The special election called and ordered shall be referred to in this ordinance as the "Public Health and Safety Bond Special Election."

Section 3. PROPOSED PROGRAM. All contracts that are funded with the proceeds of bonds authorized hereby shall be subject to the provisions of Chapter 83 of the Administrative Code (the "First Source Hiring Program"), which fosters construction and permanent employment opportunities for qualified economically disadvantaged individuals. In addition, all contracts that are funded with the proceeds of bonds authorized hereby shall be subject to the provisions of Chapter 14B of the Administrative Code (the "Local Business Enterprise and Non-Discrimination in Contracting Ordinance"), which assists small and micro local
businesses to increase their ability to compete effectively for the award of City contracts. The proposed program, including Bond proceeds expected to be allocated to each project, can be summarized as follows:

a. PUBLIC HEALTH PROJECT. $272 million A portion of the Bond shall be allocated to make essential seismic retrofits and improvements at the Priscilla Chan and Mark Zuckerberg San Francisco General campus and neighborhood clinic, including but not limited to the modernization of fire response systems and the renovation and addition to the Southeast Health Center, and the improvement of high-demand community health centers with the expansion of access to mental health, urgent care, substance abuse, dental, and social services.

d. CITIZENS' OVERSIGHT COMMITTEE. A portion of the Bond shall be used to perform audits of the Bond, as further described in Section 15.

Section 4. BOND ACCOUNTABILITY MEASURES.
The Bond shall include the following administrative rules and principles:

a. **OVERSIGHT.** The proposed bond funds shall be subjected to approval processes and rules described in the Charter and Administrative Code. Pursuant to Administrative Code 5.31, the Citizens' General Obligation Bond Oversight Committee shall conduct an annual review of bond spending, and shall provide an annual report of the bond program to the Mayor and the Board of Supervisors.

b. **TRANSPARENCY.** The City shall create and maintain a Web page outlining and describing the bond program, progress, and activity updates. The City shall also hold an annual public hearing and reviews on the bond program and its implementation before the Board of Supervisors, the Capital Planning Committee, the relevant City commissions, and the Citizens' General Obligation Bond Oversight Committee.

Section 5. The estimated cost of the bond financed portion of the project described in Section 2 above was fixed by the Board by Resolution No. 50-16, in the amount of $350,000,000. Said resolution was passed by two-thirds or more of the Board and approved by the Mayor. In such resolution it was recited and found by the Board that the sum of money specified is too great to be paid out of the ordinary annual income and revenue of the City in addition to the other annual expenses or other funds derived from taxes levied for those purposes and will require expenditures greater than the amount allowed by the annual tax levy.

The method and manner of payment of the estimated costs described in this ordinance are by the issuance of bonds of the City not exceeding the principal amount specified.

Such estimate of costs as set forth in such resolution is adopted and determined to be the estimated cost of such bond financed improvements and financing, as designed to date.

Section 6. The Bond Special Election shall be held and conducted and the votes received and canvassed, and the returns made and the results ascertained, determined, and
declared as provided in this ordinance and in all particulars not recited in this ordinance such
election shall be held according to State law and the Charter and any regulations adopted
under State law or the Charter, providing for and governing elections in the City, and the polls
for such election shall be and remain open during the time required by such laws and
regulations.

Section 7. The Bond Special Election is consolidated with the General Election
scheduled to be held in the City on Tuesday, June 7, 2016. The voting precincts, polling
places, and officers of election for the June 7, 2016 General Election are hereby adopted,
established, designated, and named, respectively, as the voting precincts, polling places, and
officers of election for the Bond Special Election called, and reference is made to the notice of
election setting forth the voting precincts, polling places, and officers of election for the June
7, 2016 General Election by the Director of Elections to be published in the official newspaper
of the City on the date required under State law.

