Ordnance amending the Planning Code and Administrative Code by amending the Residential Inclusionary Affordable Housing Program, Planning Code Section 415 et seq. (formerly Code Section 315 et seq.) (the "Program") to change the name of the Program to the Inclusionary Affordable Housing Program and to require all project applicants to pay the Affordable Housing Fee unless they are eligible for an alternative; making other amendments to the Program including expanding the uses of the Citywide Affordable Housing Fund, deleting provisions relating to certain requirements for off-site units, and deleting provisions requiring a refund of fees after issuance of certificate of occupancy; amending Sections 416 and 417 to make conforming amendments to the Inclusionary Affordable Housing Program; amending the Van Ness Market Special Use District, Section 249.33, to delete the provision that a project sponsor may only meet up to 50% of the Program's requirements through payment of the fee; amending Section 827 to delete the requirement that 50% of on- or off-site affordable housing units provided under Section 415 et seq. in the Rincon Hill Area Plan be provided as rental; amending the Administrative Code by amending Chapter 56 related to Development Agreements to create certain exceptions from its requirements for rental housing developments with on-site inclusionary units; and making findings including findings under the California Environmental Quality Act.

NOTE: Additions are single-underline italics Times New Roman; deletions are strike-through italics Times New Roman. Board amendment additions are double-underscored; Board amendment deletions are strikethrough normal.

Be it ordained by the People of the City and County of San Francisco: Section 1. Findings.

The Board of Supervisors finds and declares as follows:

(a) The Planning Department has determined that the actions contemplated in this Ordinance are in compliance with the California Environmental Quality Act (California Public
Resources Code sections 21000 et seq.). Said determination is on file with the Clerk of the Board of Supervisors in File No. ____________ 100046 and is incorporated herein by reference.

(b) On ___March 25, 2010__________, 2009, the Planning Commission, in Resolution No. ___18056____ approved and recommended for adoption by the Board this legislation and adopted findings that it is consistent, on balance, with the City's General Plan and eight priority policies of Planning Code Section 101.1. The Board adopts these findings as its own. A copy of said Resolution is on file with the Clerk of the Board of Supervisors in File No. ___18056___, and is incorporated by reference herein.

(c) Pursuant to Planning Code Section 302, this Board of Supervisors finds that this legislation will serve the public necessity, convenience, and welfare for the reasons set forth in Planning Commission Resolution No. ___18056___, and incorporates such reasons by reference herein.

Section 2. The San Francisco Planning Code is hereby amended by amending Sections 249.33, 401, 415, 415.1, 415.2, 415.3, 415.4, 415.5, 415.6, 415.7, 415.8, 415.9, 416, 416.1, 416.2, 416.3, 416.4, 416.5, 417, 417.1, 417.2, 417.3, 417.4, 417.5, to read as follows:

SEC. 249.33 VAN NESS & MARKET DOWNTOWN RESIDENTIAL SPECIAL USE DISTRICT

(a) Purpose. There shall be a Van Ness & Market Downtown Residential Special Use District, which is comprised of the parcels zoned C-3-G in the Market Octavia Better Neighborhoods Plan area, and whose boundaries are designated on Sectional Map No. 2SU and 7SU of the Zoning Map of the City and County of San Francisco. This district is generally comprised of parcels focused at the intersections of Van Ness Avenue at Market Street and South Van Ness Avenue at Mission Street, along with parcels on both sides of Market and

Mayor Newsom, Supervisor Chiu
BOARD OF SUPERVISORS
Mission Streets between 10th and 12th Streets. This district is intended to be a transit-oriented, high-density, mixed-use neighborhood with a significant residential presence. This area is encouraged to transition from largely a back-office and warehouse support function to downtown into a more cohesive downtown residential district, and serves as a transition zone to the lower scale residential and neighborhood commercial areas to the west of the C-3. A notable amount of large citywide commercial and office activity will remain in the area, including government offices supporting the Civic Center and City Hall. This area was initially identified in the Downtown Plan of the General Plan as an area to encourage housing adjacent to the downtown. As part of the city’s Better Neighborhoods Program, this concept was fully articulated in the Market and Octavia Area Plan, and is described therein.

(b) Use Controls.

(1) Non-residential uses. For newly-constructed buildings or additions which exceed 20 percent or more of an existing structure’s gross floor area, non-residential uses are not permitted above the 4th story, and at least two occupied square feet of residential use shall be provided for each occupied square foot of non-residential use. In order to accommodate local government office uses near City Hall, publicly-owned or leased buildings or lots are exempted from the requirements of this subsection.

(2) Residential Density. There shall be no density limit for residential uses by lot area, but by the applicable requirements and limitations elsewhere in this Code, including but not limited to height, bulk, setbacks, open space, and exposure, as well as by the Market & Octavia Area Plan Fundamental Principals for Design, other applicable design guidelines, applicable elements and area plans of the General Plan, and design review by the Planning Department. The limitations of Section 215 shall not apply.

(3) Residential Affordable Housing Program. All projects in this district shall be subject to all the terms of Section 3415 and following of the Residential Inclusionary
Affordable Housing Program. Not withstanding the foregoing, projects within the Van Ness and Market Downtown Residential Special Use District shall at a minimum fulfill the requirements to the levels specified in this section. Should Section 3415 require greater contributions to the affordable housing program, those requirements shall supersede this section. Proposed exceptions to these requirements due to hardships associated with construction type, specifically heights above 120 feet, are not applicable in this Special Use District because parcels are receiving an up zoning through increased density and benefits through the general transformation of the district to a transit oriented neighborhood with a mixed use character. Requirements and administration of this program shall follow the conditions outlined in Section 3415 of the Planning Code unless otherwise specified in this section.

(A) **Payment of Affordable Housing Fee.** Except as provided in Section 415.5(g), all development projects subject to Section 415 et seq. in the Van Ness Market Special Use District shall be required to pay an Affordable Housing Fee under Section 415.5 equivalent to 20 percent of the number of units in the principal project.

(B) **Alternatives to Payment of Affordable Housing Fee.** If a project sponsor both qualifies for and chooses to meet the requirements through an Alternative to the Program, the project sponsor may choose one of the Alternatives in Section 415.5(g).

(i) **On site housing requirements and benefits.** For projects that qualify for and choose to fulfill the requirements of Section 3415 through the provision of onsite housing, the Planning Department shall require that 15% of all units constructed on the project site shall be affordable to qualifying households so that a project applicant must construct .15 times the total number of units produced in the principal project beginning with the construction of the fifth unit. If the total number of units is not a whole number, the project applicant shall round up to the nearest whole number for any portion of .5 or above.
Compliance through in-lieu fees. Projects in the Van Ness and Market Special Use District may choose to fulfill no more than fifty percent (50%) of the requirements of Section 315 and following through the payment of in-lieu fees as provided in Section 315.6.

Compliance through off-site housing development. For projects that qualify for and choose to fulfill the requirements of Section 3415 through the provision of off-site housing, the Planning Department shall require that 20% of all units constructed on the project site shall be affordable to qualifying households so that a project applicant must construct .20 times the total number of units produced in the principal project beginning with the construction of the fifth unit. If the total number of units is not a whole number, the project applicant shall round up to the nearest whole number for any portion of .5 or above.

Open Space Provider. The off-site open space permitted by this Section may be provided individually by the project sponsor or jointly by the project sponsor and other project sponsors, provided that each square foot of jointly developed open space may count toward only one sponsor's requirement. With the approval of the Planning Commission, a public or private agency may develop and maintain the open space, provided that (i) the project sponsor or sponsors pay for the cost of development of the number of square feet the project sponsor is required to provide, (ii) provision satisfactory to the Commission is made for the continued maintenance of the open space for the actual lifetime of the building giving rise to the open space requirement, and (iii) the Commission finds that there is reasonable assurance that the open space to be developed by such agency will be developed and open for use by the time the building, the open space requirement of which is being met by the payment, is ready for occupancy.

Off-site provision of required open space. Up to 40 percent of usable open space required by Sections 135 and 138 may be provided off-site if it is within the SUD or
within 900 feet of the project site and meets the standards described below for publicly accessible open space described below.

(B) **Publicly-Accessible Open Space Standards.**

(C) Open space must be of one or more of the following types:

(i) An unenclosed park or garden at street grade or following the natural topography, including improvements to hillsides or other unimproved public areas according to the Market & Octavia Area Plan;

(ii) An unenclosed plaza at street grade, with seating areas and landscaping and no more than 10 percent of the floor area devoted to food or beverage service;

(iii) An unenclosed pedestrian pathway that meets the minimum standards described in Section 827(g)(3)(A)-(E);

(iv) A terrace or roof garden with landscaping;

(v) Streetscape improvements with landscaping and pedestrian amenities that result in additional space beyond the pre-existing sidewalk width and conform to the Market & Octavia Area Plan, such as sidewalk widening or building setbacks; and

(vi) Streetscape improvements with landscaping and pedestrian amenities on alleyways from building face to building face, beyond basic street tree planting or street lighting as otherwise required by this Code, in accordance with the Market & Octavia Area Plan.

(D) Open space must meet the following standards:

(i) Be in such locations and provide such ingress and egress as will make the area convenient, safe, secure and easily accessible to the general public;

(ii) Be appropriately landscaped;

(iii) Be protected from uncomfortable winds;
(iv) Incorporate ample seating and, if appropriate, access to limited amounts of food and beverage service, which will enhance public use of the area;

(v) Be well signed and accessible to the public during daylight hours;

(vi) Be well lighted if the area is of the type requiring artificial illumination;

(vii) Be designed to enhance user safety and security;

(viii) Be of sufficient size to be attractive and practical for its intended use; and

(ix) Have access to drinking water and toilets if feasible.

(E) Maintenance. Open spaces shall be maintained at no public expense, except as might be provided for by any community facilities district that may be formed. The owner of the property on which the open space is located shall maintain it by keeping the area clean and free of litter and keeping in a healthy state any plant material that is provided. Conditions intended to assure continued maintenance of the open space for the actual lifetime of the building giving rise to the open space requirement may be imposed in accordance with the provisions of Section 309.1.

(F) Informational Plaque. Prior to issuance of a permit of occupancy, a plaque of no less than 24 inches by 36 inches in size shall be placed in a publicly conspicuous location outside the building at street level, or at the site of any publicly-accessible open space, identifying said open space feature and its location, stating the right of the public to use the space and the hours of use, describing its principal required features (e.g., number of seats, availability of food service) and stating the name and address of the owner or owner's agent responsible for maintenance.

(G) The Zoning Administrator shall have authority to require a property owner to hold harmless the City and County of San Francisco, its officers, agents and employees, from any damage or injury caused by the design, construction or maintenance of open space, and to require the owner or owners or subsequent owner or owners of the property to be solely
liable for any damage or loss occasioned by any act or neglect in respect to the design, construction or maintenance of the open space.

(5) Lot coverage. The rear yard requirements of Section 134 shall not apply. Lot coverage is limited to 80 percent at all residential levels except on levels in which all residential units face onto a public right-of-way. The unbuilt portion of the lot shall be open to the sky except for those obstructions permitted in yards per Section 136(c). Exceptions to the 20 percent open area may be granted pursuant to the procedures of Section 309 for conversions of existing non-residential structures where it is determined that provision of 20 percent open area would require partial demolition of the existing non-residential structure.

(6) Floor Area Ratio.

(A) The maximum FAR allowed, except as allowed in this Section, shall be that described in Section 123(C), provided that it shall not be greater than 9:1. The definition of Gross Floor Area shall be that in Section 102.9 as of the date of approval of this Ordinance, and shall include all residential uses. The provisions of Section 124(g) shall not apply in this special use district.

(B) Floor Area Bonus Permitted for Public Improvements or In-lieu Contributions to the Van Ness and Market Neighborhood Infrastructure Fund and In lieu Contributions to the Citywide Affordable Housing Fund.

(i) The gross floor area of a structure or structures on a lot may exceed the maximum ratio described in Section 123(c) through participation in the Van Ness and Market Affordable Housing and Neighborhood Infrastructure Program, according to the procedures described below in subsection (b)(7).

(ii) Notwithstanding the provisions of Sections 127 and 128 projects in this Special Use District are not eligible to acquire Transferable Development Rights from a Transfer Lot or Lots pursuant to the provisions of Sections 127-128 for that increment of FAR above the base
FAR limit in Section 124 up to the maximum FAR described in Section 123(c). Instead, a project may pay to the City's Citywide Affordable Housing Fund thirty dollars ($30) per additional gross square foot for that increment of FAR above the base FAR limit in Section 124 up to the maximum FAR described in Section 123(c). Any monies deposited into the Citywide Affordable Housing Fund shall be administered as provided for in Section 315 et seq.

SEC. 401. DEFINITIONS. (a) In addition to the specific definitions set forth elsewhere in this Article, the following definitions shall govern interpretation of this Article:

(1) "Affordable housing project." A housing project that is subject to the requirements of containing units constructed to satisfy the requirements of Sections 413.5, 413.8, 415.4 (Imposition of Requirements), or 415.5 (Affordable Housing Fee), 415.6 (On-Site Alternative), or 415.7 (Off-Site Alternative) of this Article, or receiving funds from the Citywide Affordable Housing Fund.

"Affordable unit" or "affordable housing unit." A unit that is restricted as affordable under Section 415 et seq.

(2) "Affordable to a household." shall mean a purchase price that a household can afford to pay based on an annual payment for all housing costs, as defined in California Code of Regulations ("CCR") Title 25, Section 6920, as amended from time to time, of 33 percent of the combined household annual gross income, assuming a down payment recommended by the Mayor's Office of Housing in the Procedures Manual, and available financing, or a rent that does not exceed 30 percent of a household's combined annual gross income. Where applicable, the purchase price or rent may be adjusted to reflect the absence or existence of a parking space(s), subject to the Department's policy on unbundled parking for affordable housing units as specified in the Procedures Manual and amended from time to time. A purchase price that a household can afford to pay based on an annual payment for all housing costs of 33 percent of the combined household annual net income, a 10 percent down
payment, and available financing, or a rent that a household can afford to pay based on an annual payment for all housing costs of 30 percent of the combined annual net income.

(3) "Affordable to qualifying households":

(A) With respect to owned units, the average purchase price on the initial sale of all affordable owned units in an affordable housing project shall not exceed the allowable average purchase price. Each unit shall be sold:

(i) Only to first-time homebuyer households, as defined in this Section;

(ii) Only to households with an annual net-gross income equal to or less than the qualifying income limits for that of a household of moderate income, adjusted for household size; and

(iii) Only to households that meet the household size requirements, as defined in the Procedures Manual:

(iv) On the initial sale, At or below the maximum purchase price, as defined in this Section;

(v) On subsequent sales at or below the prices to be determined according to the formula specified in the Procedures Manual in place at the time of the affordable unit owner’s purchase, as amended from time to time, such that the units remain affordable to qualifying households. The formula in the Procedures Manual shall permit the seller to include certain allowable capital improvements in the new maximum purchase price. The formula shall include a per unit cap on capital improvements of 10% of the resale price in order to maintain affordability. Special Assessments shall be added to the resale price at an uncapped rate.

(B) With respect to rental units in an affordable housing project, the average annual rent shall not exceed the allowable average annual rent. Each unit shall be rented:
(i) Only to households with an annual net gross income equal to or less than the qualifying limits for that of a household of lower income adjusted for household size, as defined in this Section:

(ii) Only households that meet the household size requirements, as defined in the Procedures Manual:

(iii) At or less than the maximum annual rent.

(4) "Allowable average purchase price": A price for all affordable owned units of the size indicated below that are affordable to a household of median income as defined in this Section, adjusted for the household size indicated below as of the date of the close of escrow, and, where applicable, adjusted to reflect the Department’s policy on unbundled parking for affordable housing units as specified in the Procedures Manual and amended from time to time:

(A) For all affordable one bedroom units in a housing project, a price affordable to a two-person household of median income as set forth in Title 25 of the California Code of Regulations Section 6932 ("Section 6932") on January 1st of that year;
(B) — For all affordable two-bedroom units in a housing project, a price affordable to a three-
person household of median income as set forth in Section 6932 on January 1st of that year;

(C) — For all affordable three-bedroom units in a housing project, a price affordable to a four-
person household of median income as set forth in Section 6932 on January 1st of that year;

(D) — For all affordable four-bedroom units in a housing project, a price affordable to a five-
person household of median income as set forth in Section 6932 on January 1st of that year.

(A) — With respect to owned units, the average purchase price on the initial sale of all
qualifying middle-income units shall not exceed the allowable average purchase price deemed
acceptable for households with an annual gross income equal to or less than the qualifying limits for a
household of middle-income, adjusted for household size. This purchase price shall be based on
household spending of 35% of income for housing, and shall only apply to initial sale, and not for the
life of the unit.

(B) — With respect to rental units, the average annual rent—including the cost of utilities paid
by the tenant according to the HUD utility allowance established by the San Francisco Housing
Authority—for qualifying middle-income units shall not exceed the allowable average purchase price
deemed acceptable for households with an annual gross income equal to or less than the qualifying
limits for a household of middle-income, adjusted for household size. This price restriction shall exist
for the life of the unit.

(5) — "Allowable average annual rent": Annual rent for an affordable rental unit of the
size indicated below that is 30 percent of the annual gross income of a household of median
income as defined in this Section, adjusted for the household size indicated below, and,
where applicable, adjusted to reflect the Department’s policy on unbundled parking for
affordable housing units as specified in the Procedures Manual and amended from time to
time:

(A) — For all affordable one-bedroom units in a housing project, 18 percent of the low median income for a household of two persons as set forth in Section 6932 on January 1st of that year;

(B) — For all affordable two-bedroom units in a housing project, 18 percent of the median income for a household of three persons as set forth in Section 6932 on January 1st of that year;

(C) — For all affordable three-bedroom units in a housing project, 18 percent of the median income for a household of four persons as set forth in Section 6932 on January 1st of that year;

(D) — For all affordable four-bedroom units in a housing project, 18 percent of the median income for a household of five persons as set forth in Section 6932 on January 1st of that year.

(6) —

"Area Median Income" or "AMI." The unadjusted median income levels derived from the Department of Housing and Urban Development ("HUD") on an annual basis for the San Francisco area, adjusted solely for household size, but not high housing cost area.

"Annual gross income." Gross income as defined in CCR Title 25, Section 6914, as amended from time to time, except that MOH may, in order to promote consistency with the
procedures of the San Francisco Redevelopment Agency, develop an asset test that differs
from the State definition if it publishes that test in the Procedures Manual.

(7)—"Annual net income." Net income as defined in Title 25 of the California Code of
Regulations Section 6916.

(8)—"Average annual rent." The total annual rent for the calendar year charged by a
housing project for all affordable rental units in the project of an equal number of bedrooms
divided by the total number of affordable units in the project with that number of bedrooms.

(9)—"Average purchase price." The purchase price for all affordable owned units in
an affordable housing project of an equal number of bedrooms divided by the total number of
affordable units in the project with that number of bedrooms.

(10)—"Balboa Park Community Improvements Fund." The fund into which all fee
revenue the City collects from the Balboa Park Impact Fee is deposited.

