6 amount equal to (1) the costs incurred by the City occasioned by the failure to remove Signs
7 and by damaged property occasioned by their posting or removal, and (2) the costs to the City
8 incurred in obtaining imposition of such civil penalties through litigation, including the cost of

17 amended from time to time, is hereby incorporated and shall govern the procedure for the imposition,

19 Article, except that the amount of the administrative fine shall be \$100 for a first violation of any

6 to the removal of illegally posted Signs and repair of City property damaged by such posting.
7 Balances remaining in the fund at the close of any fiscal year shall have been deemed to have
8 been provided for a specific purpose within the meaning of Section 9.113 of the Charter, and
9 shall be carried forward and accumulated in said fund for the purposes recited herein. The
10 monies received into this fund are hereby appropriated exclusively for the purposes set forth
11 herein.

12 Section 3. The San Francisco Public Works Code is hereby amended by amending
13 Section 184.65, to read as follows:

14 **SEC. 184.65. - IDENTIFICATION OF PERSONS RESPONSIBLE FOR POSTING OF**
15 **SIGNS.**

16 In any civil action seeking recovery of a civil penalty and/or costs of removal of a Sign
17 for violation of any of the provisions of this Article, and in the issuance and administrative review of
18 administrative citation(s) issued for the posting of a Sign in violation of any of the provisions of this
19 Article, the City at all times shall have the burden of proving that the Person against whom such civil
20 action is brought, or to whom such administrative citation(s) is or are issued, posted or caused the
21 posting of the Sign. In any such civil action, and in the issuance and/or administrative review of any
22 such administrative citation(s), where the Sign at issue does no more than propose a commercial
23 transaction, proof that the Sign posted contains the name of or in any other manner identifies a
24 Person shall may be used as evidence to show, and may, depending on all relevant circumstances as
25

1 evaluated by the trier of fact, enable the trier of fact to infer, give rise to a rebuttable presumption that
2 the Person caused such Signs to be posted or to remain posted.

3 Section 4. The San Francisco Police Code is hereby amended by amending Section
4 39-1, to read as follows:

5 **SEC. 39-1. - PROCEDURE FOR ASSESSMENT AND COLLECTION OF**
6 **ADMINISTRATIVE PENALTIES FOR SPECIFIED LITTERING AND NUISANCE**
7 **VIOLATIONS.**

8 (a) This Section shall govern the imposition, assessment and collection of
9 administrative penalties imposed pursuant to Sections 37, 38 and 63 of the Police Code,
10 Sections 41.13, 283.1, 287, 288.1 and 600 of the Health Code, and Sections 170, 173, 174,
11 174.2, ~~184.63~~ and 724.5 of the Public Works Code.

12 (b) The Board of Supervisors finds:

13 (1) That it is in the best interest of the City and its citizens to provide an alternative,
14 administrative penalty mechanism for enforcement of the littering and nuisance violations
15 covered by this section in addition to the existing enforcement mechanisms authorized under
16 the California Penal Code; and

17 (2) That the administrative penalty scheme established by this section is not intended
18 to be punitive in nature, but is instead intended to compensate the public for the injury and
19 damage caused by the prohibited conduct. The administrative penalties authorized under this
20 section are intended to be reasonable and not disproportionate to the damage or injury to the
21 City and the public caused by the prohibited conduct.

22 (c) Administrative Citation. Where an officer or employee designated in Section 38
23 determines that there has been a violation of a local litter or nuisance law that authorizes
24 imposition of an administrative penalty, the officer or employee may issue an administrative
25 citation to the person and/or entity responsible for the violation. For purposes of this Section,

1 an entity is responsible if an officer, employee or agent of the entity commits the violation. The
2 citation shall inform the person or entity responsible of the date, time, place and nature of the
3 violation and the amount of the proposed penalty, and shall state that the penalty is due and
4 payable to the City Treasurer within 15 City business days from the date of the notice, if not
5 contested within the time period specified. The citation shall also state that the person or
6 entity responsible has the right, pursuant to Subsection (d), to request administrative review of
7 the citing officer or employee's determination as to the violation and assessment of penalties,
8 and shall set forth the procedure for requesting administrative review. The Director shall serve
9 the administrative citation as follows:

10 1. Where there is a nexus between the violator and a specific property:

11 (A) One copy of the Notice shall be posted in a conspicuous place upon the building
12 or property.

13 (B) One copy of the Notice shall be served upon each of the following:

14 (i) The person, if any, in real or apparent charge and control of the premises or
15 property involved;

16 (ii) The owner of record.

