustee" shall mean any Trustee or Co-Trustees then serving hereunder.

3. Successor Trustees.

3.1 Unless otherwise specified in this Trust Agreement, if either of the Trustors for any reason ceases to act as a Trustee, the Trustee of any trust created hereunder shall be the following:

3.1(A) The remaining Trustor, or if he or she for any reason also ceases to act as Trustee,

3.1(B) The Trustor husband's sister, NANCY RITTER, or if she for any reason fails or ceases to act as Trustee,

3.1(C) The Trustor husband's brother, ROBERT SCOTT BLACK, or if he for any reason fails or ceases to act as Trustee,

3.1(D) CITIBANK, or if it for any reason fails or ceases to act as Trustee,

3.1(E) Such one or more persons or entities as may be designated in writing by the last acting Trustee.

3.2 Notwithstanding any other provision of this Trust Agreement, if upon the death of the first Trustor to die the surviving Trustor is not a

City Planning Commission Case No. 2011.0471C
Verified Petition Opposing The Masonic Conditional Use Authorization

We, the undersigned, are owners of properties within 300' radius of the 1111 California Street Property, commonly known as The California Masonic Memorial Temple ("CMMT"). We have been notified that the San Francisco Planning Commission, on January 19, 2012, has granted a conditional use permit per Planning Code Section 185(e) to continue the lawful non-conforming entertainment and assembly uses at CMMT. The Commission approval (i) allows 68 live entertainment events, 219 non-live entertainment events and unlimited number of events with fewer than 250 attendees; (ii) extends the end time for all events to 11pm on weekdays, 11:30pm on weekends, (iii) extends the end time for three events to 1am; and (iv) increases alcoholic consumption at the Masonic Temple substantially with an undefined number of alcoholic service stations compared to the historic one or two locations operating under temporary one day permits issued by the Department of Alcoholic Beverage Control. This conditional use authorization will ***vastly*** intensify, expand, or extend the non-conforming use and is prohibited by Planning Code Section 185(e).

We are familiar with CMMT's conditional use application. While we have no objection to CMMT continuing its historic uses, we find the conditional use authorization to be a misrepresentation of the true and accurate historic uses of CMMT. We, therefore, join in the appeal of the conditional use application and urge the Board of Supervisors to modify the Planning Commission's conditions of approval to reflect the true historic uses as presented by neighbors and neighborhood organization and to impose additional conditions to make the use compatible with the neighborhood.

If ownership has changed and the assessment roll has not been amended, please attach a copy of the Grant Deed as proof of ownership change.

If signing for a firm or corporation, proof of authorization to sign on behalf of the organization must be attached.

If signing for a Trust, sign your name and mark 'Trustee' next to it.

We, the undersigned, are owners of properties within 300' radius of the 1111 California Street Property, commonly known as The California Masonic Memorial Temple ("CMMT"). We have been notified that the San Francisco Planning Commission, on January 19, 2012, has granted a conditional use permit per Planning Code Section 185(e) to continue the lawful non-conforming entertainment and assembly uses at CMMT. The Commission approval (i) allows 68 live entertainment events, 219 non-live entertainment events and unlimited number of events with fewer than 250 attendees; (ii) extends the end time for all events to 11pm on weekdays, 11:30pm on weekends, (iii) extends the end time for three events to 1am; and (iv) increases alcoholic consumption at the Masonic Temple substantially with an undefined number of alcoholic service stations compared to the historic one or two locations operating under temporary one day permits issued by the Department of Alcoholic Beverage Control. This conditional use authorization will ***vastly*** intensify, expand, or extend the non-conforming use and is prohibited by Planning Code Section 185(e).

We are familiar with CMMT's conditional use application. While we have no objection to CMMT continuing its historic uses, we find the conditional use authorization to be a misrepresentation of the true and accurate historic uses of CMMT. We, therefore, join in the appeal of the conditional use application and urge the Board of Supervisors to modify the Planning Commission's conditions of approval to reflect the true historic uses as presented by neighbors and neighborhood organization and to impose additional conditions to make the use compatible with the neighborhood.

If ownership has changed and the assessment roll has not been amended, please attach a copy of the Grant Deed as proof of ownership change.

If signing for a firm or corporation, proof of authorization to sign on behalf of the organization must be attached.

If signing for a Trust, sign your name and mark 'Trustee' next to it.

GALANOS FAMILY

REVOCABLE TRUST AGREEMENT

THIS TRUST AGREEMENT (the "Agreement") is made this fifth day of November, 1999, between Gregory P. Galanos and Carole L'Abbe, as Settlors, and Gregory P. Galanos and Carole L'Abbe, as Trustees. By execution of this Agreement the Settlors transfer to the Trustees the property described in Schedule A and the Trustees accept such property as the initial trust estate. The Trustees shall hold and dispose of the trust estate upon the terms of trust set forth in this Agreement. This Trust is comprised of three parts: PART ONE disposes of the trust estate, PART TWO relates to the trusteeship, and PART THREE contains definitions, powers for the Trustees and other formal provisions.

PART ONE

DISPOSITION OF TRUST ESTATE

ARTICLE 1-1: NAME.

The Trust created on this date shall be known as the Galanos Family Revocable Trust. Each subsequent trust shall be referred to by the designation provided herein, if any, or by the designation provided by the Trustee if there is none.

ARTICLE 1-2: STATEMENT AS TO FAMILY.

The Settlors are husband and wife. The Settlors' child now living is Shaun-Frederic Galanos-L'Abbe, born September 12, 1982. Settlor Carole L'Abbe's other child now living is Olivier Benjamin Geoffroy-L'Abbe, born October 9, 1979. For all purposes of this

IN WITNESS WHEREOF, this Schedule A is executed by the Settlors on this fifth day of November, 1999.

SETTLORS

Gregory P. Galanos

Carole L'Abbe

Gregory P. Galanos and Carole L'Abbe, as Trustees of the aforesaid Trust, do hereby accept all of the items mentioned above to be held pursuant to the provisions of said Trust.

IN WITNESS WHEREOF, this Schedule A is executed by the Trustees on this fifth day of November, 1999.

TRUSTEES

Gregory P. Galanos

Carole L'Abbe

STATE OF CALIFORNIA)
) ss:
COUNTY OF SANTA CLARA)

On NOVEMBER 5, 1999, before me, CANDY HOLTHOUSE Notary Public, personally appeared Gregory P. Galanos and Carole L'Abbe, personally known to me (or proved to me on the basis of satisfactory evidence) to be the persons whose names are subscribed to the within instrument and acknowledged to me that they executed the same in their authorized capacities, and that by their signatures on the instrument the persons executed the instrument.

WITNESS my hand and official seal.

City Planning Commission Case No. 2011.0471C

Verified Petition Opposing The Masonic Conditional Use Authorization

We, the undersigned, are owners of properties within 300' radius of the 1111 California Street Property, commonly known as The California Masonic Memorial Temple ("CMMT"). We have been notified that the San Francisco Planning Commission, on January 19, 2012, has granted a conditional use permit per Planning Code Section 185(e) to continue the lawful non-conforming entertainment and assembly uses at CMMT. The Commission approval (i) allows 68 live entertainment events, 219 non-live entertainment events and unlimited number of events with fewer than 250 attendees; (ii) extends the end time for all events to 11pm on weekdays, 11:30pm on weekends, (iii) extends the end time for three events to 1am; and (iv) increases alcoholic consumption at the Masonic Temple substantially with an undefined number of alcoholic service stations compared to the historic one or two locations operating under temporary one day permits issued by the Department of Alcoholic Beverage Control. This conditional use authorization will ***vastly*** intensify, expand, or extend the non-conforming use and is prohibited by Planning Code Section 185(e).

We are familiar with CMMT's conditional use application. While we have no objection to CMMT continuing its historic uses, we find the conditional use authorization to be a misrepresentation of the true and accurate historic uses of CMMT. We, therefore, join in the appeal of the conditional use application and urge the Board of Supervisors to modify the Planning Commission's conditions of approval to reflect the true historic uses as presented by neighbors and neighborhood organization and to impose additional conditions to make the use compatible with the neighborhood.

If ownership has changed and the assessment roll has not been amended, please attach a copy of the Grant Deed as proof of ownership change.

If signing for a firm or corporation, proof of authorization to sign on behalf of the organization must be attached.

If signing for a Trust, sign your name and mark 'Trustee' next to it.

Verified Petition
City Planning Commission Case No. 2011.0471C
Verified Petition Opposing The Masonic Conditional Use Authorization

We, the undersigned, are owners of properties within 300' radius of the 1111 California Street Property, commonly known as The California Masonic Memorial Temple ("CMMT"). We have been notified that the San Francisco Planning Commission, on January 19, 2012, has granted a conditional use permit per Planning Code Section 185(e) to continue the lawful non-conforming entertainment and assembly uses at CMMT. The Commission approval (i) allows 68 live entertainment events, 219 non-live entertainment events and unlimited number of events with fewer than 250 attendees; (ii) extends the end time for all events to 11pm on weekdays, 11:30pm on weekends, (iii) extends the end time for three events to 1am; and (iv) increases alcoholic consumption at the Masonic Temple substantially with an undefined number of alcoholic service stations compared to the historic one or two locations operating under temporary one day permits issued by the Department of Alcoholic Beverage Control. This conditional use authorization will ***vastly*** intensify, expand, or extend the non-conforming use and is prohibited by Planning Code Section 185(e).

We are familiar with CMMT's conditional use application. While we have no objection to CMMT continuing its historic uses, we find the conditional use authorization to be a misrepresentation of the true and accurate historic uses of CMMT. We, therefore, join in the appeal of the conditional use application and urge the Board of Supervisors to modify the Planning Commission's conditions of approval to reflect the true historic uses as presented by neighbors and neighborhood organization and to impose additional conditions to make the use compatible with the neighborhood.

If ownership has changed and the assessment roll has not been amended, please attach a copy of the Grant Deed as proof of ownership change.

If signing for a firm or corporation, proof of authorization to sign on behalf of the organization must be attached.

If signing for a Trust, sign your name and mark 'Trustee' next to it.

NOB HILL ASSOCIATION

February 2, 2012

Dear Neighbor/Property owner,

We received your signed petition in support of the neighbors' appeal of the Conditional Use Permit for the Masonic Temple at 1111 California Street.

THANK YOU for helping raise this VIP issue to the Board of Supervisors!

The City considers your petition submission incomplete for the following reason:

- **Because it is a TRUST, the City requires a copy of the trust document page that names the Trustees.**

Thank you!

Note: ALL named Trustees must sign the petition and note the word "Trustee" next to their name to get 100% credit. If signature is not legible, please print your name underneath it. Note: if there are more than 2 Trustees who should, they will also have to sign.

Please send us a copy of your Trust document before February 12th to be counted!

Please submit by scanning and sending via email to **sandraassar@yahoo.com** or fax it to **415.520.5766.** If you do not have a fax or scanner, please send via regular mail to: **Nob Hill Association 1177 California Street, SF, CA 94108.**

If we are too close to the deadline, please call us and we'll arrange to pick it up from you.

Please contact Sandra Assar, NHA Secretary, sandraassar@yahoo.com or call 346.8423 with any questions.

Thank you for your help in this critical matter for the neighborhood. We greatly appreciate your prompt response.

Sincerely yours,

Robert P. Varni

Bob Varni, President
Nob Hill Association

Oei Family Trust

ARTICLE 1
DECLARATION OF TRUST

1.1 Trust Establishment: T. Lee Oei and Cecilia T. Oei, husband and wife, as settlors, will deliver to the trustee without consideration the property described in Schedule A "Trust Estate." The term "settlor" refers to one or both settlors.

1.2 Trust Particulars: For convenient reference, the following information applies:

Settlors: T. Lee Oei and Cecilia T. Oei
Name of trust: Oei Family Trust
Date established: November 30, 1991
Initial trustees: T. Lee Oei and Cecilia T. Oei
Children living:
Mark S. Oei
Liesbeth S. Oei

1.3 Property Status — Community and Separate: Any community property transferred to the trust shall remain community property after its transfer and shall be called the "community trust estate." Further, the trustee shall have the power to convey, encumber, or otherwise dispose of community property without the consent of either husband or wife, whether or not each is then capable of giving such consent. Either settlor's separate property transferred to the trust shall be called the "separate trust estate" with reference to the contributing settlor.

1.4 Special "Children" Definition: All references to the "settlors' children," "settlors' descendants," or "settlors' child" include all living children listed above and all children subsequently born to the settlors while they are married to each other.

1.5 Allocation of Trust Estate: The trustee shall initially allocate the trust estate as follows:

Beneficiaries: Trust During Settlors' Joint Lives

END OF ARTICLE

ARTICLE 2
TRUST DURING SETTLORS' JOINT LIVES

2.1 Introduction: The trustee shall hold, administer, and distribute all property allocated to the "Trust During Settlors' Lives" as follows.

2.2 Beneficiaries — Both Spouses: The beneficiaries of this trust shall be as follows:

Income beneficiaries: Class composed of the settlors for their joint lives
Principal beneficiaries: Class composed of the settlors for their joint lives

Verified Petition
City Planning Commission Case No. 2011.0471C
Verified Petition Opposing The Masonic Conditional Use Authorization

We, the undersigned, are owners of properties within 300' radius of the 1111 California Street Property, commonly known as The California Masonic Memorial Temple ("CMMT"). We have been notified that the San Francisco Planning Commission, on January 19, 2012, has granted a conditional use permit per Planning Code Section 185(e) to continue the lawful non-conforming entertainment and assembly uses at CMMT. The Commission approval (i) allows 68 live entertainment events, 219 non-live entertainment events and unlimited number of events with fewer than 250 attendees; (ii) extends the end time for all events to 11pm on weekdays, 11:30pm on weekends, (iii) extends the end time for three events to 1am; and (iv) increases alcoholic consumption at the Masonic Temple substantially with an undefined number of alcoholic service stations compared to the historic one or two locations operating under temporary one day permits issued by the Department of Alcoholic Beverage Control. This conditional use authorization will ***vastly*** intensify, expand, or extend the non-conforming use and is prohibited by Planning Code Section 185(e).

We are familiar with CMMT's conditional use application. While we have no objection to CMMT continuing its historic uses, we find the conditional use authorization to be a misrepresentation of the true and accurate historic uses of CMMT. We, therefore, join in the appeal of the conditional use application and urge the Board of Supervisors to modify the Planning Commission's conditions of approval to reflect the true historic uses as presented by neighbors and neighborhood organization and to impose additional conditions to make the use compatible with the neighborhood.

If ownership has changed and the assessment roll has not been amended, please attach a copy of the Grant Deed as proof of ownership change.

If signing for a firm or corporation, proof of authorization to sign on behalf of the organization must be attached.

If signing for a Trust, sign your name and mark 'Trustee' next to it.

THEODORE HAROLD JONES
AND
VIRGENE ("JEANIE") LORETTA KAYSER-JONES
REVOCABLE TRUST
DATED JUNE 23, 2000

ARTICLE ONE

CREATION OF TRUST

1.1. Declaration. THEODORE HAROLD JONES and VIRGENE ("JEANIE") LORETTA KAYSER-JONES, husband and wife, of San Francisco County, California, who are herein referred to as "the settlors" or "the trustees," depending on the context, hereby declare that they hold certain property (the "trust estate") in trust, to be held, administered, and distributed according to the terms of this instrument.

1.2. Names of Trusts. The trusts created by this instrument shall be known collectively as the THEODORE HAROLD JONES and VIRGENE ("JEANIE") LORETTA KAYSER-JONES Revocable Trust Dated June 23, 2000, and each separate trust created under this instrument shall be referred to by adding the name or designation of that separate trust as it appears in the appropriate section of this instrument.

1.3. Effective Date. This declaration shall be effective immediately on execution by all the parties.

1.4. Previous Marriage. VIRGENE ("JEANIE") LORETTA KAYSER-JONES was previously married to H. William Kayser, who died on June 19, 1963.

1.5. No Living or Deceased Children. The settlors have no living or deceased children.

Verified Petition
City Planning Commission Case No. 2011.0471C
Verified Petition Opposing The Masonic Conditional Use Authorization

We, the undersigned, are owners of properties within 300' radius of the 1111 California Street Property, commonly known as The California Masonic Memorial Temple ("CMMT"). We have been notified that the San Francisco Planning Commission, on January 19, 2012, has granted a conditional use permit per Planning Code Section 185(e) to continue the lawful non-conforming entertainment and assembly uses at CMMT. The Commission approval (i) allows 68 live entertainment events, 219 non-live entertainment events and unlimited number of events with fewer than 250 attendees; (ii) extends the end time for all events to 11pm on weekdays, 11:30pm on weekends, (iii) extends the end time for three events to 1am; and (iv) increases alcoholic consumption at the Masonic Temple substantially with an undefined number of alcoholic service stations compared to the historic one or two locations operating under temporary one day permits issued by the Department of Alcoholic Beverage Control. This conditional use authorization will ***vastly*** intensify, expand, or extend the non-conforming use and is prohibited by Planning Code Section 185(e).

We are familiar with CMMT's conditional use application. While we have no objection to CMMT continuing its historic uses, we find the conditional use authorization to be a misrepresentation of the true and accurate historic uses of CMMT. We, therefore, join in the appeal of the conditional use application and urge the Board of Supervisors to modify the Planning Commission's conditions of approval to reflect the true historic uses as presented by neighbors and neighborhood organization and to impose additional conditions to make the use compatible with the neighborhood.

If ownership has changed and the assessment roll has not been amended, please attach a copy of the Grant Deed as proof of ownership change.

If signing for a firm or corporation, proof of authorization to sign on behalf of the organization must be attached.

If signing for a Trust, sign your name and mark 'Trustee' next to it.

February 7, 2012

Dear Neighbor/Property owner,

We recently received your signed petition in support of the neighbors' appeal of the Conditional Use Permit for the Masonic Temple at 1111 California Street.

Thank you for your help in raising this issue to the Board of Supervisors.

The petition you originally submitted was reviewed and we need to return it to you to make the following updates so it will be counted 100% by the City:

If it is counted The signature received does not appear to be that of Kerry Bird. Confirmation of said signature is requested please in order to count 100% on Petition!! Thank you!!

Can you please re-sign the enclosed petition as directed above and kindly send it in once again? A pre-paid envelope is enclosed for your convenience.

Please contact Sandra Assar, NHA Secretary, sandraassar@yahoo.com or call 346.8423.

Your petition form must be received before February ~~12th~~ 14th to be counted. If you have concern that US mail will be too slow, please call us and we will arrange to come pick it up from you.

Thank you so much for your help in this VIP matter for the neighborhood. We greatly appreciate your prompt response.

Sincerely yours,

Robert P. Varni

Verified Petition Opposing The Masonic Conditional Use Authorization

We, the undersigned, are owners of properties within 300' radius of the 1111 California Street Property, commonly known as The California Masonic Memorial Temple ("CMMT"). We have been notified that the San Francisco Planning Commission, on January 19, 2012, has granted a conditional use permit per Planning Code Section 185(e) to continue the lawful non-conforming entertainment and assembly uses at CMMT. The Commission approval (i) allows 68 live entertainment events, 219 non-live entertainment events and unlimited number of events with fewer than 250 attendees; (ii) extends the end time for all events to 11pm on weekdays, 11:30pm on weekends, (iii) extends the end time for three events to 1am; and (iv) increases alcoholic consumption at the Masonic Temple substantially with an undefined number of alcoholic service stations compared to the historic one or two locations operating under temporary one day permits issued by the Department of Alcoholic Beverage Control. This conditional use authorization will ***vastly*** intensify, expand, or extend the non-conforming use and is prohibited by Planning Code Section 185(e).

We are familiar with CMMT's conditional use application. While we have no objection to CMMT continuing its historic uses, we find the conditional use authorization to be a misrepresentation of the true and accurate historic uses of CMMT. We, therefore, join in the appeal of the conditional use application and urge the Board of Supervisors to modify the Planning Commission's conditions of approval to reflect the true historic uses as presented by neighbors and neighborhood organization and to impose additional conditions to make the use compatible with the neighborhood.

If ownership has changed and the assessment roll has not been amended, please attach a copy of the Grant Deed as proof of ownership change.

If signing for a firm or corporation, proof of authorization to sign on behalf of the organization must be attached.

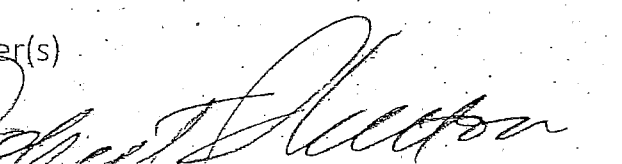

If signing for a Trust, sign your name and mark 'Trustee' next to it.

FOURTH AMENDMENT OF THE GERALD MARSTON NAUMAN & SANDRA A. NAUMAN TRUST

GERALD MARSTON NAUMAN (also known as Gerald Marston Nauman, Jr., G. Marston Nauman, Marston Nauman, Gerald M. Nauman and Gerald M. Nauman, Jr.) and SANDRA A. NAUMAN (also known as Sandra Nauman), husband and wife, as trustors, of a trust agreement dated May 4, 1994, establishing the GERALD MARSTON NAUMAN AND SANDRA A. NAUMAN TRUST, hereby amend said trust agreement pursuant to section 5.2 thereof as follows:

ARTICLE 1. Section 1.2 is deleted and replaced with the following:

"1.2 Succession of Trustee of Initial Trust. If either Gerald Marston Nauman or Sandra A Nauman fails or ceases to act as trustee of any trust created under this instrument, the other of them ("the remaining trustee") shall act as sole trustee and the remaining trustee may designate cotrustees and successor trustees of such trust. If Gerald Marston Nauman, Sandra A. Nauman and all designees of the remaining trustee fail or cease to act as trustee of the trust initially created under this instrument, trustors' advisor, JAMES R. AVEDISIAN, shall act as successor trustee of such trust and he may designate cotrustees of such trust. If James R. Avedisian fails or cease to act as trustee, any cotrustee designated by him shall cease to act as cotrustee and trustors' friend, JAMES L. PAVER, shall act as successor trustee of such trust."

ARTICLE 2. Section 1.3 is deleted and replaced with the following:

"1.3 Succession of Trustee of Survivor's Trust. Survivor shall act as trustee of the Survivor's Trust created under this instrument and survivor may designate cotrustees and successor trustees of the Survivor's Trust. If survivor and all designees of survivor fail or cease to act as trustee, trustors' advisor, JAMES R. AVEDISIAN shall act

FOURTH AMENDMENT OF THE GERALD MARSTON NAUMAN & SANDRA A. NAUMAN TRUST

GERALD MARSTON NAUMAN (also known as Gerald Marston Nauman, Jr., G. Marston Nauman, Marston Nauman, Gerald M. Nauman and Gerald M. Nauman, Jr.) and SANDRA A. NAUMAN (also known as Sandra Nauman), husband and wife, as trustors, of a trust agreement dated May 4, 1994, establishing the GERALD MARSTON NAUMAN AND SANDRA A. CERTIFICATION OF REVOCABLE LIVING TRUST

1. We are the only currently acting Trustees of the THEODORES FAMILY TRUST dated December 12, 1991. Attached is a true and correct copy of the following portions of the THEODORES FAMILY TRUST dated December 12, 1991:

   1. Declaration of Trust;
   2. Designation of Trustee;
   3. Powers of Trustee;
   4. Signature Page.

2. The THEODORES FAMILY TRUST dated December 12, 1991, is for the benefit of JAMES E. THEODORES and HALEY RENAE THEODORES, and is completely revocable during their joint lifetime. The Trust Agreement has not been revoked, modified or amended in any manner and is in full force and effect as of this date.

Title to trust assets should be taken as follows:

> JAMES E. THEODORES and HALEY RENAE THEODORES, Trustees, or their Successors, under the THEODORES FAMILY TRUST dated December 12, 1991.

In accordance with U.S. Treasury Regulations, either Trustor's Social Security Number may be used as the identification number for the trust and income is reported on the Trustors' individual tax return.

Either Trustee acting alone may take any action on behalf of the trust as provided under the paragraph entitled "Delegation of Powers/Banking Authority" of the section of the Trust entitled "Successor Trustees".

This Certification is made pursuant to the California Probate Code Section 18100.5 to evidence the appointment and incumbency of the Trustees.

We declare under penalty of perjury that the foregoing is true and correct. This Certification is being signed by all of the currently acting Trustees of the Trust on December 12, 1991.

JAMES E. THEODORES, Trustee

HALEY RENAE THEODORES, Trustee

ACKNOWLEDGEMENT

STATE OF CALIFORNIA)
) ss.
COUNTY OF CONTRA COSTA)

On May 6, 2011 before me, Reed K. Scott, Notary Public, personally appeared JAMES E. THEODORES and HALEY RENAE THEODORES, who proved to me on the basis of satisfactory evidence to be the persons whose names are subscribed to the within instrument and acknowledged to me that they executed the same in their authorized capacities, and that by their signatures on the instrument the persons, or the entity upon behalf of which the persons acted, executed the instrument.

I certify under PENALTY OF PERJURY under the laws of the State of California that the foregoing paragraph is true and correct.

WITNESS my hand and official seal.

We have been notified that the San Francisco Planning Commission, on January 19, 2012, has granted a conditional use permit per Planning Code Section 185(e) to continue the lawful non-conforming entertainment and assembly uses at CMMT. The Commission approval (i) allows 68 live entertainment events, 219 non-live entertainment events and unlimited number of events with fewer than 250 attendees; (ii) extends the end time for all events to 11pm on weekdays, 11:30pm on weekends, (iii) extends the end time for three events to 1am; and (iv) increases alcoholic consumption at the Masonic Temple substantially with an undefined number of alcoholic service stations compared to the historic one or two locations operating under temporary one day permits issued by the Department of Alcoholic Beverage Control. This conditional use authorization will ***vastly*** intensify, expand, or extend the non-conforming use and is prohibited by Planning Code Section 185(e).

We are familiar with CMMT's conditional use application. While we have no objection to CMMT continuing its historic uses, we find the conditional use authorization to be a misrepresentation of the true and accurate historic uses of CMMT. We, therefore, join in the appeal of the conditional use application and urge the Board of Supervisors to modify the Planning Commission's conditions of approval to reflect the true historic uses as presented by neighbors and neighborhood organization and to impose additional conditions to make the use compatible with the neighborhood.

If ownership has changed and the assessment roll has not been amended, please attach a copy of the Grant Deed as proof of ownership change.

If signing for a firm or corporation, proof of authorization to sign on behalf of the organization must be attached.

If signing for a Trust, sign your name and mark 'Trustee' next to it.