(11)—"Balboa Park Community Improvements Program." The program intended to
implement the community improvements identified in the Balboa Park Area Plan, as
articulated in the Balboa Park Community Improvements Program Document on file with the
Clerk of the Board in File No. 090179.

(12)—"Balboa Park Impact Fee." The fee collected by the City to mitigate impacts of
new development in the Balboa Park Program Area, as described in the findings in Section
422.1.

(13)—"Balboa Park Program Area." The Balboa Park Plan Area in Figure 1 of the
Balboa Park Station Area Plan of the San Francisco General Plan.

(14)—"Base service standard." The relationship between revenue service hours
offered by the Municipal Railway and the number of automobile and transit trips estimated to
be generated by certain non-residential uses, expressed as a ratio where the numerator
equals the average daily revenue service hours offered by MUNI and the denominator equals

Mayor Newsom, Supervisor Chiu
BOARD OF SUPERVISORS
the daily automobile and transit trips generated by non-residential land uses as estimated by
the TIDF Study or updated under Section 411.5 of this Article.

(15) "Base service standard fee rate." The TIDF that would allow the City to recover
the estimated costs incurred by the Municipal Railway to meet the demand for public transit
resulting from new development in the economic activity categories for which the fee is
charged, after deducting government grants, fare revenue, and costs for non-vehicle
maintenance and general administration.

(16) "Board" or "Board of Supervisors." The Board of Supervisors of the City and
County of San Francisco.

"Change of Use". A change of gross floor area from one category of use to another
category of use listed in the use table for the zoning district of the subject lot.

(17) "Child-care facility." A child-care facility as defined in California Health and
Safety Code Section 1596.750.

(18) "Child-care provider." A provider as defined in California Health and Safety Code
Section 1596.791.

(19) "City" or "San Francisco." The City and County of San Francisco.

(23) "Commission" or "Planning Commission." The San Francisco Planning
Commission.

(24) "Community apartment." As defined in San Francisco Subdivision Code Section
1308(b).

(25) "Community facilities." All uses as defined under Section 209.4(a) and 209.3(d)
of this Code.

(26) "Condition of approval" or "Conditions of approval." A condition or set of written
conditions imposed by the Planning Commission or another permit-approving or issuing City
agency or appellate body to which a project applicant agrees to adhere and fulfill when it receives approval for the construction of a development project subject to this Article.

(27)—"Condominium." As defined in California Civil Code Section 783.

(28)—"Cultural/Institution/Education (CIE)." An economic activity category subject to the TIDF that includes, but is not limited to, schools, as defined in Sections 209.3(g), (h), and (i) and 217(f)-(i) of this Code; child care facilities; museums and zoos; and community facilities, as defined in Sections 209.4 and 221(a)-(c) of this Code.

(29)—"DBI." The San Francisco Department of Building Inspection, or its successor.

(30)—"Dedicated." Legally transferred to the City and County of San Francisco, including all relevant legal documentation, at no cost to the City.

(31)—"Dedicated site." The portion of site proposed to be legally transferred at no cost to the City and County of San Francisco under the requirements of this section.

(32)—"Department" or "Planning Department." The San Francisco Planning Department or the Planning Department's designee, including the Mayor's Office of Housing and other City agencies or departments.

(33)—"Designated affordable housing zones." For the purposes of implementing the Eastern Neighborhoods Public Benefits Fund, shall mean the Mission NCT defined in Section 736 and the Mixed Use Residential District defined in Section 841.

(34)—"Development fee." Either a development impact fee or an in-lieu fee. It shall not include a fee for service or any time and material charges charged for reviewing or processing permit applications.

(35)—"Development Fee Collection Unit" or "Unit." The Development Fee Collection Unit at DBI.

(36)—"Development impact fee." A fee imposed on a development project as a condition of approval to mitigate the impacts of increased demand for public services, facilities
or housing caused by the development project that may or may not be an impact fee
governed by the California Mitigation Fee Act (California Government Code Section 66000 et
seq.).

(37)—"Development impact requirement." A requirement to provide physical
improvements, facilities or below market rate housing units imposed on a development project
as a condition of approval to mitigate the impacts of increased demand for public services,
facilities or housing caused by the development project that may or may not be governed by
the California Mitigation Fee Act (California Government Code Section 66000 et seq.).

(38)—"Development project." Any change of use within an existing structure, addition
to an existing structure, or new construction, which includes any occupied floor area.

(39)—"Development under the TIDF." Any new construction, or addition to or
conversion of an existing structure under a building or site permit issued on or after
September 4, 2004, that results in 3,000 gross square feet or more of a covered use. In the
case of mixed use development that includes residential development, the term "new
development" shall refer to only the non-residential portion of such development. "Existing
structure" shall include a structure for which a sponsor already paid a fee under the prior TIDF
ordinance, as well as a structure for which no TIDF was paid.

(40)—"Director." The Director of Planning or his or her designee.

(41)—"DPW." The Department of Public Works, or its successor.

(42)—"Eastern Neighborhoods Infrastructure Impact Fee." The fee collected by the
City to mitigate impacts of new development in the Eastern Neighborhoods Program Area, as
described in the Findings in Section 423.1

(43)—"Eastern Neighborhoods Public Benefits Fund." The fund into which all fee
revenue collected by the City from the Eastern Neighborhoods Impact Fee is deposited.
"Eastern Neighborhoods Public Benefits Program." The program intended to implement the community improvements identified in the four Area Plans affiliated with the Eastern Neighborhoods (Central Waterfront, East SoMa, Mission, and Showplace Square/Potrero Hill), as articulated in the Eastern Neighborhoods Public Benefits Program Document, on file with the Clerk of the Board in File No. 081155.

"Economic activity category." Under the TIDF, one of the following six categories of non-residential uses: Cultural/Institution/Education (CIE), Management, Information and Professional Services (MIPS), Medical and Health Services, Production/Distribution/Repair (PDR), Retail/Entertainment, and Visitor Services.

"Entertainment use." Space within a structure or portion thereof intended or primarily suitable for or accessory to the operation of uses defined in San Francisco Planning Code Sections 102.17 (Nighttime Entertainment), 790.38 and 890.37 (Other Entertainment), 790.36 and 890.36 (Adult Entertainment), 790.64 and 890.64 (Movie Theater), and 790.4 and 890.4 (Amusement Arcade), regardless of the zoning district that the use is located in.

"First eCertificate of Occupancy." Either a temporary eCertificate of Occupancy or a Certificate of Final Completion and Occupancy as defined in San Francisco Building Code Section 109A, whichever is issued first.

"First-time homebuyer household." At a minimum, shall be a household in which no member of the qualifying household may have owned any interest in a dwelling unit for a three-year period prior to applying to qualify for purchase of a unit restricted as affordable.

Mayor Newsom, Supervisor Chiu
BOARD OF SUPERVISORS
under the Inclusionary Housing Program. The Procedures Manual may contain additional
requirements as necessary.

(51)—"Gross floor area." The total area of each floor within the building's exterior
walls, as defined in Section 102.9(b)(12) of this Code.

(52)—"Gross square feet of use." The meaning set forth in Section 102.9 of this Code, with the exception of the TIDF. With respect to the TIDF, the total square feet of gross floor
area in a building and/or space within or adjacent to a structure devoted to all uses covered by
the TIDF, including any common areas exclusively serving such uses and not serving
residential uses. Where a structure contains more than one use, areas common to two or
more uses, such as lobbies, stairs, elevators, restrooms, and other ancillary spaces included
in gross floor area that are not exclusively assigned to one uses shall be apportioned among
the two or more uses in accordance with the relative amounts of gross floor area, excluding
such space, in the structure or on any floor thereof directly assignable to each use.

(55)—"Hotel" or "Hotel use." Space within a structure or portion thereof intended or
primarily suitable for or accessory to the operation of uses defined in San Francisco Planning

SEC. 415 (formerly Section 315). HOUSING REQUIREMENTS FOR RESIDENTIAL AND LIVE/WORK DEVELOPMENT PROJECTS.

Sections 415.1 through 415.11 9, hereafter Section 415.1 et seq., set forth the requirements and procedures for the Residential Inclusionary Affordable Housing Program ("Program" or "Inclusionary Housing Program"). The effective date of these requirements shall be either April 5, 2002, which is the date that the requirements originally became effective, or the date a subsequent modification, if any, became effective.

The Planning Department and MOH shall periodically publish a Procedures Manual containing procedures for monitoring and enforcement of the policies and procedures for
implementation of this Program. The Procedures Manual must be made available at the
Zoning Counter of the Department and on the Department's web site. The Procedures Manual
shall not be amended, except for an annual update of the affordability housing guidelines,
which reflect updated income limits, prices, and rents, without approval of the Commission or
as otherwise specified herein.

The Procedures Manual in effect at the time of initial purchase or initial rental of a unit
shall govern the regulation of that unit until it is sold or re-rented unless an owner or current
tenant chooses to be governed by all of the more up-to-date provisions of the then-current
Procedures Manual. In that case, the owner or tenant must agree to be governed by the
totality of the new regulations -- an owner or tenant may not pick some provisions from the
Procedures Manual in effect at the time of initial purchase or initial rental and some in effect in
the then-current Procedures Manual. If the owner or tenant chooses to be governed by the
then-current Procedures Manual he or she shall sign an agreement with the City to that effect,
and the Department and MOH shall apply all of the rules and regulations in the then-current
Procedures Manual to the unit.

SEC. 415.1. FINDINGS (formerly Section 315.2).
A. The Board of Supervisors hereby finds and declares as follows:

Affordable Housing: The findings in former Planning Code Section 315.2 of the
Inclusionary Affordable Housing Ordinance are hereby readopted and updated as
follows:

1. Affordable housing is a paramount statewide concern. In 1980, the Legislature
declared in Government Code Section 65580:

(a) The availability of housing is of vital statewide importance, and the early
attainment of decent housing and a suitable living environment for every California family is a
priority of the highest order.
(b) The early attainment of this goal requires the cooperative participation of
government and the private sector in an effort to expand housing opportunities and
accommodate the housing needs of Californians of all economic levels.

(c) The provision of housing affordable to low-and moderate-income households
requires the cooperation of all levels of government.

(d) Local and state governments have a responsibility to use the powers vested in
them to facilitate the improvement and development of housing to make adequate provision
for the housing needs of all economic segments of the community.

The Legislature further stated in Government Code Section 65581 that:

It is the intent of the Legislature in enacting this article:

(a) To assure that counties and cities recognize their responsibilities in contributing
to the attainment of the state housing goal.

(b) To assure that counties and cities will prepare and implement housing elements
which will move toward attainment of the state housing goal.

(c) To recognize that each locality is best capable of determining what efforts are
required by it to contribute to the attainment of the state housing goal.

The California Legislature requires each local government agency to develop a
comprehensive long-term general plan establishing policies for future development. As
specified in the Government Code (at Sections 65300, 65302(c), and 65583(c)), the plan must
(1) "encourage the development of a variety of types of housing for all income levels,
including multifamily rental housing"; (2) "[a]ssist in the development of adequate housing to
meet the needs of low- and moderate-income households"; and (3) "conserve and improve
the condition of the existing affordable housing stock, which may include addressing ways to
mitigate the loss of dwelling units demolished by public or private action."
2. San Francisco faces a continuing shortage of affordable housing for very low and low-income residents. The San Francisco Planning Department reported that for the four-five-year period between 2000 and 2004-2005 and 2009, 14,397-8,389 total new housing units were built in San Francisco. This number includes 1,933 3,707 units for low and very low-income households out of a total need of 3,990 6,815 low and very low-income housing units for the same period. According to the state Department of Housing and Community Development, there will be a regional need for 290,743 214,500 new housing units in the nine Bay Area counties from 1999 through 2006-2007 to 2014. Of that amount, over 58 percent, or 133,464 125,258 units, are needed for moderate, low and very low-income households. The Association of Bay Area Governments (ABAG) is responsible for dividing allocating the total regional need numbers among its member governments which includes both counties and cities. ABAG estimates that San Francisco's low and very low-income housing production need from 2007 through 2014 is 12,124,1999 through 2006 is 7,379 units out of a total new housing need of 20,372,319,193 units, or 36 39 percent of all units built. Within the past five four years, only 23 25 percent of all housing built, or 5449 percent of the previously projected housing need for low and very low-income housing for the same period, was produced in San Francisco. The production of moderate income rental units also fell short of the ABAG goal. Only 1,093 354 moderate income units were produced over the previous five four years, or four almost 8 percent of all units built, compared to ABAG's call for 2628 percent of all units to be affordable to households of moderate income. Given the need for 3,007 moderate income units over the four-year period, only 12 percent of the projected need for moderate-income units was built.

3. In response to the above mandate from the California Legislature and the projections of housing needs for San Francisco, San Francisco has instituted several strategies for producing new affordable housing units. The 2004 Housing Element of the
General Plan recognizes the need to support affordable housing production by increasing site availability by identifying and securing opportunity sites for permanently affordable housing, by expanding the financial resources available for permanent affordable housing through coordination at the regional, state, and Federal levels, and by supporting efforts to produce and manage permanently affordable housing and capacity for permanently affordable housing through the inclusion of affordable units in larger housing projects. Further, the City, as established in the General Plan, seeks to encourage the distribution of affordable housing throughout all neighborhoods and, thereby, offer diverse housing choices and promote economic and social integration. The 2004 Housing Element calls for an increase in the production of new affordable housing for greater economic integration and for the promotion of integrated neighborhoods with a diversity of housing types provided and a range of housing options and opportunities income levels. Development of mixed-income housing to achieve social and cultural diversity. Section 415.1 et seq. Section 415.1 et seq. furthers the goals of the State Legislature and the General Plan.

4. The 2005 2010 Consolidated Plan for July 1, 2000–June 30, 2005 to June 30, 2010, issued by the Mayor's Office of Community Development and the Mayor's Office of Housing, establishes that extreme housing pressures face San Francisco, particularly in regard to low- and moderate-income residents. Many elements constrain housing production in the City. This is especially true of affordable housing. As discussed in the 2004 Housing Element published by the City Planning Department. San Francisco is largely built out, with very few large open tracts of land to develop. As noted in the 2000 Consolidated Plan, its geographical location at the northern end of a peninsula inherently prevents substantial new development. There is no available adjacent land to be annexed, as the cities located on San Francisco's southern border are also dense urban areas. Thus new construction of housing is limited to areas of the City not previously designated as residential areas, infill sites, or to
areas with increased density. New market-rate housing absorbs a significant amount of the remaining supply of land and other resources available for development and thus limits the supply of affordable housing.

There is a great need for affordable rental and owner-occupied housing in the City. Housing cost burden is one of the major standards for determining whether a locality is experiencing inadequate housing conditions, defined as households that expend 30 percent or more of gross income for rent or 35 percent or more of household income for owner costs. The 2000 Census indicates that 76,600 64,400 renter households earning up to 80 percent of the area median income are cost burdened. Of these, about 25,000 households earn less than 50 percent of AMI and pay more than 50 percent of their income to rent. According to more recent data from the Comprehensive Housing Affordability Study (CHAS) 67,015 American Housing Survey, 80,662 80,014 total renter households, or 34.43-41 percent, were cost burdened in 2005-07 are cost burdened in 2008. A significant number of owners are also cost burdened. The 2005-07 CHAS indicates that 46,985 owner households are cost burdened, or 38 percent. According to 2000 Census data, 18,237 of owners are cost- burdened, or 23 percent of all owner households. The 2008 American Housing Survey indicates that this level has risen to 39.29 percent.

The San Francisco residential real estate market is one of the most expensive in the United States. In June 2010 May 2005, the California Association of Realtors reported that the median priced home in San Francisco was $670,000 $755,000. This price is 48 percent higher than the median priced home one year earlier, 44.115 percent higher than the State of California median ($311,950), and 266.365 percent higher than the national average ($183,000). While the national homeownership rate is approximately 67.269 percent, only approximately 39.95 percent of San Franciscans own their own home. The majority of market-rate homes for sale in San Francisco are priced out of the reach of low and moderate income
households. In June 2010, the average rent for a two-bedroom apartment was $2,2302,125,821.00, which is affordable to households earning over $89,20074,000.00.

These factors contribute to a heavy demand for affordable housing in the City that the private market cannot meet. For many years, each year the number of market rate units that are affordable to low income households has been reduced by rising market rate rents and sales prices. Although housing prices and rent levels have dropped in recent years, lower income households still struggle to pay for housing in San Francisco. The number of households benefiting from rental assistance programs is far below the need established by the 2000 Census. Because the shortage of affordable housing in the City can be expected to continue for many years, it is necessary to maintain the affordability of the housing units constructed by housing developers under this Program. The 2004 Housing Element of the General Plan recognizes this need, and one of its primary objectives is to protect the affordability of the existing housing stock. Objective 1 of the Housing Element is to provide new housing, especially permanently affordable housing, in appropriate locations which meets identified housing needs and takes into account the demand for affordable housing created by employment demand. Objective 6 is to protect the affordability of existing housing, and to ensure that housing developed to be affordable be kept affordable for 50–75 year terms, or even longer if possible. The Housing Element also sets the goal of securing funding and permanent resources for permanently affordable housing, including innovative programs that are not solely reliant on traditional mechanisms or capital, including the production of affordable housing through process and zoning accommodations and support for middle income housing.

In 2004 the National Housing Conference issued a survey entitled "Inclusionary Zoning: The California Experience." The survey found that as of March 2003, there were 107 cities and counties using inclusionary housing in California, one-fifth of all localities in the
state. Overall, the inclusionary requirements were generating large numbers of affordable units. Only six percent of jurisdictions reported voluntary programs, and the voluntary nature appears to compromise the local ability to guarantee affordable housing production. While there was a wide range in the affordability percentage-requirements for inclusionary housing, the average requirement for affordability in rental developments is 16 percent. Approximately half of all jurisdictions require at least 15 percent to be affordable, and one-quarter require 20 percent or more to be affordable.

5. Development of new market-rate housing makes it possible for new residents to move to the City. These new residents place demands on services provided by both public and private sectors. Some of the public and private sector employees needed to meet the needs of the new residents earn incomes only adequate to pay for affordable housing. Because affordable housing is in short supply within the City, such employees may be forced to live in less than adequate housing within the City, pay a disproportionate share of their incomes to live in adequate housing within the City, or commute ever-increasing distances to their jobs from housing located outside the City. These circumstances harm the City's ability to attain goals articulated in the City's General Plan and place strains on the City's ability to accept and service new market-rate housing development.

6. The payment of an Affordable Housing Fee by developers of market rate housing is justified for the reasons stated herein and has identifiable benefits to the City. Because it is not financially feasible in most circumstances to develop new housing affordable to very-low, low, median and moderate-income households, the City and County provide direct housing investments to developers to enable the creation of affordable housing. The Affordable Housing Fee will be used to help subsidize these development costs and provide administrative support for these programs and other affordable housing development activities administered by the City and County. Without these funds, the City and County would be less able to meet its affordable housing needs and the Regional...
Housing Needs goals established by ABAG and the State of California for the City and County for 2007-2014

The Affordable Housing Fee also enables affordable housing developments to leverage outside development funding from the private sector, and the State and Federal Government. This development work also creates economic activity, particularly construction work, which provides high-paying jobs to residents and workers in the City and County.

