

1 ~~[Planning Code - Permitting a 5-foot ground floor height increase in the 40-X and 50-X Height~~  
2 ~~and Bulk Districts in the NC-3 Zoning District along Geary Boulevard, from Scott Street to 28th~~  
3 ~~Avenue-Permitting Five Feet Ground Floor Height Increases in Designated Lots and~~  
4 ~~Prohibiting Certain Lot Mergers Along Geary Boulevard, Balboa Street, and in the Inner and~~  
5 ~~Outer Clement Neighborhood Commercial Districts]~~

6 **Ordinance amending the San Francisco Planning Code by: 1) amending Section 263.20**  
7 **to permit a 5 feet ground floor height increase a) in the 40-X and 50-X Height and Bulk**  
8 **Districts in the NC-3 Zoning District along Geary Boulevard, from Scott Street Masonic**  
9 **Avenue to 28th Avenue, except for designated parcels; b) on NC-2 designated parcels**  
10 **on Balboa Street between 2nd Avenue and 8th Avenue, and between 32nd Avenue and**  
11 **39th Avenue; and c) in the Inner Clement Street and Outer Clement Street**  
12 **Neighborhood Commercial Districts (NCDs); 2) amending Section 121.7(b) to prohibit**  
13 **lot mergers resulting in lots with street frontages greater than 50 feet in the Inner and**  
14 **Outer Clement NCDs, and in NC-2 districts on Balboa Street, between 2nd Avenue and**  
15 **8th Avenue, and between 32nd Avenue and 38th Avenue; and 3) and making findings,**  
16 **including environmental findings and findings of consistency with Planning Code**  
17 **Section 101.1 and the General Plan.**

18 NOTE: Additions are *single-underline italics Times New Roman*;  
19 deletions are *strike-through italics Times New Roman*.  
20 Board amendment additions are double-underlined;  
21 Board amendment deletions are ~~strikethrough normal~~.

22 Be it ordained by the People of the City and County of San Francisco:

23 Section 1. Findings. The Board of Supervisors of the City and County of San  
24 Francisco hereby finds and determines that:

25 (a) The Planning Department has determined that the actions contemplated in this  
Ordinance are in compliance with the California Environmental Quality Act (California Public

1 Resources Code sections 21000 et seq.) Said determination is on file with the Clerk of the  
2 Board of Supervisors in File No. 111247 and is incorporated herein by reference.

3 (b) On February 2, 2012, the Planning Commission, in Resolution No. 18532 approved  
4 this legislation, recommended it for adoption by the Board of Supervisors, and adopted  
5 findings that it will serve the public necessity, convenience and welfare. Pursuant to Planning  
6 Code Section 302, the Board adopts these findings as its own. A copy of said Resolution is on  
7 file with the Clerk of the Board of Supervisors in File No. 111247, and is incorporated by  
8 reference herein.

9 (c) In Resolution No. 18532, the Planning Commission adopted findings that this  
10 legislation is consistent, on balance, with the City's General Plan and the eight priority policies  
11 of Planning Code Section 101.1. The Board adopts these findings as its own.

12  
13 Section 2. The San Francisco Planning Code is hereby amended by amending Section  
14 263.20, to read as follows:

15 **SEC. 263.20. SPECIAL HEIGHT EXCEPTION: ADDITIONAL FIVE FEET HEIGHT**  
16 **FOR GROUND FLOOR USES IN NCT 40-X AND 50-X HEIGHT AND BULK**  
17 **DISTRICTS, IN NC-2 AND NC-3 DESIGNATED PARCELS FRONTING MISSION**  
18 **STREET, FROM SILVER AVENUE TO THE DALY CITY BORDER, AND IN**  
19 **SPECIFIED NC-1 DESIGNATED PARCELS AND IN SPECIFIED NC DISTRICTS.**

20 (a) Intent. In order to encourage generous ground floor ceiling heights for  
21 commercial and other active uses, encourage additional light and air into ground floor spaces,  
22 allow for walk-up ground floor residential uses to be raised slightly from sidewalk level for  
23 privacy and usability of front stoops, and create better building frontage on the public street,  
24 up to an additional 5' of height is allowed along major streets in NCT districts, or in specific  
25 NC-3, NC-2, or NC-1 districts listed below, for buildings that feature either higher ground floor  
ceilings for non-residential uses or ground floor residential units (that have direct walk-up  
access from the sidewalk) raised up from sidewalk level.

