AGENDA CHANGES

SPECIAL ORDER 2:00 P.M. - Mayor's Appearance Before The Board

Pursuant to Charter Section 3.100(7), the Mayor shall appear, in person, at one regularly scheduled meeting of the Board of Supervisors each month to engage in formal policy discussions with members of the Board. This item will be read at the Board Meeting on the second Tuesday of each month, unless rescheduled by the Mayor and the Board President. The Mayor and the Board may not discuss matters that have already been considered in Committee and that are on the Board's Agenda as an action item.

By supermajority vote of the Board of Supervisors (8 votes), the Board may, by oral motion, allow an eligible District Supervisor to ask a question that was not previously posed if the question relates to a sudden or unexpected incident or occurrence raising formal, time-sensitive policy questions that were not anticipated prior to the posting of this agenda. Public comment for this item will take place during general public comment.

1. [180227](#) **[Formal Policy Discussions - March 13, 2018]**
Pursuant to Charter, Sections 2.103 and 3.100(7), and Administrative Code, Section 2.11, the Mayor shall answer the following eligible question submitted from the Supervisor representing District 5. The Mayor may address the Board initially for up to five minutes. Discussion shall not exceed five minutes per Supervisor.

1. Mr. Mayor: As budget season approaches we are all formulating our budget priorities. There are two pieces of legislation making their way through the Board of Supervisors which will be critical to this year's budget: an ordinance increasing the hourly rate in the Minimum Compensation Ordinance and an ordinance Supervisor Sheehy and I introduced providing for full scope legal representation to tenants facing eviction. Both of these pieces of legislation serve many of the same policy goals of supporting some of our residents who have the fewest resources to remain here in San Francisco.

In January I began discussing a proposal with labor organizations and other stakeholders to fund a portion of the wage increase called for in the proposed amendments to the Minimum Compensation Ordinance of at least an additional 50 cents above the minimum wage effective July 1, 2018, and phasing in the remainder of the proposed wage increase with new revenue sources in the coming year. At the same time we began finalizing the costs of providing full scope legal representation to tenants facing eviction.

Will you commit to continuing these efforts and fund at least a 50 cent increase above the minimum wage in the hourly rate for workers covered by the Minimum Compensation Ordinance effective July 1, 2018 (estimated at \$14 million) and at least half of the estimated cost to implement full scope legal representation for tenants facing eviction in our city (estimated at \$4.29 million) in your proposed budget for fiscal year 2018-2019?
(President Breed, District 5)

Discussion: The Mayor shall DISCUSS eligible question(s) with the Board of Supervisors.