In addition, it is not financially feasible for the typical moderate income household to purchase a home in San Francisco. For these reasons, the Affordable Housing Fee may also be used to provide down payment assistance to low and moderate income homebuyers and provide administrative support for these programs and other first-time homebuyer assistance administered by the City and County.

However, if the development of affordable housing on the same site as market-rate housing also increases social and economic integration vis-a-vis housing in the City and has corresponding social and economic benefits to the City. Inclusionary housing provides a healthy job and housing balance. Inclusionary housing provides more affordable housing close to employment centers which in turn may have a positive economic impact by reducing such costs as commuting and labor costs. However, there may also be trade-offs where constructing affordable units at a different site than the site of the principle project may produce a greater number of affordable units without additional costs to the project applicant. If a project applicant may produce a significantly greater number of affordable units off-site then it is in the best interest of the City to permit the development of affordable units at a different location than that of the principal project.

7. Provided project applicants can take these requirements into consideration when negotiating to purchase land for a housing project, the requirements of Section 415.1 et seq. are generally financially feasible for project applicants to meet, particularly because of the benefits being conferred by the City to housing projects under Section 415.1 et seq..
Section 406 provides a means by which a project applicant may seek a reduction or waiver of the Affordable Housing Fee or a reduction or waiver of the alternative requirements of this Program if the project applicant can show that imposition of these requirements would create an unlawful financial burden.

8. Conditional Use Authorization and Planned Unit Development Permits permit the development of certain uses not permitted as of right in specific districts or greater density of permitted residential uses. As the General Plan recognizes, through the Conditional Use Authorization and Planned Unit Development process, applicants for housing projects generally receive material economic benefits. Such applicants are generally permitted to build in excess of the generally applicable black letter requirements of the Planning Code for housing projects resulting in increased density, bulk, or lot coverage or a reduction in parking or other requirements or an approval of a more intensive use over that permitted without the Conditional Use Authorization or Planned Unit Development permit. Through the Conditional Use Authorization and Planned Unit Development process, building standards can be relaxed in order to promote lower cost home construction. An additional portion of San Francisco’s affordable housing needs can be supplied (with no public subsidies or financing) by private sector housing developers developing inclusionary affordable units in their large market-rate projects in exchange for the density and other bonuses conferred by Conditional Use Authorization and Planned Unit Development approvals, provided it is financially attractive for private sector housing developers to seek such conditional use and/or planned unit development approvals.

9. The City wants to balance the burden on private property owners with the demonstrated need for affordable housing in the City. For the reasons stated above, the Board of Supervisors thus intends to increase the inclusionary housing requirements for all residential projects. In order to balance the burden on property owners, the Board intends to limit the application of an
inclusionary housing requirement to 15 percent for housing projects that do not receive any of the
generally receive benefits described above through the conditional use or planned unit development process, or in
live/work projects. A slightly higher percentage will be applied to projects which generally receive
benefits through the conditional use or planned unit development process, or in live/work projects. The
2004 Housing Element (Policy 4.2) states: Include affordable units in larger housing
developments. It also calls for the City to review its affordable inclusionary inclusionary
Housing Program regularly to ensure fair burden and not constrain new housing production.
The Board of Supervisors has reviewed the inclusionary inclusionary Affordable Housing
Program and finds that, for purposes of the Housing Element of the General Plan, increasing
the-inclusionary-housing-requirements the current Affordable Housing Fee – set at the equivalent to
providing 20 percent of the total number of units as affordable units (or less for projects approved
under prior requirements) – ensures more fair burden on all housing development and will not
constrain new housing production. The Board of Supervisors has reviewed the inclusionary
Inclusionary Affordable Housing Program and finds that, for purposes of the Housing Element
of the General Plan, a housing project of five units or more is a larger housing project.
Expanding the inclusionary housing Applying the Inclusionary Affordable Housing Program
requirements to buildings of five units or more ensures more fair burden on all housing
development and will not constrain new housing production.

10. The findings of former Planning Code Section 313.2 for the Jobs-Housing
Linkage Program, now found in Planning Code Sections 3413 et seq., relating to the shortage
of affordable housing, the low vacancy rate of housing affordable to persons of lower and
moderate income, and the decrease in construction of affordable housing in the City are
hereby readopted.

11. The Land Use and Economic Development Committee of the Board of
Supervisors held hearings on this legislation on July 12 and 19, 2006. At those hearings, the
Committee heard testimony from Planning Department staff and consultant Kate Funk of Keyser Marston and Associates regarding a study undertaken at the direction of the Planning Department by the consultant Keyser Marston Associates. The study was entitled Inclusionary Housing Program Sensitivity Analysis, dated July 7, 2006, and was undertaken to examine the economic impacts of adjusted inclusionary requirements on market-rate housing projects ("Sensitivity Analysis"). The study can be found in Board File No. 051685 and is incorporated herein by reference. The study was guided by the Planning Department and MOH and informed by a Technical Advisory Committee comprised of a variety of experts from the San Francisco Housing Development and Affordable Housing Advocacy Communities. Planning Department staff presented a report summarizing the findings of the Sensitivity Analysis and the recommendations of the Technical Advisory Committee. That report, dated July 10, 2006, is found in Board File No. 051685 and is incorporated herein by reference. After considering the Sensitivity Analysis and staff report and hearing the recommendations and testimony of the Planning Department, MOH, members of the Technical Advisory Committee, and members of the public including representatives of housing developers, community members, and affordable housing advocates, the Land Use and Economic Development Committee considered various amendments to the legislation. The Committee found, among other things, that it was in the public interest to increase the percentage requirements of the ordinance, but not by as much as originally proposed; to modify the application dates of the ordinance to grandfather more existing projects from the increased percentage requirements, but to make most projects subject to the other requirements of the ordinance; and to require further study on some issues by the Planning Department and MOH.

12. The City of San Francisco, under the direction of the Office of the Controller, has undertaken a comprehensive program of analyses to update its programs and supporting documentation for many types of fees, including updating nexus analyses in support of
development impact fees. At the direction of the Board of Supervisors and as part of this larger analysis, the City contracted with Keyser Marston Associates to prepare a nexus analysis in support of the Inclusionary Affordable Inclusionary Housing Program, or an analysis of the impact of development of market rate housing on affordable housing supply and demand. The Planning Department and MOH worked closely with the consultant and also consulted with the Technical Advisory Committee, noted above, comprised of a variety of experts from the San Francisco housing development and affordable housing advocacy communities.

The City's current position is that the City's Inclusionary Affordable Housing Program including the in-lieu fee provision which is offered as an alternative to building units within market rate projects is not subject to the requirements of the Mitigation Fee Act, Government Code Sections 66000 et seq. While the City does not expect to alter its position on this matter, due to past legislative actions supporting such a study, the Citywide study being undertaken to conduct nexus studies in other areas, and a general interest in determining whether the Inclusionary Inclusionary Housing Program can be supported by a nexus type analysis as an additional support measure, the City contracted to undertake the preparation of a nexus analysis at this time.

The final study can be found in the Board of Supervisors File and is incorporated by reference herein. The Board of Supervisors has reviewed the study and staff analysis and report of the study and, on that basis finds that the study supports the current Inclusionary housing requirements of the Inclusionary Affordable Housing Program including, but not limited to, the primary requirement that project applicants pay the Affordable Housing Fee. Specifically, the Board finds that this study: identifies the purpose of the fee to mitigate impacts on the demand for affordable housing in the City; identifies the use to which the fee is to be put as being to increase the City's affordable housing supply; and establishes a reasonable relationship
between the use of the fee for affordable housing and the need for affordable housing and the
construction of new market rate housing. Moreover, the Board finds that the current
inclusionary requirements are less than the cost of mitigation and do not include
the costs of remedying any existing deficiencies. The Board also finds that the study
establishes that the current inclusionary requirements do not duplicate other city
requirements or fees.

13. The Board of Supervisors recognizes that this Inclusionary Affordable
Housing Program is only one part of the City's overall strategy for providing affordable
housing. The City has spent over $154 million in capital funds on affordable housing in 2006-
07 of combined expenditures by MOH and San Francisco Redevelopment Agency, but not
including expenditures by the Department of Public Health or the Human Services Agency. At
the very most, only $22 million of those monies come from contributions from private
developers through this Inclusionary Program or other similar programs. The City expected to
spend over $78 million on affordable housing in 2007-08 and, the current expectation is that
only $2.5 million of those monies will come from contributions from private developers through
this Inclusionary Program or other similar programs. The Mayor's Office of Housing committed
over $54 million in capital funds to affordable housing development in 2009-10. Only $5
million of those monies came from contributions from private developers through this Program
or other similar programs. The MOH has budgeted approximately $64 million for affordable
housing development in 2010-11 and the current expectation is that about $14 million of those
monies will come from contributions from private developers through this Program or other
similar programs.

14. While the Board of Supervisors has amended the Inclusionary Affordable
Housing Program to have the primary requirement of the Program be the Affordable Housing
Fee, for continuity and ease of reference the Board finds that the Program should, in name.
remain the Inclusionary Affordable Housing Program ("Program" or "Inclusionary Housing Program").

SEC. 415.2. DEFINITIONS. See Section 401 of this Article.

(a) In addition to the definitions set forth in Section 401 of this Article, the following definitions shall govern interpretation of Section 415.1 et seq.:

(1) "Allowable average purchase price." A price for all affordable owned units of the size indicated below that are affordable to a household of median income as defined in this Section, adjusted for the household size indicated below as of the date of the close of escrow, and, where applicable, adjusted to reflect the Department's policy on unbundled parking for affordable housing units as specified in the Procedures Manual and amended from time to time:

**SEC. 415.3. APPLICATION (formerly 315.3).**

(a) Section 415.1 et seq. shall apply to any housing project that consists of five or more units where an individual project or a phased project is to be undertaken and where the total undertaking comprises a project with five or more units, even if the development is on separate but adjacent lots; and

(1) Does not require Commission approval as a Conditional Use Authorization or Planned Unit Development;

(2) Requires Commission approval as a Conditional Use Authorization or Planned Unit Development;

(3) Consists of live/work units as defined by Section 102.13 of this Code; or

(4) Requires Commission approval of replacement housing destroyed by earthquake, fire or natural disaster only where the destroyed housing included units restricted.
under the Residential Inclusionary Inclusionary Affordable Housing Program or the City's predecessor inclusionary housing policy, condominium conversion requirements, or other affordable housing program.

(b) The effective date of these requirements shall be either April 5, 2002, which is the date that the requirements originally became effective, or the date a subsequent modification, if any, became operative. The following table is designed to summarize the most significant subsequent modifications to this Program and the dates those modifications went into effect. The Planning Department and the Mayor's Office of Housing shall maintain a record for the public summarizing various amendments to this Program and their effective or operative dates. To the extent there is a conflict between the following table or any summary produced by the Department or MOH and the provisions of the original implementing ordinances, the implementing ordinances shall prevail.

Section 415.1 et seq. shall apply to all housing projects that have not received a first site or building permit construction document on or before the effective date of Section 415.1 et seq., with the following exceptions. Until these application dates take effect as described below, the provisions of Section 415.1 et seq., as it exists on July 18, 2006 shall govern. The provisions of Section 415.1 et seq., excluding the provisions relating to the Affordable Housing Fee and the alternatives to the payment of the fee, shall become effective immediately upon adoption of Ordinance No. ___________ (BOS File No. ___) and shall apply to all projects regardless of application date.

(1) The amendments to the off-site requirements in Section 415.7.6(c) and (d) relating to location and type of off-site housing, and Section 415.4(c) relating to when a developer shall declare whether it is eligible for will choose an alternative to the Affordable Housing Fee on-site requirement shall apply only to projects that receive their Commission or Department approval on or after the effective date of Section 415.1 et seq.

(2) The amendments to the percentage requirements of Section 415.1 et seq., that govern the number of affordable units a housing project is required to provide in Sections 415.5(a) and 415.6(a) and 415.7(a) apply only to housing projects that submit their first application, including an environmental evaluation application or any other Planning Department or Building Department application, on or after July 18, 2006. Notwithstanding the foregoing, the amendments to the percentage requirements of Section 415.1 et seq. also apply to any project that has not received its final Commission or Department approvals before July 18, 2006 for housing projects that receive a Zoning Map amendment or Planning Code text amendment related to their project approvals that (A) results in a net increase in the number of permissible residential units, or (B) results in a material increase in the net permissible residential square footage. For purposes of subsection B above a material
increase shall mean an increase of 5 percent or more, or an increase in 10,000 square feet or
more, whichever is less.

(3) The amendments in Section 415.1 to the way median income is calculated apply
to any housing project that has not received a first site or building permit by the effective date
of Section 415.1 et seq.

(4) Section 415.1 et seq. shall apply to all housing projects of 5 to 9 units that filed
their first application, including an environmental evaluation application or any other Planning
Department application on or after July 10, 2006.

(c) Section 415.1 et seq., the Inclusionary Housing Program, shall not apply to:

(1) That portion of a housing project located on property owned by the United
States or any of its agencies or leased by the United States or any of its agencies for a period
in excess of 50 years, with the exception of such property not used exclusively for a
governmental purpose;

(2) That portion of a housing project located on property owned by the State of
California or any of its agencies, with the exception of such property not used exclusively for a
governmental or educational purpose; or

(3) That portion of a housing project located on property under the jurisdiction of the
San Francisco Redevelopment Agency or the Port of San Francisco where the application of
Section 415.1 et seq. is prohibited by California or local law.

(4) Selected projects that are otherwise providing affordable units comparable to or
exceeding the requirements of this program as follows:

(A) Qualifying Projects. Projects that meet either of the requirements of subsection
(i) or (ii) below for as long as they meet all of the requirements and conditions of this
subsection.
(i) A project using California Debt Limit Allocation Committee (CDLAC) tax-exempt bond financing as long as the project provides 20 percent of the units as affordable at 50 percent of area median income for on-site housing or 25 percent of the units as affordable at 50 percent of area median income for off-site housing.

(ii) A 100% affordable housing project in which rents are controlled or regulated by any government unit, agency or authority, excepting those unsubsidized and/or unassisted units which are insured by the United States Department of Housing and Urban Development. The Mayor’s Office of Housing must represent to the Planning Commission or Planning Department that the project meets this requirement.

(B) Restrictions. If a project sponsor, takes advantage of this subsection, all of the rules and regulations of the programs or recorded documents guaranteeing the affordability of the units shall govern the units and the requirements of this Program shall not apply.

(C) Conditions. In order to qualify for this provision, the project sponsor must record an NSR against the property that provides that, in the event of foreclosure or for any other reason, the project no longer qualifies as a project meeting the requirements of subsection (4)(A)(i) or (ii) the project will either:

(i) pay the Affordable Housing Fee plus interest from the date the project received its first construction document for the project if no affordable units were ever provided or, if affordable units were provided and occupied, then the Affordable Housing Fee with no interest is due on the date the units were no longer occupied by qualifying households; or

(ii) provide the required number of on-site affordable units required at time of original project approval and that those units shall be subject to all of the requirements of this Program.

(D) In the event that there is a foreclosure or other event triggering the requirements of subsection (C) above, the project sponsor shall record a new NSR specifying the manner it
which it complies with this Program, including but not limited to any specific units restricted as affordable under (C)(ii). The new NSR shall provide that the units must comply with all of the requirements of this Program.

(d) For projects that have received a first site or building permit prior to the effective date of Section 415.1 et seq., the requirements in effect prior to the effective date of Section 415.1 et seq. shall apply.

SEC. 415.4 IMPOSITION OF REQUIREMENTS.

(a) Determination of Requirements. The Department shall determine the applicability of Section 415.1 et seq. to any development project requiring a first construction document building or site permit and, if Section 415.1 is applicable, shall impose any such requirements as a condition of approval for issuance of the first construction document building or site permit. The project sponsor shall supply any information necessary to assist the Department in this determination.

(b) Notice to Development Fee Collection Unit of Requirements. After the Department has made its final determination regarding the application of the affordable housing requirements to a development project pursuant to Section 415.1 et seq., it shall immediately notify the Development Fee Collection Unit at DBI in addition to the other information required by Section 402(b) of this Article.

(c) Payment of Affordable Housing Fee or Project Sponsor’s Eligibility For And Selection of Alternative: Sponsor's Choice to Fulfill Requirements. Prior to issuance of a building or site permit first construction document for a development project subject to the requirements of Section 415.1 et seq., the sponsor of the development project shall pay the Affordable Housing Fee set forth in Section 415.5 or, if eligible to meet the requirements through an Alternative, shall select one of the four options listed in Section 415.5(f), below to fulfill their affordable housing requirements and notify the Department of their choice.
(1) Construct on-site units affordable to qualifying households pursuant to the requirements of Section 415.5.

(2) Construct off-site units affordable to qualifying households at an alternative site within the City and County of San Francisco pursuant to Section 415.6.

(3) Pay an in-lieu fee to the Development Fee Collection Unit at DBI pursuant to Section 415.7.

(4) Provide any combination of on-site units as provided in Section 415.5, off-site units as provided in Section 415.6, or payment of an in-lieu fee as provided in Section 415.7, provided that the sponsor constructs or pays the fee at the appropriate percentage or fee level required for that option.

(d) Department Notice to Development Fee Collection Unit of Sponsor's Choice.

After the sponsor has filled out a Declaration of Intent and, if necessary, an Affidavit of Eligibility for an Alternative to the Affordable Housing Fee indicating how it will notify the Department of their choice to fulfill the affordable housing requirements of Section 415.1 et seq., the Department shall immediately notify the Development Fee Collection Unit at DBI of the sponsor's choice.

(e) Development Fee Collection Unit Notice to Department Prior to Issuance of the First Certificate of Occupancy. The Development Fee Collection Unit at DBI shall provide notice in writing or electronically to the Department prior to issuing the first Certificate of Occupancy for any development project subject to Section 415.1 et seq. that has elected to fulfill all or part of its requirement with an option other than payment of the Affordable Housing Fee an in-lieu fee. If the Department notifies the Unit at such time that the sponsor has not satisfied the requirements, the Director of DBI shall deny and all Certificates of Occupancy until the subject project is brought into compliance with the requirements of Section 415.1 et seq.

(f) Process for Revisions of Determination of Program Requirements. In the event that the Department or the Commission takes action affecting any development project

Mayor Newsom, Supervisor Chiu
BOARD OF SUPERVISORS
subject to Section 415.1 et seq. and such action is subsequently modified, superseded, vacated, or reversed by the Board of Appeals, the Board of Supervisors, or by court action, the procedures of Section 402(c) shall be followed.

SEC. 415.5. COMPLIANCE THROUGH PROVISION OF ON-SITE AFFORDABLE HOUSING AFFORDABLE HOUSING FEE (formerly Code Section 315.6)

Except as provided in Section 415.5(eq), all development projects subject to this Program through the application of Section 415.3 shall be required to pay an Affordable Housing Fee subject to the following requirements:

(a) Paying Payment of a fee to the Development Collection Unit at DBI for deposit into the Citywide Affordable Housing Fund for the purposes of that Fund.

