The full Board does not hold a second public hearing on measures which have been heard in committee.

Board procedures do not permit: 1) persons in the audience to vocally express support or opposition to statements by Supervisors or by other persons testifying; 2) ringing and use of cell phones, pagers, and similar sound-producing electronic devices; 3) bringing in or displaying signs in the meeting room; and 4) standing in the meeting room.

Each member of the public will be allotted the same maximum number of minutes to speak as set by the President or Chair at the beginning of each item or public comment, excluding City representatives, except that public speakers using translation assistance will be allowed to testify for twice the amount of the public testimony time limit. If simultaneous translation services are used, speakers will be governed by the public testimony time limit applied to speakers not requesting translation assistance. Members of the public who want a document placed on the overhead for display should clearly state such and subsequently remove the document when they want the screen to return to live coverage of the meeting.

Persons unable to attend the meeting may submit to the City, by the time the proceedings begin, written comments regarding the agenda items above. APPROVAL OF MEETING MINUTES

Approval of the September 3, 2013, Board Meeting Minutes.

COMMUNICATIONS

SPECIAL ORDER 2:00 P.M. - Mayor's Appearance Before The Board

Pursuant to Charter Section 3.100(7), this item will be read at the Board Meeting on the second Tuesday of each month, unless rescheduled by the Mayor and the Board President. The Mayor and the Board may not discuss matters that have already been considered in Committee and that are on the Board's Agenda as an action item.

By supermajority vote of the Board of Supervisors (8 votes), the Board may, by oral motion, allow an eligible District Supervisor to ask a question that was not previously posed if the question relates to a sudden or unexpected incident or occurrence raising formal, time-sensitive policy questions that were not anticipated prior to the posting of this agenda. Public comment for this item will take place during general public comment.

1. 130985 [Formal Policy Discussions - October 8, 2013]

Pursuant to Charter, Sections 2.103 and 3.100(7), and Administrative Code, Section 2.11, the Mayor shall answer the following eligible question submitted from the Supervisor representing District 8. The Mayor may address the Board initially for up to five minutes. Discussion shall not exceed five minutes per Supervisor.

1. Mr. Mayor, we recently held a hearing at the Land Use and Economic Development Committee on the issue of illegal double parking in San Francisco - including its impacts on traffic, Muni, cycling, and pedestrians - and the City's enforcement policies and practices. While some might say that double parking is an innocent infraction, it can create traffic jams and block Muni. On our light rail vehicle lines, a single double parker can effectively shut down the line, since LRVs cannot swerve off of their tracks to get around the double parker. Moreover, double parking often occurs in bike lanes, causing cyclists to have to swerve into traffic, and double parking near crosswalks reduces pedestrian safety by blocking sight lines. While double parking is at times appropriate - for example a delivery truck that has no other option or a paratransit vehicle dropping off its passengers - double parking in San Francisco has become the wild west. All sorts of vehicles - taxis, private autos, delivery trucks - seem to park in the middle of the street whenever they want and even when there is space to pull over.

At the hearing, we heard from the Municipal Transportation Agency and the Police Department that double parking enforcement outside of the downtown core is infrequent. For example, on the entirety of 16th Street - which goes through multiple dense commercial areas - on average one double parking citation is issued every other day. On the entirety of Castro and Divisadero Streets, on average one citation is issued each day. At the same time that very few double parking citations are issued outside of the downtown core, MTA is engaging in periodic saturation ticketing in our neighborhoods for minor infractions like not curbing wheels on a slight grade or vehicle protruding an inch onto a sidewalk from a driveway. In other words, MTA is engaging in significant enforcement of minor infractions while not enforcing an infraction - double parking - that has serious impacts in our neighborhoods.

Mr. Mayor, what will you do to ensure that double parking enforcement is a priority where it impacts transit riders, pedestrians, and cyclists? What specific goals and metrics do you propose we establish to ensure that the most impactful double parking behavior becomes an enforcement priority for the MTA and the Police Department? Will your office agree to report back in a year on the city's stepped up enforcement efforts against double parking?

Discussion: The Mayor shall DISCUSS eligible question(s) with the Board of Supervisors.

CONSENT AGENDA

All matters listed hereunder constitute a Consent Agenda, are considered to be routine by the Board of Supervisors and will be acted upon by a single roll call vote of the Board. There will be no separate discussion of these items unless a member of the Board so requests, in which event the matter shall be removed from the Consent Agenda and considered as a separate item.

Questions on the Consent Agenda are on final passage, first reading, adoption, or approved, as indicated.
