Be it ordained by the People of the City and County of San Francisco:

Section 1. The Administrative Code is hereby amended by revising Section 67.29-5, to read as follows:

SEC. 67.29-5. CALENDARS OF CERTAIN OFFICIALS.

(a) The Mayor, The City Attorney, Treasurer, Assessor-Recorder, District Attorney, Public Defender, Sheriff, every member of the Board of Supervisors, and every Department Head shall keep or cause to be kept a daily calendar wherein is recorded the time and place of each meeting or event attended by that official, either in person or by teleconference or other electronic means, with the exclusion of purely personal or social events at which no City business is discussed and that do not take place at City Offices or at the offices or residences of people who do substantial business with or are otherwise substantially financially affected by actions of the City. For meetings not otherwise publicly recorded, the calendar shall include a general statement of issues discussed. Such calendars shall be public records and
shall be available to any requester three business days subsequent to the calendar entry date.

(b) For meetings or events with ten or fewer attendees, the calendar shall also identify the individual(s) present and organization(s) represented at each such meeting or event if known by the official, unless the official is aware that the disclosure information would reveal the identity of a confidential whistleblower would constitute an unwarranted invasion of personal privacy, or would interfere with an individual's right to petition government where the individual has sought and been assured confidentiality, would disclose the attendance of members or representatives of a labor organization at a meeting to discuss matters within the scope of representation, as that term is defined in California Government Code Section 3504, would reveal personnel information not subject to disclosure, or is otherwise exempt from disclosure under State and local law.

(bc) At any meeting or event with ten or fewer attendees, officials subject to subsection (a) of this Section 67.29-5 shall attempt to identify names of attendees present, and the organizations they represent; provided that an official shall not require any attendees to identify themselves, unless the official is aware that those attendees are campaign consultants registered with the Ethics Commission under Campaign and Governmental Conduct Code Article I, Chapter 5; lobbyists registered with the Ethics Commission under Campaign and Governmental Conduct Code Article II, Chapter 2; permit consultants registered with the Ethics Commission under Campaign and Governmental Conduct Code Article III, Chapter 4; and Developers of Major Projects, as defined in Campaign and Governmental Conduct Code Section 3.510, if the Major Project is discussed at the meeting or event; and employees or representatives of any entity that has received a grant from or entered a contract with any City department within the previous 12 months. The official has no duty to ascertain whether any attendees fall into these categories." After three
business days after a meeting or event subject to this subsection (c), the official shall update the daily calendar to include the names of the attendees and organizations identified by or known to the official, and the organizations they represent.

(d) For the purpose of calculating the total number of attendees at a meeting or event under subsections (b) and (c), an official shall not include himself or herself.

(e) The obligations imposed under subsections (b) and (c), and the obligations imposed upon members of the Board of Supervisors under subsection (a), shall not apply to meetings or events where City business is discussed only incidentally: to unplanned, casual conversations with residents; or to campaign-related meetings, events, and appearances; or to meetings or events where all attendees are employees or officers in the official's City department, which for members of the Board of Supervisors shall mean that all attendees are members of the Board of Supervisors, legislative aides, or employees of the Office of the Clerk of the Board. Officials are not in violation of subsections (b) or (c), and members of the Board of Supervisors are not in violation of subsection (a), if they have made a good faith effort to comply with their obligations thereunder.

Section 2. Effective Date. This ordinance shall become effective 30 days after enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board of Supervisors overrides the Mayor's veto of the ordinance.

Section 3. Scope of Ordinance. In enacting this ordinance, the Board of Supervisors intends to amend only those words, phrases, paragraphs, subsections, sections, articles, numbers, punctuation marks, charts, diagrams, or any other constituent parts of the Municipal Code that are explicitly shown in this ordinance as additions, deletions, Board amendment
additions, and Board amendment deletions in accordance with the "Note" that appears under the official title of the ordinance.