(b) Amount of Fee. The amount of the fee which may be paid by the project sponsor subject to this Program shall be determined by MOH utilizing the following factors:

1. The number of units equivalent to the applicable percentage of the number of units in the principal project. The applicable percentage shall be 20 percent or the percentage that applied to the project if the project is subject to the requirements of an earlier version of this Program due to the date it submitted its application. For the purposes of this Section, the City shall calculate the fee using the direct fractional result of the total number of units multiplied by the applicable percentage, rather than rounding up the resulting figure as required by Section 415.6 5(a).

2. The affordability gap using data on the cost of construction of residential housing from the "San Francisco Sensitivity Analysis Summary Report: Inclusionary Housing Program" prepared by Keyser Marston Associates, Inc. in August 2006 for the Maximum Annual Rent or Maximum Purchase Price for the equivalent unit sizes. The Department and MOH shall update the technical report from time to time as they deem appropriate in order to ensure that the affordability gap remains current.

3. No later than July 1 of each year, MOH shall adjust the fee and provide a report on its adjustment to the Board of Supervisors. MOH shall provide notice of any fee adjustment on its website.
at least 30 days prior to the adjustment taking effect, MOH is authorized to develop an appropriate methodology for indexing the fee, based on adjustments in the costs of constructing housing and in the price of housing in San Francisco. The method of indexing shall be published in the Procedures Manual.

(c) Notice to Development Fee Collection Unit of Amount Owed. Prior to issuance of the building or site permit, the first construction document for a development project subject to Section 415.5, MOH shall notify the Development Fee Collection Unit at DBI electronically or in writing of its calculation of the amount of the fee owed.

(d) Lien Proceedings. If, for any reason, the Affordable Housing Fee imposed pursuant to Section 415.5 remains unpaid following issuance of the first Certificate of Occupancy, the Development Fee Collection Unit at DBI shall institute lien proceedings to make the entire unpaid balance of the fee, plus interest and any deferral surcharge, a lien against all parcels used for the development project in accordance with Section 408 of this Article and Section 107A.13.15 of the San Francisco Building Code.

(e) If a housing project is located in an Area Plan with an additional or specific affordable housing requirements such as those set forth in section 416 and 417 or elsewhere in this code, the more specific provisions shall apply in lieu of or in addition to those provided in this Program, as applicable.

(ef) Use of Fees. All monies contributed pursuant to this Section shall be deposited in the special fund maintained by the Controller called the Citywide Affordable Housing Fund. MOH shall use the funds in the following manner:

1. Except as provided in subsection (2) below, the receipts in the Fund are hereby appropriated in accordance with law to be used to:

4. a) increase the supply of housing affordable to qualifying households subject to the conditions of this Section; and
(2b) provide down-payment assistance to low and moderate income homebuyers; and

(3c) pay the expenses of MOH in connection with monitoring and administering compliance with the requirements of the Program. MOH is authorized to use funds in an amount not to exceed $200,000 every 5 years to conduct follow-up studies under Section 415.9(e) and to update the affordable housing fee amounts as described above in Section 415.5(b). All other monitoring and administrative expenses shall be appropriated through the annual budget process or supplemental appropriation for MOH. The fund shall be administered and expended by MOH, which shall have the authority to prescribe rules and regulations governing the Fund which are consistent with this Section.

(2) "Small Sites Funds":

(A) Designation of funds: MOH shall designate and separately account for 10% percent of all fees that it receives under Section 415.1 et seq., excluding fees that are geographically targeted such as those in Sections 415.6(a)(1) and 827(b)(C), to support acquisition and rehabilitation of Small Sites ("Small Sites Funds"). MOH shall continue to divert 10 percent of all fees for this purpose until the Small Sites Funds reach a total of $15 million at which point, MOH will stop designating funds for this purpose. At such time as designated Small Sites Funds are expended and dip below $15 million, MOH shall start designating funds again for this purpose, such that at no time the Small Sites Funds shall exceed $15 million. When the total amount of fees paid to the City under Section 415.1 et seq. totals less than $10 million over the preceding 12 month period, MOH is authorized to temporarily divert funds from the Small Sites Fund for other purposes. MOH must keep track of the diverted funds.

however, such that when the amount of fees paid to the City under Section 415.1 et seq. meets or exceeds $10 million over the preceding 12 month period, MOH shall commit all of the previously diverted funds and 10 percent of any new funds, subject to the cap above, to the Small Sites Fund.

(B) Use of Small Sites Funds. The funds shall be used exclusively to acquire or rehabilitate "Small Sites" defined as properties consisting of less than 25 units. Units supported by monies from the fund shall be designated as housing affordable to qualifying households as defined in Section 415.1 for
no less than 55 years. Properties supported by the Small Sites Funds must be either (i) rental properties that will be maintained as rental properties; (ii) vacant properties that were formerly rental properties as long as those properties have been vacant for a minimum of two years prior to the effective date of this legislation, (iii) properties that have been the subject of foreclosure or (iv) a Limited Equity Housing Cooperative as defined in Subdivision Code Sections 1399.1 et seq. or a property owned or leased by a non-profit entity modeled as a Community Land Trust.

(C) Initial Funds. If, within 18 months from the date of adoption of this ordinance, MOH dedicates an initial one-time contribution of other eligible funds to be used initially as Small Sites Funds, MOH may use the equivalent amount of Small Sites Funds received from fees for other purposes permitted by the Citywide Affordable Housing Fund until the amount of the initial one-time contribution is reached.

(D) Annual Report. At the end of each fiscal year, MOH shall issue a report to the Board of Supervisors regarding the amount of Small Sites Funds received from fees under this legislation, and a report of how those funds were used.

(E) Intent. In adopting this ordinance regarding Small Sites Funds, the Board of Supervisors does not intend to preclude MOH from expending other eligible sources of funding on Small Sites as described in this Section, or from allocating or expending more than $15 million of other eligible funds on Small Sites.

(e) Lien Proceedings. If, for any reason, the fee imposed pursuant to Section 415.5 remains unpaid following issuance of the first certificate of occupancy, the Development Fee Collection Unit at DBI shall institute lien proceedings to make the entire unpaid balance of the fee, plus interest and any deferral surcharge, a lien against all parcels used for the development project in accordance with Section 408 of this Article and Section 107A.13.15 of the San Francisco Building Code.
If a housing project is located in an Area Plan with an additional or specific affordable housing requirements such as those set forth in section 416 and 417 or elsewhere in this code, the more specific provisions shall apply in lieu of or in addition to those provided in this Program, as applicable.

(g) Alternatives to Payment of Affordable Housing Fee:

(1) Eligibility: A project sponsor must pay the Affordable Housing Fee unless it qualifies for and chooses to meet the requirements of the Program through an Alternative provided in this Subsection. The project sponsor may choose one of the following Alternatives:

(A) Alternative #1: On-Site Units. Project sponsors may elect to construct units affordable to qualifying households on-site of the principal project pursuant to the requirements of Section 415.6.

(B) Alternative #2: Off-Site Units. Project sponsors may elect to construct units affordable to qualifying households at an alternative site within the City and County of San Francisco pursuant to the requirements of Section 415.7.

(C) Alternative #3: Combination. Project sponsors may elect any combination of payment of the Affordable Housing Fee as provided in Section 415.5, construction of on-site units as provided in Section 415.6 or construction of off-site units as provided in Section 415.7, provided that the project applicant constructs or pays the fee at the appropriate percentage or fee level required for that option.

(2) Qualifications: If a project sponsor wishes to comply with the Program through one of the Alternatives described in (1) rather than pay the Affordable Housing Fee, they must demonstrate that they qualify for the Alternative to the satisfaction of the Department and MOH. A project sponsor may qualify for an Alternative by the following methods:
(i) Method #1 - Ownership Units. All affordable units provided under this Program shall be sold as ownership units and will remain ownership units for the life of the project. Project sponsors must submit the ‘Affidavit to Establish Eligibility for an Alternative to Affordable Housing Fee’ to the Planning Department prior to project approval by the Department or the Commission; or

(ii) Method #2 - Government Financial Contribution. Submit to the Department a contract demonstrating that the project's on- or off-site units are not subject to the Costa Hawkins Rental Housing Act, California Civil Code Section 1954.50 because, under Section 1954.52(b), it has entered into an agreement with a public entity in consideration for a direct financial contribution or any other form of assistance specified in California Government Code Sections 65915 et seq. and it submits an Affidavit of such to the Department. All such contracts entered into with the City and County of San Francisco must be reviewed and approved by the Mayor's Office Housing and the City Attorney's Office. All contracts that involve 100% affordable housing projects in the residential portion may be executed by the Mayor or the Director of the Mayor's Office of Housing. Any contract that involves less than 100% affordable housing in the residential portion, may be executed by either the Mayor, the Director of the Mayor's Office of Housing or, after review and comment by the Mayor's Office of Housing, the Planning Director; or

(iii) Method #3 - Development Agreement. A project sponsor may apply to enter into a Development Agreement with the City and County of San Francisco under California Government Code Section 65864 et seq. and Chapter 56 of the San Francisco Administrative Code, permitting the project to be eligible for on-site units as an alternative to payment of the Affordable Housing Fee to satisfy the requirements of the Program and obligating the project sponsor to provide the affordable units on-site.
(3) The Planning Commission or the Department may not require a project sponsor to select a specific Alternative. If a project sponsor elects to meet the Program requirements through one of the Alternatives described in (1), they must choose it and demonstrate that they qualify prior to any project approvals from the Planning Commission or Department. The Alternative will be a condition of project approval and recorded against the property in an NSR. Notwithstanding the foregoing, if a project sponsor qualifies for an Alternative described in (1) and elects to construct the affordable units on- or off-site, they must submit the ‘Affidavit to Establish Eligibility for an Alternative to Affordable Housing Fee’ based on the fact that the units will be sold as ownership units. A. The project sponsor who has elected to construct affordable ownership units on- or off-site may only elect to pay the Affordable Housing Fee up to the issuance of the first construction document if the project sponsor submits a new Affidavit establishing that the units will not be sold as ownership units. If a project sponsor fails to choose an Alternative before project approval by the Planning Commission or Planning Department or if a project becomes ineligible for an Alternative, the provisions of Section 415.5 shall apply.

(4) If at any time, the project sponsor eliminates the on-site or off-site affordable ownership-only units, then the project sponsor must immediately inform the Department and MOH and pay the applicable Affordable Housing Fee plus interest and any applicable penalties provided for under this Code. If a project sponsor requests a modification to its conditions of approval for the sole purpose of complying with this Section, the Planning Commission shall be limited to considering issues related to Section 415 et seq. in considering the request for modification.

(f) Alternatives To Payment Of Affordable Housing Fee:
(1) Eligibility: A project sponsor must pay the Affordable Housing Fee unless it qualifies for and chooses to meet the requirements of the Program through an alternative provided in this Subsection. The project sponsor may:

(A) Submit the ‘Affidavit to Establish Eligibility for an Alternative to Affordable Housing Fee’ to the Planning Department prior to project approval by the Department or the Commission, as applicable, that any affordable units provided under this Program shall be sold as ownership units and will remain as ownership units for the life of the project; or

(B) Submit to the Department a contract demonstrating that the project’s on- or off-site units are not subject to the Costa Hawkins Rental Housing Act, California Civil Code Section 1954.50 because, under Section 1954.52(b), it has entered into an agreement with a public entity in consideration for a direct financial contribution or any other form of assistance specified in California Governments Code Sections 65915 et seq. and it submits an Acknowledgement of such to the Department; or

(C) Enters into a Development Agreement with the City and County of San Francisco under California Government Code Section 65864 et seq. and Chapter 56 of the San Francisco Administrative Code, permitting the project to be eligible for on-site units as an alternative to payment of the Affordable Housing Fee to satisfy the requirements of the Program and obligating the project sponsor to provide the affordable units on-site.

(2) If the project sponsor is eligible under Subsection (1) above, the project sponsor may elect to satisfy the requirements of Section 415.5 by one of the alternatives specified in this Section. If a project sponsor is eligible for an alternative, the project sponsor has the choice between the alternatives and the Planning Commission or the Department may not require a specific alternative. The project sponsor must select an alternative before it receives project approvals from the Planning Commission or Department and that alternative will be a condition of project approval and recorded against the property in a Notice of Special
Restriction—Notwithstanding the foregoing, if a project sponsor selects an alternative and, the project sponsor still has the option to pay the Affordable Housing Fee up to the issuance of the first-site or building permit. If a project sponsor fails to elect an alternative before project approval by the Planning Commission or Planning Department or if a project becomes ineligible for an alternative, the provisions of Section 415.5 shall apply. The alternatives are as follows:

(A)—Constructing units affordable to qualifying households on-site of the principal project pursuant to the requirements of Section 415.6 (on-site alternative)

(B)—Constructing units affordable to qualifying households at an alternative site within the City and County of San Francisco pursuant to the requirements of Section 415.7 (off-site alternative)

(3)—Any combination of payment of the affordable housing fee as provided in Section 415.5, construction of on-site units as provided in Section 415.6 or construction of off-site units as provided in Section 415.7, or, provided that the project applicant constructs or pays the fee at the appropriate percentage or fee level required for that option.

If at any time, the project sponsor eliminates the on-site or off-site BMR ownership-only units, then the project sponsor must immediately inform the Department and MOH and pay the applicable Affordable Housing Fee plus interest.

If the sponsor elects, pursuant to Section 415.4(c), to provide on-site units to satisfy the requirements of Section 415.1 et seq., the development project shall satisfy the following requirements:

(a)—Number of Units:

(1)—(A) For any housing development of any height that is located in an area with a specific inclusionary housing requirement, the more specific inclusionary housing requirement shall apply.

(B)—Buildings 120 feet in height and under or buildings of over 120 feet in height that do not meet the criteria in subsection (C) below. Except as provided in Subsection (C) below, the Department

Mayor Newsom, Supervisor Chiu
BOARD OF SUPERVISORS
shall require for housing projects covered by Section 415.3(a)(1), as a condition of Department approval of a project's building permit, and by Section 415.3 (a)(2), (3) and (4), as a Condition of Approval of a conditional-use or planned unit development permit or as a condition of Department approval of a live/work project, that 15 percent of all units constructed on the project site shall be affordable to qualifying households so that a project applicant must construct 1.5 times the total number of units produced in the principal project beginning with the construction of the fifth unit. If the total number of units is not a whole number, the project applicant shall round up to the nearest whole number for any portion of .5 or above.

(C) — Buildings of over 120 feet in height. Except as provided in subsection (A) above, the requirements of this Subsection shall apply to any project that is over 120 feet in height and does not require a Zoning Map amendment or Planning Code text amendment related to its project approvals which (i) results in a net increase in the number of permissible residential units, or (ii) results in a material increase in the net permissible residential square footage as defined in Section 415.3(b)(2) or has not received or will not receive a Zoning Map amendment or Planning Code text amendment as part of an Area Plan adopted after January 1, 2006 which (i) results in a net increase in the number of permissible residential units, or (ii) results in a material increase in the net permissible residential square footage as defined in Section 415.3(b)(2). The Department shall require for housing projects covered by this Subsection and Section 415.3 (a)(1), as a condition of Department approval of a project's building permit, or by this Subsection and by Section 415.3 (a)(2), (3) and (4), as a Condition of Approval of a conditional-use or planned unit development permit or as a condition of Department approval of a live/work project, that 12 percent of all units constructed on the project site shall be affordable to qualifying households so that a project applicant must construct 1.2 times the total number of units produced in the principal project beginning with the construction of the fifth unit. If the total number of units is not a whole number, the project applicant shall round up to the nearest whole number for any portion of .5 or above. Consistent with the conclusions of the MOH study authorized in
Section 415.9(c): MOH shall recommend and the Board of Supervisors shall consider whether the requirements of this Subsection for buildings of over 120 feet in height shall continue or expire after approximately five years.

(2) If the principal project has resulted in demolition, conversion, or removal of affordable housing units renting or selling to households at income levels and/or for a rental rate or sales price below corresponding income thresholds for units affordable to qualifying households, the Commission shall require that the project applicant replace the number of affordable units removed with units of a comparable number of bedrooms or provide that 15 percent of all units constructed as part of the new project shall be affordable to qualifying households, whichever is greater.

(b) Timing of Construction: On-site inclusionary housing required by this Section 415.5 must be constructed, completed, and ready for occupancy no later than the market rate units in the principal project.

(c) Type of Housing: In general, affordable units constructed under this Section 415.5 shall be comparable in number of bedrooms, exterior appearance and overall quality of construction to market-rate units in the principal project. A Notice of Special Restrictions shall be recorded prior to issuance of the building or site permit and shall specify the number, location and sizes for all affordable units required under this Subsection. The square footage of affordable units and interior features in affordable units do not need to be same as or equivalent to those in market-rate units in the principal project, so long as they are of good quality and are consistent with then-current standards for new housing. Where applicable, parking shall be offered to the affordable units subject to the terms and conditions of the Department's policy on unbundled parking for affordable housing units as specified in the Procedures Manual and amended from time to time. Unless provided otherwise by MOH in writing, if the units in the market-rate portion of the development are ownership units, then the affordable units shall be ownership units and if the market rate units are rental units, then the affordable units shall be rental units.
(d) Marketing the Units: MOH shall be responsible for overseeing and monitoring the marketing of affordable units under this Section. In general, the marketing requirements and procedures shall be contained in the Procedures Manual as amended from time to time and shall apply to the affordable units in the project. MOH may develop occupancy standards for units of different bedroom sizes in the Procedures Manual in order to promote an efficient allocation of affordable units. MOH may require in the Procedures Manual that prospective purchasers complete homebuyer education training or fulfill other requirements. MOH shall develop a list of minimum qualifications for marketing firms that market affordable units under Section 415.1 et seq., referred to the Procedures Manual as Below Market Rate (BMR units). The Notice of Special Restrictions or Conditions of Approval shall specify that the marketing requirements and procedures contained in the Procedures Manual as amended from time to time, shall apply to the affordable units in the project.

(1) Lottery: At the initial offering of affordable units in a housing project, MOH must require the use of a public lottery approved by MOH to select purchasers or tenants. MOH shall also hold a general public lottery and maintain and utilize a list generated from this lottery or utilize a list generated from a recent lottery at another similar housing project to fill spaces in units that become available for re-sale or occupancy in any housing project subject to this ordinance after the initial offering. The list shall be updated from time to time but in no event less than annually to ensure that it remains current.

(2) Preferences: MOH shall create a lottery system that gives preference to people who live or work in San Francisco. MOH shall propose policies and procedures for implementing this preference to the Commission for inclusion in the Procedures Manual. Otherwise, it is the policy of the Board of Supervisors to treat all households equally in allocating affordable units under this Program.

(e) Benefits: If the project applicant elects to satisfy the inclusionary housing requirements through the production of on-site inclusionary housing in this Section 415.5, the project applicant shall be eligible to receive a refund for only that portion of the housing project which is affordable for the
following fees: a conditional use or other fee required by Section 352 of this Code; if applicable; an environmental review fee required by Administrative Code Section 31.46B, if applicable; a building permit fee required by the Building Code and by Section 355 of this Code for the portion of the housing project that is affordable. The project applicant shall pay the building fee for the portion of the project that is market-rate.