HIGHLIGHTS IN THE LIFE AND TIMES OF ZELDA d'ANGLETERRE GLAZER

On August 30, 2001 Zelda d'Angleterre Glazer died from brain cancer at home with her husband at her side. Their home, a designated historical dwelling on San Francisco's Nob Hill (City Landmark No. 251), has been donated to the University of California, San Francisco School of Medicine (UCSF) for the accommodation of brain tumor researchers. As such it is carried on the books of UCSF as *"Zelda d'Angleterre Glazer's Memorial Lodgings."* Thereafter, another donation was made to UCSF to fund establishment of *"Zelda d'Angleterre Glazer's Endowed Chair in Brain Tumor Research."* Since the conditions for both donations require UCSF to disseminate information on the Life and Times of Zelda d'Angleterre Glazer the following selected highlights in her Life and Times are things one should know of:

* * * * * * * *

1. Tall and slender with blond hair and piercing blue eyes she was exquisitely beautiful so much so that she turned heads whenever she entered a room. This abundance of personal endowment was matched by an incredible intelligence, charm and wit capped by a natural flair for business.

2. At age 20, as a former flight attendant with an overseas airline, she noticed that several ranking European hotels were named, "Hotel d'Angleterre." Adoring that name she legally changed the one she had, Norma Brostek, to Zelda d'Angleterre. Noticing also that these same European hotels maintained a tobacco shop for gentlemen and a "parfumerie" for ladies she vowed, one day, to own, in a first-class hotel, a perfumery bearing her name, "d'Angleterre." In this she succeeded admirably!

3. At age 27 she became the owner of the "Parfumerie d'Angleterre et de France" in San Francisco's Stanford Court Hotel on Nob Hill. While her catchy advertising slogan for the business was "Take a Cable Car to Paris at the Stanford Court on Nob Hill" she preferred, instead, to take Air France to Paris on tax deductible buying missions for French perfumes. The business thrived and prospered, but higher pursuits lay ahead.

4. Retiring from the business at age 37 she immersed herself in the works of classic writers and philosophers enhanced in that endeavor by a summer course at Oxford. So immersed was she that no longer was the name Zelda used around the house. Instead, and depending upon the text in her lap, she was rather known, and called, during successive weeks, by names such as Maupassant, Voltaire, or Locke, as well as a host of other classical names under study at the time. When Sir Arthur Conan Doyle was all the rage around the house, she was known as Holmes; her husband, Watson.

5. Between them, there never was a return to true names when in the confines of their home. When the names of classical writers and philosophers fell out of vogue she became Mrs. Snooks; her husband, Mr. Snooks. Both were the Snooks family; that is until she died at age 54, some 32 years after they first met and fell deeply in love.

* * * * * * * *

So it is that I have crafted these selected highlights in the life and times of my wife as an aid to UCSF. My account is limited to one page for the convenience of circulation among those who will occupy the Chair at UCSF created in my wife's name as well as the occupants of the home on Nob Hill donated to the University and also carried in her name on its books. This accomplished, I now take leave to bid you good night, Mrs. Snooks, wherever you are my precious darling.

25 May 2005

Mr. Snooks
San Francisco

CERTIFICATION OF TRUST of THE MICHEL 1997 REVOCABLE TRUST DATED

TO: ALL BANKS, SAVINGS AND LOAN ASSOCIATIONS, MUTUAL FUNDS BROKERS, TITLE INSURERS, TRANSFER AGENTS, AND OTHER PERSONS AND INSTITUTIONS

WE, JACK A. MICHEL, also known as John A. Michel, and MARIA M. MICHEL, as trustees of the above trust certify as follows:

1. CREATION OF TRUST

The trust was created on September 2, 1997, by Jack A. Michel and Maria M. Michel, as settlors, under a declaration of revocable living trust executed on that date.

2. NAME OF TRUST

The name of the trust is THE MICHEL FAMILY 1997 REVOCABLE TRUST. The trust was executed on September 2, 1997.

3. CERTIFICATION--TRUSTEE(S)

The currently acting trustees of the trust are Jack A. Michel and Maria M. Michel.

4. TRUST PROPERTY

The trustees are now holding as of the date of creation of the trust one or more items of property, which constitute the trust property.

5. REVOCABILITY OF TRUST

The trust is revocable. The persons holding the power to revoke the trust are Jack A. Michel and Maria M. Michel.

6. POWERS OF TRUSTEE

The trustees have all general powers given by the California Probate Code for managing the trust and its property. Thus, the powers include the following:

a. Trustee Powers for Financial Transactions

Under the California Probate Code, the trustees have certain powers to conduct any financial transactions for the trust. These powers include the power to open and maintain checking accounts and savings accounts in any insured banks, savings and loans, or other financial institutions (see Probate Code § 16225); the power to invest trust property (see Probate Code § 16223); the power to borrow money (see Probate Code § 16241); and the power to lend money to any beneficiary of the trust or to guarantee loans, using trust property, to any beneficiary of the trust (see Probate Code § 16244). The trustees also have the power to execute all papers that are necessary to carry out these powers (see Probate Code § 16248). In addition, under the trust the settlors also have given the trustees the power to borrow money for any trust purpose from any entity and to obligate the trust for repayment; the power, in order to secure repayment of any loan, to encumber any trust property by mortgage, deed of trust, pledge, or other method; the power to renew, extend, or replace any loan; and the power to pay any obligations of the trust. Finally, under the trust the settlors have also specifically given the trustees the power to invest trust property.

b. Powers of the Trustees for Management and Control of Real Property

Under the trust the settlors have specifically given the trustees the power to manage, control, improve, and maintain all real property of the trust. Under paragraph 7.11 subsection (a), the trustees have the power to sell, convey, exchange, partition, and divide trust property; the power to grant options for the

sale or exchange; and the power to lease trust property for any purpose, regardless of the length of the lease.

Under subsection 7.11(d), the trustees have the power to subdivide or develop land belonging to the trust. Under subsection 7.11(e), the trustees may make any repairs or alterations in any building or other property belonging to the trust. Under subsection 7.11(k), the trustees have the power to purchase insurance, paid by the trust, to cover any trust property.

Further, under California Probate Code Sections 16226 through 16233, the trustees have the powers to acquire or dispose of trust property, to manage trust property, to mortgage or encumber trust property, to repair or alter trust property (including to demolish or to build any improvements on trust property), to develop, subdivide, and dedicate to public use any trust property land, to lease any trust property, to obtain property by lease, and to lease any mineral rights of any trust property or obtain mineral rights to property for the trust.

c. Trustees' Powers of the For Management and Control of Securities and Investments

Under paragraph 7.11 of the trust, subsection (g), the settlors have specifically given the trustees the powers to exercise for any security belonging to the trust all the rights, powers, and privileges of an owner, including the power to vote, give proxies, and pay any assessments or other sums deemed by the necessary for the protection of the trust property. The trustees have also the power to participate in voting trusts, pooling agreements, foreclosures, reorganizations, consolidations, mergers, and liquidations and to deposit securities with or transfer title to any protective or other committee. The trustees also have the power to exercise or sell stock subscription or conversion rights and to accept and retain as investments of the trust any securities or other property received through the exercise of any of the powers given to the

trustees.

Further, under paragraph 7.11 subsection (h), the trustees have the power to hold securities or other trust property in the trustees' own names or in the name of a nominee with or without disclosure of the trust, or in unregistered form.

d. Cotrustee May Delegate Acts to Other Cotrustee.

Any cotrustee may, from time to time, pursuant to Section 7.26, delegate to the other cotrustee routine acts of trust administration and may establish bank or other accounts for the trust that will honor the signature of one or of either cotrustee.

7. TAXPAYER IDENTIFICATION NUMBER

This trust uses the Social Security number of Jack A. Michel as its Taxpayer Identification Number. That number is 548-54-0458.

8. NO REVOCATIONS, MODIFICATIONS, OR AMENDMENTS

The trust has not been revoked, modified, or amended in any manner which would cause the representations contained in this certification of trust to be incorrect.

9. SIGNED BY ALL CURRENTLY ACTING TRUSTEES

This certification is being signed by all of the currently acting trustees of the trust.

10. ACCURACY

This certification of trust is a true and accurate statement of the matters referred to herein.

//

//

11. SIGNATURE AUTHORITY

All of the trustees are required to sign in order to exercise the powers of the trustee under the trust, except that any cotrustee may, from time to time, delegate to the other cotrustee routine acts of trust administration.

Declaration Under Penalty of Perjury

We declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Executed on September 2, 1997 at San Francisco, California.

SETTLORS-TRUSTEES

JACK A. MICHEL

MARIA M. MICHEL

ACKNOWLEDGMENT

State of California
County of San Francisco

On September 2, 1997, before me, John R. Braun, a notary public in and for the State of California, personally appeared Jack A. Michel, also known as John A. Michel, and Maria M. Michel, personally known to me (or proved to me on the basis of satisfactory evidence) to be the persons whose names are subscribed to the within instrument and acknowledged to me that they executed the same in their authorized capacities, and that by their signatures on the instrument, the persons, or the entity upon behalf of which the persons acted, executed the instrument.

WITNESS my hand and official seal.

Signature

JOHN R. BRAUN

Verified Petition
City Planning Commission Case No. 2011.0471C
Verified Petition Opposing The Masonic Conditional Use Authorization

We, the undersigned, are owners of properties within 300' radius of the 1111 California Street Property, commonly known as The California Masonic Memorial Temple ("CMMT"). We have been notified that the San Francisco Planning Commission, on January 19, 2012, has granted a conditional use permit per Planning Code Section 185(e) to continue the lawful non-conforming entertainment and assembly uses at CMMT. The Commission approval (i) allows 68 live entertainment events, 219 non-live entertainment events and unlimited number of events with fewer than 250 attendees; (ii) extends the end time for all events to 11pm on weekdays, 11:30pm on weekends, (iii) extends the end time for three events to 1am; and (iv) increases alcoholic consumption at the Masonic Temple substantially with an undefined number of alcoholic service stations compared to the historic one or two locations operating under temporary one day permits issued by the Department of Alcoholic Beverage Control. This conditional use authorization will ***vastly*** intensify, expand, or extend the non-conforming use and is prohibited by Planning Code Section 185(e).

We are familiar with CMMT's conditional use application. While we have no objection to CMMT continuing its historic uses, we find the conditional use authorization to be a misrepresentation of the true and accurate historic uses of CMMT. We, therefore, join in the appeal of the conditional use application and urge the Board of Supervisors to modify the Planning Commission's conditions of approval to reflect the true historic uses as presented by neighbors and neighborhood organization and to impose additional conditions to make the use compatible with the neighborhood.

If ownership has changed and the assessment roll has not been amended, please attach a copy of the Grant Deed as proof of ownership change.

If signing for a firm or corporation, proof of authorization to sign on behalf of the organization must be attached.

If signing for a Trust, sign your name and mark 'Trustee' next to it.

City Planning Commission Case No. 2011.0471C
Verified Petition Opposing The Masonic Conditional Use Authorization

We, the undersigned, are owners of properties within 300' radius of the 1111 California Street Property, commonly known as The California Masonic Memorial Temple ("CMMT"). We have been notified that the San Francisco Planning Commission, on January 19, 2012, has granted a conditional use permit per Planning Code Section 185(e) to continue the lawful non-conforming entertainment and assembly uses at CMMT. The Commission approval (i) allows 68 live entertainment events, 219 non-live entertainment events and unlimited number of events with fewer than 250 attendees; (ii) extends the end time for all events to 11pm on weekdays, 11:30pm on weekends, (iii) extends the end time for three events to 1am; and (iv) increases alcoholic consumption at the Masonic Temple substantially with an undefined number of alcoholic service stations compared to the historic one or two locations operating under temporary one day permits issued by the Department of Alcoholic Beverage Control. This conditional use authorization will ***vastly*** intensify, expand, or extend the non-conforming use and is prohibited by Planning Code Section 185(e).

We are familiar with CMMT's conditional use application. While we have no objection to CMMT continuing its historic uses, we find the conditional use authorization to be a misrepresentation of the true and accurate historic uses of CMMT. We, therefore, join in the appeal of the conditional use application and urge the Board of Supervisors to modify the Planning Commission's conditions of approval to reflect the true historic uses as presented by neighbors and neighborhood organization and to impose additional conditions to make the use compatible with the neighborhood.

If ownership has changed and the assessment roll has not been amended, please attach a copy of the Grant Deed as proof of ownership change.

If signing for a firm or corporation, proof of authorization to sign on behalf of the organization must be attached.

If signing for a Trust, sign your name and mark 'Trustee' next to it.

THE RESTATED FONG 1987 REVOCABLE TRUST

REVOCABLE TRUST AGREEMENT

On February 24, 1987, ALLEN GARY FONG and GLADYS J. FONG, residents of Santa Clara County, State of California, hereinafter called the "Trustors," and ALLEN GARY FONG and GLADYS J. FONG, in this Agreement together called the "Trustee," established THE FONG 1987 TRUST AGREEMENT (the "Trust") and reserved the power in Article 3.02 of the Trust to amend the Trust during their joint lifetimes by a written instrument executed by the Trustors and delivered to the Trustees. They subsequently amended the Trust and intend by this document to further amend and restate the Trust in its entirety. The amended and restated Trust created by this Agreement shall continue to be called the "THE FONG 1987 REVOCABLE TRUST."

ARTICLE 1.

GRANT OF PROPERTY

1.1 Declaration of Trust. The Trustors declare that they are holding the property set forth on Schedule A as Trustees under the terms and conditions of this Trust Agreement, which together with any other property hereafter conveyed to the Trustee, shall constitute and be referred to as the "Trust Estate".

January 2[illegible], 2012

Dear Property Owner & Neighbor,

We need your support again!

The Nob Hill Association and Nob Hill Coalition organizations which represent over 2,000 Nob Hill neighbors urge you to sign and return this petition as soon as possible –**NO LATER THAN February 12th** so that we can file a timely appeal of the new Conditional Use Permit ("CUP") for the Masonic Temple to the Board of Supervisors.

This Permit was granted on January 19, 2012 by the SF Planning Commission unanimously that allows the Masonic Temple to dramatic intensify its historic entertainment and alcohol service uses. LiveNation is the lessee for the Masonic Temple.

Without an appeal, the new conditional use authorization approved by the Planning Commission allows:

- 68 Live Entertainment Events and 219 Non-Entertainment Events without referencing event times in contrast to an average of about 35 live evening events per year and 175 non-entertainment events.
- An undefined number of alcoholic beverage stations when historically there are only 1-2 temporary beverage service stations that serve alcohol under one-day licenses and no permanent liquor license were ever granted by the ABC.
- Expand the duration where liquor could be served from before start of performance and during intermission to through out performance until 45 minutes before end of performance.
- Liquor inside the auditorium where historically only bottle waters are allowed.
- Creation of performer bus parking zones in front of the Masonic on California Street and on Taylor Street in front of Grace Cathedral and Huntington Park -all with shore power.
- Increase of the event end time from 10 PM and 10:30 PM to 11 PM on weekdays and 11:30 PM on weekends, and added 1 AM end time for three events.

While neighbors could support continued use of the Masonic Temple for events, it must be based on **accurate** average Historic data based on the type and time of the events without inflating the numbers further by an additional 25%.

If you want to preserve the balance of historic uses on Nob Hill Please sign this petition. Signing the petition **will not** close the Masonic Temple, only that you want the continued use of the venue to reflect accurate historical use on Nob Hill. A postage paid envelope is enclosed for your convenience. Thank you in advance for your support!

Sincerely,

Robert P. Varni

Bob Varni, President, Nob Hill Association

Stan Landfair

Stan Landfair, Nob Hill Coalition

IMPORTANT: SEE REVERSE FOR PETITION INSTRUCTIONS (OVER)

IMPORTANT PETITION INSTRUCTIONS

- ALL property owners must legibly sign the petition form under "Original Signature of Owner(s)" EXACTLY as your name appears on your City Tax Records and as your name appears under "Printed Name of Owner(s)" on the petition form.

- If more than one person is on the deed of your property, ALL owners must sign the petition to ensure it counts 100%. Otherwise, the signature will only count partially.

- FOR TRUSTS: Many of the homes and condos on Nob Hill are held in trusts. If your property is owned by a trust and more than one person is a trustee of the property, one of the trustees can sign for the Trust. If signing for a Trust, sign your name and mark 'Trustee' next to it.

  For Example: *John Smith*, Trustee

- If ownership has changed and the assessment roll has not been amended, please attach a copy of the Grant Deed as proof of ownership change.
- If signing for a firm or corporation, proof of authorization to sign on behalf of the organization (such as a resolution) must be attached.

- *DEADLINE: Must be received by February 12th, 2012 to be included.*

- **Please sign and mail the enclosed petition and this letter in the postage paid envelope today!**

- **For questions?** Contact Sandra Assar, NHA Secretary sandraassar@yahoo.com or call 346.8423

WE NEED YOUR CONTACT DETAILS!
Please fill out and mail back with your petition

Please let us know the best way to contact you if we have any questions or concerns about your petition submission. To receive future updates on this appeal to the Board of Supervisors and upcoming Nob Hill Association events please fill in the blanks below:

Verified Petition
City Planning Commission Case No. 2011.0471C
Verified Petition Opposing The Masonic Conditional Use Authorization

We, the undersigned, are owners of properties within 300' radius of the 1111 California Street Property, commonly known as The California Masonic Memorial Temple ("CMMT"). We have been notified that the San Francisco Planning Commission, on January 19, 2012, has granted a conditional use permit per Planning Code Section 185(e) to continue the lawful non-conforming entertainment and assembly uses at CMMT. The Commission approval (i) allows 68 live entertainment events, 219 non-live entertainment events and unlimited number of events with fewer than 250 attendees; (ii) extends the end time for all events to 11pm on weekdays, 11:30pm on weekends, (iii) extends the end time for three events to 1am; and (iv) increases alcoholic consumption at the Masonic Temple substantially with an undefined number of alcoholic service stations compared to the historic one or two locations operating under temporary one day permits issued by the Department of Alcoholic Beverage Control. This conditional use authorization will ***vastly*** intensify, expand, or extend the non-conforming use and is prohibited by Planning Code Section 185(e).

We are familiar with CMMT's conditional use application. While we have no objection to CMMT continuing its historic uses, we find the conditional use authorization to be a misrepresentation of the true and accurate historic uses of CMMT. We, therefore, join in the appeal of the conditional use application and urge the Board of Supervisors to modify the Planning Commission's conditions of approval to reflect the true historic uses as presented by neighbors and neighborhood organization and to impose additional conditions to make the use compatible with the neighborhood.

If ownership has changed and the assessment roll has not been amended, please attach a copy of the Grant Deed as proof of ownership change.

If signing for a firm or corporation, proof of authorization to sign on behalf of the organization must be attached.

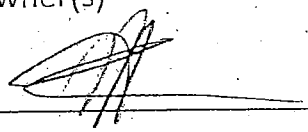

If signing for a Trust, sign your name and mark 'Trustee' next to it.

City Planning Commission Case No. 2011.0471C

Verified Petition Opposing The Masonic Conditional Use Authorization

We, the undersigned, are owners of properties within 300' radius of the 1111 California Street Property, commonly known as The California Masonic Memorial Temple ("CMMT"). We have been notified that the San Francisco Planning Commission, on January 19, 2012, has granted a conditional use permit per Planning Code Section 185(e) to continue the lawful non-conforming entertainment and assembly uses at CMMT. The Commission approval (i) allows 68 live entertainment events, 219 non-live entertainment events and unlimited number of events with fewer than 250 attendees; (ii) extends the end time for all events to 11pm on weekdays, 11:30pm on weekends, (iii) extends the end time for three events to 1am; and (iv) increases alcoholic consumption at the Masonic Temple substantially with an undefined number of alcoholic service stations compared to the historic one or two locations operating under temporary one day permits issued by the Department of Alcoholic Beverage Control. This conditional use authorization will ***vastly*** intensify, expand, or extend the non-conforming use and is prohibited by Planning Code Section 185(e).

We are familiar with CMMT's conditional use application. While we have no objection to CMMT continuing its historic uses, we find the conditional use authorization to be a misrepresentation of the true and accurate historic uses of CMMT. We, therefore, join in the appeal of the conditional use application and urge the Board of Supervisors to modify the Planning Commission's conditions of approval to reflect the true historic uses as presented by neighbors and neighborhood organization and to impose additional conditions to make the use compatible with the neighborhood.

If ownership has changed and the assessment roll has not been amended, please attach a copy of the Grant Deed as proof of ownership change.

If signing for a firm or corporation, proof of authorization to sign on behalf of the organization must be attached.

If signing for a Trust, sign your name and mark 'Trustee' next to it.

own.

Gentlepersons:

My residence is on the second floor, eastern wing, exactly next to the Masonic. The cigarette and marijuana smoke drafts through my only window in a small unit. I kept the window open. With each performance, no matter how stuffy or warm, I must close the windows. Yet, the noise permeates anyway and I live on the Cable Car line.

From 6:00 p.m. to 12:00 the traffic is atrocious, the noise unbearable, people yell and scream at the top of their lungs until 2:00 - 3:00 in the a.m.

The Masonic has become a public, and for me, and others, an actionable private nuisance, in my opinion.

Yan M. Lasto

City Planning Commission Case No. 2011.0471C

Verified Petition Opposing The Masonic Conditional Use Authorization

We, the undersigned, are owners of properties within 300' radius of the 1111 California Street Property, commonly known as The California Masonic Memorial Temple ("CMMT"). We have been notified that the San Francisco Planning Commission, on January 19, 2012, has granted a conditional use permit per Planning Code Section 185(e) to continue the lawful non-conforming entertainment and assembly uses at CMMT. The Commission approval (i) allows 68 live entertainment events, 219 non-live entertainment events and unlimited number of events with fewer than 250 attendees; (ii) extends the end time for all events to 11pm on weekdays, 11:30pm on weekends, (iii) extends the end time for three events to 1am; and (iv) increases alcoholic consumption at the Masonic Temple substantially with an undefined number of alcoholic service stations compared to the historic one or two locations operating under temporary one day permits issued by the Department of Alcoholic Beverage Control. This conditional use authorization will ***vastly*** intensify, expand, or extend the non-conforming use and is prohibited by Planning Code Section 185(e).

We are familiar with CMMT's conditional use application. While we have no objection to CMMT continuing its historic uses, we find the conditional use authorization to be a misrepresentation of the true and accurate historic uses of CMMT. We, therefore, join in the appeal of the conditional use application and urge the Board of Supervisors to modify the Planning Commission's conditions of approval to reflect the true historic uses as presented by neighbors and neighborhood organization and to impose additional conditions to make the use compatible with the neighborhood.

If ownership has changed and the assessment roll has not been amended, please attach a copy of the Grant Deed as proof of ownership change.

If signing for a firm or corporation, proof of authorization to sign on behalf of the organization must be attached.

If signing for a Trust, sign your name and mark 'Trustee' next to it.

City Planning Commission Case No. 2011.0471C
Verified Petition Opposing The Masonic Conditional Use Authorization

We, the undersigned, are owners of properties within 300' radius of the 1111 California Street Property, commonly known as The California Masonic Memorial Temple ("CMMT"). We have been notified that the San Francisco Planning Commission, on January 19, 2012, has granted a conditional use permit per Planning Code Section 185(e) to continue the lawful non-conforming entertainment and assembly uses at CMMT. The Commission approval (i) allows 68 live entertainment events, 219 non-live entertainment events and unlimited number of events with fewer than 250 attendees; (ii) extends the end time for all events to 11pm on weekdays, 11:30pm on weekends, (iii) extends the end time for three events to 1am; and (iv) increases alcoholic consumption at the Masonic Temple substantially with an undefined number of alcoholic service stations compared to the historic one or two locations operating under temporary one day permits issued by the Department of Alcoholic Beverage Control. This conditional use authorization will ***vastly*** intensify, expand, or extend the non-conforming use and is prohibited by Planning Code Section 185(e).

We are familiar with CMMT's conditional use application. While we have no objection to CMMT continuing its historic uses, we find the conditional use authorization to be a misrepresentation of the true and accurate historic uses of CMMT. We, therefore, join in the appeal of the conditional use application and urge the Board of Supervisors to modify the Planning Commission's conditions of approval to reflect the true historic uses as presented by neighbors and neighborhood organization and to impose additional conditions to make the use compatible with the neighborhood.

If ownership has changed and the assessment roll has not been amended, please attach a copy of the Grant Deed as proof of ownership change.

If signing for a firm or corporation, proof of authorization to sign on behalf of the organization must be attached.

If signing for a Trust, sign your name and mark 'Trustee' next to it.

Verified Petition Opposing The Masonic Conditional Use Authorization

We, the undersigned, are owners of properties within 300' radius of the 1111 California Street Property, commonly known as The California Masonic Memorial Temple ("CMMT"). We have been notified that the San Francisco Planning Commission, on January 19, 2012, has granted a conditional use permit per Planning Code Section 185(e) to continue the lawful non-conforming entertainment and assembly uses at CMMT. The Commission approval (i) allows 68 live entertainment events, 219 non-live entertainment events and unlimited number of events with fewer than 250 attendees; (ii) extends the end time for all events to 11pm on weekdays, 11:30pm on weekends, (iii) extends the end time for three events to 1am; and (iv) increases alcoholic consumption at the Masonic Temple substantially with an undefined number of alcoholic service stations compared to the historic one or two locations operating under temporary one day permits issued by the Department of Alcoholic Beverage Control. This conditional use authorization will ***vastly*** intensify, expand, or extend the non-conforming use and is prohibited by Planning Code Section 185(e).

We are familiar with CMMT's conditional use application. While we have no objection to CMMT continuing its historic uses, we find the conditional use authorization to be a misrepresentation of the true and accurate historic uses of CMMT. We, therefore, join in the appeal of the conditional use application and urge the Board of Supervisors to modify the Planning Commission's conditions of approval to reflect the true historic uses as presented by neighbors and neighborhood organization and to impose additional conditions to make the use compatible with the neighborhood.

If ownership has changed and the assessment roll has not been amended, please attach a copy of the Grant Deed as proof of ownership change.

If signing for a firm or corporation, proof of authorization to sign on behalf of the organization must be attached.

If signing for a Trust, sign your name and mark 'Trustee' next to it.

We, the undersigned, are owners of properties within 300' radius of the 1111 California Street Property, commonly known as The California Masonic Memorial Temple ("CMMT"). We have been notified that the San Francisco Planning Commission, on January 19, 2012, has granted a conditional use permit per Planning Code Section 185(e) to continue the lawful non-conforming entertainment and assembly uses at CMMT. The Commission approval (i) allows 68 live entertainment events, 219 non-live entertainment events and unlimited number of events with fewer than 250 attendees; (ii) extends the end time for all events to 11pm on weekdays, 11:30pm on weekends, (iii) extends the end time for three events to 1am; and (iv) increases alcoholic consumption at the Masonic Temple substantially with an undefined number of alcoholic service stations compared to the historic one or two locations operating under temporary one day permits issued by the Department of Alcoholic Beverage Control. This conditional use authorization will ***vastly*** intensify, expand, or extend the non-conforming use and is prohibited by Planning Code Section 185(e).

We are familiar with CMMT's conditional use application. While we have no objection to CMMT continuing its historic uses, we find the conditional use authorization to be a misrepresentation of the true and accurate historic uses of CMMT. We, therefore, join in the appeal of the conditional use application and urge the Board of Supervisors to modify the Planning Commission's conditions of approval to reflect the true historic uses as presented by neighbors and neighborhood organization and to impose additional conditions to make the use compatible with the neighborhood.