1 (b) Applicability. The special height exception described in this section shall only  
2 apply to projects that meet all of the following criteria:

3 (1) project is located in a 40-X or 50-X Height and Bulk District as designated  
4 on the Zoning Map;

5 (2) project is located:

6 (A) in an NCT district as designated on the Zoning Map;

7 (B) in the Upper Market Street, Inner Clement Street and Outer Clement  
8 Street NCDs;

9 (C) on a NC-2 or NC-3 designated parcel fronting Mission Street, from Silver  
10 Avenue to the Daly City border;

11 (D) on a NC-2 designated parcel on Balboa Street between 2nd Avenue and  
12 8th Avenue, and between 32nd Avenue and 39th Avenue;

13 (DE) on a NC-1 designated parcel within the boundaries of Sargent Street to  
14 Orizaba Avenue to Lobos Street to Plymouth Avenue to Farallones Street to San Jose  
15 Avenue to Alemany Boulevard to 19th Avenue to Randolph Street to Monticello Street and  
16 back to Sargent Street; *or*

17 (EF) on a NC-3 designated parcel fronting on Geary Boulevard from Scott Street  
18 from Masonic Avenue to 28th Avenue, except for parcels on the north side of Geary Boulevard  
19 between Palm Avenue and Parker Avenue;

20 (3) project features ground floor commercial space or other active use as  
21 defined by Section 145.1(b)(2) with clear ceiling heights in excess of ten feet from sidewalk  
22 grade, or in the case of residential uses, such walk-up residential units are raised up from  
23 sidewalk level;

24 (4) said ground floor commercial space, active use, or walk-up residential use  
25 is primarily oriented along a right-of-way wider than 40 feet;

1 (5) said ground floor commercial space or active use occupies at least 50% of  
2 the project's ground floor area; and

3 (6) except for projects located in NCT districts, the project sponsor has  
4 conclusively demonstrated that the additional 5' increment allowed through Section 263.20  
5 would not add new shadow to any public open spaces.

6 (c) One additional foot of height, up to a total of five feet, shall be permitted above  
7 the designated height limit for each additional foot of ground floor clear ceiling height in  
8 excess of 10 feet from sidewalk grade, or in the case of residential units, for each foot the unit  
9 is raised above sidewalk grade.

22 Section 3. The San Francisco Planning Code is hereby amended by amending Section  
23 121.7(b), to read as follows:

(b) In NCT and NC Districts listed below, merger of lots resulting in a lot with street frontage greater than that stated in the table below on the specified streets is prohibited except according to the procedures and criteria in subsections (c) and (d) below.

Street	Lot Frontage Limit
Hayes, from Franklin to Laguna	50 feet
Church Street, from Duboce to 16th Street	100
Market, from Octavia to Noe	150
Ocean Avenue in the Ocean Avenue NCT	See Subsection (e)
<u>Inner and Outer Clement NCDs</u>	<u>50 feet</u>
<u>NC-2 districts on Balboa Street between 2nd Avenue and 8th Avenue, and between 32nd Avenue and 38th Avenue</u>	<u>50 feet</u>

Section 34. The San Francisco Planning Code is hereby amended by amending Section 712.1, to read as follows:

**SEC. 712.1. NC-3 – MODERATE-SCALE NEIGHBORHOOD COMMERCIAL DISTRICT.**

NC-3 Districts are intended in most cases to offer a wide variety of comparison and specialty goods and services to a population greater than the immediate neighborhood, additionally providing convenience goods and services to the surrounding neighborhoods. NC-3 Districts are linear districts located along heavily trafficked thoroughfares which also serve as major transit routes.

1 NC-3 Districts include some of the longest linear commercial streets in the City,  
 2 some of which have continuous retail development for many blocks. Large-scale lots and  
 3 buildings and wide streets distinguish the districts from smaller-scaled commercial streets,  
 4 although the districts may include small as well as moderately scaled lots. Buildings typically  
 5 range in height from two to four stories with occasional taller structures.

6 NC-3 building standards permit moderately large commercial uses and buildings.  
 7 Rear yards are protected at residential levels.

8 A diversified commercial environment is encouraged for the NC-3 District, and a  
 9 wide variety of uses are permitted with special emphasis on neighborhood-serving  
 10 businesses. Eating and drinking, entertainment, financial service and certain auto uses  
 11 generally are permitted with certain limitations at the first and second stories. Other retail  
 12 businesses, personal services and offices are permitted at all stories of new buildings. Limited  
 13 storage and administrative service activities are permitted with some restrictions.

14 Housing development in new buildings is encouraged above the second story.  
 15 Existing residential units are protected by limitations on demolitions and upper-story  
 16 conversions.

Section 5. The San Francisco Planning Code is hereby amended by amending Section 711.1, to read as follows:

**SEC. 711.1. NC-2 – SMALL-SCALE NEIGHBORHOOD COMMERCIAL DISTRICT.**

The NC-2 District is intended to serve as the City's Small-Scale Neighborhood Commercial District. These districts are linear shopping streets which provide convenience goods and services to the surrounding neighborhoods as well as limited comparison shopping goods for a wider market. The range of comparison goods and services offered is varied and often includes specialty retail stores, restaurants, and neighborhood-serving offices. NC-2 Districts are commonly located along both collector and arterial streets which have transit routes.

