19 Section 1. Findings.

20 (a) The Planning Department has determined that the actions contemplated in this  
21 ordinance comply with the California Environmental Quality Act (California Public Resources  
22 Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of  
23 Supervisors in File No. 130783 and is incorporated herein by reference.

24 (b) On September 19, 2013, the Planning Commission, in Resolution No. 18967,  
25 adopted findings that the actions contemplated in this ordinance are consistent, on balance,  
with the City's General Plan and eight priority policies of Planning Code Section 101.1. The

1 Board adopts these findings as its own. A copy of said Resolution is on file with the Clerk of  
2 the Board of Supervisors in File No. 130783, and is incorporated herein by reference.

3 (c) Pursuant to Planning Code Section 302, this Board finds that this Planning Code  
4 Amendment will serve the public necessity, convenience, and welfare for the reasons set forth  
5 in Planning Commission Resolution No. 18967 and the Board incorporates such reasons  
6 herein by reference.

7 (d) This Board intends to allow the enlargement, alteration and reconstruction of non-  
8 conforming uses, as long as such permission does not result in additional tenant evictions in  
9 order to use these benefits. Accordingly, this Board intends to strike a balance between  
10 allowing the non-conforming uses to be altered as described and the need to protect  
11 important housing resources.

12 Section 2. The Planning Code is hereby amended by revising Section 181, to read as  
13 follows:

14 **SEC. 181. NONCONFORMING USES: ENLARGEMENTS, ALTERATIONS AND**  
15 **RECONSTRUCTION.**

16 The following provisions shall apply to ~~non-conforming~~ nonconforming uses with respect  
17 to enlargements, alterations and reconstruction:

18 (a) Increases in nonconformity. A nonconforming use, and any structure occupied by  
19 such use, shall not be enlarged, intensified, extended, or moved to another location, with the  
20 exception of the construction of a mezzanine within a live/work unit and expansion of dwelling  
21 units in PDR Districts, unless the result will be elimination of the nonconforming use, except  
22 as provided ~~in Paragraph (b)(3) and (i)~~ below and in Section 186.1 of this Code. A  
23 nonconforming use shall not be extended to occupy additional space in a structure, or  
24 additional land outside a structure, or space in another structure, or to displace any other use,  
25 except as provided in Sections 182 and 186.1 of this Code.

1           **(b) Permitted alterations.** A structure occupied by a nonconforming use shall not be  
2 constructed, reconstructed or altered, unless the result will be elimination of the  
3 nonconforming use, except as provided in Section 186.1 of this Code and in Subsections (a)  
4 above and (d), (e), (f), ~~and (g)~~, (h) and (i) below, and except as follows:

5                   (1) Ordinary maintenance and minor repairs shall be permitted where necessary  
6 to keep the structure in sound condition, as well as minor alterations, where such work is  
7 limited to replacement of existing materials with similar materials placed in a similar manner.

8                   (2) Minor alterations shall be permitted where ordered by an appropriate public  
9 official to correct immediate hazards to health or safety, or to carry out newly enacted  
10 retroactive requirements essential to health or safety.

11                   (3) Alterations otherwise allowed by this Code shall be permitted for any portion  
12 of the structure that will not thereafter be occupied by the nonconforming use, provided the  
13 nonconforming use is not enlarged, intensified, extended, or moved to another location.

14                   (4) All other alterations of a structural nature shall be permitted only to the extent  
15 that the aggregate total cost of such other structural alterations, as estimated by the  
16 Department of Building Inspection Public Works, is less than ½ of the assessed valuation of the  
17 improvements prior to the first such alteration, except that structural alterations required to  
18 reinforce the structure to meet the standards for seismic loads and forces of the Building Code  
19 shall be permitted without regard to cost.

20           **(c) Dwellings nonconforming as to density.**

21                   (1) A dwelling or other housing structure exceeding the permitted density of  
22 dwelling units or other housing units set forth in Sections 207.5, 208, 209.1, 209.2, or 215 of  
23 this Code for the district in which it is located shall be classified as a nonconforming use under  
24 Section 180 of this Code, but only to the extent that such dwelling or other housing structure  
25 exceeds the permitted density.

1                   (2) In districts where a dwelling unit is a principally permitted use, this This Section  
2 181 shall not apply with respect to enlargements, alterations and reconstruction of the  
3 nonconforming portion of such dwelling or other housing structure, consisting of those  
4 dwelling units or other housing units which exceed the permitted density, so long as such  
5 enlargements, alterations, or reconstruction do not otherwise extend beyond the building envelope as it  
6 existed on January 1, 2013.

7                   (3) No such enlargements, alterations, or reconstruction shall be permitted  
8 under Subsection (c)(2) for any dwelling unit if any tenant has been evicted where a tenant  
9 was served with a notice of eviction pursuant to San Francisco Administrative Code Sections  
10 37.9(a)(8) 37.9(a)(9) through 37.9(a)(14) where the tenant was served with the notice of  
11 eviction after October 24, 2013 December 10, 2013 and if the notice was served within ten  
12 (10) years prior to filing an application to enlarge, alter or reconstruct such dwelling or other  
13 housing unit. Additionally, no such enlargements, alterations, or reconstruction shall be  
14 permitted for any dwelling unit if any tenant has been evicted pursuant to Administrative Code  
15 Section 37.9(a)(8) where the tenant was served with a notice of eviction after December 10,  
16 2013 if the notice was served within five (5) years prior to filing an application to enlarge, alter  
17 or reconstruct such dwelling or other housing unit. This Subsection (c)(3) shall not apply  
18 provided that if an eviction has taken place if the tenant was evicted under Section  
19 37.9(a)(11), 37.9(a)(12) or 37.9(a)(14), then and the applicant(s) shall certify that either (A)

23 right to reoccupy the unit after the temporary eviction and that the tenant chose not to  
24 reoccupy it.

1           (4) Any dwelling unit or other housing unit coming within the density limit shall  
2 not be affected by this Section 181. Except as provided in Sections 181(h) and 182(e), no  
3 dwelling or other housing structure exceeding the permitted density of dwelling units or other  
4 housing units shall be altered to increase the number of dwelling units or other housing units  
5 therein, or to increase or create any other nonconformity with respect to the dwelling unit or  
6 other housing unit density limitations of Section 209.1 or Section 209.2.

12 of such a structure for the purposes of Sections 184 and 185 shall nevertheless be computed  
13 from the date of the original construction of the structure. Except as provided in Subsection (e)  
14 below, no structure occupied by a nonconforming use that is voluntarily razed or required by  
15 law to be razed by the owner thereof may thereafter be restored except in full conformity with  
16 the use limitations of this Code.

18 within eighteen months of the fire or other calamity or Act of God, the structure's owner shall  
19 have filed a building permit application to restore the structure to its former condition and use.

21 may be eliminated as expeditiously as possible, a structure containing nonconforming uses  
22 and constructed of unreinforced masonry that is inconsistent with the requirements of the

24 a residential use shall be altered to increase the number of dwelling units or other housing  
25 units therein. However, individual dwelling units or other housing units may be expanded,