If ownership has changed and the assessment roll has not been amended, please attach a copy of the Grant Deed as proof of ownership change.

If signing for a firm or corporation, proof of authorization to sign on behalf of the organization must be attached.

If signing for a Trust, sign your name and mark 'Trustee' next to it.

We, the undersigned, are owners of properties within 300' radius of the 1111 California Street Property, commonly known as The California Masonic Memorial Temple ("CMMT"). We have been notified that the San Francisco Planning Commission, on January 19, 2012, has granted a conditional use permit per Planning Code Section 185(e) to continue the lawful non-conforming entertainment and assembly uses at CMMT. The Commission approval (i) allows 68 live entertainment events, 219 non-live entertainment events and unlimited number of events with fewer than 250 attendees; (ii) extends the end time for all events to 11pm on weekdays, 11:30pm on weekends, (iii) extends the end time for three events to 1am; and (iv) increases alcoholic consumption at the Masonic Temple substantially with an undefined number of alcoholic service stations compared to the historic one or two locations operating under temporary one day permits issued by the Department of Alcoholic Beverage Control. This conditional use authorization will ***vastly*** intensify, expand, or extend the non-conforming use and is prohibited by Planning Code Section 185(e).

We are familiar with CMMT's conditional use application. While we have no objection to CMMT continuing its historic uses, we find the conditional use authorization to be a misrepresentation of the true and accurate historic uses of CMMT. We, therefore, join in the appeal of the conditional use application and urge the Board of Supervisors to modify the Planning Commission's conditions of approval to reflect the true historic uses as presented by neighbors and neighborhood organization and to impose additional conditions to make the use compatible with the neighborhood.

If ownership has changed and the assessment roll has not been amended, please attach a copy of the Grant Deed as proof of ownership change.

If signing for a firm or corporation, proof of authorization to sign on behalf of the organization must be attached.

If signing for a Trust, sign your name and mark 'Trustee' next to it.

We, the undersigned, are owners of properties within 300' radius of the 1111 California Street Property, commonly known as The California Masonic Memorial Temple ("CMMT"). We have been notified that the San Francisco Planning Commission, on January 19, 2012, has granted a conditional use permit per Planning Code Section 185(e) to continue the lawful non-conforming entertainment and assembly uses at CMMT. The Commission approval (i) allows 68 live entertainment events, 219 non-live entertainment events and unlimited number of events with fewer than 250 attendees; (ii) extends the end time for all events to 11pm on weekdays, 11:30pm on weekends, (iii) extends the end time for three events to 1am; and (iv) increases alcoholic consumption at the Masonic Temple substantially with an undefined number of alcoholic service stations compared to the historic one or two locations operating under temporary one day permits issued by the Department of Alcoholic Beverage Control. This conditional use authorization will ***vastly*** intensify, expand, or extend the non-conforming use and is prohibited by Planning Code Section 185(e).

We are familiar with CMMT's conditional use application. While we have no objection to CMMT continuing its historic uses, we find the conditional use authorization to be a misrepresentation of the true and accurate historic uses of CMMT. We, therefore, join in the appeal of the conditional use application and urge the Board of Supervisors to modify the Planning Commission's conditions of approval to reflect the true historic uses as presented by neighbors and neighborhood organization and to impose additional conditions to make the use compatible with the neighborhood.

If ownership has changed and the assessment roll has not been amended, please attach a copy of the Grant Deed as proof of ownership change.

If signing for a firm or corporation, proof of authorization to sign on behalf of the organization must be attached.

If signing for a Trust, sign your name and mark 'Trustee' next to it.

Creation of Our Trust

Section 1. Our Trust

We are husband and wife. This is our Living Trust, dated March 12, 2001, by PETER MALASPINA, the husband Trustmaker, also known as PETER GEORGE MALASPINA, JR., DAWN C. MALASPINA, the wife Trustmaker, also known as DAWN CROWELL MALASPINA and the following initial Trustees:

PETER MALASPINA

DAWN C. MALASPINA

Our trust is a joint revocable living trust that contains our instructions for our own well-being and that of our loved ones. All references to "our trust" or "trust," unless otherwise stated, shall refer to this Living Trust and the trusts created in it. All references to "Trustee" shall refer to our initial Trustee or Trustees, or their successor or successors in trust.

When the term "Trustmaker" is used in our trust, it shall have the same legal meaning as "Grantor," "Settlor," "Trustor," or any other term referring to the maker of a trust.

Notwithstanding anything in our trust to the contrary, when we are serving as Trustees under our trust, either of us may act for and conduct business on behalf of our trust as a Trustee without the consent of any other Trustee.

Section 2. The Name of Our Trust

For convenience, our trust shall be known as the:

MALASPINA FAMILY LIVING TRUST, dated March 12, 2001

City Planning Commission Case No. 2011.0471C

Verified Petition Opposing The Masonic Conditional Use Authorization

We, the undersigned, are owners of properties within 300' radius of the 1111 California Street Property, commonly known as The California Masonic Memorial Temple ("CMMT"). We have been notified that the San Francisco Planning Commission, on January 19, 2012, has granted a conditional use permit per Planning Code Section 185(e) to continue the lawful non-conforming entertainment and assembly uses at CMMT. The Commission approval (i) allows 68 live entertainment events, 219 non-live entertainment events and unlimited number of events with fewer than 250 attendees; (ii) extends the end time for all events to 11pm on weekdays, 11:30pm on weekends, (iii) extends the end time for three events to 1am; and (iv) increases alcoholic consumption at the Masonic Temple substantially with an undefined number of alcoholic service stations compared to the historic one or two locations operating under temporary one day permits issued by the Department of Alcoholic Beverage Control. This conditional use authorization will ***vastly*** intensify, expand, or extend the non-conforming use and is prohibited by Planning Code Section 185(e).

We are familiar with CMMT's conditional use application. While we have no objection to CMMT continuing its historic uses, we find the conditional use authorization to be a misrepresentation of the true and accurate historic uses of CMMT. We, therefore, join in the appeal of the conditional use application and urge the Board of Supervisors to modify the Planning Commission's conditions of approval to reflect the true historic uses as presented by neighbors and neighborhood organization and to impose additional conditions to make the use compatible with the neighborhood.

If ownership has changed and the assessment roll has not been amended, please attach a copy of the Grant Deed as proof of ownership change.

If signing for a firm or corporation, proof of authorization to sign on behalf of the organization must be attached.

If signing for a Trust, sign your name and mark 'Trustee' next to it.

Re: Appeal of Planning Commission Decision to Grant Conditional Use Authorization To Continue Non-Conforming Uses at 1111 California Street (Planning Department Case No.2011.0471C)

Dear Supervisor Chiu,

The Nob Hill Association (herein "NHA") filed a timely appeal of the Planning Commission's decision authorizing a conditional use permit for the California Masonic Memorial Temple (hereto "Masonic Temple" or "Temple") to continue the assembly and nighttime entertainment uses at the Temple, located at 1111 California Street. On March 1, 2012, the Clerk of the Board of Supervisors (herein "Board") informed NHA that its petition contained the necessary signatures of the owners of more than 20% of the land area within a 300' radius of the Masonic Temple.

NHA submitted voluminous materials to the Planning Commission analyzing the event data submitted by the Masonic Temple. We incorporate those materials by reference here. A copy of NHA's submission to the Planning Commission is presented as an Appendix to this letter. The inescapable conclusion of our detailed analysis is that the Masonic Temple's event data mis-categorized numerous events, skewing the historic use data. Despite clear evidence contrary to the data in the Masonic Temple's submission, the Planning Commission adopted the Masonic Temple's summary of events, ignored the Masonic Temple's own data as to the time of events, and further merged meeting/conference, trade shows and exhibitions into a single category. In addition, the Planning Commission ignored the fact that the Temple is in the Nob Hill Special Use District, with an underlying residential zoning, and increased the number of evening entertainment events by 25%, based erroneously on a Planning Code provision that applies only to a neighborhood commercial district.

The grounds of NHA's appeal are as follows:

1. The Planning Commission approval exceeds the limitations set forth in Section 185(e) which prohibit any expansion, intensification and extension of the lawful non-conforming use;

2. Contrary to the Masonic Temple's contention, the applicant does not have the right to have unlimited number of events of any category as it sees fit;

3. Any summary of the Masonic Temple's lawful non-conforming uses must be based on data submitted to the Planning Department that clearly delineates the historic uses by size, number, and the start- and end-time of events, especially important for evening events (which has the most impact on the residential neighbors and location within the Masonic Temple building);

4. Notwithstanding the acknowledgment by the Department and the Commission that there was no reliable evidence to establish an historic average for the number of alcoholic beverage service stations, the Commission failed to include any quantitative number of such service stations, thereby allowing an unlimited number of alcoholic service stations and allowing the Temple *carte blanche* for expansion;

5. The approval extended the hours of operation beyond the historic level of operation in violation of Section 185(e);

6. The approval increased the number of events by 25% without any legal authority in the Planning Code;

7. The Masonic Temple, the Planning Department and the Planning Commission failed to conduct any environmental review of the impacts of the conditional use application on the neighborhood; and

8. The Planning Commission's decision to increase the number of events under authority granted in Section 186.1(b) of the Planning Code is erroneous, because that provision applies only to neighborhood commercial districts.

In summary, the Planning Commission's determinations as the historic use of the Temple are contrary to the evidence, and its decision to increase the intensity of use is unlawful because it is not supported by an environmental review and it exceeds the authority granted under Section 186.1(b). For these reasons, the Board of Supervisors must overturn the Commission's decision to grant a conditional use application and remand the matter to Planning Commission to conduct a new hearing after the Planning Department has conducted a proper environmental review.

Respectfully submitted,

James Wall, Chief Financial Officer

Re: **Appeal of Conditional Use Authorization to California Masonic Memorial Temple To Continue Lawful Non-Conforming Use Pursuant to Planning Code Section 185(e)**
Planning Department Case No. 2011.0471C

Dear President Chiu:

This firm represents the Nob Hill Coalition ("Coalition"), whose membership consists of residents of Nob Hill that are impacted by the operations of the California Masonic Memorial Temple ("CMMT" or "Applicant") located at 1111 California Street ("the Site"). On behalf of the Coalition, we are writing in support of our client's appeal of the above-referenced decision of the Planning Commission (the "Commission").

INTRODUCTION AND SUMMARY

In August, 2012, CMMT applied for a conditional use "to continue the existing operations of the California Masonic Temple's legal non-conforming commercial assembly and entertainment venue" that had terminated in 2008 pursuant to Planning Code Section 185(b)[1]. Section 185(e) allows for continuation of the lawful non-conforming use *so long as there is no "enlargement, intensification or extension of the non-conforming use."* The Planning Department ("Department") determined that this conditional use application was not a "project" within the definition of CEQA and no environmental review was required.

The conditional use hearing was originally scheduled for October 27, 2011. On October 19, 2011, the Coalition delivered a letter to the Commission stating its objections to the application. The Coalition was then notified by the Department after 6:00 PM on October 20, 2011 that the

[1] Further section references are to the Planning Code.

hearing would be continued to November 17, 2011. On November 10, 2011, the Department notified the Coalition that the hearing was again continued to January 19, 2012. No explanation was provided for these continuances.

On January 11, 2012, the Department published its case report to the Commission. The Coalition submitted a supplemental letter on January 17, 2011 objecting to the increase of the already inflated number of events by another 25% and to the Department's reliance on Section 186.1(b) to justify this increase.

On January 19, 2012, the Commission approved the conditional use application and increased the number of events by 25% as recommended by staff. without any consideration regarding the size, time, duration or category of events, or the intensification of use on the site.

The Coalition timely filed an appeal of the Commission's conditional use authorization to this Board on February 21, 2012.[2] On March 20, 2012, the Board of Supervisors ("Board") will hold a public hearing on the Coalition's appeal of the conditional use authorized by the Commission to allow CMMT to continue its lawful non-conforming use.

The grounds for this Appeal are as follows:

1. ***The Commission Failed to Consider Data Presented by CMMT.*** The Commission failed to distinguish size, category, time of day, end-time and/or duration of the events. Instead the Commission consolidated events into two overbroad categories – entertainment and non-entertainment. This alone has the effect of enlarging, intensifying, and expanding the lawful non-conforming use.

2. ***The Commission Acted in Excess of its Jurisdiction and Contrary to Law.*** The Commission and the Department impermissibly increased the number of events by 25% in reliance on Planning Code Section 186.1(b), which section applies to lawful non-conforming uses in a neighborhood commercial district. The subject property is in the Nob Hill Special Use District and is not in a neighborhood commercial district.

3. ***The Commission acted in Violation of CEQA.*** The Department erroneously determined that the conditional use is not subject to CEQA. The consolidation of the events into two broad categories without regard to size, with categories set-up by CMMT, and establishing no limited on the number of alcoholic beverage service stations all amount to an intensification of uses requiring environmental review.

[2] The conditional use appeal to this Board was joined by the Coalition, Elizabeth Pomada, William Terrell, Donna Muse, Aldo Caccamo and the Nob Hill Association.

For these reasons, as further discussed below, the Board should overturn the Commission's decision and modify the conditional use authorization to correctly reflect the historic uses of the Temple without any enlargement, intensification or extension.

BACKGROUND INFORMATION

Under Section 185(b), the lawful non-conforming assembly/entertainment uses at the Site terminated in 2008 and could continue *only* if CMMT applied for and was granted a conditional use to continue these lawful non-conforming uses. On September 10, 2008, CMMT applied for a conditional use to intensify the assembly and entertainment uses. The Department subsequently issued and the Board affirmed the issuance of categorical exemption and approval of a conditional use to intensify the uses at the Temple with modified conditions in 2010.

The Coalition and others then successfully challenged the decisions of this Board and the Commission in *Nob Hill Association et.al. v. City and County of San Francisco, et.al.* San Francisco Superior Court No. CPF-10-510495. In that lawsuit, the San Francisco Superior Court set aside the issuance of a categorical exemption for the conditional use authorizing intensification of the assembly and entertainment use, and the conditional use authorization, and awarded attorney's fees and costs to the Petitioners. A copy of the Court's Statement of Decision and Order is attached hereto at **Exhibit A.** Neither the City nor CMMT filed an appeal of the Decision.

After the Superior Court's Judgment and Order became final, CMMT again applied for a conditional use to continue the existing uses at the Temple. The Notice of the conditional use hearing mailed to property owners within 300' and published in the newspaper by the Department stated:

> "Request for Conditional Use Authorization *to continue the existing nonconforming entertainment and assembly use of the 'Nob Hill Masonic Center,' and to continue operation of the existing food and beverage service uses* within the Center pursuant to Planning Code Sections 185(e) and 303. . . "

(A copy of the Notice is attached hereto at **Exhibit B.)**

Inasmuch as CMMT represented that the Project will involve no physical *or operational changes* to the Temple's current uses as a commercial assembly and entertainment venue, the conditional use authorization by the Commission and this Board is limited *only* to continuation of the non-conforming uses at the Temple under Section 185(e) without any enlargement, intensification or extension.

Based on CMMT's representation that the conditional use application only seeks to continue a lawful non-conforming use, the Department found that no environmental review is required. In an e-mail to a neighbor inquiring about the environmental review process, the Department stated as follows:

> The renewal of the historic use through the CU is an activity not subject to CEQA [California Environmental Quality Act] per Guidelines Section 15060. The current operation of the Masonic is considered the baseline for analysis under CEQA and since the renewal of the historic use would result in no physical alteration or intensification of the existing building/use, the renewal is considered an activity not subject to CEQA.

But that is not what was approved. As a result, the Coalition objects to and appealed the lack of environmental review for this conditional use application to this Board on February 14, 2012. (A copy of the appeal letter is attached hereto at **Exhibit C**.)

On March 2, 2012, the Board informed the Coalition that the City Attorney's Office had determined that the lack of an environmental review was not appealable and the appeal was not timely. (A copy of the City Attorney's determination is attached hereto as **Exhibit D**.) But pursuant to Chapter 31 of the SF Administrative Code, only an appeal of an environmental impact report to this Board is subject to a time limit. There is no time limit for appeal for any other type of environmental review determination.[3]

DISCUSSION

1. The Commission's Decision Failed To Consider Data Presented By CMMT

Number, Type and Times of Events. In its October 19, 2012 letter to the Commission, the Coalition presented an analysis based on the CMMT's submission that organized the events by category, size (large or small), location in the Temple, as well as start-and-end-times. (A copy of the Coalition's letter is attached hereto at **Exhibit E**.) After receipt of CMMT's January 11, 2012 supplemental letter to the Commission, the Coalition submitted a supplemental letter dated January 17, 2012 to the Commission, addressing issues raised in the Department's case report and CMMT's supplemental letter to the Commission.

---

[3] Indeed, in 2011, the Coalition appealed the issuance of a Categorical Exemption and the 2011 conditional use authorization to this Board on April 5, 2011, the last day for a timely appeal of the conditional use. Lee Saylor also filed a separate appeal of the categorical exemption for the 2011 conditional use authorization. The City Attorney's office ruled both of those appeals to be timely. In this case the appeal was filed *prior* to the end of the conditional use appeal period yet was somehow found to be untimely.

As evidenced in its application, CMMT calculated a summary of average annual event numbers for only the period between 2005-2008 by number of events, event types, and time of day. The summary attached to CMMT's supplemental letter, dated January 11, 2012, expanded the data base period to between 2002 and 2007, but failed to inform the Commission or the public of the time of day for each event category. (A copy of the schedule of events and summary for the period of 2002 to 2007 attached to CMMT's January 11, 2011 letter is attached hereto at **Exhibit F.**)

The Coalition reviewed the historic event data provided by CMMT to the Department and to the Department of Alcoholic Beverage Control ("ABC") during the ABC administrative hearing to ascertain that the event types were accurately assigned.[4] It is the Coalition's position that evening events should be divided into two groups with differing end-times due to the difference of their impacts on the neighborhood. For clarity, the Coalition has prepared a table comparing the summary of the number of events submitted by CMMT and approved by the Planning Commission to those same events as summarized by the Coalition[5] (A copy of the comparison table is attached hereto at **Exhibit G.**)

When properly categorized, the average number of annual live evening entertainment events for 2005-2008 drops from an average of 47 per year to 31 per year, and the total number from 51 per year to 36 per year without regard to time of day. For the period between 2002 and 2007, when the time of day is considered, the number of evening events dropped from 47 to 38.[6]

Inasmuch as the base data clearly states the time of events, the duration of most events, the location and size of the events, there is no reason to use only the total for only entertainment and non-entertainment use in the Commission's Motion. By consolidating the total number of events by type only, and by disregarding the additional and readily available criteria, the Commission and CMMT effectively enlarged, intensified and extended the lawful non-conforming use. This enlargement, intensification and extension is contrary to law.

The Department's case report and approval motion as adopted by Commission lumped all events into two broad categories (entertainment and non-entertainment) without reference to size, time and duration of events. As a result, the Commission did not have sufficient information to make an informed decision based on all the facts available in this case. The consolidation of events

---

4 See pp. 5 to 10 of Exhibit E for a detailed explanation.

5 The comparison table is based on Mr. Galanos' spreadsheet attached as see Exhibit 5 to Exhibit E. Mr. Galanos input the CMMT schedule of events from 2001 to 2010 and sorted the information by types of event by year, event by year and period, event by year, by time and event category.

6 The Coalition's 44 average annual entertainment events included the 14 talent search shows and 9 Broadway On Ice shows in 2004 which was an anomaly for the period between 2001 and 2010.

into two broad categories without reference to time of day, size or location does not reflect the historic use and gives CMMT *carte blanche* to replace small events with large evening concert events, or move events from daytime to evening which in fact intensifies the existing uses.

The motion approved by the Commission actually extended the hours of operation, increased the number of historic events, expanded the historic number of alcoholic beverage service stations under temporary one-day licenses issued by ABC, and also adopted the Department's position that the number of historic events can be further increased by 25%, notwithstanding the clear and unambiguous language of Section 185(e) prohibiting any enlargement, intensification, or extension of the lawful non-conforming use. The decision of the Planning Commission is not supported by and is contrary to the evidence in the record submitted by CMMT and should be overruled and modified by this Board.

CMMT argues that because the uses are lawful non-conforming uses, and there were no conditions limiting the intensity of such uses, CMMT is therefore free to operate as many events in the Temple without any constraint. But CMMT ignored the fact that the lawful non-conforming uses terminated by law in 2008, and those uses could only continue with a conditional use authorization.

End-Times for Events. Based on the historic data provided to the Department and to ABC by the CMMT, most evening events ended between 10:00 PM and 10:30 PM. (See Exhibit 5 to Exhibit E.) But the motion approved by the Commission extended the end-times for evening events to 11:00 PM for weekdays, 11:30 PM for weekend events except for three evening events ending at 1:00 AM, under the improper assertion that the increases are permitted by Section 186.1(b). This Board should restrain the evening event end-time to the end-times consistent with the historical data submitted by CMMT, which clearly shows events ending no later than 10:30 PM with only a few large live entertainment events or special events per year ending at 11:00 PM.

Size of Events. While CMMT has provided information regarding the size of the historical events, it failed to include this information in the summary. Since events of different sizes would take place in an appropriately sized room, the provision in the motion approved by the Commission regarding events should be modified to separate the size of the events, similar to the four categories set up by CMMT. (See Exhibit 6 to Exhibit E, and Exhibit F.)

Alcoholic Beverage Service Stations. In its Application, CMMT failed to provide any evidence to support the frequency or duration of alcoholic services in its proposed conditions of approval. The number of bars requested was only identified in CMMT's proposed conditions of approval. At the ABC hearings, Mr. Alan Casalou, the Grand Secretary of the Temple, testified under oath that he has no idea how often alcoholic beverages were served, where the beverage stations were located, or at what events alcoholic beverages were served. Similarly, the last column of the

CMMT Schedule of events showed that the Masonic Temple has no record of the events where alcoholic beverages were served.[7]

The ABC record is also clear that the Masonic Temple never had a permanent liquor license, and that only temporary licenses were requested and obtained by event sponsors through 2010. The document relied on by CMMT in its January 11, 2012 letter to the Commission refers to an interim operating permit granted by ABC that expired on February 26, 2012. This permit is obviously not part of the historical use prior to termination of the lawful non-conforming use in 2008, nor part of the base data presented to support its application, and it expired on February 26, 2012. It is clearly not part of the lawful non-conforming use pattern.

The documents provided by ABC and in response to public record request show no liquor license, temporary or permanent, has *ever* been granted to CMMT.

- ABC's investigation report for a double transfer of a liquor license from another location to the Temple stated that the Masonic Temple "has never been licensed by the Department" and there were only "eight (8) one day licenses, and seven (7) catering permits for various functions" from January 1, 2009 to June 2, 2010.

- In 2009, ABC granted 12 permits for events (10 concerts, a reception for 200 people and a dinner for 500 people) for the Masonic Temple; of these events only one event had an estimated 3,500 attendees; a majority of the concerts only have 2000 attendees per event day.

- In 2010, ABC granted five (5) permits (3 concert/comedy shows attended by an estimate of 3000 attendees each, 1 graduation attended by 1,500 attendees, and 1 conference with 50 attendees) for the premises of the Temple.

- Recent applications for temporary liquor license included plans showing the locations of alcoholic beverages for the Jeff Beck Concert and the Conan O'Brien Comedy Show with estimated attendees of about 3,000 for each concert. All the plans attached to the ABC applications for events at the Temple clearly show no more than two bar locations (one in the main lobby and one in the balcony lobby). See Exhibit 7 to Exhibit E for applications for temporary liquor licenses.

Annette Berger, who worked as an usher at the Temple from 2001 to 2006 stated in her letter to the Commission that during the years when she was an usher, most events did *not* include the service of alcoholic beverages. The statement in Ms. Berger's letter is consistent with the

[7] Copies of the transcript Mr. Casalou's testimony are in the Planning Department's case files and is part of the record of this appeal.

information provided by the ABC. Except for water, no beverages or food were allowed inside the Auditorium. Finally, drinks were served only before the start of an event and during intermission.

The Berger letter contradicts CMMT's representation that existing and historical operation of the Temple included serving snacks and other food throughout the Temple, from up to five temporary concession stands. See Exhibit 7 of Exhibit E.

In order to avoid intensification, any conditions of approval must limit alcoholic beverage service to the historic conditions, with no more than two bars, with service limited to before the events and during intermission, and no alcoholic beverages allowed in the main auditorium. See also pages 7-9 of Exhibit E.

2. The Commission Acted In Excess Of Its Jurisdiction and Contrary to Law

The Commission's Actions Are Contrary to Sections 185 and 186. Section 185(e) does not authorize the Department or Commission to increase the number of events by 25% or to grant a permit for an unlimited number of alcoholic beverage stations. Thus, the Department instead relied on Planning Code Section 186.1(b) to propose a 25% increase of the number of events and to increase the number of alcohol stations. The Commission adopted the Department's position.

This action is tantamount to an amendment of the Planning Code, is in excess of the Commission's jurisdiction and is contrary to law. Section 186.1(b) governs nonconforming uses and features *located in Neighborhood Commercial Districts* to the extent that there is a conflict between the provisions of this Section and other Sections contained in Article 1.7 of the Planning Code. It allows for expansion *in floor area* for purposes of expanding the use as long as the nonconforming use is not significantly altered, enlarged or intensified pursuant to a conditional use application. (See pp. 3 and 4 of the Coalition letter dated January 17, 2012 attached hereto as **Exhibit H.**)

The Masonic Temple is located in the Nob Hill Special Use District ("Nob Hill SUD") over an underlying RM-4 zoning district. It is not located in a Neighborhood Commercial District ("NCD"). There is nothing in the Planning Code that would allow the Planning Department or the Commission, in effect, to change the zoning of the Nob Hill SUD to a "Nob Hill NCD," thereby allowing an expansion of the lawful non-conforming use by 25%.[8]

---

[8] The only plausible explanation for the Department's reliance of this provision to allow for a 25% expansion of the lawful non-conforming use would be the Zoning Administrator's determination that because the Masonic Temple is located within ¼ mile of the Polk Street NCD, it could apply for a conditional use authorization to expand its entertainment use by using the "other entertainment use" from the Polk Street NCD. The Superior Court has ruled that the Polk Street NCD uses may not be imported to the Nob Hill SUD. While the City and the Applicant have appealed, the Superior Court's decision remains binding unless it is overruled.

To our knowledge, this is the first time the Department has interpreted Section 186.1(b) to equate a 25% increase in *events* as being the equivalent to an increase of 25% in *floor area*, which is what the section specifies. The logic and legal basis for that interpretation is unknown. Clearly, if the number of evening live entertainment events is increased from 54 to 68 (approximately 25%), the increase results in an intensification of use.

