6 **SEC. 3304. APPLICATION FOR MEDICAL CANNABIS DISPENSARY PERMIT.**

7 (a) Every applicant for a medical cannabis dispensary permit shall file an application
8 with the Director upon a form provided by the Director and pay a non-refundable permit
9 application fee of ~~\$6691.00~~\$8,459 to cover the costs to all City departments of investigating and
10 processing the application and any applicable surcharges, exclusive of filing fees for appeals
11 before the Board of Appeals. ~~Beginning with fiscal year 2006-2007, the application fee may be~~
12 ~~adjusted each year, without further action by the Board of Supervisors, to reflect changes in the~~
13 ~~relevant Consumer Price Index, as determined by the Controller. No later than April 15th of each year,~~
14 ~~the Health Department shall, in collaboration with the Tax Collector's Office, submit the application~~
15 ~~fee to the Controller, who shall apply the price index adjustment to produce a new application fee for~~
16 ~~the following year. No later than May 15th of each year, the Controller shall file a report with the~~
17 ~~Board of Supervisors reporting the new application fee and certifying that: (a) the application fee~~
18 ~~produces sufficient revenue to support the costs of providing the services for which the annual fee is~~
19 ~~being charged and (b) the application fee does not produce revenue that exceeds the costs of providing~~
20 ~~the services for which the application fee is charged. Notwithstanding the procedures set forth in this~~
21 ~~Section, the Board of Supervisors, in its discretion, may modify the application fee by ordinance at any~~
22 ~~time. Beginning with fiscal year 2008-2009, fees set forth in this Section may be adjusted each year,~~
23 ~~without further action by the Board of Supervisors, as set forth in this Section.~~

1 Not later than April 1, the Director shall report to the Controller the revenues generated by the
2 fees for the prior fiscal year and the prior fiscal year's costs of operation, as well as any other
3 information that the Controller determines appropriate to the performance of the duties set forth in this
4 Section.

5 Not later than May 15, the Controller shall determine whether the current fees have produced
6 or are projected to produce revenues sufficient to support the costs of providing the services for which
7 the fees are assessed and that the fees will not produce revenue which is significantly more than the
8 costs of providing the services for which the fees are assessed.

9 The Controller shall, if necessary, adjust the fees upward or downward for the upcoming fiscal
10 year as appropriate to ensure that the program recovers the costs of operation without producing
11 revenue which is significantly more than such costs. The adjusted rates shall become operative on July
12 1.

14 California Fire Code includes a requirement, among others that may apply, that an

17 corporation exactly as shown in its articles of incorporation, and the names and residence

20 set forth the name and residence address of each of the partners, including limited partners. If