The Controller shall refund fees from any appropriated funds to the project applicant on application by the project applicant. The application must include a copy of the certificate of occupancy for all units affordable to a qualifying household required by the Inclusionary Affordable Housing Program. It is the policy of the Board of Supervisors to appropriate money for this purpose from the General Fund.

(f) Affordable units constructed under Section 415.1 et seq. shall not have received development subsidies from any Federal, State, or local program established for the purpose of providing affordable housing, and shall not be counted to satisfy any affordable housing requirement.

(g) Notwithstanding the provisions of Section 415.5(f) above, a sponsor may use California Debt Limit Allocation Committee (CDLAC) tax-exempt bonds to help fund its obligations under this Section 415.5 as long as it provides 20 percent of the units as affordable at 50 percent of area media income for on-site housing. All units provided under this Subsection must meet all of the requirements of Section 415.1 et seq. and the Procedures Manual for on-site housing.

SEC. 415.6. COMPLIANCE THROUGH PROVISION OF OFF SITE AFFORDABLE HOUSING ON SITE AFFORDABLE HOUSING ALTERNATIVE (formerly Section 315.4).

If a project sponsor is eligible and selects to provide on-site units pursuant to Section 415.5(g), the development project shall meet the following requirements:

(a) Number of Units: The number of units constructed on-site shall be as follows:

(I) The number of units constructed on-site is determined by which of the following categories a project is in as follows:
(A) **Specific geographic areas.** For any housing development of any height that is located in an area with a specific affordable housing requirement set forth in Section 416 and 417 or elsewhere in this Code, the more specific inclusionary housing requirement shall apply; or

(B) **Buildings 120 feet in height and under or buildings of over 120 feet in height that do not meet the criteria in subsection (C) below:** Except as provided in Subsection (C) below, the Department shall require for housing projects covered by Section 415.3(a)(1), as a condition of Department approval of a project’s building permit, and by Section 415.3 (a)(2), (3) and (4), as a condition of Approval of a Conditional Use Authorization or Planned Unit Development permit or as a condition of Department approval of a live/work project, that 15 percent of all units constructed on the project site shall be affordable to qualifying households so that a project applicant sponsor must construct 15 times the total number of units produced in the principal project beginning with the construction of the fifth unit. If the total number of units is not a whole number, the project applicant sponsor shall round up to the nearest whole number for any portion of .5 or above.

(C) **Buildings of over 120 feet in height.** Except as provided in subsection (A) above, the requirements of this Subsection shall apply to any project that is over 120 feet in height and does not require a Zoning Map amendment or Planning Code text amendment related to its project approvals which (i) results in a net increase in the number of permissible residential units, or (ii) results in a material increase in the net permissible residential square footage as defined in Section 415.3(b)(2) or has not received or will not receive a Zoning Map amendment or Planning Code text amendment as part of an Area Plan adopted after January 1, 2006 which (i) results in a net increase in the number of permissible residential units, or (ii) results in a material increase in the net permissible residential square footage as defined in Section 415.3(b)(2). The Department shall require for housing projects covered by this Subsection and Section 415.3 (a)(1), as a condition of Department approval of a project’s building permit, or by this Subsection and by Section 415.3 (a)(2), (3) and (4), as a condition of Approval of a Conditional Use Authorization or Planned Unit Development permit or as a condition of Department approval of a Planned Unit Development permit.
permit or as a condition of Department approval of a live/work project, that 12 percent of all units constructed on the project site shall be affordable to qualifying households so that a project applicant sponsor applicant must construct 12 times the total number of units produced in the principal project beginning with the construction of the fifth unit. If the total number of units is not a whole number, the project applicant sponsor shall round up to the nearest whole number for any portion of .5 or above. Consistent with the conclusions of the MOH study authorized in Section 415.9(e), MOH shall recommend and the Board of Supervisors shall consider whether the requirements of this Subsection for buildings of over 120 feet in height shall continue or expire after approximately five years from April 24, 2007.

(2) If the principal project has resulted in demolition, conversion, or removal of affordable housing units renting or selling to households at income levels and/or for a rental rate or sales price below corresponding income thresholds for units affordable to qualifying households, the Commission or the Department shall require that the project applicant sponsor replace the number of affordable units removed with units of a comparable number of bedrooms or provide that 15 percent of all units constructed as part of the new project shall be affordable to qualifying households, whichever is greater.

(b) Timing of Construction: On-site affordable housing required by this Section 415.6 must be constructed, completed, and ready for occupancy, and marketed no later than the market rate units in the principal project.

(c) Type of Housing: All on-site units constructed under this Section must be provided as ownership units unless the project sponsor meets the eligibility requirement of Section 415.5(g). In general, affordable units constructed under this Section 415.6 shall be comparable in number of bedrooms, exterior appearance and overall quality of construction to market rate units in the principal project. A Notice of Special Restrictions shall be recorded prior to issuance of the building or site permit, first construction document and shall specify the number, location and
sizes for all affordable units required under this Subsection. The interior features in affordable units should be generally the same as those of the market rate units in the principal project, but need not be the same make, model or type of such item as long as they are of good and new quality and are consistent with then-current standards for new housing. The square footage of affordable units and interior features in affordable units do not need to be same as or equivalent to those in market rate units in the principal project, so long as they are of good quality and are it is consistent with then-current standards for new housing. Where applicable, parking shall be offered to the affordable units subject to the terms and conditions of the Department's policy on unbundled parking for affordable housing units as specified in the Procedures Manual and amended from time to time. On-site affordable units shall be ownership units unless the project applicant meets the eligibility requirement of Section 415.5(f).

(d) Marketing the Units: MOH shall be responsible for overseeing and monitoring the marketing of affordable units under this Section. In general, the marketing requirements and procedures shall be contained in the Procedures Manual as amended from time to time and shall apply to the affordable units in the project. MOH may develop occupancy standards for units of different bedroom sizes in the Procedures Manual in order to promote an efficient allocation of affordable units.

MOH may require in the Procedures Manual that prospective purchasers complete homebuyer education training or fulfill other requirements. MOH shall develop a list of minimum qualifications for marketing firms that market affordable units under Section 415.1 et seq., referred to the Procedures Manual as Below Market Rate (BMR units). No developer marketing units under the Program shall be able to market affordable units except through a firm meeting all of the minimum qualifications. The Notice of Special Restrictions or Conditions of Approval shall specify that the marketing requirements and procedures contained in the Procedures Manual as amended from time to time, shall apply to the affordable units in the project.
(1) Lottery: At the initial offering of affordable units in a housing project and when ownership units become available for re-sale in any housing project subject this Program after the initial offering, MOH must require the use of a public lottery approved by MOH to select purchasers or tenants. MOH shall also hold a general public lottery and maintain and utilize a list generated from this lottery or utilize a list generated from a recent lottery at another similar housing project to fill spaces in units that become available for re-sale or occupancy in any housing project subject to this ordinance after the initial offering. The list shall be updated from time to time but in no event less than annually to ensure that it remains current.

(2) Preferences: MOH shall create a lottery system that gives preference first to Residential Certificate of Preference Holders under the San Francisco Redevelopment Agency’s Property Owner and Occupant Preference Program, as reprinted September 11, 2008 and effective October 1, 2008 and on file with the Clerk of the Board in File No. 080521, who meet the qualifications of the Program, and second to people who live or work in San Francisco who meet the qualifications of the Program. MOH shall propose policies and procedures for implementing these preferences to the Planning Commission for inclusion in the Procedures Manual. MOH shall create a lottery system that gives preference to people who live or work in San Francisco. MOH shall propose policies and procedures for implementing this preference to the Commission for inclusion in the Procedures Manual. Otherwise, it is the policy of the Board of Supervisors to treat all households equally in allocating affordable units under this Program.

(e) Individual Affordable units constructed under Section 415.6 as part of an on-site project shall not have received development subsidies from any Federal, State or local program established for the purpose of providing affordable housing, and shall not be counted to satisfy any affordable housing requirement. Other units in the same on-site project may have received such

Mayor Newsom, Supervisor Chiu
BOARD OF SUPERVISORS
subsidies. In addition, subsidies may be used to deepen the affordability of an affordable unit beyond the level of affordability required by this Program.

(f) Benefits: If the project applicant sponsor is eligible for and elects to satisfy the affordable housing requirements through the production of on-site affordable housing in this Section 415.6, the project applicant sponsor shall be eligible to receive a refund for only that portion of the housing project which is affordable for the following fees: a Conditional Use Authorization or other fee required by Section 352 of this Code, if applicable; an environmental review fee required by Administrative Code Section 31.46B, if applicable; a building permit fee required by the Building Code and by Section 355 of this Code for the portion of the housing project that is affordable. The project applicant sponsor shall pay the building fee for the portion of the project that is market-rate.

The Controller shall refund fees from any appropriated funds to the project applicant sponsor on application by the project applicant sponsor. The application must include a copy of the Certificate of Occupancy for all units affordable to a qualifying household required by the Affordable Inclusionary Housing Program. It is the policy of the Board of Supervisors to appropriate money for this purpose from the General Fund.

If the project sponsor elects, pursuant to Section 415.4(e) to provide off-site units to satisfy the requirements of Section 415.1 et seq., the development project shall meet the following requirements:

(a) Number of Units: The number of units constructed off-site shall be as follows:

(1) (A) For any housing development of any height that is located in an area with a specific inclusionary housing requirement, the more specific off-site inclusionary housing requirement shall apply:

(B) Buildings of 120 feet and under in height or buildings of over 120 feet in height that do not meet the criteria in Subsection (C) below: Except as provided in Subsection (A), the for projects described in Section 415.3 (a)(1), (2), (3), and (4) 20 percent so that a project applicant must construct .20 times the total number of units produced in the principal project beginning with the construction of
the fifth unit. If the total number of units is not a whole number, the project applicant shall round up to the nearest whole number for any portion of .5 or above.

(C)—Buildings of over 120 feet in height. Except as provided in subsection (A) above, the requirements of this Subsection shall apply to any project that is over 120 feet in height and does not require a Zoning Map amendment or Planning Code text amendment related to its project approvals which (i) results in a net increase in the number of permissible residential units, or (ii) results in a material increase in the net permissible residential square footage as defined in Section 415.3 (b)(2); or has not received or will not receive a Zoning Map amendment or Planning Code text amendment as part of an Area Plan adopted after January 1, 2006 which (i) results in a net increase in the number of permissible residential units, or (ii) results in a material increase in the net permissible residential square footage as defined in Section 415.3 (b)(2). The Department shall require for housing projects covered by this Subsection and Section 415.3 (a)(1), as a condition of Planning Department approval of a project’s building permit, or by this Subsection and by Section 415.3 (a)(2), (3) and (4), as a Condition of Approval of a conditional use or planned unit development permit or as a condition of Department approval of a live/work project, that 17 percent of all units constructed on the project site shall be affordable to qualifying households so that a project applicant must construct .17 times the total number of units produced in the principal project beginning with the construction of the fifth unit. If the total number of units is not a whole number, the project applicant shall round up to the nearest whole number for any portion of .5 or above. Consistent with the conclusions of the MOH study authorized in Section 415.9(c), MOH shall recommend and the Board of Supervisors shall consider whether the requirements of this Subsection for buildings of over 120 feet in height shall continue or expire after approximately five years.

(b)—Timing of Construction: The project applicant shall insure that the off-site units are constructed, completed, and ready for occupancy no later than the market rate units in the principal project.
(c) Location of off-site housing: The project applicant must insure that off-site units are located within one mile of the principal project.

(d) Type of Housing: New affordable rental housing and ownership housing affordable to households earning less than the median income is greatly needed in San Francisco. The Department shall develop Quality Standards for Off-Site Affordable Housing Units and recommend such standards to the Commission for adoption as part of the Procedures Manual. All off-site units constructed under this Section must be provided as rental housing for the life of the project or, if they are ownership units, must be affordable to households earning no more than 80 percent of the median income for the City and County of San Francisco. Nothing in this Section shall limit a developer from meeting the requirements of this Section through the construction of units in a limited equity or land trust form of ownership if such units otherwise meet all of the requirements for off-site housing. In general, affordable units constructed under Section 415.6 shall be comparable in number of bedrooms, exterior appearance and overall quality of construction to market rate units in the principal project. The total square footage of the off-site affordable units constructed under Section 415.6 shall be no less than the calculation of the total square footage of the on-site market rate units in the principal project multiplied by the relevant on-site percentage requirement for the project specified in Section 415.5-7. The Notice of Special Restrictions or Conditions of Approval shall include a specific number of units at specified unit sizes—including number of bedrooms and minimum square footage—for affordable units. The interior features in affordable units need not be the same as or equivalent to those in market rate units in the principal project, so long as they are consistent with the Planning Department's Quality Standards for Off-Site Affordable Housing Units found in the Procedures Manual. Where applicable, parking shall be offered to the affordable units subject to the terms and conditions of the Department's policy on unbundled parking for affordable housing units as specified in the Procedures Manual and amended from time to time. If the residential units in the principal project are live/work units which do not contain bedrooms or are other types of units which do not contain bedrooms separated from the
living space, the off-site units shall be comparable in size according to the following equivalency calculation between live/work and units with bedrooms:

<table>

(e) Marketing the Units: MOH shall be responsible for overseeing and monitoring the marketing of affordable units under this Section. In general, the marketing requirements and procedures shall be contained in the Procedures Manual as amended from time to time and shall apply to the affordable units in the project. MOH may develop occupancy standards for units of different bedroom sizes in the Procedures Manual in order to promote an efficient allocation of affordable units. MOH may require in the Procedures Manual that prospective purchasers complete homebuyer education training or fulfill other requirements. MOH shall develop a list of minimum qualifications for marketing firms that market affordable units under Section 415.1 et seq., referred to the Procedures Manual as Below-Market Rate (BMR units). The Notice of Special Restrictions or Conditions of Approval shall specify that the marketing requirements and procedures contained in the Procedures Manual as amended from time to time, shall apply to the affordable units in the project.

(1) Lottery: At the initial offering of affordable units in a housing project, MOH must require the use of a public lottery approved by MOH to select purchasers or tenants. MOH shall also hold a general public lottery and maintain and utilize a list generated from this lottery or utilize a list.
generated from a recent lottery at another similar housing project to fill spaces in units that become
available for re-sale or occupancy in any housing project subject to Section 415.1 et seq. after the
initial-offering. The list shall be updated from time to time but in no event less than annually to insure
that it remains current.

(2) — Preferences: MOH shall create a lottery system that gives preference to people who live
or work in San Francisco. MOH shall propose policies and procedures for implementing this
preference to the Commission for inclusion in the Procedures Manual. Otherwise, it is the policy of the
Board of Supervisors to treat all households equally in allocating affordable units under this Program.

(f) — Affordable units constructed under Section 415.6 shall not have received development
subsidies from any Federal, State or local program established for the purpose of providing affordable
housing, and shall not be counted to satisfy any affordable housing requirement for the off-site
development.

(g) — Notwithstanding the provisions of Section 415.6(f) above, a developer may use
California Debt Limit Allocation Committee (CDLAC) tax-exempt bonds to help fund its obligations
under Section 415.1 et seq. as long as it provides 20 percent of the units as affordable at 50 percent of
area median income for on-site housing or 25 percent of the units as affordable at 50 percent of area
median income for off-site housing. Except as provided in this subsection, all units provided under this
Section must meet all of the requirements of Section 415.1 et seq. and the Procedures Manual for either
on- or off-site housing.

SEC. 415.7.—COMPLIANCE THROUGH PAYMENT OF AN IN-LIEU FEE—OFF-SITE
AFFORDABLE HOUSING ALTERNATIVE (formerly Section 315.5)

If the project sponsor is eligible and selects pursuant to Section 415.5(f) to provide off-site units
to satisfy the requirements of Section 415.1 et seq., the development project shall meet the following
requirements:

(a) Number of Units: The number of units constructed off-site shall be as follows:
(A) For any housing development of any height that is located in an area with a specific affordable housing requirement, set forth in Sections 416, 417, or elsewhere in this Code, the more specific off-site inclusionary housing requirement shall apply.

(B) Buildings of 120 feet and under in height or buildings of over 120 feet in height that do not meet the criteria in Subsection (C) below: Except as provided in Subsection (A), the Department shall require for housing for projects described in Section 415.3 (a)(1), (2), (3), and (4) 20 percent so that a project applicant must construct 20 times the total number of units produced in the principal project beginning with the construction of the fifth unit. If the total number of units is not a whole number, the project applicant shall round up to the nearest whole number for any portion of .5 or above.

(C) Buildings of over 120 feet in height. Except as provided in subsection (A) above, the requirements of this Subsection shall apply to any project that is over 120 feet in height and does not require a Zoning Map amendment or Planning Code text amendment related to its project approvals which (i) results in a net increase in the number of permissible residential units, or (ii) results in a material increase in the net permissible residential square footage as defined in Section 415.3 (b)(2); or has not received or will not receive a Zoning Map amendment or Planning Code text amendment as part of an Area Plan adopted after January 1, 2006 which (i) results in a net increase in the number of permissible residential units, or (ii) results in a material increase in the net permissible residential square footage as defined in Section 415.3 (b)(2). The Department shall require for housing projects covered by this Subsection and Section 415.3 (a)(1), as a condition of Planning Department approval of a project's building permit, or by this Subsection and by Section 415.3 (a)(2), (3) and (4), as a Condition of Approval of a Conditional Use Authorization or Planned Unit Development permit or as a condition of Department approval of a live/work project, that 17 percent of all units constructed on the project site shall be affordable to qualifying households so that a project applicant
spansor must construct .17 times the total number of units produced in the principal project beginning with the construction of the fifth unit. If the total number of units is not a whole number, the project applicant spanor shall round up to the nearest whole number for any portion of .5 or above. Consistent with the conclusions of the MOH study authorized in Section 415.9(e), MOH shall recommend and the Board of Supervisors shall consider whether the requirements of this Subsection for buildings of over 120 feet in height shall continue or expire after approximately five years from April 24, 2007.

(b) Timing of Construction: The project applicant spanor shall insure that the off-site units are constructed, completed, and ready for occupancy, and marketed no later than the market rate units in the principal project.

(c) Location of off-site housing: The project applicant spanor must insure that off-site units are located within one mile of the principal project. Notwithstanding the foregoing, each year 25% of off-site units may be constructed outside of the one-mile radius. These units shall be called "citywide off-site units" and may be constructed anywhere in the City, subject to the limitations below. In determining the allowable number of citywide off-site units, each fiscal year MOH shall take the average number of off-site units receiving a first certificate of occupancy over the past five years. In determining the average, MOH shall not include any year where no off-site units received a first certificate of occupancy. MOH shall publish the allowable number of citywide off-site units for a given year on July 1 of each year. The Planning Department, in consultation with MOH, shall then grant permission to a project applicant to use citywide off-site units on a first-come, first-serve basis until the maximum allowable number of citywide off-site units is reached. If the maximum number of allowable citywide off-site units is not used in a given year, the citywide off-site units shall be carried over to the next fiscal year. If a project applicant does not receive a first certificate of occupancy for a citywide off-site unit within 2 years of the date the Planning Department

Mayor Newsom, Supervisor Chiu

grants permission for the citywide off-site unit, then the Zoning Administrator shall have the
authority to revoke the permission to use the citywide off-site unit and to grant those units to
another project applicant. Citywide off-site units shall not be built in districts zoned M-1 or M-2,
or within a quarter mile of a high concentration of public housing units. A high concentration of
public housing units shall mean a development or developments that consist of 200 or more
publicly-owned and operated affordable housing units.

