- 11 • *Mitchell, et al. vs. Arch Insurance Company, United States District Court for the*
12 *Northern District of California, Case No. CV-10-4558-CW ("Federal II");*

13 Each case arises from construction and/or related disputes regarding the SFPUC and
14 other construction projects for which Mitchell Engineering ("Mitchell") served as the prime
15 contractor, and calling for a total payment of \$15,750,000 ("Settlement") by the SFPUC to
16 Mitchell's bonding company, Arch Insurance Company ("Arch"), including other material terms
17 of said settlement.

18 B. The SFPUC intends to incur indebtedness in the form of revenue bonds in an
19 amount not to exceed \$17,000,000 (the "Settlement Bonds") issued in accordance with the
20 Charter and the laws of the State to finance the costs of the Settlement.

21 C. The Board has determined that the moneys advanced and to be advanced (through
22 internal borrowing or other available moneys) to pay certain expenditures of the Settlement are
23 or will be available only for a temporary period and it is necessary to reimburse all such
24 expenditures made on and after the date hereof with respect to the Settlement from the
25 proceeds of the Settlement Bonds.

1 D. Section 1.150-2 of the Treasury Regulations requires the Board to declare its
2 reasonable official intent to reimburse prior expenditures for the Settlement with proceeds of a
3 borrowing.

4 Section 2. The City Attorney is hereby authorized to settle the above-referenced
5 actions, on the following terms:

12 accounts.

13 **Non-monetary Terms**

- 14 5) Terms that allow Mitchell to bid on SFPUC public work projects for which it meets
15 the technical qualifications;
16 6) Complete releases of all claims against all parties, and dismissal with prejudice
17 of all lawsuits.

18 Section 3. The sources of funding outlined below are herein appropriated for use by the
19 SFPUC for purposes of this settlement: (1) insurance proceeds in the amount of \$500,000 paid
20 to SFPUC by Lumbermans Mutual Casualty Company; (2) insurance proceeds in the amount
21 of \$250,000 paid to SFPUC by National Union Fire Insurance Co. of Pittsburgh, PA; (3)
22 \$920,207 of project construction funds earned by Mitchell and held in CCSF escrow accounts;
23 and (4) \$14,079,793 from Settlement Bonds. The SFPUC is hereby authorized to substitute
24 fund balance as a source of payment in lieu of settlement bonds if available.

1 Section 4. The Board hereby approves the issuance and sale of the Settlement Bonds,
2 as well as appropriating the associated financing costs to issue by the SFPUC pursuant to the
3 Charter, in an aggregate principal amount not to exceed \$17,000,000 to pay the costs of the
4 Settlement, inclusive of financing costs, at a maximum rate or rates of interest of not to exceed
5 twelve percent (12%) per annum. The SFPUC is hereby authorized to determine the timing,
6 amount and manner of sale of each series of Settlement Bonds issued pursuant to this
7 authorization; provided however, the SFPUC shall return to the Board prior to the issuance of
8 any such Settlement Bonds to obtain approval by ordinance or resolution of the Board of any
9 related financing or disclosure documents prepared in connection with the issuance of such
10 obligations.

11 Section 5. The Board of Supervisors adopts this Ordinance for, among other purposes,
12 of establishing compliance with the requirements of Section 1.150-2 of the Treasury
13 Regulations.

14 Section 6. The Board of Supervisors hereby declares its official intent under Treasury
15 Regulations Section 1.150-2 and declares its intent to use proceeds of indebtedness to
16 reimburse all future expenditures incurred in connection with the Settlement; provided,
17 however, that the SFPUC will reimburse itself no later than 3 years after making the judgment
18 or settlement payments.

19 Section 7. On the date of the expenditure to be reimbursed, all reimbursable costs of
20 the Settlement will be of a type which constitute extraordinary nonrecurring items that are not
21 customarily payable from current revenues, and properly chargeable to a capital account under
22 general federal income tax principles. The SFPUC has not established or maintained a
23 reserve or otherwise set aside money for payment of all or a portion of the Settlement.

24 Section 8. The maximum principal amount of debt expected to be issued for the
25 Settlement is \$17,000,000.

4 authorized deputies and agents are hereby authorized and directed, jointly and severally, to
5 take such actions and to execute and deliver such certificates, agreements, requests or other
6 documents, as they may deem necessary or desirable to facilitate the issuance, sale and
7 delivery of the Settlement Bonds, to obtain bond insurance or other credit enhancements with
8 respect to the Settlement Bonds, and otherwise to carry out the provisions of this Ordinance.

9 Section 10. Ratification of Prior Actions. All actions authorized and directed by this
10 Ordinance and heretofore taken are hereby ratified, approved and confirmed by this Board.

11 Section 11. File Documents. All documents referred to as on file with the Clerk of the
12 Board are in File Nos. 110955.

13 Section 12. Effective Date for Settlement and Appropriation of Funds. Section 2 of
14 this Ordinance authorizing settlement of the above-referenced actions, and Section 3 of this
15 Ordinance authorizing the appropriation of funds for use by the SFPUC for purposes of this
16 settlement, shall become effective immediately upon the adoption of this Ordinance.