The notice to the neighbors describes the conditional use application as follows:

> "[T]o continue the existing nonconforming entertainment and assembly use of the "Nob Hill Masonic Center", and to continue operation of the existing operation of the exiting food and beverage service uses within the Center, pursuant to Planning Code Section 185(e) and 303, within the RM-4 (residential, Mixed, High Density) District, the Nob Hill Special Use District, and the 65-A Height and Bulk District. No interior or exterior modifications, or change in patron capacity of the existing facility, are requested as part of this action."

Without a conditional use application to expand the lawful nonconforming use pursuant to Section 182(b)(1) before it, the Commission could not lawfully approve any expansion of the existing uses.

The Commission's Decision Does Not Comply with Section 303(C) Conditional Use Criteria. For the sake of brevity, please refer to pp. 10 to 13 of Exhibit E for a discussion of the non-compliance with the Section 303(c) criteria for a conditional use authorization, the discussion of which is incorporated herein by reference.

The Project Does Not Meet Certain Section 101(B)(1) Priority Policies. Please refer to pages 15 to 16 of Exhibit E, the discussion of which is incorporated herein by reference.

3. The Commission Acted in Violation of CEQA

For the reasons stated above, in failing to conduct any environmental review, the Commission acted in violation of CEQA. For a full discussion, please see Exhibit C, which is incorporated herein.

CONCLUSION

The Board should modify the conditions of approval to accurately reflect the historic data wherein events are separated by category, size, start and end time, and number, in accordance with the base data submitted by CMMT and frequency and number of alcoholic beverage services presented in the ABC documents.[9] A critical evaluation of the historical use is

[9] As discussed above, the Applicant submitted a different schedule of historic events to the ABC.

necessary because CMMT is attempting and the Commission is allowing, CMMT to circumvent the Superior Court's decision and order requiring more intensive environmental review if they desire to intensify the use, and to avoid preparing the environmental impact report per its environmental review application submitted on May 11, 2011. (A copy of the application is attached as **Exhibit I.)** This conditional use application is CMMT's unlawful attempt to establish an artificially high historical use to be used as the artificial baseline for future increases and intensification of the uses at the Temple.

Conditions should be imposed to ensure that there is no intensification or expansion of the historical lawful non-conforming uses. If the Application were modified to continue the *true* historic uses without intensification, as articulated in the Coalition's summary of the list of events, then the Coalition would have no objection to and would support a continuation of the historic uses at the Temple. The Coalition urges this Board to remember that Nob Hill is primarily a residential district. Based on the foregoing, it is respectfully submitted that the conditional use application as currently framed must be rejected.

Very truly yours,

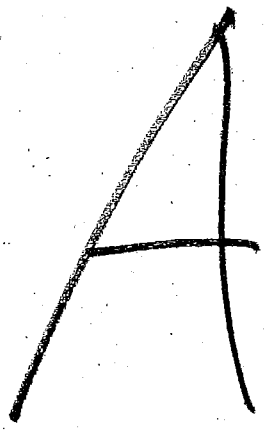

Alice Suet Yee Barkley

Case No. CPF-10-510501

The Petitions for Writ of Administrative Mandamus in the above-referenced matters came on for scheduled hearing on February 7, 2011 at 10:00 a.m. in Department 613 of the above-entitled Court, the Honorable Ernest H. Goldsmith presiding. Denis F. Shanagher, Esq. and Alice Barkley, Esq. of Luce Forward Hamilton & Scripps LLP appeared on behalf of Petitioners Nob Hill Association et. al. in the case of *Nob Hill Association, et. al. v. City and County of San Francisco et. al.*, Case No. CPF-10-510495. Barbara L. Lyons, Esq. of Millstein & Associates appeared for Petitioner Lee Saylor in the case of *Saylor v. City and County of San Francisco et. al.*, Case No. CPF-10-51050. Andrew Garth, Esq. appeared for Respondents City and County of San Francisco et. al. Steven Vettel, Esq. and David Ismay, Esq. of Farella Braun & Martel LLP

appeared for the Real Party in Interest California Masonic Memorial Temple ("Real Party in Interest" or "CMMT").

The Petitions in actions No. 510495 and No. 510501 presented common issues of law and fact. The parties in both actions filed a "Notice of Related Action" and a joint hearing of both cases was heard on February 7, 2011. Accordingly, this Statement of Decision issues as to both actions.

Following a review of the briefs of the parties, the Administrative Record on file ("AR") with the Court, and the oral argument of counsel, the Court hereby issues its Statement of Decision.

I. BACKGROUND

These two Petitions for Writ of Mandamus challenge the decision by the Respondents City and County of San Francisco and its various agencies that the proposed renovation and use of the California Masonic Memorial Temple building ("Masonic Temple") as a full-time entertainment and convention venue (the "Project") was categorically exempt from Environmental Review under the California Environmental Quality Act ("CEQA").

As relevant here, on May 27, 2008, CMMT applied for a building permit to remove all of the fixed seats in the main floor of the Masonic Temple's auditorium and to add tiered standing areas to increase the auditorium's capacity. (AR 00964.) On September 10, 2008, CMMT submitted a conditional use ("CU") application to provide permanent food and beverage service and to add food and bar stations. (AR 00035, 00455.)

On October 31, 2008, CMMT submitted an environmental evaluation application to Respondent San Francisco Planning Department describing the Project as adding permanent food and beverage service areas to the existing auditorium with no exterior changes or take-out service. (AR 00772-00790.) On December 1, 2008, a certificate of Determination of Exemption/Exclusion from Environmental Review was mailed to various individuals and organizations but not to any of the residents in the residential buildings surrounding the Temple. (AR 00957-00959.)

On March 10, 2009, the Respondent Planning Department received a second environmental review application from CMMT for a project, describing the proposed use of the Masonic Temple as for cultural and entertainment assembly uses (AR 00984) with floor plans, a Historic Resource Review Form dated November 17, 2008, and a Travel Demand Assessment Memorandum attached thereto (the "Project"). (AR 00983-00997.) CMMT's attorney also submitted a letter dated March 10, 2009 supporting a request for the issuance of a Categorical Exemption for the Project. (AR 00998-01027.)

On May 19, 2009, a Scope of Work for a Transportation Study was approved as part of the environmental review process. (AR 01114-01119.) Thereafter, the Petitioners and other neighbors monitored the environmental review process, including the preparation of the Transportation Study (AR 01156, 01407-01408, 01280-01296, 01407-01410, 01420-01424, 01440-01462, 01472-01492) and provided the Planning Department with additional information (AR 01420-01421) and comments on the various drafts of the Transportation Study. (AR 01156, 01280, 01288-01290, 01438-01460, 01464.)

On October 30, 2009, the neighbors' attorney informed Respondent Planning Department that, in CMMT's September 25, 2009 proposed conditions of approval for the conditional use application, the Project would include: (1) 95 evening live entertainment events, and (2) unlimited day-time and other events day or night. (AR 01289-01296.)

On or about February 1, 2010, the Planning Department notified the neighbors that an environmental review application had been received for the Project. The Notice described the Project as the: (1) removal of the existing seating on the main auditorium level and changing it to a multi-level floor to accommodate a variety of audience configurations; (2) renovation and reduction in the size of the Exhibit Hall at the lower level; and, (3) an increase in the auditorium's capacity from 3,292 to 3,500 persons for standing concert events. (AR 01471.) The Notice did not mention any increase in the number of events at the Masonic Temple. (*Id.*)

On February 18, 2010, the Respondent Planning Department issued a Class 32 In-fill Development Categorical Exemption pursuant to section 15332 of the CEQA Guidelines, Title 14

California Code of Regulations ("CEQA Guidelines"), with a revised Project description that mentioned for the first time that there would be a maximum of 95 evening live entertainment events. This revised Project description did not mention the planned increase in daytime uses. (AR 00005-00019.)[1]

On April 2, 2010, the issuance of the Categorical Exemption was appealed to the Respondent Board of Supervisors of the City and County of San Francisco. (AR 00474-00480.) On May 4, 2010, Respondent Board of Supervisors conducted a duly noticed public hearing, where the Petitioners appeared and testified against the issuance of the Categorical Exemption. (AR 00125-00179:1-9.) Following the hearing, Respondent Board of Supervisors affirmed the issued Categorical Exemption. (AR 00026-00029.) On May 4, 2010, Respondent Planning Department issued the Categorical Exemption and filed a Notice of Exemption from the CEQA requirements with the San Francisco County Clerk on May 10, 2010. (AR 00001-0004.)

The *Nob Hill Association et. al.* Petition for Writ of Administrative Mandamus was filed on June 11, 2010. The *Saylor* Petition for Writ of Administrative Mandamus was filed on June 14, 2010. The essence of these Petitions is that the Categorical Exemption is legally deficient because: (1) the Project description is incomplete, (2) the record does not support the Categorical Exemption, as it lacks substantial evidence that: (a) the Project is consistent with applicable zoning regulations; (b) the Project will not result in significant effects to traffic or noise; and (c) the site could be adequately served by all required public services; (3) substantial evidence supports a fair argument that due to unusual circumstances, there is a reasonable possibility that the Project will have a significant effect on the environment which precludes a categorical exemption; and (4) substantial evidence supports a fair argument that the cumulative impact of successive projects of the same type in the same place over time will be significant and likewise precludes a categorical exemption.

[1] The record shows that the number of evening live entertainment events was 49 in 2002, 40 in 2003, 62 in 2004, 44 in 2005, 26 in 2006, and 46 in 2007, an average of 44.5 per year. (AR 00791-00820.) The number of large day-time events (corporate conventions, citizenship ceremonies, commencement exercises, etc.) was 48 in 2002, 46 in 2003, 23 in 2004, 35 in 2005, 45 in 2006 and 49 in 2007, an average of 41 per year. (*Id.*)

II. STANDARD OF REVIEW

The basic standard of review in a Petition for Writ of Administrative Mandamus proceeding under CEQA is whether the agency committed a prejudicial abuse of discretion. *Banker's Hill, Hillcrest, Park West Community Preservation Group v. City of San Diego* (2006) 139 Cal.App.4th 249, 260. Abuse of discretion is shown if: (1) the agency failed to proceed in a manner required by law (*See* Pub. Res. Code §21168.5); or (2) the decision is not supported by substantial evidence in the record (*See* Pub. Res. Code §21168). Substantial evidence includes "facts, reasonable assumptions predicated upon facts, and expert opinion supported by facts." CEQA Guidelines 15384(b); Pub. Res. Code §21080(e)(1).

An agency's determination that a project falls within a categorical exemption is evaluated under the substantial evidence standard. *Banker's Hill, supra,* 139 Cal.App.4th p. 258. However, when evaluating whether an exception specified in CEQA Guidelines § 15300.2 bars issuance of a categorical exemption, the Court applies a fair argument standard of review, and invalidates the Agency's determination if the record contains evidence of a fair argument that one or more exceptions apply. *Banker's Hill, supra,* 139 Cal.App.4th at 264; *Friends of "B" Street v. City of Oakland* (1980) 106 Cal.App.3d 988, 1002.[2]

> The fair argument standard is a "low threshold" test for requiring the preparation of an EIR. It is a question of law, not fact, whether a fair argument exists, and the courts owe no deference to the lead agency's determination. Review is de novo, *with a preference for resolving doubts in favor of environmental review.* (*The Pocket Protectors v. City of Sacramento* (2004) 124 Cal.App.4th 903, 928 (citations omitted); *accord, Wollmer v. City of Berkeley* (2009) 179 Cal.App.4th 933, 939-940.)

/////

[2] Petitioners incorrectly argue that the fair argument standard of review applies to the Respondent's exemption determination itself. Respondents correctly assert that the fair argument standard may only be applied to the consideration of exceptions to the categorical exemption analysis under CEQA Guideline 15300.2.

III. DISCUSSION

It is well-settled law that CEQA is to be "interpreted in such manner as to afford the fullest possible protection to the environment within the reasonable scope of the statutory language." *Friends of Mammoth v. Board of Supervisors* (1972) 8 Cal.3d 247, 259 [disapproved on other grounds]; *Citizens of Goleta Valley v. Board of Supervisors* (1990) 52 Cal.3d 553, 563-64. The fundamental purpose of CEQA is to inform decision-makers of the environmental consequences of a project and to ensure the public that the environment will be protected. *Citizen of Goleta Valley, supra,* 5 Cal.3d at p. 563; *County of Inyo v. Yorty* (1972) 32 Cal.App.3d 795, 802.

A. The Project Description

The Petitioners assert that the Project at issue in these cases is a re-purposing of the Masonic Temple as a full-time event and large-scale entertainment venue for Live Nation (the lessee of the Masonic Temple) events, including a full catering kitchen and multiple beverage stations, as well as auditorium capacity expansion. Petitioners argue that to the extent Respondents ignored the planned intensification of the use of the site, the Project Description is incomplete.

In response, Respondents argue that Petitioners assert the wrong baseline. They contend there is no current use restriction on the size, frequency or type of event held at the Masonic Temple, and therefore, those factors were properly excluded from the Project definition. Respondents assert that the Project is merely a slight increase in capacity of the auditorium (some one hundred additional persons could be accommodated), and point out that the Conditions of Approval imposed by the Board of Supervisors have added a limit of the number of nighttime events that may be held.

The term "project" is defined by CEQA Guideline 15378(a) as encompassing the activity for which approval is sought. The definition of "project" is given a broad interpretation in order to maximize protection of the environment. *McQueen v. Board of Directors* (1988) 202 Cal.App.3d 1136, 1143 [disapproved on other grounds]. "Courts have considered separate

activities as one CEQA project and required them to be reviewed together where...both activities are integral parts of the same project." *Sierra Club v. West Side Irrigation Dist.* (2005) 128 Cal.App.4th 690, 698; *see also No Oil, Inc. v. City of Los Angeles* (1987) 196 Cal.App.3d 223, 233; *San Franciscans for Reasonable Growth v. City v. City and County of San Francisco* (1989) 209 Cal.App.3d 1502, 1513-14. CEQA requires that environmental considerations not be concealed by separately focusing on isolated parts of a project, thereby overlooking the cumulative effect of the entire project. *Bozung v. LAFCO* (1975) 13 Cal.3d 263, 283; *McQueen, supra,* 202 Cal.App.3d at p. 1144.

When a project involves future expansion, the environmental document must analyze all such expansion and ascertain the reasonably foreseeable consequences of the project. *Save Round Valley Alliance v. County of Inyo* (2007) 157 Cal.App.4th 1437, 1450; *Laurel Heights Improvement Association v. Regents of University of California* (1988) 47 Cal.3d 376, 396.

The Court finds that the Respondents' definition of the Project here as a slight increase in capacity is patently inadequate and incorrect. This definition is based on the addition of some 100 or so seats, which the Respondents have taken in isolation. First, the Court notes that CMMT applied for a Class 32 Categorical Exemption, as opposed to a Class 1 Categorical Exemption, demonstrating that the intensified use of the Masonic Temple amounted to more than a "small" intensification of use. Second, CMMT applied for a conditional use application under Planning Code section 185(e), instead of Planning Code section 185(b), effectively recognizing again that the proposed use of the Temple was an intensified use.

By improperly defining the Project as only a slight increase in capacity, the City has improperly avoided an analysis of the intensification of use and cumulative effect of the increases in use, which is part and parcel of the Project. The Project as described involves an increase in the number of live evening entertainment events from an average of 44.5 in the six years prior to the Project application, to 85 per year. The Project as described involves an increase in the number of large day-time events from 41 per year in the six years prior to the Project Application, to as many as 100 per year. The Project involves removing fixed seats to allow for

reconfiguration of the seating in the main auditorium, adding tiered seating and eight food and beverage stations served by a fully detailed kitchen. By so doing, the Masonic Temple becomes a highly desirable rock concert venue capable of profitably handling large crowds, suggesting frequent use, up to well more than twice the historical average.

The Respondents and Real Party in Interest argue that with little increase in seating capacity and continuing as a venue for live events, nothing will change. However, the simple description of the reconfiguration of the auditorium ignores the inevitable intensification of use. Although the Project Description included an identification of the increase in the number of evening entertainment events, its failure to disclose all of the expanded activities, including the expanded number of bars from 3 to 11, and the dramatic increase in the number of day-time large convention events, resulted in a failure to analyze all the potential impacts on the physical environment, thereby circumventing the purpose of CEQA. The scope of the environmental review must include the entire project. *Tuolumne County Citizens for Responsible Growth, Inc. v. City of Sonora* (1997) 155 Cal.App.4th 1214, 1222.

Failure to include a complete and accurate project description and thus avoiding full environment review makes the environmental impact analysis misleading and incorrect and, therefore, fatally flawed. *City of Santee v. County of San Diego* (1989) 214 Cal.App.3d 1438, 1147; *Laurel Heights, supra*, 47 Cal.3d at p. 391; *Tuolumne County Citizens, supra,* 155 Cal.App.4th at pp. 1222 & 1231. The Respondents' improper definition of the Project undermines the purpose of CEQA, which is to provide decision-makers with accurate facts as to the potential environmental impact and to expose the plan to close public scrutiny and comment. When approving the Categorical Exemption here, Respondents failed to describe and evaluate the entire proposed Project. Thus, Respondents failed to proceed in accordance with the law.

/////

/////

/////

/////

B. **The Class 32 Categorical Exemption**[3]

The Respondents relied here on a Class 32 Categorical Exemption under CEQA Guideline 15332 (Urban In-Fill Developments) to determine that the Project does not have a significant effect on the environment. If substantial evidence in the record supports the Respondent's determination that the criteria for the particular exemption are met, the Court must defer to the Respondent's decision, unless an exception to that exemption applies.

In order to qualify for a Class 32 Categorical Exemption under CEQA Guideline 15332, the Project must meet five specific criteria. The Court has considered several of the criteria of most relevance here under the substantial evidence standard of review.

1. **Criterion Four: Approval of the Project Must Not Result in Significant Effects Relating to Traffic, Noise, Air Quality, or Water Quality**

In order for Respondents to issue a Class 32 Categorical Exemption, the proponent must demonstrate that approval of the project will not result in any significant effects relating to traffic, noise, air quality, or water quality ("Criterion Four"). CEQA Guideline 15332(d). Here, the Respondents and Real Party in Interest rely on a Transportation Study (AR 00825-00947; 00494-00500) and an historic resource evaluation (AR 00991-00992) to support the Categorical Exemption determination.

There is no substantial evidence in the record to support a conclusion that approval of the Project will not result in any significant effects relating to traffic or noise. The transportation analysis relied upon by Respondents was flawed in its reliance on an inadequate project description based only on the additional capacity of approximately 100 persons. Relying on the incomplete and inaccurate Project description, Respondents avoided an analysis of the intensification of use and its cumulative effects. For example, the Transportation Study for the

[3] The Court has taken notice of the First Appellate District's decision in *Wollmer v. City of Berkeley et al.*, No. A128121, 2011 WL 847013, at *10-*15 (1st App. Dist. March 11, 2011). That case is distinguishable from the present case and therefore does not affect the Court's conclusions here.

Project was based on a theoretical projection of traffic volume at the affected intersections with total disregard to actual conditions during a general admission rock concert or other intensified use. The Transportation Study presents a conclusion that during evening events with 3,500 persons, the traffic volume at intersections would not be significantly different from that of a normal day without any event, despite the Project's proposed use which contemplates evening live entertainment events on an average of every third or fourth evening (AR 00449:9-14) and no limits on 100 day or night-time time events (AR 00469 at ¶11 and AR 01289-01296) with associated daily loading and unloading.

The Transportation Study did not consider the impact of simultaneous events in the several hotels in the area. The Fairmont, the Mark Hopkins and the Huntington Hotels are within one block of the Masonic Temple, and the Stanford Court and the Ritz Carlton Hotels are two blocks away. When events are held at the Fairmont and the Mark Hopkins, traffic and parking availability in the surrounding public garages are impacted. Concurrent events at the Fairmont Grand Ballroom, the Mark Hopkins and the Masonic Temple would double the Transportation Study's analysis of only 3,500 event attendees. (AR 00582, fn 9.) Accordingly, the environmental review document should have considered and analyzed the cumulative impact of simultaneous events at the Fairmont, the Mark Hopkins, and the intensification of use of the Masonic Temple with respect to vehicular and pedestrian traffic, parking, noise, police and public services, crime control and the like.[4]

The Transportation Study did not consider or discuss the effects of the last run of Muni, BART or any other means of public transit within the proposed end-time of the concerts. The Transportation Study only analyzed the impact on transit between 7:00 PM and 8:00 PM. (AR 00107, 01144-01145.) While most concert attendees using transit would arrive over a period of the one-hour peak period discussed in the Transportation Study (AR 00107), nearly all of the

[4] Pursuant to Evidence Code § 452(c). the Court grants the request of Petitioners Nob Hill Association *et.al.* for judicial notice of selections from the Draft Environmental Impact Report for 950 Mason Street — Fairmont Hotel Revitalization and Residential Tower Project, San Francisco Planning Department Case No. 2008.0081E, State Clearinghouse No. 2009012050, Draft EIR Publication date April 28, 2010.

projected 900 attendees using transit will be waiting for the bus immediately after the end of events. The capacity of each bus is 63. (AR 00930.) The Transportation Study is devoid of analysis as to whether the Muni lines adjacent to the Temple have the capacity to accommodate the event attendees when evening events end at 11 PM or 11:30 PM.

2. Criterion Five: Adequate Service by All Required Utilities and Public Services

To support the issuance of a Class 32 Categorical Exemption, the project sponsor must show that the site can be adequately served by all required utilities and public services. CEQA Guideline 15332(e). Petitioners argue that Respondents abused their discretion in determining that the site would be adequately served by all required public services. In response, Respondents argue that any problems with emergency vehicle access to the site are ongoing and will not be exacerbated by the Project. Again, this argument depends on the Project definition being a sole 100-person increase in capacity rather than an intensification in use.

Once again, the flawed description of the Project as merely adding 100 seats, failing to consider the intensification of use from completely changing the interior physical setting and adding extensive service facilities comes into play. The Project will allow the Masonic Temple to become a different building, becoming highly desirable for expanded, intensified use. The Respondents have not examined the effect of the type of building and entertainment venue the Masonic Temple will become, resulting in intensification of use. Therefore, there is no substantial evidence to support the finding of adequate public services because *the effect of a different building* was not analyzed.

C. Unusual Circumstances Exception

An activity that would otherwise be subject to a categorical exemption is precluded from the exemption if "there is a reasonable possibility that the activity will have a *significant effect* on the environment *due to unusual circumstances*." CEQA Guideline 15300.2(c) [emphasis added]; *see also City of Pasadena v. State* (1993) 14 Cal.App.4th 810, 824. Accordingly, there are two distinct inquiries: (1) whether the project presents unusual circumstances; and, (2) whether there

is a reasonable possibility of a significant environmental impact resulting from those unusual circumstances. *Banker's Hill, supra,* 139 Cal.App.4th at p. 278; *see also Turlock Irrigation Dist. v. Zanker* (2006) 140 Cal.App.4th 1047, 1066.

Here, the fair argument standard of review applies. If substantial evidence supports a fair argument that the Project will have a significant effect due to unusual circumstances, an agency has abused its discretion in issuing a categorical exception from CEQA review.

Petitioners argue that the character of the local neighborhood, specifically its status as a high density residential zone constitutes an unusual circumstance, citing *Lewis v. Seventeenth Dist. Agricultural Assn.* (1985) 165 Cal.App.3d 823. In response, Respondents cite *Santa Monica Chamber of Commerce v. City of Santa Monica* (2002) 101 Cal.App.4th 786 for the proposition that whether a circumstance is unusual is judged relative to the typical circumstances related to an otherwise typically exempt project. Respondents argue that because the Nob Hill SUD expressly acknowledges a diverse mix of urban uses, the proposed Project does not constitute an unusual circumstance even in a high-density residential zone.

The Court finds that the Petitioners have a fair argument that the Project will have a significant environmental impact because the Project is located in a high-density residential zone. Again, the failure to accurately describe the Project and to consider the intensification of use bears on this finding.

Also, the Court notes that in applying to the Zoning Department, Respondents and Real Party in Interest found it necessary to import the Polk Street NCD classification, and to apply a tortured interpretation to that neighborhood commercial district, in order to include entertainment uses in the Nob Hill SUD, which is a high-density residential area. However, the record shows no 3,300-person capacity auditoriums, nor any entertainment uses beyond those found in bars, in the Polk Street NCD.

D. Cumulative Impacts Exception

Under CEQA Guideline 15300.2(b), a categorical exemption shall not be used for an activity where there is a reasonable possibility that the activity will have a significant effect on the

environment due to the cumulative impacts of successive projects of the same type in the same place over time.

Again, Petitioners argue that the possibility of simultaneous events at neighboring hotels would result in such cumulative impacts, and in response, Respondents argue that there are no contemplated projects of the same type as the one at issue here. While it is probably true that no 3300-person capacity auditoriums have been proposed or are contemplated, that argument avoids the real issue concerning cumulative impacts in the instant case. The operative facts in the record and the facts on the ground indicate that there are four large hotels within two blocks of the Masonic Temple. All four are convention and conference venues. To be realistic, the cumulative impact analysis must consider the cumulative impact of simultaneous events at the neighboring venues in consideration of the intensification of use of the Masonic Temple in terms of crowds, pedestrians, street crossings, parking, traffic, police and public services, noise, crime control and the like.

In applying the fair argument standard here, the Court finds Petitioners' argument persuasive that there may be significant, simultaneous and overlapping impacts of cumulative use of the entertainment, convention and conference venues in the Nob Hill Special Use District, thereby requiring environmental review of the Project.

IV. CONCLUSION

Based on the above, the Court finds as follows:

A. The Project description is inadequate;

B. There is not substantial evidence in the record to support the Categorical Exemption, in that:

1. There is a lack of substantial evidence that "[a]pproval of the project would not result in any significant effects relating to traffic [or] noise" as required by CEQA Guidelines 15332(d); and

/////

/////

2. There is a lack of substantial evidence that "[t]he site can be adequately served by all required utilities and public services" as required by CEQA Guideline 15332(e);

C. Evidence in the record supports a fair argument that because of unusual circumstances, there is a reasonable possibility that the Project will have a significant effect on the environment, and a categorical exemption is therefore unavailable under CEQA Guideline 15300.2(c); and

D. Evidence in the record supports a fair argument of cumulative impacts of successive projects of the same type in the same place over time, and categorical exemption is therefore unavailable under CEQA Guideline 15300.2(b).

For all of these reasons, the Court Orders that judgment be entered in favor of Petitioners in these proceedings and that a Peremptory Writ of Administrative Mandamus be issued under seal of this Court directing as follows:

1. That Respondents set aside the issuance of Class 32 Categorical Exemption for the Project;

2. That Respondents vacate and set aside its decision affirming the conditional use authorization pursuant to Real Party in Interest's conditional use application;

3. That Respondents and Real Party in Interest suspend all activity under the conditional use authorization, including the issuance of any building permit for: removal of the existing seating on the main auditorium level and conversion to a multi-floored, tiered auditorium; increase in auditorium capacity; renovation and reduction in size of the Exhibit Hall on the lower level; and addition of new concession stands until Respondents have undertaken an Initial Study and otherwise complied with the requirements of CEQA relative to the Project.

