Meeting Procedures

The Board of Supervisors is the legislative body of the City and County of San Francisco. The Board has several standing committees where ordinances and resolutions are the subject of hearings at which members of the public are urged to testify. The full Board does not hold a second public hearing on measures which have been heard in committee.

Board procedures do not permit: 1) persons in the audience to vocally express support or opposition to statements by Supervisors or by other persons testifying; 2) ringing and use of cell phones, pagers, and similar sound-producing electronic devices; 3) bringing in or displaying signs in the meeting room; and 4) standing in the meeting room.

Each member of the public will be allotted the same maximum number of minutes to speak as set by the President or Chair at the beginning of each item or public comment, excluding City representatives, except that public speakers using translation assistance will be allowed to testify for twice the amount of the public testimony time limit. If simultaneous translation services are used, speakers will be governed by the public testimony time limit applied to speakers not requesting translation assistance. Members of the public who want a document placed on the overhead for display should clearly state such and subsequently remove the document when they want the screen to return to live coverage of the meeting.

IMPORTANT INFORMATION: The public is encouraged to testify at Committee meetings. Persons unable to attend the meeting may submit to the City, by the time the proceedings begin, written comments regarding the agenda items above. These comments will be made a part of the official public record and shall be brought to the attention of the Board of Supervisors. Written communications should be submitted to the Clerk of the Board, Clerk of a Committee or its members: 1 Dr. Carlton B. Goodlett Place, Room 244, San Francisco, CA 94102. APPROVAL OF MEETING MINUTES

Approval of the November 1, 2011, and November 8, 2011, Board Meeting Minutes.

COMMUNICATIONS

SPECIAL ORDER 2:00 P.M. - Mayor's Appearance Before The Board

(This item will be read at the Board Meeting on the second regularly scheduled meeting each month. The Mayor and the Board may not discuss matters that have already been considered in Committee and that are on the Board's Regular Agenda as an action item.)

By supermajority vote of the Board of Supervisors (8 votes), the Board may, by oral motion, allow an eligible District Supervisor to ask a question that was not previously posed if the question relates to a sudden or unexpected incident or occurrence raising formal, time-sensitive policy questions that were not anticipated prior to the posting of this agenda. Public comment for this item will take place during general public comment.)

1. 111314 [Formal Policy Discussions - December 13, 2011]

Pursuant to Charter Sections 2.103 and 3.100(7), and Administrative Code Section 2.11, the Mayor shall answer the following eligible questions submitted from Supervisors representing District's 2, 4, 6, 8, and 10. The Mayor may address the Board initially for up to five minutes. Discussion shall not exceed five minutes per Supervisor.

1. The current payroll tax system is detrimental to job growth and is broken. As we have seen over the course of this year at the Board of Supervisors, several attempts have been made to carve out certain classes of people, industries, and sections of the City from the payroll tax. Instead of an ad hoc system of fixes, are you contemplating a more systematic reform of the business tax? (Supervisor Farrell, District 2)

2. As your office works on putting together the budget for the upcoming fiscal year, what can we expect in terms of budget allocations for improving the employment climate in San Francisco? Specifically, what are three concrete policy ideas you have for stimulating job growth? (Supervisor Chu, District 4)

3. The most recent data shows that families with children in San Francisco become homeless at an alarming rate. The wait list for emergency family shelters currently includes 267 families, a historic level, and a 356% increase since the summer of 2007. The data on children in the San Francisco Unified School District that choose to self identify as homeless has also reached alarming levels, 2,200 children up from 1,600 in 2009. What are your office's plan to address this crisis? Would you commit to expanding the City's Rental Subsidy Program for homeless families by 50 slots? Would you commit to keep the emergency winter shelter at Bethel African Methodist Episcopal open and allow families to stay at the Oshun drop in center until this crisis is addressed? (Supervisor Kim, District 6)

4. The Municipal Transportation Agency (MTA) Board of Directors recently approved an \$8,000,000 payment to MUNI drivers from the health care trust fund. The voters specifically abolished this trust fund when they passed Proposition G in November 2010. Although the MTA Board of Directors approved this payment to settle a lawsuit by the Transit Workers Union, the payment is contrary to the spirit and goals of Proposition G and reduces money available for transit service for riders. What do you think about this payment, and what do you think about the implementation of Proposition G generally? (Supervisor Wiener, District 8)

5. The N Judah Express Line has been in service for a number of months and has been very successful in addressing issues of overcrowding and poor on time performance. Municipal Transportation Agency is now proposing to make this express line permanent. The T Third Line continues to have problems with poor on time performance, switch backs, and long wait times on the Embarcadero. Would you be supportive of piloting a T Express Line? (Supervisor Cohen, District 10)

Discussion: The Mayor shall discuss the eligible questions with the Board of Supervisors.

CONSENT AGENDA

All matters listed hereunder constitute a Consent Agenda, are considered to be routine by the Board of Supervisors and will be acted upon by a single roll call vote of the Board. There will be no separate discussion of these items unless a member of the Board so requests, in which event the matter shall be removed from the Consent Agenda and considered as a separate item.

Questions on the Consent Agenda are on final passage, first reading, adoption, or approved, as indicated.