(d) Type of Housing: New affordable rental housing and ownership housing
affordable to households earning less than the median income is greatly needed in San
Francisco. The Department shall develop Quality Standards for Off-Site Affordable Housing
Units and recommend such standards to the Commission for adoption as part of the
Procedures Manual. All off-site units constructed under this Section must be provided as ownership
housing for the life of the project unless the project applicant meets the eligibility requirement of
Section 415.5(f) and must be affordable to households earning no more than 80-70 percent of the
AMI median income for the City and County of San Francisco. Nothing in this Section shall limit
a developer/project sponsor from meeting the requirements of this Section through the construction
of units in a limited equity or land trust form of ownership if such units otherwise meet all of the
requirements for off-site housing. In general, affordable units constructed under Section 415.7 shall be
comparable in number of bedrooms, exterior appearance and overall quality of construction to market
rate units in the principal project. The total square footage of the off-site affordable units constructed
under Section 415.7 shall be no less than the calculation of the total square footage of the on-site
market-rate units in the principal project multiplied by the relevant on-site percentage requirement for
the project specified in Section 415.7. The Notice of Special Restrictions or Conditions of Approval
shall include a specific number of units at specified unit sizes - including number of bedrooms and
minimum square footage - for affordable units. The interior features in affordable units should
generally be the same as those of the market rate units in the principal project but need not
be the same make model or type of such item as long as they are of new and good quality and are consistent with then-current standards for new housing and need not be the same as or equivalent to those in market rate units in the principal project, so long as they are consistent with the Planning Department's "Quality Standards for Off-Site Affordable Housing Units" found in the Procedures Manual. Where applicable, parking shall be offered to the affordable units subject to the terms and conditions of the Department's policy on unbundled parking for affordable housing units as specified in the Procedures Manual and amended from time to time. If the residential units in the principal project are live/work units which do not contain bedrooms or are other types of units which do not contain bedrooms separated from the living space, the off-site units shall be comparable in size according to the following equivalency calculation between live/work and units with bedrooms:

<table>

(e) Marketing the Units: MOH shall be responsible for overseeing and monitoring the marketing of affordable units under this Section. In general, the marketing requirements and procedures shall be contained in the Procedures Manual as amended from time to time and shall apply to the affordable units in the project. MOH may develop occupancy standards for units of different bedroom sizes in the Procedures Manual in order to promote an efficient allocation of affordable units. MOH may require in the Procedures Manual that prospective purchasers complete homebuyer
education training or fulfill other requirements, MOH shall develop a list of minimum qualifications for marketing firms that market affordable units under Section 415.1 et seq., referred to the Procedures Manual as Below Market Rate (BMR units). No project sponsor marketing units under the Program shall be able to market BMR units except through a firm meeting all of the minimum qualifications. The Notice of Special Restrictions or Conditions of Approval shall specify that the marketing requirements and procedures contained in the Procedures Manual as amended from time to time, shall apply to the affordable units in the project.

(1) Lottery: At the initial offering of affordable units in a housing project and when ownership units become available for resale in any housing project subject to this Program after the initial offering, MOH must require the use of a public lottery approved by MOH to select purchasers or tenants. MOH shall also hold a general public lottery and maintain and utilize a list generated from this lottery or utilize a list generated from a recent lottery at another similar housing project to fill spaces in units that become available for resale or occupancy in any housing project subject to Section 415.1 et seq. after the initial offering. The list shall be updated from time to time but in no event less than annually to insure that it remains current.

(2) Preferences: MOH shall create a lottery system that gives preference first to Residential Certificate of Preference Holders under the San Francisco Redevelopment Agency's Property Owner and Occupant Preference Program, as reprinted September 11, 2008 and effective October 1, 2008 and on file with the Clerk of the Board in File No. 080521, who meet the qualifications of the Program, and second to people who live or work in San Francisco who meet the qualifications of the Program. MOH shall propose policies and procedures for implementing these preferences to the Planning Commission for inclusion in the Procedures Manual. MOH shall propose policies and procedures for implementing this preference to the Commission for inclusion in the Procedures Manual. Otherwise, it is the policy
of the Board of Supervisors to treat all households equally in allocating affordable units under this Program.

(f) Individual Affordable units constructed as part of a larger off-site project under Section 415.7 shall not have received development subsidies from any Federal, State or local program established for the purpose of providing affordable housing, and shall not be counted to satisfy any affordable housing requirement for the off-site development. Other units in the same off-site project may receive such subsidies. In addition, subsidies may be used to deepen the affordability of an affordable unit beyond the level of affordability required by this Program.

If the project sponsor elects, pursuant to Section 415.4(c), to pay an in lieu fee to satisfy the requirements of Section 415.1 et seq., the sponsor shall pay the in lieu fee to the Development Fee Collection Unit at DBI for use by MOH prior to issuance of the first construction document, with an option for the project sponsor to defer payment to prior to issuance of the first certificate of occupancy upon agreeing to pay a deferral surcharge that would be deposited into the Citywide Affordable Housing Fund in accordance with Section 107A.13.3 of the San Francisco Building Code.

(a) Amount of Fee. The amount of the fee shall be determined by MOH utilizing the following factors:

(1) The number of units required by Section 415.6. For the purposes of this section, the City shall calculate the fee using the direct fractional result of the total number of units multiplied by the percentage of off-site housing required, rather than rounding up the resulting figure as required by Section 415.5(a):

(2) The affordability gap using data on the cost of construction of residential housing from the "San Francisco Sensitivity Analysis Summary Report: Inclusionary Housing Program" prepared by Keyser-Marston Associates, Inc. in August 2006 for the Maximum Annual Rent or Maximum Purchase Price for the equivalent unit sizes. The Department and MOH shall update the technical report from time to time as they deem appropriate in order to ensure that the affordability gap remains current.
(3)——No later than July 1 of each year, MOH shall adjust the in-lieu fee payment option and provide a report on its adjustment to the Board of Supervisors. MOH shall provide notice of any fee adjustment on its website at least 30 days prior to the adjustment taking effect. MOH is authorized to develop an appropriate methodology for indexing the fee, based on adjustments in the costs of constructing housing and in the price of housing in San Francisco. The method of indexing shall be published in the Procedures Manual.

(b)——Notice to Development Fee Collection Unit of Amount Owed. Prior to issuance of the building or site permit for a development project subject to Section 415.7, MOH shall notify the Development Fee Collection Unit at DBI electronically or in writing of its calculation of the amount of the in-lieu fee owed.

(c)——Use of In-Lieu Fees. All monies contributed pursuant to this section shall be deposited in the special fund maintained by the Controller called the Citywide Affordable Housing Fund. The receipts in the Fund are hereby appropriated in accordance with law to be used to (1) increase the supply of housing affordable to qualifying households subject to the conditions of this Section, and (2) pay the expenses of MOH in connection with monitoring and administering compliance with the requirements of the Program. MOH is authorized to use funds in an amount not to exceed $200,000 every 5 years to conduct follow-up studies under Section 415.9(e) and to update the in-lieu fee amounts as described above in Section 415.7(a). All other monitoring and administrative expenses shall be appropriated through the annual budget process or supplemental appropriation for MOH. The fund shall be administered and expended by MOH, which shall have the authority to prescribe rules and regulations governing the Fund which are consistent with this Section.

(d)——Lien Proceedings. If, for any reason, the in-lieu fee imposed pursuant to Section 415.7 remains unpaid following issuance of the first certificate of occupancy, the Development Fee Collection Unit at DBI shall institute lien proceedings to make the entire unpaid balance of the fee, plus interest
and any deferral surcharge, a lien against all parcels used for the development project in accordance with Section 408 of this Article and Section 107A.13.15 of the San Francisco Building Code.

SEC. 415.8. DURATION AND MONITORING OF AFFORDABILITY (formerly Section 315.7).

(a) For any units permitted under the Program:

(1) All units constructed pursuant to Sections 415.6.5 (on-site alternative) and 415.7.6 (off-site alternative) must be owner-occupied, as defined in the Procedures Manual, in the case of ownership units or occupied by qualified households in the case of rental units. All units and remain as ownership units for the life of the project, or occupied by qualified households in the case of rental units,

(2) Units and shall not remain vacant for a period exceeding 60 days without the written consent of MOH.

(3) All units constructed pursuant to Sections 415.6.5 and 415.7.6 must remain affordable to qualifying households for the life of the project.

(4) The income levels specified in the Notice of Special Restrictions and/or Conditions of Approval for the project shall be the required income percentages for the life of the project.

(5) The Commission or the Department shall require all housing projects subject to Section 415.1 et seq. to record a Notice of Special Restrictions with the Recorder of the City and County of San Francisco. The Notice of Special Restrictions must incorporate the affordability restrictions. All projects described in Section 415.3 (a)(1) and 415.3 (a)(3) must incorporate all of the requirements of this Section 415.8.7 into the Notice for Special Restrictions, including any provisions required to be in the Conditions of Approval for housing projects described in Section 415.3 (a)(2). These Section 415.3 (a)(2) projects which are housing projects which go through the conditional use or planned unit development
process shall have conditions of approval. The conditions of approval shall specify that project applicants shall adhere to the marketing, monitoring, and enforcement procedures outlined in the Procedures Manual, as amended from time to time, in effect at the time of project approval. The Commission shall file the Procedures Manual in the case file for each project requiring inclusionary housing pursuant to this Program. The Procedures Manual will be referenced in the Notice of Special Restrictions for each project.

(b) For any units permitted to be ownership units under the Program, the Mayor's Office of Housing shall:

(1) establish and implement a process for reselling an affordable unit in the Procedures Manual;

(2) provide that owners may not change title on the unit without review and approval by MOH and according to guidelines published in the Procedures Manual.

(3) provide that owners must comply with refinancing procedures and limitations as published in the Procedures Manual.

(4) provide that, in order to retain all units restricted as affordable under this Program within the City's affordable housing stock, the specific procedures for passing an affordable unit through inheritance are contained in the Procedures Manual. All transfers through inheritance must be reviewed and approved by MOH and, in all cases, the heir must acknowledge and agree to the provisions of the Program. The following households may inherit the ability to occupy a unit restricted under this Program: (1) a spouse or registered domestic partner, regardless of income; or (2) a child of the owner if the child is a qualifying household for the unit. If the heir qualifies under one of these categories, the heir must occupy the unit or the heir must market and sell the unit at the restricted price through a public lottery process and retain the proceeds from the sale. If the heir does not qualify to occupy
the unit, the heir must market and sell the unit at the restricted price to a qualified buyer through a public lottery process. The heir would retain the proceeds of such sale.

(e5) Any affordable rental units permitted by the Commission to be converted to ownership units must satisfy the requirements of the Procedures Manual, as amended from time to time, including that the units shall be sold at restricted sales prices to households meeting the income qualifications specified in the Notice of Special Restrictions or Conditions of Approval, with a right of first refusal for the occupant(s) of such units at the time of conversion. **Upon conversion to ownership, the units are subject to the resale and other restrictions of this Program for the life of the project, as defined in the Notice of Special Restrictions or conditions of approval for the Project.** Upon conversion to ownership, the units are subject to the 50-year rolling resale restrictions, as described in Section 415.8(a).

(e6) For ownership units **approved pursuant to Sections 415.6 or 415.7, the Notice of Special Restrictions or Conditions of Approval** will include provisions restricting resale prices and purchaser income levels according to the formula specified in the Procedures Manual, as amended from time to time. In the case that subordination of the Affordability Conditions contained in a recorded Notice of Special Restrictions may be necessary to ensure the Project Applicant's receipt of adequate construction and/or permanent financing for the project, or to enable first time home buyers to qualify for mortgages, the project applicant may follow the procedures for subordination of affordability restrictions as described in the principal project's Conditions of Approval and or in the Procedures Manual. A release following foreclosure or other transfer in lieu of foreclosure may be authorized if required as a condition to financing pursuant to the procedures set forth in the Procedures Manual.

(7) Purchasers of affordable units shall secure the obligations contained in the Notice of Special Restrictions or Conditions of Approval by executing and delivering to the City a promissory note secured by a deed of trust encumbering the applicable affordable unit.
as described in the Procedures Manual or by an alternative means if so provided for in the
Procedures Manual, as amended from time to time.

(8) Procedures For Units Unable To Resell,

The Board of Supervisors finds that certain requirements of this Program and the
Procedures Manual may create hardship for owners of affordable units restricted under this
Program. However, the Board also recognizes that the requirements of this Program are
important to preserve the long-term affordability of units restricted under the Program. In
order to allow some relief for owners of affordable units during a time of economic downturn,
but to provide the maximum protection for the long-term affordability of the units, the Board
directs MOH to analyze the following three issues and, if it deems appropriate, to propose
amendments to the Procedures Manual to address the issues:

(1) — Waiver of Re-sale Requirements: The Board recognizes that the risk to low and
moderate income homeowners during times of economic downturn can increase the risk of
default and foreclosure of units restricted under this Program. The Board directs MOH to
study ways to reduce such risks in the below market rate unit context and, if it deems
appropriate, to make recommendations to the Planning Commission to amend the Procedures
Manual to allow MOH discretion, in certain limited circumstances, to waive requirements for
owners of affordable units unable to resell their unit in a timely manner. Such amendments to
the Procedures Manual may include, but are not limited to, authorizing MOH to make one or
more allowances for owners of affordable units unable to resell such as: (1) a one-time waiver
of the first-time homebuyer rule for the purchasing household; (2) a one-time waiver of
qualifying household size requirements for the purchasing household; (3) and a one-time
waiver of owner occupancy rules to allow a temporary rental; and (4) a one-time modification
of the asset test for the new buyer household. MOH and the Commission shall set forth
criteria for granting such allowances such as establishing a minimum time that the units must

BOARD OF SUPERVISORS

have been advertised by MOH without selling, or criteria related to unusual economic or personal circumstances of the owner.

(2) — Waiver of Maximum Qualifying Income Level For New-Buyers: The Board recognizes that the current Program provides that the income of a new buyer of a below market-rate household cannot exceed the maximum income for a household of median income. Due to older pricing mechanism used for some affordable units, however, the resale price of an affordable unit subject to the Program is sometimes higher than the price affordable to a household at median income. This situation makes it difficult, if not impossible, for certain current owners of below market-rate units to sell their units. In order to minimize this situation, the Board directs MOH to study ways to address this issue and, if it deems appropriate, to make recommendations to the Commission to amend the Procedures Manual to allow MOH to assist homeowners who are unable to secure a buyer for their resale unit. Such amendments may include allowing MOH discretion to increase the qualifying income level for the unit by up to 20% above the maximum income limit currently allowed by the Program. MOH and the Commission shall establish limits to this or a similar proposal such as: providing a maximum percentage for the increase above the maximum income limit currently allowed; providing that the increase may only be granted on a one-time basis; and requiring the owner to clearly establish that the affordable unit being resold at the original purchase price plus commission and any eligible capital improvements or special assessments is unaffordable to a household at the income limit currently allowed.

(3) — Procedures for Addressing Units Priced Close to Market Rate:

The Board recognizes that the current economic climate has led to an increase in the number of market-rate units in San Francisco selling at market prices that are close to the below-market-rate prices set by MOH. While the City acknowledges that such units may form an important part of the City's middle-income housing stock, the situation poses issues-related
to the application of the Inclusionary Housing Program because developers and owners of
affordable units have a hard time attracting qualified buyers who are reluctant to choose a
restricted affordable unit over a market rate unit in the same building or neighborhood.

In order to address this situation and encourage the continued development of such
naturally affordable units, the Board directs MOH to study ways to address this issue and, if it
deems appropriate, to make recommendations to the Commission to amend the Procedures
Manual to allow MOH to establish different procedures for units that have a below market-rate
price set by MOH that is close to the market rate price of comparable units. MOH shall
examine whether it is in the City's interest to permit such units to sell at a market-rate price
under certain conditions such as: (1) the unit has a comparable market-rate price that is close
to the below market-rate prices set by MOH; (2) the unit requires a fee payment that would
greatly exceed the opportunity cost of selling the unit at the below market-rate price; (3) the
unit is sold to a qualifying household; (4) the new owner of the affordable unit could resell the
unit to a higher-income household than the initial qualifying level allowed and at a maximum
resale price that would exceed the resale price generally set by MOH for current resale units
under the program; (5) the owner of the affordable unit who resells the unit would share any
appreciation above a certain percent with MOH; and (6) the project sponsor or qualified
affordable owner would sign an affidavit stating the affordable unit prices would be within a
certain percentage range of the market rate units and be required to offer the units as typical
affordable units should the spread increase at the time of marketing and selling the market
rate units.

(c) For any units permitted to be rental units under the Program, the MOH shall
establish:

(1) restrictions on lease changes and propose such restrictions to the Commission

(2) additional eligibility criteria for subleasing and propose such restrictions to the Commission for inclusion in the Procedures Manual.

(3) criteria for continued eligibility for occupied rental units and propose such restrictions to the Commission for inclusion in the Procedures Manual.

(4) criteria for homeownership status and propose such restrictions to the Commission for inclusion in the Procedures Manual.

(5) criteria for granting affordable rental households the right of first refusal in purchasing an affordable unit that is converted from rental to ownership and propose such restrictions to the Commission for inclusion in the Procedures Manual.

SEC. 415.9. ENFORCEMENT PROVISIONS AND MONITORING OF PROGRAM.

(a) A first construction document or first certificate of occupancy, whichever applies, shall not be issued by the Director of DBI to any unit in the principal project until all of the affordable housing requirements of Sections 415.1 et seq. are satisfied.

(b) If, after issuance of the first certificate of occupancy, the Commission or Department determines that a project sponsor has failed to comply with any requirement in Section 415.1 et seq. or any reporting requirements detailed in the Procedures Manual, or has violated the Notice of Special Restrictions, the Commission, Department, or DBI may, until the violation is cured, (a) revoke the certificate of occupancy for the principal project or required affordable units, (b) impose a penalty on the project pursuant to Section 176(c) of this Code, and/or (c) the Zoning Administrator may enforce the provisions of Section 415.1 et seq. through any means provided for in Section 176 of this Code.

(c) The Department shall notify MOH of any housing project subject to the requirements of Section 415.1 et seq., including the name of the project sponsor and the number and location of the affordable units, within 30 days of the Department's approval of a building, or site permit for the project. MOH shall provide all project sponsors with information.
concerning the City's first time home-buyer assistance programs and any other related
programs MOH shall deem relevant to the Residential-Inclusionary Affordable Housing
Program.