SAN FRANCISCO
PLANNING COMMISSION
NOTICE OF HEARING

Notice is hereby given to the general public that an application involving the property described below has been filed with the Planning Department for review as set forth in the Planning Code. The Planning Commission will hold a PUBLIC HEARING on this item and on other matters on Thursday, October 27, 2011, beginning at 12:00 p.m. (Noon) or later, at City Hall, 1 Dr. Carlton B. Goodlett Place, Room 400.

2011.0471C – 1111 CALIFORNIA STREET – southwest corner at Taylor Street; Lot 020 in Assessor's Block 0253 – Request for Conditional Use Authorization to continue the existing nonconforming entertainment and assembly use of the "Nob Hill Masonic Center", and to continue operation of the existing food and beverage service uses within the Center, pursuant to Planning Code Sections 185(e) and 303, within the RM-4 (Residential, Mixed, High Density) District, the Nob Hill Special Use District, and the 65-A Height and Bulk District. No interior or exterior modifications, or changes in patron capacity of the existing facility, are requested as a part of this action.

The subject site is within a 300-foot radius of your property.

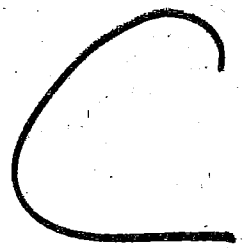

If you are interested in viewing the plans for this Project please contact the planner listed below. Please call one day in advance so that the plans can be ready for you to review at the Planning Department's reception desk located on the fourth (4th) floor at 1650 Mission Street. For further information, call Kevin Guy at (415) 558-6163, or e-mail at Kevin.Guy@sfgov.org and ask about Case No. 2011.0471C.

Persons who are unable to attend the scheduled Planning Commission hearing may submit written comments regarding this case to Kevin Guy at the Planning Department, 1650 Mission Street, Suite 400, San Francisco, CA 94103. Comments received by 9:30 a.m. on the day of the hearing will be made a part of the official record and will be brought to the attention of the Planning Commission.

Comments that cannot be delivered to the Planning Commission by 9:30 a.m. on the day of the hearing may be taken directly to the hearing at the location listed above. Comments received at 1650 Mission Street after the 9:30 a.m. deadline will be placed in the project file, but probably cannot be brought to the attention of the Planning Commission at the public hearing.

Pursuant to Government Code §65009, if you challenge, in court, the approval of a conditional use permit or any other permit, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the Planning Commission, at, or prior to, the public hearing.

Re: **Appeal of Planning Department Determination that the Conditional Use Application for 1111 California Street Is Exempt From Environmental Review Under the California Environmental Quality Act**
Planning Department Case No.: 2011.0471C

Dear Supervisor Chiu:

On behalf of our clients, the Nob Hill Coalition, William Terrell, Robert Epstein and Stephen Patton (herein "Appellants"), we are submitting this appeal of the above-referenced Determination by the Planning Department.

BACKGROUND

On January 19, 2010, the San Francisco Planning Commission ("Commission") granted a conditional use authorization to the California Masonic Memorial Temple ("CMMT") to continue the lawful non-conforming "entertainment and assembly" uses at 1111 California Street ("Project"). The San Francisco Planning Department ("Department") and the San Francisco Planning Commission ("Commission") determined that the conditional use application submitted by CMMT was exempt from the California Environmental Quality Act ("CEQA") under §15060(c)(2) and §15378 of the CEQA Guidelines.

The San Francisco Board of Supervisors is the administrative appellate body for appeals of decisions under CEQA by the Department and the Commission (Administrative Code, Chapter 31). Regulations promulgated by the City and County of San Francisco ("City" or "CCSF") provide procedures for appeal of the City's CEQA decisions for issuance of a categorical exemption, a negative declaration or an environmental impact report. Therefore, we are submitting this letter as Appellants' "Appeal Statement" to the Board of Supervisors.

The Planning Department's January 12, 2012, case report ("Case Report") to the Commission states at page 2:

> The requested Conditional Use authorization is exempt from the California Environmental Quality Act, pursuant to California Code of Regulations Section 15060(c)(2), because the continued operation of the existing uses will not result in a direct or reasonably foreseeable indirect physical change in the environment.

A copy of the Case Report is attached hereto as **Exhibit 1** and incorporated as though fully set forth herein.

Appellants objected to this exemption at the Commission hearing on January 19, 2012. The final Commission Motion approving the Project, received by Appellants on February 6, 2012, adopted the Department's position that the project is exempt from CEQA review. See pages 1 and 2 of Commission Motion No. 18520 ("Motion"), a copy of which is attached hereto as **Exhibit 2** and incorporated by reference as though fully set forth herein.

GROUNDS FOR APPEAL

The decision of the Department and the Commission is erroneous as a matter of law. Specifically, the Project does not fall under CEQA Guidelines §§15060 and 15378, for the following reasons:

1. A granted conditional use authorization is a Project "involving the issuance of a permit . . . or other entitlement for use" by the Commission, a public agency which has a potential for resulting in either a direct or reasonably foreseeable indirect physical change in the environment. (CEQA Guidelines §15378(a)(3).)

2. The Project is subject to environmental review under CEQA and does not fall under or meet the criteria set forth in CEQA Guidelines §15060(c), because:

   A. A conditional use application involves the exercise of discretion by the Commission and, on appeal, by the Board of Supervisors. (CEQA Guidelines §15060(c)(1).)

   B. The Project recommended for approval by the Department and approved by the Commission increases the number of lawful non-conforming use events by a minimum of 25% (page 3 of Case Report; p.10 of Exhibit A to Motion) through the improper reliance on Planning Code Section 186.1(b), which

relates only to Neighborhood Commercial Districts and increases in floor area, not to Special Use Districts or increases in approved events.

C. The Project recommended for approval by the Department and approved by the Commission includes no limitation on the location or number of permanent alcoholic service stations, notwithstanding that the only evidence before the Department and Commission showed that historically only one-day permits were issued by ABC and for no more than two alcoholic service stations. Such an increase in the intensity of use would clearly result in a direct or reasonably foreseeable indirect physical change in the environment. (CEQA Guidelines §15060(c)(2).)

D. The activity is a Project as defined in Section 15378. (CEQA Guidelines §15060(c)(3).)

REQUEST FOR HEARING

Appellants respectfully request that this Board schedule a hearing on this appeal as soon as possible. After the hearing has been scheduled, Appellants will submit a more extensive letter brief detailing the legal basis for this appeal.

Very truly yours,

Denis F. Shanagher

Subject: Appeal of Determination that a Conditional Use Permit for 1111 California Street (Masonic Auditorium) was not a Project Under the California Environmental Quality Act (CEQA)

Dear Mr. Shanagher:

The Office of the Clerk of the Board is in receipt of a memorandum dated March 2, 2012, (copy attached), from the City Attorney's office regarding the timely filing of an appeal of a determination under the California Environmental Quality Act for approval of a conditional use authorization for property located at 1111 California Street (Masonic Auditorium).

The City Attorney has determined that the appeal was not a project under the California Environmental Quality Act (CEQA) and was not timely.

I have attached a copy of the City Attorney's memorandum for further explanation and review. I am also returning your check in the amount of $510.00.

If you have any questions, please feel free to contact Legislative Deputy Director, Rick Caldeira, at (415) 554-7711 or Legislative Clerk, Joy Lamug, at (415) 554-7712.

Very truly yours,

Angela Calvillo

MEMORANDUM

TO: Angela Calvillo
Clerk of the Board of Supervisors

FROM: Marlena G. Byrne
Deputy City Attorney

DATE: March 2, 2012

RE: Appeal of Determination That a Conditional Use Permit for 1111 California Street (Masonic Auditorium) Was Not a Project Under the California Environmental Quality Act (CEQA)

You have asked for our advice on the timeliness of an appeal to the Board of Supervisors by Denis Shanagher of Luce, Forward, Hamilton, and Scripps, LLP, on behalf of the Nob Hill Coalition, William Terrell, Robert Epstein, and Stephen Patton, received by the Clerk's Office on February 15, 2012, of the Planning Department and Commission's determination that a conditional use approval for 1111 California Street (the Masonic Auditorium) was not a project under the California Environmental Quality Act ("CEQA").

The conditional use approval at issue was approved by the Planning Commission on January 19, 2012, by Planning Commission Motion Number 18520, and sought to legalize the existing use of 1111 California Street, the Masonic Auditorium. In approving the conditional use, the Planning Commission found that their action was not a project under CEQA, citing CEQA Guidelines Sections 15060(c)(2) and 15378(b)(5), which both set forth CEQA's requirement that for an action to be considered a "project", and thus subject to CEQA, it must have the potential to result in either a direct—or a reasonably foreseeable indirect—physical change in the environment. The conditional use approval was appealed to the Board of Supervisors on February 21, 2012, and on February 27, 2012 the Department of Public Works determined that the appeal of the conditional use approval had sufficient signatures to be heard. The appeal of the conditional use approval has been calendared for hearing on March 20, 2012, by the Board of Supervisors.

Appeal of the determination that the conditional use approval for 1111 California Street was not a project under CEQA is not timely. The Department determined that the conditional use approval was "not a project" under CEQA. CEQA Section 21151(c) provides for an appeal to the City's elected decisionmaking body "If a nonelected decisionmaking body of a local lead agency certifies an environmental impact report, approves a negative declaration or mitigated negative declaration, or determines that *a project* is not subject to this division, that certification, approval, or determination may be appealed to the agency's elected decisionmaking body, if any." (Emphasis added.) (*See also* CEQA Guidelines Section 15061(e) (regarding appeals of exemption determinations), Section 15074(f) (regarding appeals of negative declarations), and Section 15090(b) (regarding appeals of environmental impact reports.) Thus, although CEQA requires that the City provide for appeals of exemption determinations, negative declarations, and environmental impact reports concerning "projects" to the Board of Supervisors (i.e. the City's elected decisionmaking body), there is no requirement that the City provide for an appeal

Memorandum

TO: Angela Calvillo
Clerk of the Board of Supervisors
DATE: March 2, 2012
PAGE: 2
RE: Appeal of Determination That a Conditional Use Permit for 1111 California Street (Masonic Auditorium) Was Not a Project Under the California Environmental Quality Act (CEQA)

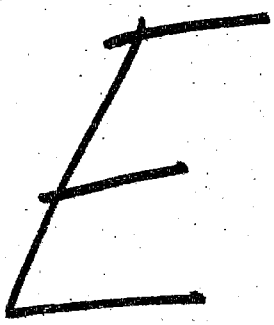

---

of a determination that an action is not a project. Chapter 31 of the City's Administrative Code likewise does not provide for an appeal of a determination that an action is not a project under CEQA. Accordingly, appeal of the determination that the conditional use authorization for 1111 California Street is not a project under CEQA is not timely. We recommend that you so advise the appellant.

Please let us know if we may be of further assistance.

Subject: California Masonic Memorial Temple Conditional Use Application to Continue Lawful Non-Conforming Use Pursuant to Planning Code Section 185(e)Planning Department Case No. 2011.0471C

Dear President Olague:

This office represents the Nob Hill Coalition ("Coalition"), whose membership consists of residents of Nob Hill that are affected by the operations of the California Masonic Memorial Temple ("CMMT" or the "Applicant") located at 1111 California Street ("the Site"). On October 27, 2011, the Planning Commission ("Commission") will conduct a hearing on CMMT's application for conditional use authorization ("Application") seeking continuation of its lawful non-conforming "commercial assembly and entertainment use," which expired in 2008. It is noted that the Coalition does not object to the continuation of the lawful non-conforming use. However, Planning Code[1] section 185(e) allows for continuation of the lawful non-conforming use so long as there is no "enlargement, intensification or extension of the non-conforming use."

We understand that, based on CMMT's stated purpose in the Application, which is "to continue the existing operations of the California Masonic Temple's legal non-conforming commercial assembly and entertainment venue," the Planning Department issued a categorical exemption for the Application prior to performing any independent analysis of the event data provided by CMMT. However, the Application and proposed condition of approval submitted by CMMT grossly misrepresents and exaggerates the historic use of the Temple. As submitted, the Application actually both intensifies and enlarges the lawful non-conforming use. CMMT's application is nothing more than a blatant attempt to circumvent the Court's decision setting aside the previously granted conditional use permit because it was an intensification of the lawful non-conforming use without proper environmental review. Therefore, the Coalition requests that the Commission reject the Application as framed and CMMT's proposed conditions of approval (attached as Exhibit C to the Application).

[1] Further section references are to the Planning Code

ZONING HISTORY OF THE SITE

CCMT purchased the Site in 1947 when it was located in the then Second Residential Zoning District. Thereafter, CMMT applied to reclassify the site to a Commercial District. The City Planning Commission adopted Resolution No. 4171 in 1953 and reclassified the Site to Commercial, allowing CMMT to construct a Temple and a public garage at the Site. Construction of the Temple was completed in 1958. Between 1960 and 1964, the site was rezoned to R-5, which allows for non-commercial private clubs or lodges that were not used primarily for a gainful business as principal permitted use, but disallowed public garages. In 1968, as part of a City-wide rezoning, the Nob Hill Special Use District ("Nob Hill SUD") was created as an overlay district, the boundaries of which included the Site. Public parking garages were not allowed in the R5 zone or the Nob Hill SUD, and the parking garage at the Site became a lawful non-conforming use. During this time, the neighbors did not complain about the occasional for-profit performance, because the events took place infrequently as an ancillary use and the neighbors recognized that monies were needed for the upkeep of the facility on the Site.

In 1978, the underlying zoning district of the Nob Hill SUD was reclassified from R-5 to RM-4 (residential, mixed, high-density). Fraternal organizations, such the CMMT, were not permitted and that use of the Temple also became a lawful non-conforming use. In 1991, the Nob Hill SUD was amended again to allow private lodges and clubhouses, which are not operated as a gainful (for profit) business but can be authorized as a conditional use under Section 238(a); the garage remained a lawful non-conforming use. Under Section 178(a)(2), the use of the Temple as a fraternal organization became a conditional use by operation of law; the public garage, entertainment and assembly uses remained as lawful conditional uses.

Under Section 185(b), the lawful non-conforming public garage and assembly/entertainment uses at the Site terminated in 2008 and could continue ***only*** if CMMT applied for a conditional use to continue these lawful non-conforming uses. CMMT never applied for a conditional use to continue the non-conforming use until a neighbor filed a complaint alleging that the uses in CMMT were illegal; then in 2009 CMMT applied for and was granted a conditional use application to intensify the non-conforming assembly and entertainment uses. That conditional use authorization was set recently aside by the San Francisco Superior Court as in violation of CEQA in a lawsuit brought by, among others, the Coalition. (*Nob Hill Association et.al. v. City and County of San Francisco et.al.*, San Francisco Superior Court No. CPF-10-510495).

PROJECT DESCRIPTION

The Notice issued by the Planning Department described CMMT's Project as follows:

> *"Request for Conditional Use Authorization to **continue the existing nonconforming entertainment and assembly use of the 'Nob Hill Masonic Center,' and to continue operation of the existing food and beverage service uses** within the Center pursuant to Planning Code Sections 185(e) and 303."*

Therefore, this Application seeks conditional use authorization ***only*** to continue the non-conforming uses at the Temple under Section 185(e). The Application represents that the Project will involve no physical or operational changes to the Temple's current use as a commercial assembly and entertainment venue. The Application claims that that there were an average of 245 events per year between 2005 and 2008, of which 51 were live entertainment events, 88 were meetings/conferences/ conferences, 68 were trade shows/exhibits and 38 were special events.[2] These summaries, attached to the Application, are also attached hereto for your convenience as **Exhibit 1.** CMMT's annual average is based on Exhibit B of the Application, which is a schedule of events from 2002-2008 (Application Schedule).[3] For the reasons discussed below, an examination of the event data attached to the Application shows an unlawful and inappropriate intensification of use.

NO ENVIRONMENTAL REVIEW WAS PERFORMED

Based on CMMT's representation that the conditional use application only seeks to continue a lawful non-conforming use, the Department found that no environmental review is required. In an e-mail to an neighbor inquiring about the environmental review process, the Department stated as follows:

> The renewal of the historic use through the CU is an activity not subject to CEQA per Guidelines Section 15060. The current operation of the Masonic is considered the baseline for analysis under CEQA and since the renewal of the historic use would result in no physical alteration or intensification of the existing building/use, the renewal is considered an activity not subject to CEQA.

---

[2] These annual averages were based on the events for years 2005 to 2008 presented in a second summary by event category and time of date. CMMT contends that these years are the "most representative of its existing operating level before event reservations were curtailed in anticipation of construction of the proposed [capacity and food and beverage] modifications."

[3] The 2002-2008 event schedules were the same as those in the Administrative Record in the case challenging the Zoning Administrator's Letter of Determination.

The Coalition objects to the conclusion that no environmental review is required.[4] It does not appear that the Department independently reviewed the event data submitted to ascertain if in fact there is an intensification of uses.

ANALYSIS OF THE HISTORICAL USE DATA SHOWS THAT CMMT GROSSLY EXAGGERATED THE NUMBER OF EVENTS AND PAST ALCOHOLIC BEVERAGE SERVICE AT THE TEMPLE

The Application for a permanent license for five bars and the alleged average annual number of events, is premised on a manipulation of the historic event data, which inflates certain categories of uses. The Coalition notes that CMMT submitted a different schedule of events for the year 2002 to 2007 to the Department of Alcoholic Beverage Control Board ("ABC Schedule").[5] The ABC Schedule organized the events by category, size (large or small), location in the Temple complete with start-and-end-time.[6] CMMT also submitted to ABC additional historical data for year 2009 and 2010 that were marked as ABC Exhibit Q that was not included in the conditional use package.[7]

1. ***Criteria To Be Used In Determining Historic Use.***

CMMT's summary of events in Exhibit A only covers the average of the total number of events in years 2005 through 2008. It can be argued that a fair examination of historic use would require CMMT to go back to 1958, before the entertainment use became a non-conforming use and was far less frequent. This is not clear in the Planning Code. Even if the relevant period of time is

---

[4] CEQA Guideline Section 15060(c) provides that "Once an application is deemed complete, a lead agency must first determine whether an activity is subject to CEQA before conducting an initial study. An activity is not subject to CEQA if:

(1) The activity does not involve the exercise of discretionary powers by a public agency;
(2) The activity will not result in a direct or reasonably foreseeable indirect physical change in the environment; or
(3) The activity is not a project as defined in Section 15378.

In this case, the Application as framed will result in a direct and reasonable foreseeable indirect physical change in the environment in the vicinity of the Temple.

[5] The events in the schedule provided to the ABC and marked as Exhibit B2 were identical to those in the Administrative Record of the case challenging the issuance of a Categorical Exemption for the 2010 CU authorization. A copy of the ABC 2002-2007 Schedule is attached hereto as **Exhibit 2.**

[6] The ABC proceeding includes a formal hearing conducted before an administrative law judge. Presentation of evidence is subject to the rules of evidence and witnesses testify under oath. The evidence presented at the ABC hearing is therefore more reliable than the summary representations made to the Department in support of the Application.

[7] Copies of the 2009 and 2010 schedule of events submitted to ABC are attached hereto as **Exhibit 3.**

more recent, it is unfair and inaccurate to restrict the consideration to such a generalized representation of a period consisting of only four years while omitting the two most recent years.

Determination of lawful non-conforming historic use is based on facts and must be determined on a case-by-case basis. It is the Coalition's position that, in evaluating the historic lawful non-conforming use, this Commission must consider the following components in arriving at the historic use:

A. Because CMMT provided historical data covering the last 10 years (2000 through 2010) as part of their sworn testimony in the ABC hearing, the period used to define historic use must include a minimum of 10 years of data. Any period less than 10 years would be unreasonable;

B. Events must be separated by size, because small events have substantially less impact on the neighborhood than large events;

C. Events must be categorized by type, because large live entertainment events have more noise, parking, traffic and other impacts then lectures, seminars or receptions;

D. The start-and-end-time of events must be considered, because they also have impact on the neighborhood;

E. Location and frequency of loading and unloading should be included, because they impact traffic, noise and aesthetics, and thus create their own impact on the neighborhood; and

F. The conditions under which alcoholic beverages and food are served (including frequency, duration, and location of service stations within the facility) should be included, because they affect the conduct of patrons, before during and after events, both at the Site and in the neighborhood (as the regulation of such activities by the ABC recognizes).

2. ***Analysis of Historic Uses Applying the Above Criteria***

The Coalition reviewed the historic event information provided by CMMT to the Department and to ABC to determine whether CMMT's event numbers, loading/unloading, and alcoholic beverage service stations are supported by CMMT's application. The Coalition's findings are summarized below.

A. Number of Events For the Last Ten Years

When the Coalition reviewed the historic event data for year 2001 through 2010, the Coalition used the following methodology:

- *Compare the ABC Schedule and the Application Schedule.* The comparison showed there were 12 events in the Application Schedule that were not included to the ABC Schedule[8] and 53 events in the ABC schedule of events that were not included in the Application Schedule of events.

- *Use the ABC Schedule as the base document.* The Coalition decided to use the ABC schedule, because it is organized in a way that one can accurately count the total events by category, size, and time, and to include the 12 events in the Application Schedule but omitted in the ABC Schedule, which would skew the data favorably to the CMMT. Furthermore, the information in the ABC schedule was presented in a legal proceeding where the rules of evidence apply and testimony was given under oath and therefore probably closer to being accurate.

- *Examine and revise the Event Categories to conform them to the facts.* The Coalition examined the event list and moved events that were improperly categorized into their proper categories.[9] When an event could not be clearly identified, a Google search was conducted of the names of the entertainers or lecturers to place them in the correct categories. Additionally, because the end time of an event has different impact when it is after 8 PM, the Coalition added a category for events ending before 8 PM and removed them from the evening event category. A summary of events developed by the Coalition under this process is attached hereto as **Exhibit 6.**

- *Compare the Coalition's list with lists generated by other residents.* This comparison was performed to ensure that the Coalition's totals for each year are similar to the counts by other residents, since the CMMT summary shows approximately 357 events in 2005, which is 181 events more than that in the Coalition's summary for the same year.[10] At the hearing,

[8] A copy of the additional events not in the 2002-2007 event schedule is attached hereto as **Exhibit 4.**

[9] For example, lectures by Al Gore, Hilary Clinton and others listed under live-entertainment were reclassified and placed under Special Events, and Citizenship ceremonies were removed from the Meeting/Conference/Convention category and put under Special Events.

[10] Mr. Galanos, another neighbor, merged all the data from the various sources (ABC, CATEX, LOD submittals). He then used software to extract the data in searchable form and created a spreadsheet. The data (naturalization, exams, etc) were re-categorized, cleaned up the start and end times, added a column that calculates number of hours an event covers. He then summarized all the data using Excel's built in analysis tools and presented the data in tabular form. His data

this Commission will have received or will hear testimony from nearby residents, who independently reviewed the Application Schedule and the ABC Schedule, Googled each event to verify the accuracy of the time of the event, the dates of the events and the type of events. They found that cancelled events were included in the Applicant's schedule of events, while others could not be verified by Google searches. The cancelled events and events that could not be verified were not discounted in the Coalition's summary.

A close examination of CMMT's summary of the Application Schedule simply does not stand up to scrutiny. The inescapable conclusion is that the CMMT grossly exaggerated the number of events in its Application. ***When properly categorized, the average number of annual live entertainment events drops from an average of 47 live evening entertainment events in the Application to an average of 35 large all day and evening live entertainment events in the last ten years.***[11]

It is evident that CMMT grossly misrepresents the scope and impact of the alleged historic use of the Temple in an attempt to illegally increase of the number of evening live entertainment events and the day time meeting/conferences/conventions events -- events with the most impact on the neighborhood. The facts reveal that the Application ***is designed to enlarge and intensify*** the Temple's lawful non-conforming use in violation of Section 185(e). The Commission should reject the Application as currently framed and continue the hearing to allow its staff sufficient time to perform an ***independent*** analysis of the Application event data, the ABC event data, and to request additional event data prior to 2001, and to include event data from 2009 and 2010 that CMMT failed to include in its Application because the decreased use in those years skews their data downward.

B. Alcoholic Beverage and Food Service Stations.

In its Application, CMMT failed to provide any evidence to support the frequency or duration of alcoholic services in its proposed conditions of approval. The number of bars are only identified in its proposed conditions of approval. At the ABC hearings, Mr. Alan Cassalou, the Grand Secretary of the Temple, testified under oath that he has no idea how often alcoholic beverages were served, where the beverage stations were located, or at what events alcoholic

---

shows 179 events in 2005. A copy of Mr. Galanos' data forms is the files of the Planning Department and a copy of his summary of events is attached hereto as **Exhibit 5**

[11] The Coalition's 33.7 average annual large entertainment events assume that all 27 entertainment events in 2010 are large evening events and also included all 62 large evening events in 2004 which included 14 talent search shows and 9 Broadway On Ice shows where were anomalies for the ten year period.

beverages were served. Similarly, the last column of the ABC Schedule (Exhibit 2) showed that the Masonic Temple has no record of the events where alcoholic beverages were serviced.[12]

The record is also clear that the Masonic Temple ***never*** had a permanent liquor license, only temporary licenses that were requested and obtained by individual event sponsors. The documents provided by ABC at the ABC hearings and in response to public record requests show no permanent liquor license. In 2010, the ABC staff investigation report for a double transfer of a liquor license from another location stated that the Masonic Temple "has never been licensed by the Department" and there were only "eight (8) one day licenses, and seven (7) catering permits for various functions" from 1/1/09 to 6/2/10. In 2009, ABC granted 12 permits for events (10 concerts, a reception for 200 people and a dinner for 500 people) for the Masonic Temple; of these events only one event had an estimated 3,500 attendees; majority of the concerts only have 2000 attendees per event day.

In 2010, ABC granted five (5) permits (3 concert/comedy shows attended by an estimate of 3000 attendees each, 1 graduation attended by 1,500 attendees, and 1 conference with 50 attendees) for the premises of the Masonic Temple. Live Nation's recent applications for temporary liquor licenses included plans showing the locations of alcoholic beverages for the Jeff Beck Concert and the Conan O'Brien Comedy Show with estimated attendees of about 3,000 for each concert. All the plans attached to the ABC applications for events at the Temple clearly show no more than ***two*** bar locations (one in the main lobby and one in the balcony lobby). Copies of ABC applications for temporary liquor license are attached hereto and referred to collectively as **Exhibit 7.**

In contrast to claims by the CMMT, the Commission has a letter from Annette Berger, who worked as an usher at the Temple from 2001 to 2006. She was the head usher at the balcony level. Ms. Berger states in her letter to the Commission that during the years when she was an usher, most events did ***not*** include alcoholic beverage services. When alcohol was served, it was mainly limited to a single bar at the main lobby and, on rare occasion, there would be a single bar set up in the balcony lobby. Except for water, no alcohol or food was allowed inside the Auditorium. Finally, she states that drinks were served only before the start of an event and during intermission. The Berger letter also contradicts CMMT's representation that existing and historical operation of the Temple included serving snacks and other food throughout the Temple, from up to five temporary concession stands. This statement in Ms. Berger's letter is consistent with the information provided by ABC and contradicts information provided by CMMT in their application. A copy of Ms. Berger's letter is attached hereto as **Exhibit 8.**

The undisputed evidence is that alcohol was served at the Temple occasionally and always under one-day temporary licenses, ***never*** a permanent license. Furthermore, there were never more than ***two*** locations where alcoholic beverages were served and no alcoholic beverages were served

[12] Copies of the transcript Mr. Cassalou's testimony is in the Planning Department's case files.

after intermission. In order to avoid intensification, any conditions of approval must limit alcoholic beverage service to the historic conditions, with no more than ***two*** bars, with service limited to before the event and during intermission, and no alcoholic beverages should be allowed in the main auditorium.

