12 Be it ordained by the People of the City and County of San Francisco:

13 Section 1. The Administrative Police Code is hereby amended by adding Article 36B,
14 consisting of Sections 3600B, 3601B, 3602B, 3603B, 3604B, and 3605B, Chapter 103 and
15 Section 103.1, to read as follows:

16 **ARTICLE 36B:CHAPTER 103:**

17 **STORAGE OF FIREARMS IN MOTOR VEHICLESPEACE OFFICERS**

18 **SEC. 3600B. FINDINGS.**

19 (a) A report by the U.S. Department of Justice, Bureau of Justice Statistics, found that
20 1.4 million firearms were stolen across the country from 2005 through 2010. This number
21 represents an estimated average of 232,400 firearms stolen each year — about 172,000
22 stolen during burglaries and 60,300 stolen during other property crimes. The report also
23 found that the vast majority — at least 80 percent — were never recovered.
24
25

1 (b) Auto burglaries in dense urban areas are on the rise, and San Francisco has seen
2 an absolute explosion of auto burglaries. According to the San Francisco Police Department's
3 crime data, an alarming 47 percent spike in San Francisco car burglaries has occurred in the
4 first half of this year. From the beginning of January through the end of June of 2015 there
5 have been 11,917 reported vehicle burglaries in the City and County of San Francisco. That
6 same number during the same time period escalated 62 percent from 2013. And it has
7 skyrocketed to 171 percent from 2010, a year that saw 4,396 reported vehicle burglaries
8 between January and the end of June.

9 (c) Recently, auto burglaries in the San Francisco Bay Area have resulted in the theft of
10 firearms from vehicles. In July, a San Francisco resident was killed by someone using a
11 handgun stolen four days earlier from a federal agent's car in downtown San Francisco. In
12 August, a firearm was stolen from the UC Berkeley Police Chief's vehicle at Point Isabel
13 Regional Shoreline in Richmond, California. In October of 2015, a gun was stolen from a
14 California Highway Patrol officer's vehicle in the South of Market area of San Francisco. In
15 the same month, three individuals were charged with murdering a woman in Golden Gate
16 Park and a second victim in Marin using a handgun stolen from a car at Fisherman's Wharf.
17 In late October, police officials recovered two stolen guns from cars in the home of a
18 suspected serial auto burglar.

19 (d) These recent auto burglaries resulting in the theft of firearms have been from
20 unattended vehicles. The City and County of San Francisco finds that it has a strong local
21 interest in preventing the theft of firearms from unattended vehicles and that requiring
22 reasonable measures to secure firearms left in attended vehicles will reduce gun thefts and
23 prevent guns from falling into the hands of criminals.

18 apply to on-duty peace officers employed by jurisdictions other than the City and County of
19 San Francisco or to federal officers or military personnel who are acting within the scope of
20 their authority and discharging their official duties. To the extent this Article conflicts with a
21 City department's rules governing the storage of firearms in City-owned Motor Vehicles or
22 other Motor Vehicles under the department's control, the more stringent requirement shall
23 govern. Any peace officer employed by City and County of San Francisco is exempt from the

2 Every violation of Section 3602B shall constitute a misdemeanor and shall be
3 punishable by a fine not to exceed \$10,000 or by imprisonment in the county jail not to exceed
4 six months, or by both.

5 **SEC. 3604B. PROMOTION OF GENERAL WELFARE.**

6 In enacting and implementing Article 36B~~this Section 103.1~~, the City is assuming an
7 undertaking only to promote the general welfare. It is not assuming, nor is it imposing on its officers
8 and employees, an obligation for breach of which it is liable in money damages to any person who
9 claims that such breach proximately caused injury.

10 **SEC. 3605B. SEVERABILITY.**

11 It is the intention of the City and County of San Francisco that all persons within San
12 Francisco be subject to Article 36B while in San Francisco. This Article or portion thereof
13 shall not apply to anyone subject to the criminal prosecution under state law for the same
14 conduct. If a court determines that this Article or any portion thereof may not be applied to a
15 particular class of persons, it is the intention of the City and County of San Francisco that
16 applicability of the Article or portion thereof to those persons shall be severed from the
17 remainder of this Article or other portions thereof, which shall continue to apply to other