(d) The Department shall, as part of the annual Housing Inventory, report to
the Board of Supervisors on the results of Section 415.1 et seq. including, but not limited to, a
report on the following items:

(1) The number of, location of, and project applicant for housing projects
which came before the Commission for a Conditional Use Authorization or Planned Unit
Development permit, and the number of, location of, and project applicant for housing
projects which were subject to the requirements of Section 415.1 et seq.;

(2) The number of, location of, and project sponsor for housing projects
which applied for a waiver, adjustment, or reduction from the requirements of Section 415.1 et
seq. pursuant to Section 406 of this Article, and the number of, location of, and project
sponsor for housing projects which were granted such a waiver, adjustment, or reduction and,
if a reduction, to what percentage;

(3) The number of, location of, and project sponsor for every housing project
to which Section 415.1 et seq. applied and the number of market rate units and the number of
affordable on- and off-site units provided, including the location of all of the affordable units;
and

(e) A study is authorized to be undertaken under the direction of MOH
approximately every five years to update the requirements of Section 415.1 et seq. MOH shall
make recommendations to the Board of Supervisors and the Commission regarding any
legislative changes. MOH shall specifically evaluate the different inclusionary housing
requirements for developments of over 120 feet approximately five years from the enactment

Mayor Newsom, Supervisor Chiu
BOARD OF SUPERVISORS
of the requirement or as deemed appropriate by MOH. MOH shall coordinate this report with
the five-year evaluation by the Director of Planning required by Section 410 of this Article.

(f) MOH shall evaluate its monitoring system for affordable units created
under this Section and shall compare its system with that of the San Francisco
Redevelopment Agency with the goal of establishing, to the extent feasible, a single
monitoring system for all inclusionary affordable housing units located in the City and County
of San Francisco. Within 6 months of the effective date of Section 415.1 et seq., MOH shall
make any changes to its monitoring system necessary to bring its monitoring system into
conformity with the system of the Redevelopment Agency, or, if necessary, MOH shall make
recommendations to the Board of Supervisors to amend Section 415.1 et seq. in order to
implement improvements to the monitoring system. If it is necessary to amend the Procedures
Manual to change its monitoring system to comply with this Section, MOH may make any
changes necessary to the Procedures Manual to comply with this Section 415.9(f). For
purposes of this Section 415.9(f) only and on a one-time basis, MOH may amend the
Procedures Manual without obtaining approval from the Commission. If MOH determines that
some or all of the aspects of its system are more effective than the Redevelopment Agency's
system, it shall inform the Board of Supervisors and recommend that the Board urge the
Redevelopment Agency to conform its procedures to the City's.

(g) Annual or Bi-annual Monitoring:

(1) MOH shall monitor and require occupancy certification for affordable
ownership and rental units on an annual or bi-annual basis, as outlined in the Procedures
Manual.

(2) MOH may require the owner of an affordable rental unit, the owner's
designated representative, or the tenant in an affordable unit to verify the income levels of the
tenant on an annual or bi-annual basis, as outlined in the Procedures Manual.
SEC. 416 (formerly Section 315.4(a)(1)(i)). MARKET AND OCTAVIA AREA PLAN

AFFORDABLE HOUSING REQUIREMENT FEE. Sections 416.1 through 416.5, hereafter referred to as Section 416.1 et seq., set forth the requirements and procedures for the Market and Octavia Area Plan Affordable Housing Fee. The effective date of these requirements shall be either May 30, 2008, which is the date that the requirements originally became effective, or the date a subsequent modification, if any, became effective.

SEC. 416.1. FINDINGS. The Board of Supervisors hereby finds that:

A. The additional affordable housing requirements of this Section are supported by the Nexus Study performed by Keyser Marston and Associates referenced in Section 415.1(11) and found in Board File No. 081152. The Board of Supervisors has reviewed the study and staff analysis and report of the study and, on that basis, finds that the study supports the current inclusionary affordable inclusionary-housing requirements combined with the additional affordable housing fee. Specifically, the Board finds that the study: (1) identifies the purpose of the additional fee to mitigate impacts on the demand for affordable housing in the City; (2) identifies the use to which the additional fee is to be put as being to increase the City's affordable housing supply; and (3) establishes a reasonable relationship between the use of the additional fee for affordable housing and the need for affordable housing and the construction of new market rate housing. Moreover, the Board finds that the current inclusionary affordable inclusionary-requirements combined with the additional fee are less than the cost of mitigation and do not include the costs of remedying any existing deficiencies. The Board also finds that the study establishes that the current inclusionary affordable inclusionary-requirements and additional fee do not duplicate other City requirements or fees.

B. Furthermore, the Board finds that generally an account has been established, funds appropriated, and a construction schedule adopted for affordable housing projects funded through the Inclusionary Affordable inclusionary Housing program. The Affordable
C. A major Market and Octavia Area Plan objective is to direct new market rate housing development to the area. That new market rate development will greatly outnumber both the number of units and potential new sites within the plan area for permanently affordable housing opportunities. The City and County of San Francisco has adopted a policy in its General Plan to meet the affordable housing needs of its general population and to require new housing development to produce sufficient affordable housing opportunities for all income groups, both of which will not be met by the projected housing development in the plan area. In addition, the "Draft Residential Nexus Analysis City and County of San Francisco" of December 2006 indicates that market rate housing itself generates additional lower income affordable housing needs for the workforce needed to serve the residents of the new market rate housing proposed for the plan area. In order to meet the demand created for affordable housing by the specific policies of the Plan and to be consistent with the policy of the City and County of San Francisco it is found that an additional affordable housing fee need be included on all market rate housing development in the Plan Area with priority for its use being given to the Plan area.

SEC. 416.2. DEFINITIONS. See Section 401 of this Article.

SEC. 416.3. APPLICATION OF AFFORDABLE HOUSING REQUIREMENT. The requirements of Sections 415.1 through 415.9 shall apply in the Market and Octavia Plan Area in addition to the following additional affordable housing requirement:

(a) Amount of fee: All development projects that have not received Department or Commission approval as of the effective date of May 30, 2008 and that are subject to the Residential-Inclusionary Inclusionary Affordable Housing Program shall pay an additional Affordable Fee per square foot of Residential Space Subject to the Community
Improvements Impact Fee as follows; $8.00 in the Van Ness Market Special Use District; $4.00 in the NCT District; and $0.00 in the RTO District.

(b) Other Fee Provisions. This additional Affordable Housing Fee shall be subject to the inflation adjustment provisions of Section 409 and the waiver and reduction provisions of Section 406421.4. This additional Affordable Housing Fee may not be met through the in-kind provision of community improvements or Community Facilities (Mello Roos) financing options of Sections 421.3(d) and (3)426.3(e) and (f).

(c) Exemption for Affordable Housing. A project applicant shall not pay a supplemental Affordable Housing Fee for any square foot of space designated as a below market rate unit under Section 415.1 et seq., the Citywide Inclusionary Affordable Housing Program, or any other residential unit that is designated as an affordable housing unit under a Federal, State, or local restriction in a manner that maintains affordability for a term no less than 50 years.

(d) Timing of payment. The Market and Octavia Plan Area Affordable Housing Fee shall be paid before the City issues a first construction document, with an option for the project sponsor to defer payment to prior to issuance of the first Certificate of Occupancy upon agreeing to pay a deferral surcharge in accordance with Section 107A.13.3 of the San Francisco Building Code.

SEC. 416.4. IMPOSITION OF AFFORDABLE HOUSING FEE REQUIREMENT.

(a) Determination of Requirements. The Department shall determine the applicability of Section 416.1 et seq. to any development project requiring a first construction document building or site permit and, if Section 416.1 et seq. is applicable, shall impose any such requirements as a condition of approval for issuance of the first construction document building or site permit. The project sponsor shall supply any information necessary to assist the Department in this determination.
(b) Department Notice to Development Fee Collection Unit of Fee Requirements. After the Department has made its final determination regarding the application of the affordable housing requirements to a development project pursuant to Section 416.1 et seq., it shall immediately notify the Development Fee Collection Unit at DBI of the applicable affordable housing fee amount in addition to the other information required by Section 402(b) of this Article.

(c) Process for Revisions of Determination of Requirements. In the event that the Department or the Commission takes action affecting any development project subject to Section 416.1 et seq. and such action is subsequently modified, superseded, vacated, or reversed by the Board of Appeals, the Board of Supervisors, or by court action, the procedures of Section 402(c) of this Article shall be followed.

SEC. 416.5. USE OF FUNDS. The additional affordable housing requirement specified in this Section for the Market and Octavia Plan Area shall be paid into the Citywide Affordable Housing Fund, but the funds shall be separately accounted for. MOH shall expend the funds according to the following priorities: First, to increase the supply of housing affordable to qualifying households in the Market and Octavia Plan Area; second, to increase the supply of housing affordable to qualifying households within 1 mile of the boundaries of the Plan Area; third, to increase the supply of housing affordable to qualifying households in the City and County of San Francisco. The funds may also be used for monitoring and administrative expenses subject to the process described in Section 415.7(e)(5)(f).

SEC. 417 (formerly Section 315.4(a)(1)(ii)). EASTERN NEIGHBORHOODS AREA PLAN ALTERNATE AFFORDABLE HOUSING REQUIREMENT IN LIEU FEE. Sections 417.1 through 417.5, hereafter referred to as Section 417.1 et seq., set forth the requirements and procedures for the Eastern Neighborhoods Area Plan Alternate Affordable Housing In-Lieu Fee. The effective date of these requirements shall be either January 19, 2009, which is the
date that the requirements originally became effective, or the date a subsequent modification, if any, became effective.

SEC. 417.1. FINDINGS. The Board of Supervisors hereby finds that:

A. The fee provisions of this Section are equivalent to or less than the fees for developments of over 20 units previously adopted by the Board in Ordinance No. 051685 and 060529 and are also supported by the Nexus Study performed by Keyser Marston and Associates referenced in Section 415.1(11) and found in Board File No. 081152. The Board of Supervisors has reviewed the study and staff analysis prepared by the MOH dated July 24, 2008 in Board File No. 081152 and, on that basis, finds that the study supports the current proposed changes to the inclusionary housing requirements for projects of 20 units or less in the Eastern Neighborhood Area Plan. Specifically, the Board finds that the study and staff memo: (1) identifies the purpose of the additional fee to mitigate impacts on the demand for affordable housing in the City; (2) identifies the use to which the additional fee is to be put as being to increase the City's affordable housing supply; and (3) establishes a reasonable relationship between the use of the additional fee for affordable housing and the need for affordable housing and the construction of new market rate housing. Moreover, the Board finds that the new inclusionary affordable housing inclusionary requirements are less than the cost of mitigation and do not include the costs of remedying any existing deficiencies. The Board also finds that the study establishes that the inclusionary requirements do not duplicate other City requirements or fees.

B. Furthermore, the Board finds that generally an account has been established, funds appropriated, and a construction schedule adopted for affordable housing projects funded through the Inclusionary Affordable Inclusionary Housing program and the in lieu fees will reimburse the City for expenditures on affordable housing that have already been made.

C. The Board finds that small scale development faces a number of challenges in the current development climate, including limited access to credit and often, a higher land cost per unit for the small sites on which they develop. Because of these and other variations from larger-scale development, they operate under a somewhat unique development model which cannot be fully encapsulated within the constraints of the Eastern Neighborhoods Financial Analysis, prepared to assess the financial feasibility of increasing housing requirements and impact fees in the Plan Areas. To address these challenges, the Board finds that a number of slight modifications to the affordable housing requirements of the Eastern Neighborhoods, to apply to small projects (defined as 20 units or fewer, or less than 25,000 gross square feet) are appropriate.

SEC. 417.2. DEFINITIONS. See Section 401 of this Article.

"Gross square footage" shall have the meaning set forth in Section 102.9.

"Eastern Neighborhood Controls" shall have the meaning set forth in Section 175.6.

Application.

SEC. 417.3. APPLICATION OF AFFORDABLE HOUSING FEE REQUIREMENT.

(a) Application. The alternate Affordable Housing in-lieu Fee described in this Section shall only apply to development projects that are subject to the Eastern Neighborhood Controls, consist of 20 units or less or less than 25,000 gross square feet, and are subject to the requirements of Sections 415 through 415.9 and 419, and any stated exceptions elsewhere in this Code, including the specific provisions in Section 419.

(b) Amount of Fee. Any sponsor of a development projects subject to this Section may choose to pay an alternate in-lieu fee equal to $40.00 per gross square foot of net new residential development instead of the standard in-lieu Affordable Housing Fee requirements set forth in Section 415.75 as follows.
(c) Calculation of Gross Square Feet of Residential Area. The calculation of gross
square feet shall not include nonresidential uses, including any retail, commercial, or PDR
uses, and all other space used only for storage and services necessary to the operation or
maintenance of the building itself.

(d) Timing of Payment. The Eastern Neighborhoods Alternate Affordable Housing
Fee project applicant shall be paid to the Development Fee Collection Unit at DBI prior to
issuance of the first construction document, with an option for the project sponsor to defer
payment to prior to issuance of the first certificate of occupancy upon agreeing to pay a
deferral surcharge that would be deposited into the Citywide Affordable Housing Fund in
accordance with Section 107A.13.3 of the San Francisco Building Code.

SEC. 417.4. IMPOSITION OF AFFORDABLE HOUSING FEE REQUIREMENT.

(a) Determination of Requirements. The Department shall determine the
applicability of Section 417.1 et seq. to any development project requiring a building or site
permit and, if Section 417.1 et seq. is applicable, shall impose any such requirements as a
condition of approval for issuance of the building or site permit. The project sponsor shall
supply any information necessary to assist the Department in this determination.

(b) Department Notice to Development Fee Collection Unit of Fee Requirements.
After the Department has made its final determination regarding the application of the
affordable housing requirements to a development project pursuant to Section 417.1 et seq., it
shall immediately notify the Development Fee Collection Unit at DBI of the applicable
affordable housing fee amount in addition to the other information required by Section 402(b)
of this Article.

(c) Process for Revisions of Determination of Requirements. In the event that the
Department or the Commission takes action affecting any development project subject to
Section 417.1 et seq. and such action is subsequently modified, superseded, vacated, or
reversed by the Board of Appeals, the Board of Supervisors, or by court action, the
procedures of Section 402(c) shall be followed.

SEC. 417.5. USE OF FUNDS. The Eastern Neighborhoods Area Plan Alternate
Affordable Housing In-Lieu Fee shall be paid into the Citywide Affordable Housing Fund, but the
funds shall be separately accounted for. MOH shall expend the funds according to the
following priorities: First, to increase the supply of housing affordable to qualifying households
in the Eastern Neighborhoods Project Areas; second, to increase the supply of housing
affordable to qualifying households within 1 mile of the boundaries of the Eastern
Neighborhoods Project Areas; third, to increase the supply of housing affordable to qualifying
households in the City and County of San Francisco. The funds may also be used for
monitoring and administrative expenses subject to the process described in Section
415.6(e)(e).

Section 3: The San Francisco Planning Code is hereby amended by amending Section
827 to read as follows:

SEC. 827. - RINCON HILL DOWNTOWN RESIDENTIAL MIXED USE DISTRICT (RH-
DTR).

The Rincon Hill Downtown Residential Mixed Use District (RH-DTR), the boundaries of
which are shown in Section Map No. 1 of the Zoning Map, is established for the purposes set
forth below.

The RH-DTR District is adjacent to the southern edge of the downtown, generally
bounded by Folsom Street, the Bay Bridge, the Embarcadero, and Essex Street. High-density
residential uses and supporting commercial and institutional uses are allowed and
encouraged within the limits set by height, bulk, and tower spacing controls. Folsom Street is
intended to develop as the neighborhood commercial heart of the Rincon Hill and Transbay
neighborhoods, and pedestrian-oriented uses are required on the ground floor. Individual
townhouse dwelling units with ground floor entries directly to the street are required on streets
that will become primarily residential, including First, Fremont, Beale, Main, and Spear
Streets.

While lot coverage is limited for all levels with residential uses that do not face onto
streets or alleys, traditional rear yard open spaces are not required except in the limited
instances where there is an existing pattern of them, such as smaller lots on the Guy Place
block. Specific height, bulk, and setback controls establish appropriate heights for both towers
and mid-rise podium development and ensure adequate spacing between towers in order to
establish a neighborhood scale and ensure light and air to streets and open spaces. Setbacks
are required where necessary to provide transition space for ground floor residential uses and
to ensure sunlight access to streets and open spaces. Off-street parking must be located
below grade.

Given the need for services and open space resulting from new development, projects
will provide or contribute funding for the creation of public open space and community facilities
as described in the Rincon Hill Area Plan of the General Plan. The Rincon Hill Streetscape
Plan, part of the Area Plan, proposes to enhance and redesign most streets in the district to
create substantial new open space amenities, improve pedestrian conditions, and improve the
flow of local traffic and transit. Detailed standards for the provision of open spaces, mid-block
pathways, and residential entries are provided to ensure that new buildings contribute to
creating a public realm of the highest quality in Rincon Hill.

**Building Standards.**

**Development Concept.** The development concept is for podium development up to 85 feet in height, with slender residential towers spaced to provide ample light and air to
the district. New development will contribute to the creation of a substantial amount of public open space, as well as provide private common areas, courtyards, and balconies. Streets will be improved to provide widened sidewalks with substantial public open space. Ground floor uses will be pedestrian-oriented in character, consisting primarily of retail on Folsom Street, and individual townhouse-style residential units on First, Fremont, Beale, Main, and Spear Streets, as well as on alleys and mid-block pathways. Parking will be located below grade, and building utilities (loading bays, service doors, garage doors) will be located in sidewalk vaults or on secondary frontages.

(2) **Street-Facing Use Requirements.** Pedestrian-oriented retail, residential, institutional uses, and community services are required ground floor uses on all street facing
frontages, except for the minimum frontage required for fire doors, parking and loading access, and other utilities.

(A) **Required Ground Floor Retail Spaces.** For frontages facing Folsom Street, ground floor space suitable for retail use is required for no less than 75 percent of all frontages, as specified in Section 145.4.

(B) **Required Individual Ground Floor Residential Units.** For building frontages facing Fremont, First, Main, Beale and Spear Streets more than 60 feet from an intersection with Folsom, Harrison, or Bryant Streets, and for building frontages facing Guy Place and Lansing Street, individual ground floor residential units with direct pedestrian access to the sidewalk are required at intervals of no greater than 25 feet, except where residential lobbies, parking and loading access, utilities, and open space are necessary and provided pursuant to the allowances of Section 827 and other sections of this Code. Individual ground floor residential units are also encouraged along Harrison Street, Bryant Street, and alleys and mid-block pedestrian paths where appropriate.

Figure 827(B): Frontages Where Ground Floor Retail Uses Are Required.

![Diagram showing locations where ground floor retail is required]

Figure 827: Frontages Where Ground Floor Residential Users/Entries Are Required.
(3) **Required Streetwall.** Building area below 85 feet in height is required to be built to 100 percent of all property lines facing public rights-of-way, except where setbacks are required by this Section and except where publicly accessible open space is provided according to the provisions of this Section. Recesses, insets and breaks between buildings are permitted to provide vertical articulation to the facade, provided the overall integrity of the streetwall is maintained.

