4 care to children in need of personal services, supervision, or assistance essential for  
5 sustaining the activities of daily living or for the protection of the individual on less than a 24-  
6 hour basis, or a "family day care home for children" licensed pursuant to the provisions of  
7 Chapter 3.6, Division 2 of the California Health and Safety Code (commencing at Section  
8 1597.50).

9 (2) Food preparation and service establishments funded through the San Francisco  
10 Commission on Aging for nutrition projects for older individuals.

11 (c) Beginning with fiscal year 2010-2011 and annually thereafter, the fees set forth in  
12 this section may be adjusted each year, without further action by the Board of Supervisors, as  
13 set forth in this subsection. Not later than April 1, the Director shall report to the Controller the  
14 revenues generated by the fees for the prior fiscal year and the prior fiscal year's costs of  
15 operation, as well as any other information that the Controller determines appropriate to the  
16 performance of the duties set forth in this Article. Not later than May 15, the Controller shall  
17 determine whether the current fees have produced or are projected to produce revenues  
18 sufficient to support the costs of providing the services for which the fee is assessed and that  
19 the fees will not produce revenue that is significantly more than the costs of providing the  
20 services for which the fee is assessed. The Controller shall, if necessary, adjust the fees  
21 upward or downward for the upcoming fiscal year as appropriate to ensure that the program  
22 recovers the costs of operation without producing revenue that is significantly more than such  
23 costs. The adjusted rates shall become operative on July 1.

24 **SEC. 249.23. MOBILE FOOD FACILITY PLAN CHECK FEE.**  
25

1       Each person filing an application for an initial Mobile Food Facility permit under Public  
2       Works Code Section 184.83 also shall pay the Health Department a plan check fee of \$181 per hour.  
3       This fee is due and payable to the Health Department at the time the applicant requests said plan check  
4       from the Health Department. The fee amount shall be based on the Health Department's estimate of the  
5       time required to check the applicant's plans. The Health Department may refund a portion of the fee  
6       payment or require additional payment if actual plan check time differs from the initial estimate. The  
7       Health Department may withhold plan check approval until payment of the plan check fees and the  
8       Department of Public Works' Mobile Food Facility permit shall not be final and effective until the  
9       Health Department issue plan check approval. The Controller may adjust this fee annually as set forth  
10      in Section 249.1(c).

11       Section 6. This Section is uncodified. (a) Time Limit for Filing Application to Renew  
12      an Existing Permit—Existing Permit Requirements. All persons who possess an existing valid  
13      permit to operate a Mobile Food Facility as defined in this Ordinance heretofore issued by the  
14      Police Department must file for a new permit with the Department of Public Works within 90  
15      days of the effective date of this Ordinance. The application shall include all information  
16      related to the most recently issued permit for operation, including the approved Location(s) of  
17      service and food product, products, and services offered for sale. Failure so to do shall make  
18      continued operation of said place of business a violation of Public Works Code Section 184.97  
19      and 184.98 as set forth in this Ordinance. The Director shall reissue new permits to all  
20      persons presently holding existing valid permits to operate Mobile Food Facilities at no cost,  
21      subject to the requirement for annual renewal of the permit from the date the reissuance of the  
22      permit and compliance with the terms and conditions of this Article. Any permit renewal of a  
23      pushcart peddler permit dated as of July 19, 1995 shall include reference to the original permit  
24      granting date.

1 (b) Unless specified otherwise in this Ordinance, any permittee with an existing valid  
2 Mobile Food Facility permit issued under Subsection (a) above shall be required to meet all  
3 requirements of Public Works Code Article 5.8, including obtaining a Certificate of Sanitation  
4 from the Department of Public Health and Fire Marshal approval, on the one year anniversary  
5 of the permit issued in accordance with Subsection (a) above. Annual Renewal of said  
6 permits shall not require the notice provisions of Section 184.88, unless the permittee is  
7 changing the Location that the Mobile Food Facility serves, adding a new Location(s),  
8 changing the hours of operation to serve a Location later than 12 pm, or making other  
9 changes to the Mobile Food Facility that the Director determines requires public notice.

10 Section 7. This Section is uncodified. The Board of Supervisors hereby urges the  
11 Department of Public Works to develop an electronic posting of all proposed and existing  
12 permit Locations for Mobile Food Facilities within nine (9) months of the effective date of this  
13 Ordinance. Such electronic posting shall be available to the public online and at the  
14 Department's offices.
