Section 1. The Administrative Code is hereby amended by revising Chapter 14B, to read as follows:

SEC. 14B.1. PURPOSE AND FINDINGS.

(A) Short Title. This ~~Chapter ordinance~~ shall be entitled "Local Business Enterprise Utilization and Non-Discrimination in Contracting Ordinance ~~Chapter Ordinance~~."

(B) Findings.

(1) The Board of Supervisors finds that San Francisco's small businesses are a significant sector of the local economy and form the backbone of our neighborhoods. Small businesses contribute hundreds of millions of dollars to San Francisco's economy each year. Through payroll taxes alone, small businesses make a significant investment in the economic health of our City and the quality of life of its citizens and visitors.

(2) Because San Francisco's small businesses experience higher costs than large businesses or businesses located outside the City, they suffer disadvantage in any competition with those businesses. The Board finds that small local businesses are at a competitive disadvantage in competing for work on public contracts. Because of their size, very small, or "micro," local businesses are at an even greater competitive disadvantage in competing for work on public contracts.

(3) The public has an interest in fostering a strong and vibrant network of small and very small micro businesses in San Francisco. In part, San Francisco can

1 accomplish this goal by ensuring that small and micro local businesses can compete for public
2 contracts on a level playing field.

3 (4) The Board finds that the disadvantages suffered by very small and micro
4 local businesses in competing as prime contractors on public contracts can be reduced by
5 discounting their bids and ratings by ten percent. Granting a ten percent discount does not
6 unduly burden businesses not eligible for such discounts, and is similar to the corrective
7 adjustments given to small and very small micro businesses in other jurisdictions. The Board
8 finds that the additional disadvantages suffered by micro local businesses can be reduced by
9 setting aside appropriate small contracts for competition only among micro businesses.

10 (5) San Francisco has a long history of working to end discrimination in all
11 aspects of public contracting. The City must continue to award and administer its public
12 contracts in a manner that is fair and provides equal opportunity to all local businesses,
13 regardless of race, gender, or other category protected by law. San Francisco must ensure
14 that it does not discriminate and does not contract with any business that discriminates on the
15 basis of race, gender, or other protected category.

16 Specifically, this Board initially passed Ordinance No. 139-84 on April 2,
17 1984 to combat the City and County of San Francisco's own active and passive participation
18 in discrimination against minority- and women-owned businesses, both in its own contracting
19 for goods and services, and in the private market for such goods and services. At the time of
20 passage, women- and minority-owned businesses were virtually excluded as contractors on
21 prime City contracts.

22 Since that time, this Board and the City's Human Rights Commission
23 have actively and extensively documented and studied discrimination against and
24 disadvantages faced by these groups to gauge the effectiveness of the prior Minority, Women
25 and Local Business Enterprise Ordinances (the M/W/LBE Ordinances) and to assess the

1 need for further and continuing action. The earlier studies are documented in the legislative
2 history of the previous amendments and re-enactments of the ordinance, including Ordinance
3 Nos. 175-89, 155-92, 210-97, 457-97, 82-98, 296-98, 210-99, 283-99, and 134-03. The
4 findings underlying these ordinances have been reviewed and analyzed in the preparation of
5 this ~~Chapter Ordinance~~ and are hereby incorporated by reference into the legislative history of
6 this ~~Chapter Ordinance~~. These materials include disparity studies, transcripts of live testimony
7 by dozens of witnesses, case studies of discrimination, and voluminous other materials. An
8 index and a separate synopsis of this material are on file with the Clerk of this Board in File
9 No. 98-0612. These materials are all incorporated by reference into the legislative history of
10 this ~~Chapter Ordinance~~. The collection and analysis of relevant information is ongoing.

11 On July 26, 2004, in *Coral Construction, Inc. v. City and County of San*
12 *Francisco* (Sup. Ct. No. 421249), the San Francisco Superior Court enjoined the City from
13 enforcing certain provisions of the M/W/LBE Ordinance. In a subsequent order, the court
14 clarified that the injunction applied to Sections 12D.A.6, 12D.A.7, 12D.A.8, 12D.A.9,
15 12D.A.10, 12D.A.14, and 12D.A.17 of the Administrative Code, for all contracts for which bids
16 or proposals are advertised or solicited on or after July 26, 2004. The injunction became
17 effective immediately.

18 In issuing its injunction, the Superior Court did not dispute the accuracy of
19 the City's disparity studies or otherwise take issue with the City's underlying findings of
20 discrimination and disparity. However, the Court ruled that California's Proposition 209 does
21 not allow the City to address the identified problem through its prior methods. The Board finds
22 and declares that the need for the City to identify, rectify, and prevent discrimination in its
23 public contracting still exists, and the City is committed to ensuring that neither MBEs nor
24 WBEs nor any other business is arbitrarily or unfairly excluded from contracting opportunities.
25 The City remains committed to addressing discrimination in public contracting to the fullest

1 extent allowed by law, in a manner that is consistent with all requirements of Federal and
2 State law.

3 (6) The Board further finds that the public interest is served well if the City is self-
4 sustaining. Stimulating the expansion of small firms or development of new enterprises fosters
5 economic growth and independence for San Francisco and its taxpayers. This expansion of local small
6 businesses advances the public interest, contributes to the economic well-being of all San Franciscans,
7 and tends to minimize the burden on the General Fund to provide for general welfare.

8 **(C) Purpose.**

9 (1) Assistance to Small Local Businesses. ~~The City shall assist small and micro~~
10 ~~local businesses to increase their ability~~ This Chapter is intended to improve the ability of certified
11 ~~local business enterprises~~ Local Business Enterprises (LBE) to compete effectively for the

23 shall discriminate against any person or business on any basis prohibited by law in the award
24 or administration of City contracts. Persons or businesses that are awarded City contracts
25 shall not discriminate against any person or business on any basis prohibited by law in the

1 performance or administration of any City contract, including in the selection of
2 subcontractors.

3 ~~(3) — Human Rights Commission. The Human Rights Commission shall adopt rules~~
4 ~~and regulations necessary to carry out this Ordinance.~~