(4) **Lot Coverage.** Lots fronting only on the north side of Guy Place are permitted up to 80 percent lot coverage.

(5) **Upper Story Setback.** To ensure adequate sunlight to streets, alleys, and pedestrian pathways, upper story setbacks are required as follows:

(A) All buildings are required to set back at least 10 feet above a height of 65 feet along Spear, Main, Beale, Fremont and First Streets. This requirement shall not apply to street frontage occupied by a building taller than 85 feet. This upper story setback requirement shall also not apply to the first 60 linear feet of frontage from corners at Folsom, Harrison, and Bryant Streets.
(B) Buildings greater than 60 linear feet from a major street along Guy Place, Lansing Street, and any proposed or existing private or public mid-block pedestrian pathways, are required to be set back at least 10 feet above 45 feet in height from said right-of-way.

(C) In order to increase sun access to mid-block pathways and uses along such pathways, all building frontage on the southeast side of mid-block pathways not occupied by a building taller than 85 feet must set back upper stories by 10 feet above a building height of 45 feet. For projects on the south side of a mid-block pedestrian pathway taller than 65 feet, an additional upper story setback of 10 feet is required above a building height of 65 feet.

(i) **Modifications.** For any lot on the north side of a required mid-block pedestrian pathway, a modification from the required upper story setback of 10 feet above a height of 45 feet may be granted according to the provisions of Section 309.1, provided that, in total, the building is set back by a volume equal to what would be required by meeting the standard in (C) above, and the modification would substantially improve the accessibility, design and character of the mid-block pedestrian pathway.

**Figure 827(D): Required Upper Story Stepbacks**
(6) **Ground Floor Residential Units.** Where ground floor residential units are required along Spear, Main, Beale, Fremont, and First Streets, the design standards of the Ground Floor Residential Design Guidelines apply. Ground floor residential units along Guy Place and Lansing Street, within the footprint of towers taller than 105 feet, and those that are proposed in locations where they are not required, are encouraged to meet the standards in this subsection to the greatest degree possible.

(7) **Ground Floor Commercial Design.** Ground floor commercial spaces must meet the standards set in Section 145.1 and 145.4.

(8) Off-Street Parking and Loading.

(A) Parking and Loading Access.

(i) **Width of openings.** The maximum permitted width of all combined parking and loading openings on Guy Place and Lansing Street for any single project is 20 feet.

(ii) **Folsom Street.** Access to off-street parking is not permitted on Folsom Street for lots with frontage on another street. For lots fronting solely on Folsom Street, access to parking on a Folsom Street frontage is permitted only through the processes established by
Section 309.1 by demonstrating that every effort has been made to minimize negative impact on the pedestrian quality of the street. Loading may not be accessed from Folsom Street.

(9) **Open Space.**

(1) In addition to the standards of Section 135, open space intended to fulfill the requirements of off-site or publicly-accessible open space may include streetscape improvements with landscaping and pedestrian amenities on Guy Place and Lansing Street, beyond basic street tree planting or street lighting as otherwise required by this Code, in accordance with the Streetscape Plan of the Rincon Hill Area Plan.

(10) **Streetscape Standards.**

(A) **Sidewalk Treatments.**

(i) For all frontages abutting a public sidewalk, the project sponsor is required to install sidewalk widening, street trees, lighting, decorative paving, seating and landscaping in accordance with the Streetscape Plan of the Rincon Hill Area Plan, developed by the Planning Department and approved by the Board of Supervisors.

(ii) Prior to approval by the Board of Supervisors of a Streetscape Plan for Rincon Hill, the Planning Commission, through the procedures of Section 309.1, shall require an applicant to install sidewalk widening, street trees, lighting, decorative paving, seating, and landscaping in keeping with the intent of the Rincon Hill Area Plan of the General Plan and in accordance with subsections (iii)—(vi) below.

(iii) Sidewalk treatments shall comply with any applicable ordinances and with any applicable regulation of the Art Commission, the Department of Public Works and the Bureau of Light, Heat and Power of the Public Utility Commission regarding street lighting, sidewalk paving, and sidewalk landscaping.

(iv) The Streetscape Plan and any Commission requirement pursuant to subsection (ii) shall require the abutting property owner or owners to hold harmless the City and County
of San Francisco, its officers, agents, and employees, from any damage or injury caused by
reason of the design, construction or maintenance of the improvements, and shall require the
owner or owners or subsequent owner or owners of the respective property to be solely liable
for any damage or loss occasioned by any act.

(v) Notwithstanding the provisions of this Section, an applicant shall apply for all
required permits for changes to the legislated sidewalk widths and street improvements and
pay all required fees.

(vi) The owner of the property is required to maintain all those improvements other
than lighting.

(B) **Mid-Block Pedestrian Pathways.** For developments on Assessor’s Blocks
3744—3748, the Commission may require, pursuant to Section 309.1, the applicant to provide
a mid-block pedestrian pathway for the entire depth of their property where called for by the
Rincon Hill Area Plan of the General Plan. This pathway shall be designed in accordance with
the standards of this Section.

(i) **Design.** The design of the pathway shall meet the following minimum
requirements:

(AA) Have a minimum width of 20 feet from building face to building face;

(BB) Have a minimum clear walking width of 10 feet free of any obstructions.

(CC) Be open to the sky and free from all encroachments for that entire width, except
for those permitted in front setbacks by Section 136 of this Code;

(DD) Provide such ingress and egress as will make the area easily accessible to the
general public;

(EE) Be protected from uncomfortable wind, as called for elsewhere in this Code;

(FF) Be publicly accessible, as defined elsewhere in this Section;
(GG) Be provided with special paving, furniture, landscaping, and other amenities that facilitate pedestrian use;

(HH) Be provided with ample pedestrian lighting to ensure pedestrian comfort and safety;

(ii) Be free of any changes in grade or steps not required by the natural topography of the underlying hill; and

(JJ) Be fronted by active ground floor uses, such as individual townhouse residential units, to the greatest extent possible.

(ii) Prior to issuance of a permit of occupancy, informational signage directing the general public to the pathway shall be placed in a publicly conspicuous outdoor location at street level stating its location, the right of the public to use the space and the hours of use, and the name and address of the owner or owner’s agent responsible for maintenance.

(iii) The owner of the property on which the pathway is located shall maintain it by keeping the area clean and free of litter and keeping in a functional and healthy state any street furniture, lighting and/or plant material that is provided.

(iv) Notwithstanding the provisions of this subsection, an applicant shall obtain all required permits for changes to the legislated sidewalk and street improvements and pay all required fees.

(v) The property owner or owners must hold harmless the City and County of San Francisco, its officers, agents, and employees, from any damage or injury caused by reason of the design, construction or maintenance of the improvements, and shall require the owner or owners or subsequent owner or owners of the respective property to be solely liable for any damage or loss occasioned by any act.

(b) **Uses.**
(1) **Housing Requirement for Residential Developments.** The requirements of Sections 415.315 through 415.9.315.9 shall apply in the RH-DTR subject to the following exceptions:

(A) If constructed on-site, a minimum of 12 percent of the total units constructed, and if constructed off-site, a minimum of 17 percent of the total units constructed, shall be affordable to and occupied by qualifying persons and families as defined elsewhere in this Code.

(B) Below-market-rate units as required by Sections 415.315 through 415.9.315.9 that are built off-site must be built within the area bounded by Market Street, the Embarcadero, King Street, Division Street, and South Van Ness Avenue.

(C) No less than fifty percent (50%) of the fees that are paid due to development in the Rincon Hill Area Plan under *Section 415 et seq.* (formerly Section 315.4(e)(2) and 315.6) shall be paid into the Citywide Affordable Housing Fund, but the funds shall be separately accounted for and designated exclusively to increase the supply of affordable housing in the SOMA area.

(D) Fifty percent (50%) of the below-market-rate units as required by Section 315 through 315.9 that are built on- or off-site must be provided as rental units for the life of the project, as defined in Planning Code Section 315.7(a).

(E)—The Mayor's Office of Housing must submit a resolution to the Board of Supervisors with a plan for the use of all *in-lieu* Affordable Housing Fee payments generated from the Rincon Hill Plan prior to any expenditure of the Funds.

Section 4: The San Francisco Administrative Code is hereby amended by amending Sections 56.2, 56.3, and 56.20 to read as follows:

SEC. 56.2. - PURPOSE AND APPLICABILITY.
(a) The purpose of this Chapter is to strengthen the public planning process by encouraging private participation in the achievement of comprehensive planning goals and reducing the economic costs of development. A development agreement reduces the risks associated with development, thereby enhancing the City's ability to obtain public benefits beyond those achievable through existing ordinances and regulations. To accomplish this purpose the procedures, requirements and other provisions of this Chapter are necessary to promote orderly growth and development (such as, where applicable and appropriate, provision of housing, employment and small business opportunities to all segments of the community including low income persons, minorities and women), to ensure provision for adequate public services and facilities at the least economic cost to the public, and to ensure community participation in determining an equitable distribution of the benefits and costs associated with development.

(b) Such agreements shall only be used for (1) affordable housing developments or (2) large multi-phase and/or mixed-use developments involving public improvements, services, or facilities installations, requiring several years to complete, as defined below in Section 56.3, or a housing development with a minimum of 1,000 units, as defined below in Section 56.3; or (3) rental housing developments with on-site affordable units, as defined below in Section 56.3.

SEC. 56.3. - DEFINITIONS.

The following definitions shall apply for purposes of this Chapter:

(a) "Affordable housing development" shall mean for purposes of Section 56.2(b)(1), any housing development which has a minimum of 30 percent of its units affordable to low income households, and a total of 60 percent of its units affordable to households, as defined by the U.S. Census, whose immediate household income does not exceed 120 percent of the median household income for the San Francisco Primary
Metropolitan Statistical Area, with the remaining 40 percent of its units unrestricted as to affordability. For purposes of this definition of "affordable housing development," "low income" shall mean the income of households, as defined by the U.S. Census whose immediate household income does not exceed 80 percent of the median household income for the San Francisco Primary Metropolitan Statistical Area. "Median household income" for the San Francisco Primary Metropolitan Statistical Area shall be as determined by the U.S. Department of Housing and Urban Development and adjusted according to the determination of that Department and published from time to time. In the event that such income determinations are no longer published by the Department of Housing and Urban Development, median household income shall mean the median gross yearly income of a household in the City and County of San Francisco, adjusted for household size, as published periodically by the California Department of Housing and Community Development. Such affordable housing development may include neighborhood commercial facilities which are physically and financially an integral part of the affordable housing project and which will provide services to local residents.

(b) "Applicant/Developer" shall mean a person or entity who has legal or equitable interest in the real property which is the subject of the proposed or executed development agreement for an "affordable housing development" or a "large multi-phase and/or mixed-use development," as those terms are defined herein, or such person's or entity's authorized agent or successor in interest; provided, however, that an entity which is subject to the requirements of City Planning Code Section 304.5 relating to institutional master plans does not qualify as an applicant for a development agreement.

(c) "Collateral agreement" shall mean a written contract entered into by the applicant/developer and/or governmental agencies with other entities (including, but not limited to, community coalitions) for the purpose of having said entities provide for and
implement social, economic, or environmental benefits or programs; provided, however, that such term does not include agreements between the applicant/developer or governmental agencies and (1) construction contractors and subcontractors, (2) construction managers, (3) material suppliers, and (4) architects, engineers, and lawyers for customary architectural, engineering or legal services.

(d) "Commission" shall mean the City-Planning Commission.

(e) "Director" shall mean the Director of the Planning Department.

(f) "Housing development with a minimum of 1,000 units" shall mean a proposed residential development project which: (1) is on a site which exceeds two and one-half acres in area, (2) includes two or more buildings to be constructed on the site, and (3) includes a proposal for constructing or participating in providing, either off-site or on-site, public improvements, facilities, or services beyond those achievable through existing ordinances and regulations.

(g) "Large multi-phase and/or mixed-use development" shall mean a proposed development project which: (1) is on a site which exceeds five acres in area, (2) includes two or more buildings to be constructed sequentially on the site, and (3) includes a proposal for constructing or participating in providing, either off-site or on-site, public improvements, facilities, or services beyond those achievable through existing ordinances and regulations.

(h) "Material modification" shall mean any proposed amendment or modification to either a proposed development agreement approved by the Commission, or a previously executed development agreement, which amendment or modification is otherwise required by the terms of the development agreement, which changes any provision thereof regarding the following: (1) duration of the agreement; (2) permitted uses of the subject property; (3) density or intensity of the permitted uses; (4) location, height or size of any structures, buildings, or major features; (5) reservation or dedication of land; (6) any conditions, terms, restrictions and
requirements relating to subsequent discretionary actions as to design, improvements, construction standards and specifications; (7) any other condition or covenant relating to the financing or phasing of the development which substantially modifies the use of the property, the phasing of the development, or the consideration exchanged between the parties as recited in the proposed development agreement; (8) the type, number, affordability level, and/or tenure of any proposed affordable housing as well as any change as to performance of such public benefits, including but not limited to timing, phasing, method of performance or parties involved; or (9) any other terms or conditions of the development agreement if the development agreement provides that amendment of said specified term or condition would be a material modification.

(i) "Minor modification" shall mean any amendment or modification to the development agreement which relates to any provision not deemed to be a "material modification."

(ii) "Rental housing developments with on-site affordable units" shall mean a proposed residential development project the project sponsor of which covenants to provide on-site units to satisfy the Inclusionary Affordable Housing Program, as set forth in Planning Code Sections 415-417, as an alternative to payment of the Affordable Housing Fee.

SEC. 56.20. - FEE.

In order to defray the cost to the City and County of San Francisco of preparing, adopting, and amending a development agreement, a fee shall be charged and collected in accord with the procedures described below:

(a) Cost Estimate and Application Report. The reasonable costs to the various departments of the City and County of San Francisco including, but not limited to, the Planning Department of City Planning, the Department of Public Works, the Mayor's Office of Housing

Mayor Newsom, Supervisor Chiu

and Economic Development, the Real Estate Department and the City Attorney's Office for staff
time, necessary consultant services and associated costs of materials and administration will
vary according to the size and complexity of the project. Accordingly, upon receipt of an
application for a development agreement, the Planning Department of City Planning, after
consultation with the applicant/developer, any other parties identified in the application as
parties to the proposed development agreement, and the affected City and County
departments, shall prepare an estimated budget of the reasonable costs to be incurred by the
City and County (1) in the preparation and adoption of the proposed development agreement,
and (2) in the preparation of related documents where the costs incurred are not fully funded
through other City fees or funds; provided, however, that if the projected time schedule
exceeds one year, then the estimated budget shall be prepared for the initial 12-month period
only, and the estimated budgets for any subsequent 12-month time periods shall be prepared
prior to the end of the prior 12-month period.
The Director shall also prepare a report for the Commission and Board describing the
application, the anticipated public benefits listed in the application pursuant to Section 56.4(b),
and the projected time schedule for development agreement negotiations.

(b) Commission and Board of Supervisors Consideration. The Commission shall
recommend to the Board of Supervisors that a fee be imposed of a specified amount after
reviewing the cost estimate prepared by the Director and conducting a public hearing
pursuant to Section 56.4(c). If the Board of Supervisors approves the fee amount by
resolution, the fee shall be paid within 30 days after the effective date of the resolution. The
fee shall be paid in a single installment or, at the discretion of the Director, in four equal
installments, payable periodically over the estimated time frame for which the estimated budget has been prepared, with the first installment due within 30 days after the effective date of the fee resolution.

(c) Deposit. The applicant/developer may prepay up to 50 percent of the amount of the fee (as calculated in the Director's estimated budget) into a Development Agreement Fund established for that purpose to enable the affected City Departments and agencies to begin work on the application. Such funds shall be deemed appropriated for the purposes identified in the cost estimate, and shall be credited against the final fee amount specified in the fee resolution if such resolution is ultimately adopted by the Board of Supervisors. If the Board fails to adopt such fee resolution, then the Controller shall return any prepaid funds remaining unexpended or unobligated to the applicant/developer. If the Board approves a fee amount which is less than the amount which the applicant/developer prepaid, then the Controller shall return that portion of the difference between the fee amount and the prepaid funds which remains unexpended or unobligated to the applicant/developer.

(d) Development Agreement Fund. There is hereby created a Development Agreement Fund wherein all funds received under the provisions of this section shall be deposited. All expenditures from the Fund shall be for purposes of reviewing the application for, or proposed material modification to, a development agreement and preparing the documents necessary to the approval of the development agreement, or a material modification thereto. Up to 50 percent of the annual cost estimate is hereby deemed appropriated for such purposes if the applicant/developer chooses to prepay such amount pursuant to Subsection (c) above. All other funds are subject to the budget and fiscal powers
of the Board of Supervisors. Interest earned on such amounts deposited in said Fund shall
accrue to the Fund for the purposes set forth herein. Upon the execution of a development
agreement, or withdrawal by an applicant/developer of its application, any unexpended or
unobligated portion of the fee paid by the applicant/developer shall be returned to the
applicant/developer.

(e) Waiver for Affordable Housing. The Board of Supervisors may, by resolution,
waive all or a portion of the fee required pursuant to this section for affordable housing
developments, as that term is defined in Section 56.3, only if it finds that such waiver is
necessary to achieve such affordable housing development.

(f) Other Fees. Payment of fees charged under this section does not waive the fee
requirements of other ordinances. The fee provisions set forth herein are not intended to
address fees or funding for parties to collateral agreements.

(g) Not Applicable to Rental Housing With On-Site Affordable Housing Units. The hearings
and fee required pursuant to this section shall not apply to development agreements entered into with
project sponsors of rental housing developments with on-site affordable housing units as that term is
declared in Section 56.3(j) if the provision of on-site affordable housing units is the primary purpose of
the Development Agreement.

Section 3. This section is uncodified.

In enacting this Ordinance, the Board intends to amend only those words, phrases,
paragraphs, subsections, sections, articles, numbers, punctuation, charts, diagrams or any
other constituent part of the Planning Code that are explicitly shown in this legislation as
additions, deletions, Board amendment additions, and Board amendment deletions in
accordance with the "Note" that appears under the official title of the legislation. This Ordinance shall not be construed to effectuate any unintended amendments. Any additions or deletions not explicitly shown as described above, omissions, or other technical and non-substantive differences between this Ordinance and the Planning Code that are contained in this legislation are purely accidental and shall not effectuate an amendment to the Planning Code. The Board hereby authorizes the City Attorney, in consultation with the Clerk and other affected City departments, to make those necessary adjustments to the published Planning Code, including non-substantive changes such as renumbering or relettering, to ensure that the published version of the Planning Code is consistent with the laws that this Board enacts.

Specifically, the Board of Supervisors recognizes that three pending ordinances in Files Nos. 100046, 101247, and 101095 amend some of the same sections of the Planning Code. The Board intends that, if adopted, the Board amendment additions, and Board amendment deletions shown in all three Ordinances be given effect so that the substance of each ordinance be given full force and effect. To this end, the Board directs the City Attorney's office and the publisher to harmonize the provisions of each ordinance.