C. Event End Time

Based on the ABC Schedule, most evening events have ended between 10 PM and 10:30 PM. Only 36 events in the past ten years were listed as ending at 11 PM or later, of which 12 were evening large events, the other 24 were small events (mostly examinations, receptions and tradeshows). Therefore, in order to avoid intensification, the conditions of approval should include a condition that evening events should end no later than 10:30 PM and only one large live entertainment or large special event per year may end at 11 PM.

D. Size of Events

While CMMT provides a spreadsheet of purported historical events, the Application fails to identify the location within the Temple where the events were held. Since events of different sizes would take place in an appropriately sized room, the Commission must rely on the evidence in the ABC Schedule to ascertain the sizes of historic events, as summarized by the Coalition (see Exhibit 5).

E. Loading and Unloading, On-street Bus Parking

Loading and Unloading

Prior to the 2010 conditional use hearing, Live Nation informed the neighbors that for concerts, California Street would be used for stage sets delivered by truck that could not fit into the Pine Street loading dock; such deliveries would arrive in the morning and that reloading back onto the trucks would take no more than 1 ½ hours immediately after the concert. Therefore, to the extent that some of the concerts would require the use of California Street, there would not be more than one (1) loading/unloading day per concert. Furthermore, CMMT does not give a reason why the Pine Street loading dock is insufficient for the majority of events such as examinations, graduation, citizenship ceremonies, lectures, stock holder's meetings, and other small conferences or conventions held at the Temple. To the extent that events such as the Apple conference utilized buses, the buses should unload the attendees and return to pick them up at the end of the day. Therefore, there is no basis for CMMT's proposed condition of approval for 125 days requiring loading and unloading on California Street. That figure was allowed as a condition of approval for an application that allowed (contrary to CEQA) for an ***intensification*** of the lawful non-conforming use. That point aside, the number is not substantiated by any evidence.

Finally, it appears that the figure was calculated in a misleading way. It appears that CMMT used ***event*** days, rather than loading and unloading days, as their base data, in order to achieve a baseline that will allow for more events and loading days. However, each day of a multi-day event is not an individual event; rather the entire multi-day event must be counted as just one event. Loading/unloading of equipment necessary for a multi-day event would occur the day of (or the day before) and on the last day (or day after) the event. Thus, in determining the impact of loading and unloading, the appropriate number is the number of events and not the number of event days.

The requirement for constant bus loading and freight loading and unloading on California Street was caused by the intensification of use presented in CMMT's 2009 conditional use application. CMMT's avoidance of using the loading dock because it is not as convenient as commandeering parking, public and handicapped access along California Street is not an acceptable and impermissible intensification of use.

Existing Loading Dock

The loading dock for the Temple, located on Pine Street, is served by a freight elevator from the loading level to the California room/Exhibit Hall level ("lower level") below the main auditorium. All small events that take place in the lower level can be serviced by the loading dock. All large events, such as lectures, graduation or citizenship ceremonies and other special events can be serviced by small vans or trucks that can use the loading lock.[13] All trucks less than 40' long should be required to use the loading dock, rather than take residential permit parking spaces out of service simply because that would be more convenient for the Applicant. Based on the foregoing, the Applicant's request for 125 days of loading and unloading on California Street should be rejected and CMMT should be required to submit evidence to justify its assertions for any condition approving loading or unloading on California Street.

3. ***CMMT's Proposed Conditions of Approval Must Be Modified By This Commission.***

The Commission also has before it a letter from Stan Landfair, a neighbor who resides next door to the Temple. In his October 6, 2011 letter, Mr. Landfair provides this Commission with his objections to the CMMT conditions of approval. The Coalition agrees with Mr. Landfair's objections, because his modifications correct inaccuracies in the proposal submitted by the Applicant and ensure that there will be no intensification of the historic uses. The Coalition urges this Commission to accept Mr. Landfair's comments and modified conditions. For the Commission's convenience, Mr. Landfair's letter and a redlined copy of his proposed modifications are attached

[13] Before any legal proceedings were initiated challenging the issuance of a categorical exemption and the conditional use authorization in 2010, and before the court issued its decisions on those challenges, The Masonic Temple actually did not use the loading dock for food and beverage services or other deliveries by trucks that are less than 40' long.

hereto as **Exhibit 9.** Additionally, the Commission should include the averages in the Coalition's Exhibit 7 or in other neighbors' testimony regarding the maximum number of daytime events, all day events, events ending before 8 PM, evening events by type, as well as the other standard conditions of approval.

COMPLIANCE WITH SECTION 303(c) CONDITIONAL USE CRITERIA

If the number of events accurately reflected the average number of events for a minimum of the last ten years by category, size, time of events, alcoholic beverage service, food service, and the historic pattern of loading and unloading, the Coalition would agree that a conditional use for historic uses would comply with the Section 303(c) criteria, as well as with the applicable General Plan Policies and Objectives. However, CMMT's application is replete with gross over-exaggerations and deception. The average number of events presented in the summaries in the CMMT Application or the summary submitted to ABC attached here to as **Exhibit 10** (and marked as Exhibit C by the ABC administrative law judge) cannot be the basis for granting CMMT's Conditional Use application, because the Project would exceed the scope of the Project in the Notice sent to the neighbors and the public and would not meet the following Section 303 criteria.

1. That the proposed use or feature, at the size and intensity contemplated and at the proposed location, will provide a development that is necessary or desirable for, and compatible with, the neighborhood or the community.

Based on the historic use criteria, the CU Applicant before this Commission clearly constitutes an intensification of use. Under CMMT's summary of annual historical use, the Temple will hold a total of 245 events a year.[14] The Site is located in an RM-4 district, overlaid with the Nob Hill SUD. One of the purposes of a residential district is the "promotion of a balanced and convenient neighborhood have appropriate public improvements and services, suitable nonresidential activities that meet the needs of residents, and other amenities that contribute to the livability of residential areas." (Planning Code section 206(e).) The primary purpose in creating the Nob Hill SUD was to ensure that the balance between the residential and limited commercial uses atop Nob Hill be maintained.

As demonstrated in Exhibit 6, there is not one single year from 2001 through 2010 in which there were more than 223 events (other than 267 in 2004). CMMT's claim of 357 events in 2005 is

---

14 As noted above, the Applicant claims that the 245 events per year included 68 daytime events (4 live events, 41 meetings/conferences/convention, 6 tradeshows/Exhibitions, and 17 special events), 86 nighttime events (47 live nighttime events, 20 meetings/conferences/convention, 6 tradeshows/Exhibitions, and 8 special events) and 91 all day events (27 meetings/conferences/convention, 56 tradeshows/Exhibitions, and 8 special events.) See Attachment to CU application, page 1.

without any factual foundation. See Exhibit 5. CMMT has purposely manipulated the event numbers to vastly exceed the historic number of events held annually at the Temple in order to increase the quantity, size and times of large evening and day time events — which is what CMMT seeks to do by this CU application under the guise of historic use. The size and intensity of use contemplated at the Temple by the Application is not necessary or desirable for, or compatible with the neighborhood or the community. Moreover, their environmental impact has not been analyzed.

2. That such use or feature as proposed will not be detrimental to the health, safety, convenience or general welfare of persons residing or working in the vicinity, or injurious to property improvements or potential developments in the vicinity, with respect to aspects including but not limited to the following:

A. *The nature of the proposed site, including its size and shape, and the proposed size, shape and arrangement of structures.*

While the Application states that there is no expansion of use, the described operation of the venue is actually substantially different from the historic operations. Furthermore, the current operation of evening entertainment events by Live Nation use creates a safety hazard. During the recent BB King concert, neighbors witnessed that, between sets, the opening act's equipment was wheeled off the stage, up the aisle, and through the door marked as a handicapped and emergency exit.[15] In fact, all aisles inside the auditorium serve as emergency exits. Using the aisle for loading and unloading during intermission creates an obvious safety hazard that is detrimental to the health, safety, convenience or general welfare of the concert attendees. In order to address this flagrant disregard of public safety, the criterion can only be met with a condition of approval that all stage sets and equipment between sets cannot be removed through the aisles in the seating area or any emergency exit.

B. *The accessibility and traffic patterns for persons and vehicles, the type and volume of such traffic and the adequacy of proposed off-street parking and loading;*

The intensification of use has not been analyzed to ascertain its impacts, environmental or otherwise, on the neighborhood. Consolidation of the average annual number of events by four broad categories (the event name, date and starting time of the event) by the Applicant makes it impossible for this Commission and the public to determine the increased impact of the Project on vehicular and/or pedestrian traffic pattern or the adequacy of the proposed off-street parking and

15 Mr. Pedro Mascaró sent an e-mail to the Commissioners on October 7, 2011 describing the loading and unloading inside the auditorium during the concert, albeit between sets.

loading policies. Therefore, this criterion can be met only if the Commission imposes a condition of approval based on the number of events by category, size and time, using the information submitted by the Coalition and other neighbors that expressed concerns with the Application.

C. *The safeguards afforded to prevent noxious or offensive emissions such as noise, glare, dust and odor;*

At the 2010 hearings, the Board of Supervisors and this Commission heard testimony about offensive glare from residents on Pine Street, and loud noise generated by late night unloading and loading on both California and Pine Streets. Much of the offensive noise and glare are associated with the operations by Live Nation, the current lessee of the Temple. The CMMT's proposed conditions of approval are insufficient to protect the public from noxious glare and noise. In addition to other conditions that the Commission must impose, a condition requiring the enclosure of the current loading area off Pine Street to help mitigate late evening–early morning noise generated by automobiles exiting on metal ramps, unloading/loading and glare. A copy of the transcript of testimony about the impact of large concerts on Cable Car operation is attached hereto as **Exhibit 11.**

D. *Treatment given, as appropriate, to such aspects as landscaping, screening, open spaces, parking and loading areas, services areas, lighting and signs; and*

To the extent that a smoking area is designated outside the building, mitigation measures should be imposed to ensure that cigarette smoke will not enter the open windows of the apartments located adjacent to the Temple. It would be preferable impose a condition of approval disallowing smoking on the premises of the Temple, including the plaza and other outdoor spaces.

CMMT proposes numerous conditions in Exhibit C to the Application to support its conclusion that the Project will not be detrimental to the health, safety and convenience or general welfare of persons residing or working in the vicinity of the Temple. However, the Coalition has clearly demonstrated that the Project and that CMMT's proposed conditions of approval are in fact an intensification of the historic uses. The increased impacts on traffic, on-street parking, and noise would be detrimental to the health, safety, convenience and general welfare of persons residing or working in the vicinity, injurious to property improvements or potential development in the vicinity, and detrimental to the peaceful enjoyment of the homes of the nearby residents.

THE PROJECT DOES NOT MEET CERTAIN SECTION 101(b) (1) PRIORITY POLICIES

The priority policy set forth in Section 101(b)(4) states that "Commuter traffic will impede Muni Transit service and overburden streets and neighborhoods." In this case, any intensification of events will have a adverse impact on the California Street Cable Car line. At the February 2010 CU

and Cat Ex Appeal hearings, there was testimony that prior to one of the concerts, the Cable Car was stopped because of traffic and ultimately taken offline. See Exhibit 11.

CONCLUSION

The Commission should ask for an application that is based on accurate historic data wherein events are separated into categories of size, start and end time, number and frequency of alcoholic beverage services.[16] A critical evaluation of the historical use is necessary because CMMT is attempting to establish an artificially high historical use that CMMT will use as the artificial baseline for future applications to further increase and intensify use. At a bare minimum, the Application should be scrutinized carefully. Conditions should be imposed to ensure that there is no intensification or expansion of the lawful non-conforming uses. If the Application were modified to would merely continue the ***true*** historic uses without intensification, as articulated in the Coalition's summary of the list of events, then the Coalition would have no objection to and would support a continuation of the historic uses at the Temple. The Coalition urges the Commission to remember that Nob Hill is primarily a residential district. Based on the foregoing, it is respectfully submitted that the conditional use application as currently framed must be rejected due to its numerous inaccuracies.

Very truly yours

Alice Suet Yee Barkley

EXHIBIT 10 CMMT's average annual number of events submitted to ABC.

EXHIBIT 11 Testimony About Concert Event Interference with Cable Car Operations Before the Board of Supervisors in June, 2010.

Exhibit 1

4. Project Summary Table

Please describe any additional project features that are not included in this table:

The Project seeks approval for the continuation of existing operations of the California Masonic Memorial Temple (the "Masonic") pursuant to Planning Code section 185(e), which authorizes the Planning Commission to grant conditional use authorization for continuation of the Masonic's nonconforming use as long a such approval does not include any enlargement, intensification or extension of the use.

On September 9, 2009, the Masonic received notice under Planning Code section 185(f) that it was subject to the termination provisions of subsection 185(b) because the Type I building is older than 50 years and it became non-conforming more than 20 years ago. On May 4, 2010, the Masonic received conditional use approval that permitted its existing operations as a conditional use under Section 182(b), as well as approved modifications to increase the capacity of the auditorium to 3,300 persons and to add eight permanent food and beverage concession areas. The Planning Commission and Board of Supervisors imposed 45 conditions of approval on its approval. However, on April 28, 2011, that conditional use approval was voided by the San Francisco Superior Court in Case Nos. 510495 and 510501 necessitating this application.

This application would involve no physical or operational changes and would allow the Masonic only to continue its existing operations as a commercial assembly and entertainment venue with a total capacity of 4,674 persons (3,282-person capacity Masonic Auditorium on the main floor and mezzanine; 1,392-person capacity Exhibition Hall and California Rooms on the ground floor), as well as the its use during the annual Masons of California convention each autumn. Upon completion of a CEQA document, as ordered by the Superior Court, the Masonic will renew its conditional use application for its proposed modifications.

The Masonic's existing operations consist of an average of about 245 total event-days per year distributed by type and time as follows, with a wide variety of attendee figures, up to a maximum of 3,282 attendees maximum:

Event Type	Daytime*	Nighttime*	All-Day*	Total
Live Entertainment	4	47	0	51
Meetings/Conferences	41	20	27	88
Tradeshows/Exhibits	6	6	56	68
Special Events	17	13	8	38
Total	*68*	*86*	*91*	**245**

* Daytime events are defined as those which ends before 6pm, nighttime as those which end after 6pm, and all-day as those which start before 6pm and end after 6pm.

SEE REVERSE FOR REPORT: 1. MORAL CHARACTER 2. PREMISES 3. FINANCING

ABC-220 (5/01)

Premises:
Premise is a three (3) story auditorium/entertainment venue which includes a ground floor, main level, and mezzanine. Premises dimensions are approximately 250' x 300'. Premises contains a parking garage with 565 spaces. The premises is located in a mixed-use (commercial and high density residential) neighborhood. Hours of operation vary with the type of entertainment provided. Entertainment provided will consist of amplified music and live entertainment. Per the ABC-257 dated 10/21/09, shows would start at 8:00 PM and end around 12:00 AM, midnight. The doors would open around 7:00 PM for food and drink service. The applicant expects that 50% of total sales would consist of alcoholic beverages. **(Exhibit #A)**

On 04/06/10, I conducted a premise inspection at the location and took photographs of the inside and outside of the premises, nearby consideration points, and residents within 100' (R61.4). **(Exhibit #B)**

I met with Avatar Foods International Incorporated Vice President Laura Lyons and Live Nation Senior Vice President Maatt Prieshoff. Prieshoff and Lyons explained to me that the Premises would be operating as a ticketed venue and would only be open to the public during specific events. Given this information, I advised Prieshoff and Lyons that this type of license would not be operating under Section 23038 of the Business and Professions (BP) Code, but rather under Section 23787 BP. I explained the difference between the two sections to both Prieshoff and Lyons. They understood and agreed that Section 23787 would be more appropriate for their operation.

Licensed History:

The premises has never been licensed by the Department. From 01/01/09 to the present, the Department has issued eight (8) one day "Daily" licenses, as well as seven (7) catering permits for various functions at the premises. **(Exhibit #C)**

In 2009 the Dept. issued the above listed permits for the following events: 10 (Ten)

Event Date	Event Type	Estimated Attendance	Type*
4/22/09	Private Reception	200 people	C
5/15/09	Concert	2300 people	C
6/13/09	Concert	3500 people	D
6/21/09	Concert	1500 people	D
9/18/09	Concert	2000 people	D
9/24/09	Concert	2000 people	D
9/26/09	Dinner	500 people	D
10/23-25/09	Concert	2000 people each day	D
11/08/09	Concert	2000 people	D
11/15/09	Concert	2000 people	D

* C = catering or event permit D=one day daily license permit

In 2010 the Dept. issued the above listed permits for the following events: (5) Five

Event Date	Event Type	Estimated Attendance	Type*
4/10/10	Conference	50 people	C
4/16/10	Concert	3000 people	C
4/22/10	Comedy show	3000 people	C
4/23/10	Comedy show	3000 people	C
5/1/10	Graduation	1500 people	C

* C = catering or event permit D=one day daily license permit

Section 23790 (Zoning):

Premises complies with local zoning requirements: [x] Yes [ ] No

Conditional use permit required: [x] Yes [ ] No

On 11/18/09, the Department received the ABC-255 Zoning Affidavit stating the premises is located within zone RM-1. Per Rick Crawford of the San Francisco Planning Department, the type 47 On-Sale General license is not permitted in zone RM-1 per Section 209.8 of the San Francisco Planning Code. (Exhibit #D)

On 02/26/10, The San Francisco Planning Department approved with conditions, Planning Commission Motion #18042, involving Case #2008.1072C. (Exhibit #E)

Section 23789 (Consideration Points):

There are three (3) consideration points located within 600' of the location.

Address	Proximity/Separation	Contact/Results
Cathedral School for Boys 1275 Sacramento St.	Approx. 300' N/Separated by sidewalks, California St., Grace Cathedral.	ABC-205 letter mailed on 11/19/09. Protest letter received on 12/04/09 from Rev Peter James Lee, Interim Dean. (Exhibit #L)

October 9, 2011

Ms. Christina Olague
President of Planning Commission
1650 Mission Street, 4th Floor
San Francisco, CA 94103

RE: Case #2011.0471C for 1111 California, Masonic Temple Conditional Use Application

Dear President Olague,

My name is Annette M. Berger and I reside at 1177 California Street. I submit the following statement based on personal knowledge. I will be out of the country for the 10/27 hearing and authorize a neighbor to read my statement at the meeting. I can testify under oath to the statements I make in this letter.

I am writing to you because I am concerned about the misrepresentations in the Conditional Use Permit application with regard to the historical use of the venue.

I have lived next door to the California Masonic Memorial Temple since 1976 and have attended concerts at the Masonic Temple for many years. From February 2001 until 2006, I worked as an usher at the Masonic and have firsthand experience with its historical use. During this time I worked at concerts, graduations and exhibitions. I was the head usher in the balcony, part of a special staff who were ticket takers working the gates into the auditorium. I was in charge of the balcony and was stationed in the balcony for most of the events.

Most events did not serve alcohol. If there was alcohol service, it was mainly limited to a single bar in the ground floor lobby outside the gates to the auditorium. It was rare that there was a bar in the balcony. I have not seen more than two bars. In my experience, alcohol was served before the events started and at intermission only. Alcohol was not served during performances and NO alcohol or food was allowed beyond the gates and inside the auditorium. Bottled water was the only beverage permitted inside the auditorium. This is similar to other venues where I have ushered including Davies Symphony Hall, the Opera House and Herbst Auditorium.

Even with the limited alcohol service, I recall a few occasions when people overindulged and "got sick". This was on the main floor.

I would also like to point out a major safety concern. The balcony stairs are incredibly steep and unsafe. I have seen many people slip and fall on them in my time working there. Any increase in use of alcohol at the balcony level will pose a real danger to persons sitting in the balcony area. I am concerned that there is no plan to add banisters to the balcony stairs in the proposed plans.

The food available was usually finger foods, coffee and sandwiches. No cooked foods. This food was available in the ground floor Lobby. The "Snack Bar" that LiveNation is now using for concessions in between the gates and auditorium entrance on the ground floor is in fact a Coat Check and was not used for concessions when I worked there.

During my tenure at the Masonic, ushers worked for 4 hour shifts. I recall that shows ended by 10:30PM and remember only a few shows went past 10:30PM.

As for attendance, there were few sold out shows like a Van Morrison or an occasional SF Jazz performance. Attendance was usually on the "smaller side" for concerts and ethnic performances and some shows some like "Broadway on Ice" in December 2004 had very poor attendance due to lack of advertising by the promoters.

The ticket takers in my group counted all tickets and bundled them into bunches of 100. We submitted a final count and the tickets to an employee of the Masonic; however, I am not sure what was done with this attendance information.

Since LiveNation has taken over the operations, my observation is that the shows seem to have become larger in nature and attract a younger demographic. I have been present at several Live Nation performances and alcohol was allowed in the auditorium.

The Department must investigate the information provided by the Masons and make sure that they are correct. It is very important to me that the historical use of the venue is accurately documented in this hearing process.

Thank you for letting me share my personal experiences.

Sincerely,

Annette M. Berger

San Francisco, California 94103

Re: Conditional Use Application for Continuation of "Historic Use" of Masonic Temple

Dear Mr. Guy:

I am writing to request that the Planning Department and the Planning Commission reject the application submitted to the City by the California Memorial Masonic Temple, located at 1111 California Street, to continue using those premises for live entertainment purposes, ***as the application is currently framed.***

I write as a resident of the Nob Hill neighborhood and Gramercy Towers, located adjacent to the Temple. Living literally next door to the Temple and having attended events and meetings there, I am familiar with the premises and the manner in which events have been held at the facility. In considering my request, please forgive any irregularities in the use technical terminology in these Planning Department matters, as I am not an expert in this field.

I and others in my neighborhood have no objection to the continuation of "historic use," and would support the application if it were framed properly and accurately to allow the continuation of uses on those premises that are truly historical. As the application is currently framed, however, it distorts the record of historical use. If granted, the application would expand and intensify the use of the Temple in ways that will have a detrimental effect on the neighborhood.

The application appears to be framed so as to allow the applicant to circumvent the rulings of the Superior Court in *Nob Hill Association v. City and County of San Francisco,* No. CPF-10-510495, and *Nob Hill Assocation v. City and County of San Francisco,* No. CPF-10-510-365, in which the Court held that live entertainment use is a lawful non-conforming use, and which prohibit the expansion or intensification of present uses of the facility without additional environmental review. A reasonable person could conclude that the purpose of the application, as it is currently framed, is to allow the applicants to "get their foot in the door" to establish precedents for uses that are not lawfully permitted, but would be approved in the future under the guise of historical use.

Please consider, for example, the factors discussed below.

Frequency of live entertainment events. The application appears to indicate that the "historical use" of the facility for live entertainment events includes an average of 51 such events per year between 2005 and 2008. This representation seems to contradict the applicant's testimony before the Alcoholic Beverage Commission, in support of a parallel application for a permanent liquor license (see below), that "historical use" included no more than 39.25 live entertainment events per year for the same period. The latter figure, moreover, includes both daytime and evening events. If nighttime events ending after 8 PM are discounted (because the traffic and noise impacts are substantially less significant) the average number of such events is reduced to 35.

The misrepresentations above appear to have lured the Department into violating the orders of the Superior Court in the above-referenced cases. As noted above, the Court set aside the previous issuance of a categorical exemption because the applicant's project called for an intensification of use. In the face of that order, the Department now has determined that it will issue another categorical exemption for this application. Given the numbers above, however, it is obvious that this application would allow for an intensification of use again, under the guise of historic use.

Service of alcoholic beverages. The neighborhood is very concerned about the proposed conditions of approval, which would allow the installation of as many as five permanent bars in the facility. At present, there are no permanent bars and the facility has no permanent liquor license. Historical use, therefore, would support no permanent bars and no permanent liquor license. Historically, when event promoters decided to serve alcohol, there have been only two bars – one in the main lobby area and one in the balcony lobby – and alcohol has been served before the start of concert and during intermission, not during the entire concert and not in the concert venue. It appears from the application that the Temple is attempting to increase the number of bars and the times and places where alcohol is served, again under the guise of historic use, as a step toward future modifications. Even if our concerns about these expansionist plans are wrong, the following fact remains: the installation of permanent bars to be served under a permanent liquor license is not supported by historic use.

Parking of entertainer buses. The neighbors also are very concerned about the use of California Street and the other streets adjoining Huntington Park (Taylor Street, Sacramento Street and Mason Street) for semi-permanent parking of huge vans and motor coaches before, during and after events at the Temple. Historical use would not support the installation of "shore power" to facilitate such parking or any parking of such vehicles at all, except for "standing" for brief periods at the Temple's white zone on California Street for loading and unloading.

Food service. The Department should be aware that there are no restaurants or any fast food service stations in the Temple, and that the only food preparation facility is a kitchen below the ground floor that is used for serving catered meals for banquet-type events. Thus, historical use would not support any fast-food, sandwich, heavy-snack or other food service operations that are proposed.

Occupancy at events. As you probably are aware, one of the most objectionable features of the applicant's long-term plan is the removal of seating from the auditorium as part of a conversion of the facility and its use for standing-room live entertainment events. Obviously, historical use would not support such a conversion, or such events. The application indicates that existing capacity will be maintained, but lacks a provision that would prohibit the removal of seating. It would be reasonable to conclude that this omission was intentional, and is calculated to allow the Temple to circumvent the Court's orders. Even if the omission was innocent, however, a provision to prohibit the removal of seating should be included now in order to ensure that present and future use remains consistent with historical use.

Hours of events. The application, as it is currently framed, would allow evening events to run to 11:30 PM on a regular basis and until 1:00 AM under certain circumstances. I am aware of no historical uses that would support events that run this late. Historically, evening events have ended at 10:30 PM with a few exceptions ending at 11 PM.

Statement of Conditions. Appended to the application at Exhibit C is a proposed statement of conditions that purports to represent, or to be supported by, the historical use of the Temple. This document is inaccurate and unsupportable as a representation of historical use. In addition, I am advised by our attorney that the proposed conditions of approval in this Exhibit, as submitted by the applicant, do not include many of the standard conditions of approval.

