8 (a) In order to protect and maintain a scale of development appropriate to each district,  
9 nonresidential uses of the same size or larger than the square footage stated in the table  
10 below may be permitted only as conditional uses subject to the provisions set forth in Sections  
11 316 through 316.8 of this Code. The use area shall be measured as the gross floor area for  
12 each individual nonresidential use.