17 Service required by subparagraph (B) may be made by personal service or by certified
18 mail.

19 2. Where the issuing officer or employee is unable to ascertain a nexus between the
20 violation and property within the City, a completed copy of the administrative citation may be
21 served on the individual who has committed the violation by personal service or by certified
22 mail.

23 3. For purposes of this Section, there is a nexus where activity on the property has
24 caused, contributed to, or been a substantial factor in causing, the violation.

25 (d) Request for Hearing; Hearing.

1 (1) A person or entity that has been issued an administrative citation may request
2 administrative review in order to contest the citation issued in accordance with this section.
3 Administrative review shall be initiated by filing a request for administrative review with the
4 Director of Public Works within 15 City business days from the date of the citation. Failure to
5 request a hearing within the time specified in the citation shall be deemed an admission that
6 the cited person or entity committed the violation identified in the administrative citation.

7 (2) Whenever administrative review is requested pursuant to this Section, the Director
8 of Public Works shall, within five City business days of receipt of the request, notify the
9 requestor of the date, time, and place of the administrative review hearing by certified mail.
10 Such hearing shall be held no later than thirty (30) calendar days after the Director receives
11 the request, unless time is extended by mutual agreement of the affected parties.

12 (3) The administrative review hearing shall be conducted by a neutral hearing officer
13 from outside the Department of Public Works and the department whose employee issued the
14 citation, assigned by the Director of Administrative Services. The Director of Administrative
15 Services may issue rules as needed to implement this requirement. The parties may present
16 evidence and testimony to the hearing officer. All testimony shall be under oath. The hearing
17 officer shall ensure that a record of the proceedings is maintained. The burden of proof to
18 uphold the violation shall be on the City, but the administrative citation shall be prima facie
19 evidence of the violation.

20 (4) The hearing officer shall issue a decision including a summary of the issues and the
21 evidence presented, and findings and conclusions, within ten (10) calendar days of the
22 conclusion of the hearing. The hearing officer may uphold the penalty imposed by the citation,
23 reduce the penalty, or dismiss the citation. A copy of the decision shall be served by certified
24 mail upon the person or entity contesting the violation. The decision shall be a final
25

1 administrative determination. An aggrieved party may seek judicial review of the decision
2 pursuant to California Code of Civil Procedure Sections 1094.5 and 1094.6.

3 (e) Payment and Collection of Penalty.

4 (1) Where a person or entity has not made a timely request for administrative review,
5 the penalty shall be due and payable to the City Treasurer on or before 15 City business days
6 from the date of issuance.

7 (2) Where a person or entity has made a timely request for administrative review, and
8 the penalty has been upheld in whole or in part upon review, any administrative penalty
9 imposed by the hearing officer shall be due and payable not later than ten City business days
10 from the date of the notice of decision issued under subparagraph (d)(4).

11 (3) If a penalty due and payable under paragraphs (1) or (2) remains unpaid after the
12 specified due date, the Director of Public Works shall send the violator written notice that the
13 penalty is overdue. Penalties that remain unpaid 30 days after the due date shall be subject to
14 a late payment penalty of ten percent (10%) plus interest at the rate of one percent (1%) per
15 month on the outstanding balance, which shall be added to the penalty amounts from the date
16 that payment is due. Persons and entities against whom administrative penalties are imposed
17 shall also be liable for the costs and attorney's fees incurred by the City and County in
18 bringing any civil action to enforce the provisions of this section, including obtaining a
19 judgment for the amount of the administrative penalty and other costs and charges.

20 (4) Where there is a nexus between the violation and property in the City owned by the
21 violator, the Director shall further inform the violator that if the amount due is not paid within
22 30 days from the date of the notice, the Director shall initiate proceedings to make the amount
23 due and all additional authorized costs and charges, including attorneys fees, a lien on the
24 property. Such liens shall be imposed in accordance with Chapter 10, Article XX of the
25 Administrative Code.

1 (f) The revenues generated by penalties from an administrative citation issued pursuant
2 to this Section may be expended only by the department that is responsible for issuing the
3 administrative citation, except that each department other than Public Works that issues
4 administrative citations pursuant to this Section shall reimburse the Department of Public
5 Works for the costs incurred by the Department of Public Works in administering review of
6 those citations issued by the other department. The revenues from administrative citations
7 issued by Class 8280 Environmental Control Officers and 8282 Senior Environmental Control
8 Officers may be expended exclusively by the Department of Public Works for the purpose of
9 funding litter enforcement and abatement except where the use or expenditure of those
10 revenues is specifically directed by law to another program within the Department of Public
11 Works.
