3 Section 2. The San Francisco Planning Code is hereby amended by amending Section
4 725.1, to read as follows:

5 **SEC. 725.1. UNION STREET NEIGHBORHOOD COMMERCIAL DISTRICT.**

6 The Union Street Commercial District is located in northern San Francisco between the
7 Marina and Pacific Heights neighborhoods. The district lies along Union Street between Van
8 Ness Avenue and Steiner, including an arm extending north on Fillmore Street to Lombard.
9 The shopping area provides limited convenience goods for the residents of sections of the
10 Cow Hollow, Golden Gate Valley, and Pacific Heights neighborhoods immediately
11 surrounding the street. Important aspects of Union Street's business activity are eating and
12 drinking establishments and specialty shops whose clientele comes from a wide trade area.
13 There are also a significant number of professional, realty, and business offices. Many
14 restaurants and bars as well as the district's two movie theaters are open into the evening
15 hours, and on weekends the street's clothing, antique stores and galleries do a vigorous
16 business.

17 The Union Street District controls are designed to provide sufficient growth
18 opportunities for commercial development that is in keeping with the existing scale and
19 character, promote continuous retail frontage, and protect adjacent residential livability.
20 Small-scale buildings and neighborhood-serving uses are promoted, and rear yards above
21 the ground story and at all residential levels are protected. Most commercial development is
22 permitted at the first two stories of new buildings, while retail service uses are monitored at
23 the third story and above. Controls are necessary to preserve the remaining convenience
24 businesses and to reduce the cumulative impacts which the growth of certain uses have on
25 neighborhood residents. Such controls prohibit additional drinking establishments and limit

1 additional eating establishments, entertainment, and financial service uses. Most automobile
 2 and drive-up uses are prohibited in order to maintain continuous retail frontage and minimize
 3 further traffic congestion.

4 Housing development in new buildings is encouraged above the second story.
 5 Existing residential units are protected by limitations on demolitions and upper-story
 6 conversions.
