16 **SEC. 747.1. FILLMORE STREET NEIGHBORHOOD COMMERCIAL TRANSIT DISTRICT.**

17 The Fillmore Street Neighborhood Commercial Transit District (“Fillmore Street NCT

18 NCD”) extends along Fillmore Street between Bush and McAllister Streets. Fillmore Street’s

19 dense mixed-use character consists of buildings with residential units above ground-story

20 commercial use. Buildings range in height from one-story commercial buildings to high-rise

21 towers. Fillmore Street and Geary Boulevard are important public transit corridors. The

22 commercial district provides convenience goods and services to the surrounding

23 neighborhoods as well as shopping, cultural, and entertainment uses that attract visitors from

24 near and far.

The Fillmore Street NCT NCD controls are designed to encourage and promote development that enhances the walkable, mixed-use character of the corridor and surrounding neighborhoods. Rear yard requirements at residential levels preserve open space corridors of interior blocks. Housing development in new buildings is encouraged above the ground story. Existing residential units are protected by limitations on demolition and upper-story conversions.