These districts range in size from two or three blocks to many blocks, although the commercial development in longer districts may be interspersed with housing or other land uses. Buildings typically range in height from two to four stories with occasional one-story commercial buildings.

1 The small-scale district controls provide for mixed-use buildings which approximate  
 2 or slightly exceed the standard development pattern. Rear yard requirements above the  
 3 ground story and at residential levels preserve open space corridors of interior blocks.

4 Most new commercial development is permitted at the ground and second stories.  
 5 Neighborhood-serving businesses are strongly encouraged. Eating and drinking and  
 6 entertainment uses, however, are confined to the ground story. The second story may be  
 7 used by some retail stores, personal services, and medical, business and professional offices.  
 8 Parking and hotels are monitored at all stories. Limits on late-night activity, drive-up facilities,  
 9 and other automobile uses protect the livability within and around the district, and promote  
 10 continuous retail frontage.

11 Housing development in new buildings is encouraged above the ground story.  
 12 Existing residential units are protected by limitations on demolition and upper-story  
 13 conversions.

1 Section 6. The San Francisco Planning Code is hereby amended by amending Section  
2 716.1, to read as follows:

3 **SEC. 716.1. INNER CLEMENT STREET NEIGHBORHOOD COMMERCIAL DISTRICT.**

4 The Inner Clement Street Commercial District is located on Clement Street between  
5 Arguello Boulevard and Funston Avenue in the eastern portion of the Richmond District of  
6 northwest San Francisco. The district provides a wide selection of convenience goods and  
7 services for the residents of the Inner Richmond neighborhood. Inner Clement Street has one  
8 of the greatest concentrations of restaurants of any commercial street in San Francisco,  
9 drawing customers from throughout the City and region. There are also a significant number  
10 of professional, realty, and business offices as well as financial institutions. The pleasant  
11 pedestrian character of the district is derived directly from the intensely active retail frontage  
12 on Clement Street.

13 The Inner Clement Street District controls are designed to promote development  
14 that is consistent with its existing land use patterns and to maintain a harmony of uses that  
15 supports the district's vitality. The building standards allow small-scale buildings and uses,  
16 protecting rear yards above the ground story and at residential levels. In new development,  
17 most commercial uses are permitted at the first two stories, although certain limitations apply  
18 to uses at the second story. Special controls are necessary to preserve the equilibrium of  
19 neighborhood-serving convenience and comparison shopping businesses and protect  
20 adjacent residential livability. These controls prohibit additional financial service and limit  
21 additional eating and drinking establishments, late-night commercial uses and ground-story  
22 entertainment uses. In order to maintain the street's active retail frontage, controls also  
23 prohibit most new automobile and drive-up uses.

1 Housing development is encouraged in new buildings above the ground story.  
 2 Existing residential units are protected by prohibitions on upper-story conversions and  
 3 limitations on demolitions.

Section 7. The San Francisco Planning Code is hereby amended by amending Section 717.1, to read as follows:

**SEC. 717.1. OUTER CLEMENT STREET NEIGHBORHOOD COMMERCIAL DISTRICT.**

The Outer Clement Street Neighborhood Commercial District is located on Clement Street between 19th Avenue and 27th Avenue in the western portion of the Richmond District. The shopping area contains small-scale convenience businesses, as well as many restaurants and a movie theater. The district's restaurants serve a neighborhood and Citywide clientele during the evening hours, while convenience shopping uses cater for the most part to daytime neighborhood shoppers. Outer Clement Street contains many mixed-use buildings with some fully commercial and fully residential buildings interspersed between them.

The Outer Clement Street District controls are designed to promote development that is in keeping with the district's existing small-scale, mixed-use character. The building

standards monitor large-scale development and protect rear yards at all levels. Future commercial growth is directed to the ground story in order to promote more continuous and active retail frontage. Additional eating and drinking establishments are regulated to prevent over-concentration, while ground-story entertainment and financial service uses are monitored in order to limit the problems of traffic, congestion, noise and late-night activity associated with such uses and to protect existing neighborhood-serving businesses. Other controls restricting late-night activity, hotels, automobile uses, and drive-up facilities are designed to preserve the low-intensity character of the district.

Housing development in new buildings is encouraged above the ground story. Existing residential units are protected by prohibitions of upper-story conversions and limitations on demolitions.

**SEC. 717. OUTER CLEMENT STREET NEIGHBORHOOD COMMERCIAL DISTRICT**