Therefore, I have attached for your consideration a proposed alternative to the statement of conditions that would be more accurate and consistent with historic use, *if* the number and frequency of events were brought into line with historic use. For your convenience in comparing the original document to the alternative, I have provided a red-lined copy of the alternative, as well as a clean copy.

In summary and conclusion, please consider that an overwhelming majority of the residents and businesses in the Nob Hill neighborhood object strenuously to the applicants' long term proposals. We would not object to the continuation of the "historical use" of the facility, if the Planning Department were to apply that term accurately and fairly. As it is presently framed, the application does neither.

Thank you for considering this request.

Sincerely,

Stanley W. Landfair

SF:27494061.1

Exhibit C

GENERAL~~GENERAL~~ CONDITIONS

1. Noise and odors shall be regulated so as not to be a nuisance to nearby businesses or residents [No 2008.1072EC Condition #4 and Applicant's No. 1]

2. An enclosed waste storage area shall be provided within the establishment. All trash and recycling containers shall be kept within the building until pick-up by the disposal company. [No 2008.1072EC Condition #6 and Applicant's No. 2]

MAXIMUM OCCUPANCY AND EVENTS

3. There shall be no increase to the current seating capacity and no seats shall be removed. [Modified and replace No. 2008.1072EC, Condition #9 because the seats are part of the historic uses.]

~~4.No more than 3,282 patrons shall be permitted for events in the auditorium on the main floor level and mezzanine of the Masonic Center. [No 2008.1072EC Condition #9]~~

4. All events shall conclude by 10:30 ~~11:00~~PM on weeknights (non-holiday Sunday-Thursday evenings) and 11:00PM~~30PM~~ on weekends (Friday, Saturday, and pre-holiday evenings). [Modified to ~~Up to three events per year may extend until 1:00AM on weekends (Friday, Saturday, and pre-holiday evenings), subject to prior consultation with and approval by the San Francisco Police Department and the Entertainment Commission a minimum of 30 days prior to the date of such an event.~~ [No. 2008.1072EC Condition #15 and Applicant's #4 by deleting all event ending after 11 PM because there is no historic precedent to events ending after 11 PM. Extending the hours to 1 PM even for a limited number of events will be a change to the historic use.~~13~~]

5. All patron queuing for any and all events ~~with general admission attendance~~ shall occur within the interior of the Masonic Center property, i.e. the main lobby and Exhibition Hall. [Modified No 2008.1072EC Condition #14 and Applicant's #5]

SECURITY AND SAFETY

6. The petitioner shall maintain, update over time, provide to event personnel, the Planning Department, ~~and make available to~~ the Police Department and Entertainment Commission an event Operations Manual that includes~~to include~~:
   - A security plan to ensure neighborhood safety before, during and after

performances, including in Huntington Park and Near Grace Cathedral.

- A traffic control plan, including deployment of traffic control personnel outside the venue to assist patron unloading and loading, queuing into the garage , and enforcement of the Parking and Traffic, Loading and Performer Bus Parking conditions set forth below.
- Trash pick-up program within two hours after each event in the four blocks bounded by Sacramento, Jones, Pine and Mason Streets.
- Written directions~~Direction~~ to ensure~~event personnel to assure~~ compliance with these conditions of approval by event personnel. [Modified ~~[~~No 2008.1072EC Condition #15 and Applicant's #6]

PARKING AND TRAFFIC

7. The Applicant~~petitioner~~ shall make available to the general public within the Masonic Center garage no less than number of off-street parking spaces required by Planning Code Section 151 for "theater or auditorium" uses (a minimum of 1 parking space per 8 patron occupancy for the first 1,000 patrons, plus 1 space per 10 patrons above 1,000 patrons in the Auditorium). The number of spaces shall not be reduced or otherwise be made unavailable for the use of the Masonic Center due to monthly leases or other arrangements. [No 2008.1072EC Condition #16 and Applicant's #7]

8. There shall be a fixed parking fee for all events. [Modified ~~with more than 1,250 ticketed attendees.~~ [No 2008.1072EC Condition #17 and Applicant's #8]

9. The Applicant~~petitioner~~ shall offer pre-paid parking to event attendees who purchase tickets in advance of the event date through an on-line ticket service. Such pre-paid parking passes shall specify the location of the garage ~~for which the ticket has been paid (either the Masonic Center garage or any other nearby garage that enters into a cooperating agreement with the petitioner for pre-paid parking)~~ and the location of the garage's entrance. [Modified No 2008.1072EC Condition #18 and Applicant's #9]

10. The Applicant~~petitioner~~ shall allow access to the Masonic Center garage through the Pine Street loading dock prior to events in order to reduce vehicle queuing on California Street. The Pine Street loading dock shall also be used for exiting from the garage after events, provided that it does not interfere with loading and unloading activities. [Modified ~~.~~ [No 2008.1072EC Condition #19 and Applicant's #10]

11. The Applicant~~petitioner~~ shall minimize vehicular queuing on California Street by use of the following strategies ~~for events with more than 1,250 ticketed patrons~~:
    - Increase traffic staffing inside the California Street garage entrance to increase the rate of vehicular entry to the garage.
    - Position security personnel (including San Francisco Police Department services when warranted) outside the garage to assist with controlling and directing traffic, including directing patrons to other nearby garages if and when the Masonic Center garage is full.
    - Convert the center lane of the existing garage entrance ramp to a second inbound lane to increase queuing room within the garage.
    - Event staff shall ensure u-turns are prevented and that the cable car lane is free flowing. [Modified No 2008.1072EC Condition #20 and Applicant's #11. Eliminated the minimum number of attendees before triggering this condition because the number of attendees will not be known until the evening of the

concert since some attendees will not purchase pre-paid tickets.]

12. The Applicant shall provide information on-line and through security personnel at the Masonic Temple's garage entrance about the locations and entrances of ~~petitioner shall consult with~~ nearby public garages ~~to inform arriving patrons~~ that ~~those garages~~ can be used to park for performances and events when the Center's garage is full. [Modified No 2008.1072EC Condition #21 and Applicant's #12]

~~13.~~ 13.

The Applicant~~petitioner~~ shall apply to the SFPD or DPW to close the 5 spaces of the parking lane for ~~designation of a truck and bus loading zone and~~ passenger ~~zone for~~ drop-off by taxis and other vehicles and additional ~~garage queuing~~ for events ~~the approximately 185 foot long curb zone on California Street~~ between the entrance to the Center garage and Gramercy Tower (1177 California Street) driveway one hour~~, to be in effect~~

Exhibit C

GENERAL CONDITIONS

1. Noise and odors shall be regulated so as not to be a nuisance to nearby businesses or residents [No 2008.1072EC Condition #4 and Applicant's No. 1]

2. An enclosed waste storage area shall be provided within the establishment. All trash and recycling containers shall be kept within the building until pick-up by the disposal company. [No 2008.1072EC Condition #6 and Applicant's No. 2]

MAXIMUM OCCUPANCY AND EVENTS

3. There shall be no increase to the current seating capacity and no seats shall be removed. [Modified and replace No. 2008.1072EC, Condition #9 because the seats are part of the historic uses.]

4. All events shall conclude by 10:30 PM on weeknights (non-holiday Sunday-Thursday evenings) and 11:00PM on weekends (Friday, Saturday, and pre-holiday evenings). [Modified to No. 2008.1072EC Condition #15 and Applicant's #4 by deleting all event ending after 11 PM because there is no historic precedent to events ending after 11 PM. Extending the hours to 1 PM even for a limited number of events will be a change to the historic use.]

5. All patron queuing for any and all events shall occur within the interior of the Masonic Center property, i.e. the main lobby and Exhibition Hall. [Modified No 2008.1072EC Condition #14 and Applicant's #5]

SECURITY AND SAFETY

6. The petitioner shall maintain, update over time, provide to event personnel, the Planning Department, the Police Department and Entertainment Commission an event Operations Manual that includes:
   - A security plan to ensure neighborhood safety before, during and after performances, including in Huntington Park and Near Grace Cathedral.
   - A traffic control plan, including deployment of traffic control personnel outside the venue to assist patron unloading and loading, queuing into the garage , and enforcement of the Parking and Traffic, Loading and Performer Bus Parking conditions set forth below.
   - Trash pick-up program within two hours after each event in the four blocks bounded by Sacramento, Jones, Pine and Mason Streets.
   - Written directions to ensure compliance with these conditions of approval by event personnel. [Modified No 2008.1072EC Condition #15 and Applicant's #6]

PARKING AND TRAFFIC

7. The Applicant shall make available to the general public within the Masonic Center garage no less than number of off-street parking spaces required by Planning Code Section 151 for "theater or auditorium" uses (a minimum of 1 parking space per 8 patron occupancy for the first 1,000 patrons, plus 1 space per 10 patrons above 1,000 patrons in the Auditorium). The number of spaces shall not be reduced or otherwise be made unavailable for the use of the Masonic Center due to monthly leases or other arrangements. [No 2008.1072EC Condition #16 and Applicant's #7]

8. There shall be a fixed parking fee for all events. [Modified No 2008.1072EC Condition #17 and Applicant's #8]

9. The Applicant shall offer pre-paid parking to event attendees who purchase tickets in advance of the event date through an on-line ticket service. Such pre-paid parking passes shall specify the location of the garage and the location of the garage's entrance. [Modified No 2008.1072EC Condition #18 and Applicant's #9]

10. The Applicant shall allow access to the Masonic Center garage through the Pine Street loading dock prior to events in order to reduce vehicle queuing on California Street. The Pine Street loading dock shall also be used for exiting from the garage after events, provided that it does not interfere with loading and unloading activities. [Modified No 2008.1072EC Condition #19 and Applicant's #10]

11. The Applicant shall minimize vehicular queuing on California Street by use of the following strategies:
    - Increase traffic staffing inside the California Street garage entrance to increase the rate of vehicular entry to the garage.
    - Position security personnel (including San Francisco Police Department services when warranted) outside the garage to assist with controlling and directing traffic, including directing patrons to other nearby garages if and when the Masonic Center garage is full.
    - Convert the center lane of the existing garage entrance ramp to a second inbound lane to increase queuing room within the garage.
    - Event staff shall ensure u-turns are prevented and that the cable car lane is free flowing. [Modified No 2008.1072EC Condition #20 and Applicant's #11. Eliminated the minimum number of attendees before triggering this condition because the number of attendees will not be known until the evening of the concert since some attendees will not purchase pre-paid tickets.]

12. The Applicant shall provide information on-line and through security personnel at the Masonic Temple's garage entrance about the locations and entrances of nearby public garages that can be used to park for performances and events when the Center's garage is full. [Modified No 2008.1072EC Condition #21 and Applicant's #12]

13. The Applicant shall apply to the SFPD or DPW to close the 5 spaces of the parking lane for passenger drop-off by taxis and other vehicles and additional for events between the entrance to the Center garage and Gramercy Tower (1177 California Street) driveway one hour prior to, during and one hour after events start time at the Masonic Center. The drop-off zone shall be sufficient to accommodate a minimum of three taxis or private vehicles dropping off passengers at one time. [Modified No 2008.1072EC Condition #22 and Applicant's #13]

14. The Applicant shall provide no less than 26 Class I or Class II bicycle parking spaces at the property, consistent with Planning Code Section 155.2. [Modified No 2008.1072EC Condition #23 and Applicant's #24]

LOADING

15. The Applicant shall seek a special event "no parking" permit from the Police Department whenever it anticipates loading or bus operations on California Street and direct trucks to park in that zone. No double-parking of trucks or buses shall be permitted. The Applicant may load and unload from the California Street curb only stage sets, performance equipment, and related materials associated with specific events. [Modified No. 2008.1072EC Condition #26, modified to remove provision related to previously proposed alteration and Applicant's #15 by removing the second and third sentence of this condition as No. 18 herein.]

16. All deliveries by vans and truck under 40', all food and beverage services and office supplies shall utilize the loading dock off Pine Street. [New]

17. Moved as No. 22.

18. Pursuant to the regulations of the Department of Building Inspection, a sign shall be posted on the access ramp during loading and unloading operations that notifies disabled persons of the duration of the loading and provides specific information about alternative means of disabled access into the building, which alternative access shall be opened to the public at all times during loading and unloading operations on California Street. The handicapped ramp shall remain open 1 ½ hour before, during and 45 minutes after an event. [Modified No 2008.1072EC Condition #26 and Applicant's 15, modified to remove provision related to previously proposed alteration]

19. To minimize noise during loading and unloading operations on California Street, the petitioner shall install prior to loading and unloading activities a resilient surface material, such as rubber or vinyl, on truck ramps, pavement, sidewalk and the ramp and incorporate transition strips between different surfaces and shall direct that truck engines be turned off except when moving the vehicle or functions that require engine power are occurring, such as lowering or raising of hydraulic ramps. All loading after an event shall be completed within 90 minutes after the end of performance but in any event no later than 11h15 pm on weekdays or 12:30 am on weekends. [Modified No 2008.1072EC Condition #27 and Applicant's #16]

21. The Applicant shall enclose the freight loading area to minimize noise from loading, unloading and cars entering from and exiting the garage to Pine Street. [New]

22. Personnel conducting loading and unloading activities on California Street shall be instructed to minimize the volume of conversation and prohibit the playing of music, amplified or otherwise, outside the building during loading and unloading, particularly during nighttime hours.
(a) There shall be no loading and unloading on California Street before 7:00am or after midnight during week days or after 12:30 PM on week ends.

(b) Scheduled event loading on California Street shall be limited to (to be determined) days per year before 8pm and 30 days per year after 8pm. [Modified No 2008.1072EC Condition #28 and Applicant's 17]

23. After the conclusion of unloading activities, trucks using the California Street curb loading zone shall depart the premises, park off-site, and not return for loading until near the conclusion of the performance, if necessary. No overnight or all day parking of trucks shall be permitted on California Street. [Modified No 2008.1072EC Condition #29 and Applicant's #18]

24. The petitioner shall complete loading activities as efficiently and quietly as possible following the conclusion of an evening event. [Modified Applicant's #19
]

PERFORMER BUS PARKING

25. **Deleted Applicant's proposed conditional of approval #20 and # 21.**

26. There shall be no parking of performer's buses on California Street, except for loading and unloading. [New #20]

27. Overnight curb parking of buses or habitual trailers for performers, support staff, or other associated with the operations or productions at the property shall not be permitted on either side of California Street, nor on Jones , Taylor, Mason and Sacramento Streets between Pine and Clay Street. The Applicant shall include in any contract or agreement, or rules given to any performers, support staff, or others associated with the operations or productions at the property a requirement to abide by this condition. The petitioner shall remain responsible for compliance with this condition, regardless of such notice or contractual provisions. [Modified No 2008.1072EC Condition #34 and applicant's 22.]

FOOD AND BEVERAGE SERVICE

28. The eating and drinking uses are limited to service to patrons of on-site assembly and entertainment events within the Nob Hill Masonic Center. This allows for the operation

of two temporary concession stands selling food and beverages, one located at the main lobby area and the second one located at the lobby of the balcony seating area, which are the historic locations for such concessions. There shall be no operations of a restaurant, full-service or self-service, open to members of the public who are not patrons of assembly or entertainment uses within the Masonic Center. [Modified No 2008.1072EC Condition #35 and Applicant's #23]

29. There shall be no minimum purchase required and a maximum of two drinks served per order. [Modified No 2008.1072EC Condition #36 and Applicant's 24(a)]

(a) All liquor licenses shall be temporary similar to historic uses. [New]

PERFORMANCE AND ENFORCEMENT

30. The Applicant shall appoint a community liaison officer to deal with issues of concern to the owners and occupants of nearby properties and shall give written notice of the name, business address and telephone number of the community liaison officer to the Zoning Administrator and the owners of properties in the area bounded by Sacramento Street, Mason Street, Pine Street and Jones Street. The community liaison shall monitor the telephone prior to, during and after events until patrons have dispersed from the neighborhood to ensure that complaints are resolved rapidly and/or addressed. [Modified No 2008.1072EC Condition #38 and Applicant's #25]

31. The Applicant shall be required to comply with all noise ordinance limits in Municipal Police Code 29, or any successor ordinance. [No 2008.1072EC Condition #42 and Applicant's #26]

32. If an event has presented a pattern of safety and security problems in previous concert seasons or at other venues, then the petitioner shall consult with the Police Department to determine whether the petitioner can provide adequate safety and through utilization of its security personnel, contracted private security, and/or on-duty or off-duty Police officers. To the extent that the Chief of Police reasonably determines, based entirely on the ability to provide safety and security and not on the expressive content of the event, that the petitioner cannot provide adequate safety and security for any proposed event or that the event's historical pattern establishes that safety and security issues cannot be adequately handled at the venue regardless of the petitioner's security plan, the Chief of Police may order that the event shall not be held. This provision does not supersede any subsequent regulations regarding place of entertainment permits. [No 2008.1072EC Condition #43 and Applicant's #27]

33. The Applicant shall comply with Administrative Code Section 10-B, and if off-duty officers are hired pursuant to subsections thereof, a minimum of two officers be hired for events with 1,250 or more presold tickets; if SFPD determines that more than two officers are required, the petitioner shall provide the additional officers. [ModifiedNo 2008.1072EC Condition #44 and Applicant's #28]

33. The Applicant shall encourage the use of public transit through its on-line marketing sites, including links to transit providers. [Modified No 2008.1072EC Condition #45and Applicant's #29.]

~~*Application for Conditional Use Authorization (Planning Code § 185(9): Continuation of Use)*~~
~~*1111 California Street, San Francisco, California*~~Exhibit C

GENERAL, CONDITIONS

1. ~~I.~~ Noise and odors shall be regulated so as not to be a nuisance to nearby businesses or residents [No 2008.1072EC Condition #4 and Applicant's No. 1]

2. An enclosed waste storage area shall be provided within the establishment. All trash and recycling containers shall be kept within the building until pick-up by the disposal company. [No 2008.1072EC Condition #6] and Applicant's No. 2]

MAXIMUM OCCUPANCY AND EVENTS

3. ~~No more than 3,282 patrons shall be permitted for events in the auditorium on the main floor level and mezzanine of the Masonic Center. [No~~There shall be no increase to the current seating capacity and no seats shall be removed. [Modified and replace No. 2008.1072EC, Condition #9] because the seats are part of the historic uses.]

4. All events shall conclude by ~~11~~10:~~00~~30 PM on weeknights (non-holiday Sunday-Thursday evenings) and 11:~~30~~00PM on weekends (Friday, Saturday, and pre-holiday evenings). ~~Up to three events per year may extend until 1:00AM on weekends (Friday, Saturday, and pre-holiday evenings), subject to prior consultation with and approval by the San Francisco Police Department and the Entertainment Commission a minimum of 30 days prior to the date of such an event.~~ [Modified No. 2008.1072EC Condition #~~13~~15 and Applicant's #4 by deleting all event ending after 11 PM because there is no historic precedent to events ending after 11 PM. Extending the hours to 1 PM even for a limited number of events will be a change to the historic use.]

5. All patron queuing for any and all events ~~with general Admission attendance~~ shall occur within the interior of the Masonic Center property, i.e. the main lobby and Exhibition Hall. [Modified No 2008.1072EC Condition #14 and Applicant's #5]

SECURITY AND SAFETY

6. ~~6.~~ The petitioner shall maintain, update over time, provide to event personnel, ~~and make available to~~the Planning Department, the Police Department and Entertainment Commission an event Operations Manual ~~to include~~that includes:
   - A security plan to ensure neighborhood safety before, during and after performances, including in Huntington Park and Near Grace Cathedral.
   - ~~A security plan to ensure neighborhood safety before, during and after performances, including in Huntington Park and Near Grace Cathedral.~~ A traffic control plan, including deployment of traffic control personnel outside the venue to assist patron unloading and loading, queuing, into the garage , and enforcement of the Parking, and Traffic, Loading and Performer Bus Parking,

conditions set forth below.

- Trash pick-up program within two hours after each event in the four blocks bounded by Sacramento, Jones, Pine and Mason Streets.
- ~~Direction to event personnel to assure~~Written directions to ensure compliance with these conditions of approval by event personnel. [Modified No 2008.1072EC Condition ~~415~~#15 and Applicant's #6]

PARKING AND TRAFFIC

7. The ~~petitioner~~Applicant shall make available to the general public within the Masonic Center garage no less than number of off-street parking spaces required by Planning Code Section 151 for "theater or auditorium" uses (a minimum of 1 parking space per 8 patron occupancy for the first 1,000 patrons, plus I space per 10 patrons above ~~1,000~~1,000 patrons in the Auditorium). The number of spaces shall not be reduced or otherwise be made unavailable for the use of the Masonic Center due to monthly leases or other arrangements. [No 2008.1072EC Condition #16 and Applicant's #7]

8. There shall be a fixed parking fee for all events ~~with more than 1,250 ticketed attendees~~. [Modified No 2008.1072EC Condition #17 and Applicant's #8]

9. The ~~petitioner~~Applicant shall offer pre-paid parking to event attendees who purchase tickets in advance of the event date through an on-line ticket service. Such pre-paid parking passes shall specify the location of the garage ~~for which the ticket has been paid (either the Masonic Center garage or any other nearby garage that enters into a cooperating agreement with the petitioner for pre-paid parking)~~ and the location of the garage's entrance. [Modified No 2008.1072EC Condition #18 and Applicant's #9]

10. The ~~petitioner~~Applicant shall allow access to the Masonic Center garage through the Pine Street loading dock prior to events in order to reduce vehicle queuing on California Street. The Pine Street loading dock shall also be used for exiting from the garage after events ~~[~~, provided that it does not interfere with loading and unloading activities. [Modified No 2008.1072EC Condition #19 and Applicant's #10]

11. ~~11.~~ The ~~petitioner~~Applicant shall minimize vehicular queuing on California Street by use of the following strategies ~~for events with more than 1,250 ticketed patrons~~:
    - Increase traffic staffing inside the California Street garage entrance to increase the rate of vehicular entry to the garage.
    - Position security personnel (including San Francisco Police Department services when warranted) outside the garage to assist with controlling and

directing traffic, including directing patrons to other nearby garages if and when the Masonic Center garage is full.

- Convert the center lane of the existing garage entrance ramp to a second inbound lane to increase queuing room within the garage.
- Event staff shall ensure u-turns are prevented and that the cable car lane is free flowing. [Modified No 2008.1072EC Condition #20 and Applicant's #11. Eliminated the minimum number of attendees before triggering this condition because the number of attendees will not be known until the evening of the concert since some attendees will not purchase pre-paid tickets.]

12. ~~12. The petitioner shall consult with~~The Applicant shall provide information on-line and through security personnel at the Masonic Temple's garage entrance about the locations and entrances of nearby public garages ~~to inform arriving patrons that those garages~~ can be used to park for performances and events when the Center's garage is full. [Modified No 2008.1072EC Condition #21 and Applicant's #12]

13. The ~~petitioner~~Applicant shall apply ~~for designation of a truck and bus loading zone and passenger zone for~~to the SFPD or DPW to close the 5 spaces of the parking lane for passenger drop-off by taxis and other vehicles and additional ~~garage queuing for the approximately 185-foot long curb zone on California Street~~for events between the entrance to the Center garage and Gramercy Tower (1177 California Street) driveway, ~~to be in effect~~

~~only prior to and~~ one hour prior to, during and one hour after events start time at the Masonic Center. The drop-off zone shall be sufficient to accommodate a minimum of three taxis or private vehicles dropping off passengers at one time. [Modified No 2008.1072EC Condition #22 and Applicant's #13]

~~14.~~ 14. The ~~petitioner~~Applicant shall provide ~~not~~no less than 26 Class I or Class ~~II~~II bicycle parking spaces at the property, consistent with Planning Code Section 155.2. [Modified No 2008.1072EC Condition #23 and Applicant's #24]

LOADING

~~15.~~ 15. The ~~petitioner~~Applicant shall seek a special event "no parking" permit from the Police Department whenever it anticipates loading or bus operations on California Street and direct trucks to park in that zone. No double-parking of trucks or buses shall be permitted. The ~~petitioner~~Applicant may load and unload from the California Street curb only stage sets, performance equipment, and related materials associated with specific events. the loading and unloading is a constant activity. The other thing that I would like to highlight, perhaps selfishly because of the location of my property, is that after every event, because there is an exit on Pine Street that the trash associated with the event, cleaning bottles, beer cans, random materials that are distributed at the Masonic Center event out from your front yard every morning is -- is hopefully something that is indicative of what the expanded use of the Masonic Center is going to result on the community, something we'd clearly like to avoid.

Again, I appreciate your consideration for this and I appreciate that, on one hand, you've got everyone in here wearing a green sticker that lives in Nob Hill, is a resident of Nob Hill. And then you've got another group of people wearing red stickers that are looking to exploit that community. And we appreciate you in helping protect our neighborhoods. Thank you.

PRESIDENT CHIU: Thank you. Next speaker.

MALE SPEAKER: President Chiu, Supervisors, I come here tonight to tell you a personal experience I had. On Friday, April 16th at 7:30 p.m. I was traveling eastbound on the California Street cable car Number 54. I found myself stuck on that cable car for 30 minutes due to gridlock because of the traffic, the people going to

the Masonic. It took me ten minutes for the cable car to go from Hyde to Masonic, which is only two blocks. The conductor on the back of the cable car had to jump off and direct the traffic, creating a very, very unsafe position. This left a single gripsman and the passengers on the cable car, which is very concerning.

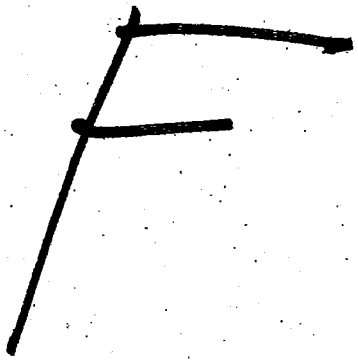

Once the cable car reached the Masonic, the traffic became even worse, with the cars trying to enter the Masonic --

(New tape.)

MALE SPEAKER: It's too unsafe. His exact words are, "We need to close this line down. It's too unsafe." As you can see from my photo, the silver SUV is crossing the yellow line, a clear violation. You can see, crossing the yellow line, clear violation. I later observed that the California cable line did shut down completely because of the traffic going to the concert at Masonic hill. I respectfully urge you to deny category exemption and grant a full environmental impact report on the 1111 California project. Thank you.

PRESIDENT CHIU: Next speaker, please.

MS. SESSA: My name is Rene Sessa and I am a Nob Hill resident for six years now. And I want to -- I have experienced on many occasions the overflow of noise in my neighborhood. I have been woken up by the noise from the

Re: Nob Hill Masonic Center (Case No. 2011.0471C)
Conditional Use Authorization to extend legal nonconforming use status
Hearing Date: January 19, 2012

Dear Vice-President Miguel and Commissioners:

I am writing on behalf of the California Masonic Memorial Temple ("CMMT"), the non-profit charitable corporation that owns the Nob Hill Masonic Center at 1111 California Street (the "Masonic"). The Masonic is comprised of the 3,282-person capacity Masonic Auditorium; 1,392-person capacity Exhibition Hall and California Rooms on the ground floor; approximately 9,600 square feet of third floor offices; and a 565-space parking garage. Existing building plans are attached as Exhibit D. The Masonic has been in continuous operation as an entertainment and assembly venue since its completion in 1958.

You will recall that the Planning Commission in March 2010 granted conditional use authorization to convert the legal nonconforming status of the Masonic to a permitted conditional use and to authorize certain renovations, including tiering the main floor of the Auditorium and adding permanent food and beverage concession areas, in reliance on a Class 32 Categorical Exemption. The Board of Supervisors upheld your actions in May 2010.

In 2011, however, the San Francisco Superior Court found the Class 32 Exemption inappropriate, ordered preparation of a new CEQA document, and voided the 2010 conditional use authorization. The Planning Department is now preparing an Initial Study and focused EIR for the Masonic, and once that process is complete, we will return to the Commission for reconsideration of the 2010 conditional use authorization. Significantly, the Superior Court also upheld the Zoning Administrator's 2009 determination that the Masonic was constructed in 1958 as a commercial assembly and entertainment venue and is a legal nonconforming use.

Because the Center is over 50 years old and within an R zoning district, under Planning Code Section 185, its current legal nonconforming status will expire unless the Commission extends it through a conditional use authorization for this interim period until the EIR is

Notes

[i] See Exhibit 1, Project Summary Table from Application.

[ii] This column expanded the years to six years instead of the four years in the application just to pick up 2004, which has a larger number of live entertainment events, including "Broadway On Ice" with 9 shows and 49 Bar Review Course that were both a one time occurrences and outside the historic pattern.

[iii] NHC disagrees with Planning Department's definition of entertainment, which included fashion shows and high school proms amount others. Fashion shows should be under the category of trade shows, and high school proms are special events.

[iv] This number included large and small events as defined by CMMT. The small events included events with fewer than 250 attendees.

[v] Exhibit 1 contained an error. The 56 all day and 68 yearly totals are from another chart submitted with the CMMT Application.

[vi] This number included 153 events days of "Universe" for 2005 which was not in the detail data base submitted. The base data submitted by CMMT to Planning only has a total of 179 events including multiple events on some days. There is no explanation of what are "universe" event days. NHC asked for explanation when it first reviewed the summary of tables submitted with the CU application but never received a reply from Planning. The "Universe" events are not part of the historic pattern.

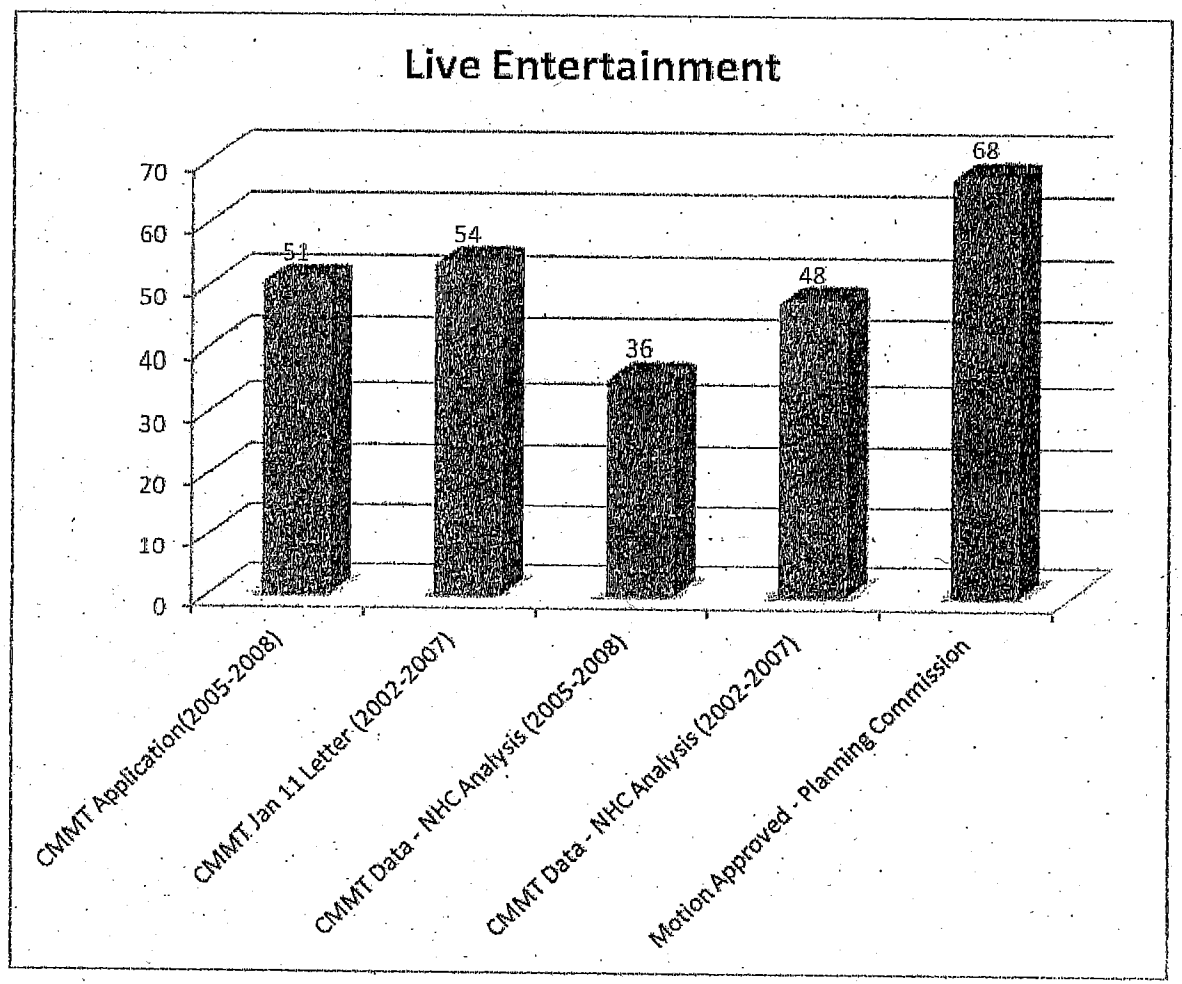

[vii] Exclude naturalization ceremonies and examinations which are considered by NHC as special events and not meetings or conferences.

[viii] The CMMT application is based on its proposed conditions of approval, which were mostly adopted by the Commission. The conditions were based on the conditions imposed by the Board in 2011 but not all. Enclosure of the loading dock was not included which addresses noise and glare when cars are exiting and the caterers are unloading.

Re: California Masonic Memorial Temple Conditional Use Application to Continue Lawful Non-Conforming Use Pursuant to Planning Code Section 185(e); Planning Department Case No. 2011.0471C

Dear Commissioner Miguel and Commissioners:

In connection with the above-referenced application, our office submitted a letter dated October 19, 2011 on behalf of the Nob Hill Coalition ("NHC") indicating that the NHC does not object to the continuation of the historic uses, but does object to the proposals to intensify those uses. Our letter provides the Commission with a detailed analysis of the historic use of the Masonic Temple and is incorporated as if fully set forth herein.

On January 12, 2012, the Planning Department released recommendations which, if approved, would both expand and intensify the historic use of the Masonic Temple in many material ways. However, the Department's recommendations are not supported by evidence or even its own flimsy logic. For example, the Department's analysis lumped events of different impacts on the environment into one single category, and also increased the number of events and other uses by 25%, improperly relying on Section 186.1(b) of the Planning Code as justification.

For the reasons discussed below, adoption or approval of the positions of your staff and the applicant would result in violations of the California Environmental Quality Act (CEQA), specifically including CEQA Guidelines Section 15060(b)(2), by failing to conduct an environmental review. The Commission would further act in excess of its jurisdiction and fail to proceed in accordance with the law by relying on Planning Code Section 186.1(b) to allow an increase the number of historic events.

NHC reiterates that the Coalition and the neighbors do not object to the continuation of the historic uses of the Masonic Temple, but do object to the proposals to intensify those uses. We therefore object to any approvals by this Commission that would result in any intensification without environmental review and without a conditional use application for such intensification.

The Commission Must Continue the Hearing and Instruct the Department to Conduct an Environmental Review in Accordance with CEQA

The Department relies on CEQA Guidelines Section 15060(c)(2) to exempt the project before the Commission from any environmental review. Section 15060(c) provides as follows:

> Once an application is deemed complete, a lead agency must first determine whether an activity is subject to CEQA before conducting an initial study. An activity is not subject to CEQA if:
>
> (1) The activity does not involve the exercise of discretionary powers by a public agency;
>
> (2) The activity will not result in a direct or reasonably foreseeable indirect physical change in the environment; or
>
> (3) The activity is not a project as defined in Section 15378.

Under CEQA Guidelines Section 15378(a), a "Project" means the whole of an action, which has a potential for resulting in either a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment, and that is any of the following:

* * *

> (3) An activity involving the issuance to a person of a lease, permit, license, certificate, or other entitlement for use by one or more public agencies.

Section 15389(c) defines the term "project" as referring "to the activity which is being approved and which may be subject to several discretionary approvals by governmental agencies."

The action before the Commission involves a conditional use authorization that is a land use entitlement that will be relied upon by other public agencies, such as the San Francisco Health Department, the California Alcoholic Beverage Board, among others. The activities involved in the project include, but are not limited to, evening entertainment.

These activities were lawful non-conforming uses that terminated as a matter of law in 2006. The Planning Code did not provide for continuation of such terminated lawful non-conforming uses by the submission of an application that would be approved as a ministerial act by the Planning Department. Rather, it specifically requires the operator or owner of a terminated lawful non-conforming use to seek a conditional use authorization to continue said uses. Conditional use authorizations require the exercise of sound discretion and application of the criteria set forth in

Section 303(c) of the Planning Code; therefore, the action involves the exercise of discretionary powers by the Commission.

Here, the Planning Department selectively applied CEQA Guideline Section 15060(b)(2) to exempt the project from environmental review without considering the related CEQA Guideline Section 15378 because "the continued operation of the existing uses will not result in a direct or reasonably foreseeable indirect physical change in the environment." *See* page 2 of the Department's Executive Summary, January 19, 2012.

The draft motion before the Commission, if adopted, would allow 68 live entertainment events (instead of the historical 54) and 219 non-live entertainment events per year, without limitation on the time of day or duration that these events can occur. This clearly would result in intensification of the historic use with associated direct or reasonably foreseeable indirect impacts on the physical environment, such as but not limited to traffic and noise.

As another example, please note that the proposed conditions of approval also would allow three (3) alcoholic concession stands, and suggests that a permanent liquor license would be obtained. The record is clear that the historic use of the Masonic Temple does not include more than two temporary stands for liquor. As a result, the proposed conditions would allow intensification with reasonably foreseeable indirect physical impact on the environment. Accordingly, any condition of approval related to the service of alcoholic beverages must specify that there should not be more than two alcoholic beverage concession stands and that only one-day temporary permits from ABC are allowed, on the same terms as allowed in the past. Otherwise, the activities approved under the draft motion will result in a direct or reasonably foreseeable indirect physical change that must be analyzed under CEQA.

The California Courts, including the Supreme Court, have long held that CEQA must be interpreted liberally. In this case, the Department is ignoring the spirit of CEQA and its legislative intent by selecting and applying only the provisions that would advance the cause of the Applicant to the detriment of the public. We urge the Commission to correct this error by continuing the hearing unless and until the Department conducts the review that is required under CEQA.

Reliance on Planning Code Section 186.1(b) is Misplaced

To our surprise, the Department has relied on Planning Code Section 186.1(b) to propose an increase in the number of events by 25%, as well as the number of alcoholic concession stands. If the Commission adopts the Department's position, its action would amount to an amendment of the Planning Code, in excess of the Commission's jurisdiction and contrary to law.

Section 186.1(b) provides in relevant part as follows:

> The purpose of this Section is to provide for the further continuance ***in NC*** Districts of nonconforming uses created by adoption of Ordinance No. 69-87, as herein described, and subsequent ordinances that change the uses allowed in NC Districts, ***which are beneficial to, or can be accommodated within the neighborhood commercial areas in which they are located.***
>
> * * *
>
> The following provisions shall govern with respect to nonconforming uses and features ***located in Neighborhood Commercial Districts*** to the extent that there is a conflict between the provisions of this Section and other Sections contained in this Article 1.7.
>
> (a) Expansion. ***A nonconforming use may expand***: (1) ***in floor area*** as provided in Subsection (b) below, but may not expand beyond the lot which it occupies, nor may the boundaries of such lot be expanded for purposes of expanding the use; nor may the use expand upward above the story or stories which it lawfully occupies, except as provided in Section 186.2 below.
>
> (b) Enlargements or Alteration.
>
> (1) ***A nonconforming use may not be significantly altered; enlarged or intensified, except upon approval of a conditional use application*** pursuant to the provisions of Article 3 of this Code . . . .

(*Emphasis added*).

In this case, the Masonic Temple is located in the Nob Hill Special Use District ("Nob Hill SUD") with an underlying RM-4 zoning district. It is not located in a Neighborhood Commercial District ("NCD"). There is nothing in the Planning Code that would allow the Planning Department or this Commission, in effect, to change the zoning of the Nob Hill SUD to a "Nob Hill NCD," thereby allowing an expansion of the lawful non-conforming use by 25%.[1] Moreover, Section 186.1(b) relates only to expansion of floor area, not an expansion of authorized or existing uses, or number of events.

---

[1] The only possible explanation for the Department's reliance on this provision to allow for a 25% expansion of the lawful non-conforming use would be the Zoning Administrator's earlier erroneous determination that because the Masonic Temple is located within ¼ mile of the Polk Street NCD, it could apply for a conditional use authorization to expand its entertainment use by using "other entertainment use" from the Polk Street NCD. However, the Superior Court has ruled that the Polk Street NCD uses may not be imported to the Nob Hill SUD. While the City and the Applicant have appealed, the Superior Court's decision remains binding unless it is overruled. See *Nob Hill Association et.al. v. City and County of San Francisco et.al.*, San Francisco Superior Court No. CPF-10-510365.

The notice to the neighbors describes the conditional use application as follows:

> "[T]o continue the existing nonconforming entertainment and assembly use of the "Nob Hill Masonic Center", and to continue operation of the existing operation of the exiting food and beverage service uses within the Center, pursuant to Planning Code Section 185(e) and 303, within the RM-4 (residential, Mixed, High Density) District, the Nob Hill Special Use District, and the 65-A Height and Bulk District. No interior or exterior modifications, or change in patron capacity of the existing facility, are requested as part of this action."

As can be seen, the conditional use application before this Commission did not request an expansion of the lawful non-conforming use. Without a conditional use application to expand the lawful nonconforming use, this Commission cannot approve *any* expansion of the existing uses under Section 186.1(b) or otherwise

Conclusion

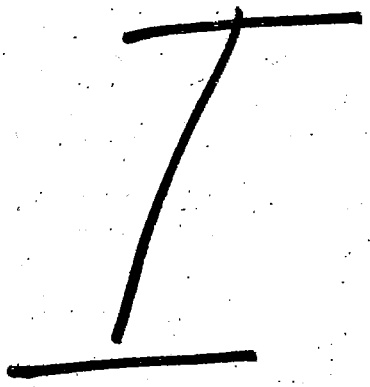

Based on the foregoing, we respectfully submit that the Commission must reject the staff recommendation and direct the staff to provide this Commission with draft motion of approval that accurately reflects the historic and existing uses.

Very truly yours,

Alice Suet Yee Barkley

SAN FRANCISCO
PLANNING DEPARTMENT

Environmental Evaluation Application

The California Environmental Quality Act (CEQA) requires public agencies to review the environmental impacts of proposed projects. In San Francisco, environmental review under CEQA is administered by the Major Environmental Analysis (MEA) division of the Planning Department. The environmental review process begins with the submittal of a completed Environmental Evaluation (EE) Application to the Planning Department. Only the current EE Application form will be accepted. No appointment is required but staff is available to meet with applicants upon request.

The EE Application will not be processed unless it is completely filled out and the appropriate fees are paid in full. Checks should be made payable to the San Francisco Planning Department. See the current *Schedule of Application Fees* and contact the staff person listed below for verification of the appropriate fees. Fees are generally non-refundable. Documents in italics are available online at sfgov.org/planning.

The EE Application is comprised of four parts. Part 1 is a checklist to ensure that the EE Application is complete; Part 2 requests basic information about the site and the project; Part 3 is a series of questions to help determine if additional information is needed for the EE Application; and Part 4 is a project summary table.

The complete EE Application should be submitted to the Planning Department staff as follows: For projects greater than 10,000 square feet in size and where Part 3 Questions #3, #8, #10, or #11 are answered in the affirmative, or for projects that require mitigation measures, please send the application materials to the attention of Ms. Fordham or Ms. Pereira. For all other projects, please send the application materials to the attention of Mr. Bollinger.

Project Description for Planning Department Approval

- ☐ Addition ☐ Change of use ☐ Zoning change ☐ New construction
- ☒ Alteration ☐ Demolition ☐ Lot split/subdivision or lot line adjustment
- ☐ Other (describe)

Estimated Cost

Describe proposed use: Other Entertainment, assembly; permanent food/beverage service for event attendees; office, parking

Narrative project description. Please summarize and describe the purpose of the project.

Upgrade existing auditorium to terrace main floor for flexible audience configurations; increase capacity of auditorium from 3200 to 3300; add 8 food and beverage concession areas; upgrade kitchen from catering kitchen to commercial kitchen; reduce occupancy of Exhibition Hall

PART 3 – ADDITIONAL PROJECT INFORMATION	Yes	No
1. Would the project involve a major alteration of a structure constructed 50 or more years ago or a structure in an historic district? If yes, submit a *Supplemental Information Form for Historical Resource Evaluation*. Instructions on how to fill out the form are outlined in the *San Francisco Preservation Bulletin No. 16* (see pages 28-34 in Appendix B).	☒	☐
2. Would the project involve demolition of a structure constructed 50 or more years ago or a structure located in an historic district? If yes, a Historic Resource Evaluation Report (HRER)* will be required. The scope of the HRER will be determined in consultation with the Department's Preservation Coordinator.	☐	☒
3a. Would the project result in excavation or soil disturbance/modification greater than 10 feet below grade? If yes, how many feet below grade would be excavated? _____ What type of foundation would be used (if known)? _____	☐	☒
3b. Is the project site located in an area of potential geotechnical hazard as identified in the San Francisco General Plan or on a steep slope or would the project be located on a site with an average slope of 20% or more? If yes to either Question 3a or 3b, please submit a Geotechnical Report.*	☐	☒
4. Would the project involve expansion of an existing building envelope, or new construction, or grading, or new curb cuts, or demolition? If yes, please submit a *Tree Disclosure Statement*.	☐	☒
5. Would the project result in ground disturbance of 5,000 gross square feet or more?	☐	☒
6. Would the project result in any construction over 40 feet in height? If yes, apply for a Section 295 (Proposition K) Shadow Study. This application is available on the Planning Department's website and **should be submitted at the Planning Information Center**, 1660 Mission Street, First Floor.	☐	☒
7. Would the project result in a construction of a structure 80 feet or higher? If yes, an initial review by a wind expert, including a recommendation as to whether a wind analysis* is needed, may be required, as determined by Department staff.	☐	☒
8. Would the project involve work on a site with an existing or former gas station, auto repair, dry cleaners, or heavy manufacturing use, or a site with underground storage tanks? If yes, please submit a Phase I Environmental Site Assessment (ESA).* A Phase II ESA (for example, soil testing) may be required, as determined by Department staff.	☐	☒
9. Would the project require any variances, special authorizations, or changes to the Planning Code or Zoning Maps? If yes, please describe. Possible amendment to Nob Hill SUD needed based on San Francisco Superior Court Case No. 10-510365 writ	☒	☐
10. Is the project related to a larger project, series of projects, or program? If yes, please describe.	☐	☒
11. Is the project in Eastern Neighborhoods or Market & Octavia Community Plan Area? If yes, and the project would be over 55 feet tall or 10 feet taller than an adjacent building built before 1963, please submit an elevation or renderings showing the project with the adjacent buildings.	☐	☒

* Report or study to be prepared by a qualified consultant who is contracted directly by the project sponsor.

PART 4 – PROJECT SUMMARY TABLE

If you are not sure of the eventual size of the project, provide the maximum estimates.

Gross Square Footage (GSF)	Existing Uses	Existing Uses to be Retained	Net New Construction and/or Addition	Project Totals
Residential				
Retail				
Office	10,000	10,000		10,000
Industrial				
Parking	211,750	211,750		211,750
Other (specify use)	118,400 entertainment/ assembly	118,400		118,400
Total GSF	330,150	330,150		330,150
Dwelling units				
Hotel rooms				
Parking spaces	565	565		565
Loading spaces	1	1		1
Number of buildings	1	1		1
Height of building(s)	65	65		65
Number of stories	4	4		4

Please describe any additional project features that are not included in this table:

Impose operating conditions of approval.

Additional Information: Project drawings in 11x17 format should include existing and proposed site plans, floor plans, elevations, and sections, as well as all applicable dimensions and calculations for existing and proposed floor area and height. The plans should clearly show existing and proposed off-street parking and loading spaces; driveways and trash loading areas; vehicular and pedestrian access to the site, including access to off-street parking and parking configuration; and bus stops and curbside loading zones within 150 feet of the site. A transportation study may be required, depending on existing traffic conditions in the project area and the potential traffic generation of the proposed project, as determined by the Department's transportation planners. Neighborhood notification may also be required as part of the environmental review processes.

Subject: Board of Supervisors Hearing March 27th

Supervisor:

On March 27th you will be hearing the appeal of the conditional use permit granted to the Masonic Auditorium by the Planning Commission; I will be unable to attend. I would like to mention a couple of things that I feel are very relevant to this issue.

Firstly – The Masonic Auditorium has been granted a conditional use permit prior to this present grant – it was appealed and won that appeal. It is my personal knowledge that the operators of the Masonic have bent over backwards to accommodate the surrounding neighbors at every turn on every permit application whether it was the ABC, Entertainment Commission or Planning Department without actually closing down the business. I am impressed with their extraordinary and very costly efforts.

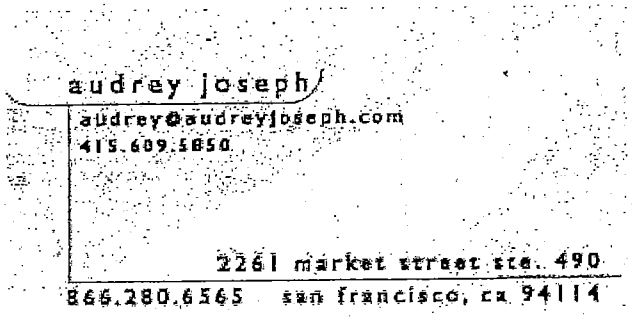

Secondly – In my 30 years as a resident of San Francisco, I cannot remember a time the Masonic was not operating whether it was comedy with Joy Behar, Blues and Jazz with the Blind Boys of Alabama or Van Morrison and of course pop music and rock and roll. But the Masonic is horribly outdated and in order to compete and provide this city with a concert venue that will rival the Fox in Oakland or like venues in other Bay Area cities it is important that they be allowed to develop a new stage, new sound and lighting as well as the other improvements slated for that property and formalize its use.

Just recently the City introduced an economic impact report that stated how very important entertainment is to our city and yet it failed to state how few medium size concert venues we actually have, The Masonic being the only one. There is the Warfield and Fillmore which are both considerably smaller and Bill Graham Civic which is much larger. The quality of entertainment which will be drawn to our great city is dependent on a variety of venues with the very best and latest technology. In addition the city has chapter 90A of the Admin code that establishes a sustainability music and culture policy. This policy indicates that wherever possible we must sustain our entertainment venues. The Masons along with Live Nation have agreed to improving the Masonic Auditorium for the purposes of entertainment and public good.

Having said all this – I urge you to support the Masonic Auditorium's right to continue and improve its business and codify its operations.

If you have any questions, please do not hesitate to contact me.
Thanks

Audrey Joseph

Angela Calvillo
S.F. Board of Supervisors
File No. 120183
Planning Case No. 2011.0471C
Motion No. 18520

Dear Ms. Calvillo,

My husband and I, Michael and Sylvia Meltzer STRONGLY OBJECT to granting permission to the "Nob Hill Masonic Center" to continue the existing non-conforming assembly and entertainment uses, and to continue the existing food and beverage service uses within the center.

We STRONGLY SUPPORT a second look at granting this permission which would give rise to deteriorating this wonderful and unique neighborhood.

The members of the Board of Supervisors should have more feeling for how special San Francisco and its neighborhoods are!

Sincerely,
Sylvia Edita and Michael Meltzer
#811
1177 California Street
San Francisco, California

NOTICE OF PUBLIC HEARING

BOARD OF SUPERVISORS OF THE CITY AND COUNTY OF SAN FRANCISCO

NOTICE IS HEREBY GIVEN THAT the Board of Supervisors of the City and County of San Francisco will hold a public hearing to consider the following proposal and said public hearing will be held as follows, at which time all interested parties may attend and be heard:

Date: **Tuesday, March 20, 2012**

Time: **4:00 p.m.**

Location: **Legislative Chamber, Room 250 located at City Hall, 1 Dr. Carlton B. Goodlett Place, San Francisco, CA 94102**

Subject: **File No. 120183. Hearing of persons interested in or objecting to the decision of the Planning Commission's January 19, 2012, approval of a Conditional Use Authorization identified as Planning Case No. 2011.0471C, by its Motion No. 18520, pursuant to Planning Code Sections 185(e) and 303, to continue the existing non-conforming assembly and entertainment uses of the "Nob Hill Masonic Center", and to continue the existing food and beverage service uses within the center, on a property within the RM-4 (Residential Mixed, Medium Density) District, the 65-A Height and Bulk District, and the Nob Hill Special Use District, located at 1111 California Street, Assessor's Block No. 0253, Lot No. 020. (District 3) (Appellants: Stephen Gomez on behalf of the Nob Hill Coalition, James Wall on behalf of the Nob Hill Association, William Terrell, Elizabeth Pomada, Donna Muse, and Aldo Caccamo) (Filed February 21, 2012).**

Pursuant to Government Code Section 65009, notice is hereby given, if you challenge, in court, the matter described above, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the Board of Supervisors at, or prior to, the public hearing.

In accordance with Section 67.7-1 of the San Francisco Administrative Code, persons who are unable to attend the hearing on these matters may submit written comments to the City prior to the time the hearing begins. These comments will be made a part of the official public records in these matters, and shall be brought to the attention of the Board of Supervisors. Written comments should be addressed to Angela Calvillo, Clerk of the Board, Room 244, City Hall, 1 Dr. Carlton B. Goodlett Place, San Francisco, CA 94102. Information relating to this matter is available in the Office of the Clerk of the Board and agenda information will be available for public review on Thursday, March 15, 2012.

Angela Calvillo
Clerk of the Board

MAILED/POSTED: March 9, 2012