Section 8. The ballots to be used at the Bond Special Election shall be the ballots used
at the June 7, 2016 General Election. The word limit for ballot propositions imposed by
Municipal Elections Code Section 510 is waived. On the ballots to be used at the Bond
Special Election, in addition to any other matter required by law to be printed thereon, shall
appear the following as a separate proposition:

"SAN FRANCISCO PUBLIC HEALTH AND SAFETY BOND, 2016. "To protect public
health and safety, improve community medical and mental health care services, earthquake
safety, and emergency medical response; to seismically improve, and modernize
neighborhood fire stations and vital public health and homeless service sites; to construct a
seismically safe and improved San Francisco Fire Department ambulance deployment facility;
construct a seismically safe, modern animal shelter to care for displaced animals and control
the spread of disease; and to pay related costs, shall the City and County of San Francisco
issue $350,000,000 in general obligation bonds, subject to citizen oversight and regular audits?"

Each voter to vote in favor of the issuance of the foregoing bond proposition shall mark the ballot in the location corresponding to a "YES" vote for the proposition, and each voter to vote against the proposition shall mark the ballot in the location corresponding to a "NO" vote for the proposition.

Section 9. If at the Bond Special Election it shall appear that two-thirds of all the voters voting on the proposition voted in favor of and authorized the incurring of bonded indebtedness for the purposes set forth in such proposition, then such proposition shall have been accepted by the electors, and bonds authorized shall be issued upon the order of the Board. Such bonds shall bear interest at a rate not exceeding applicable legal limits.

Section 10. For the purpose of paying the principal and interest on the bonds, the Board shall, at the time of fixing the general tax levy and in the manner for such general tax levy provided, levy and collect annually each year until such bonds are paid, or until there is a sum in the Treasury of the City, or other account held on behalf of the Treasurer of the City, set apart for that purpose to meet all sums coming due for the principal and interest on the bonds, a tax sufficient to pay the annual interest on such bonds as the same becomes due and also such part of the principal thereof as shall become due before the proceeds of a tax levied at the time for making the next general tax levy can be made available for the payment of such principal.

Section 11. This ordinance shall be published in accordance with any State law requirements, and such publication shall constitute notice of the Bond Special Election and no other notice of the Bond Special Election hereby called need be given.

Section 12. The Board, having reviewed the proposed legislation, makes the following findings in compliance with the California Environmental Quality Act ("CEQA"), California
Public Resources Code Sections 21000 et seq., the CEQA Guidelines, 15 California Administrative Code Sections 15000 et seq., ("CEQA Guidelines"), and San Francisco Administrative Code Chapter 31 ("Chapter 31"): Each of the facilities proposed to be funded with this Bond have been reviewed as required by CEQA. Certain programmatic facilities to be constructed or acquired with proceeds of the Bonds, including the neighborhood fire stations, the homeless shelters and service facilities and the high demand community health centers are statutorily exempt from environmental review under CEQA Guidelines, Section 15273(a)(4). The Environmental Review Officer has determined that the proposed facilities are either exempt from CEQA as follows:

a. PUBLIC HEALTH PROJECTS.

1. San Francisco General Hospital Building 5. On April 6, 2015, the Planning Department determined that interior alterations and seismic retrofit of San Francisco General Hospital Building 5 is categorically exempt from environmental review under Class 1 of CEQA Guidelines Section 15301.

2. Southeast Health Center. On June 16, 2015, the Planning Department determined that renovation of and a two-story horizontal addition to the Southeast Health Center (2401 Keith Street) was categorically exempt from environmental review under Class 32 of the CEQA Guidelines, Section 15332.

3. Community Health Centers. On January 26, 2016, the Planning Department determined that the Bond funding program for the improvement of high demand community health centers across the City and the expansion of access to mental health, urgent care, substance abuse, dental, and social services was statutorily exempt from environmental review under CEQA Guidelines, Section 15273(a)(4)—establishment of rates, tolls, fares, and charges for the purpose of obtaining funds for capital projects necessary to maintain service within existing service.
b. SAFETY PROJECT. On December 11, 2015, the Planning Department determined that the demolition of two small structures and construction of a 30,334 gross square foot San Francisco Fire Department ("SFFD") Emergency Medical Services Facility and 62,000 gross square foot parking structure behind SFFD Fire Station No. 9 at 2245 Jerrold Avenue was categorically exempt from environmental review under Class 32 of the CEQA Guidelines, Section 15332.

or have been analyzed in an environmental document and are consistent with such analysis. The Board affirms the determinations, for the reasons set forth in the analyses contained in Board of Supervisors File No. _______, incorporated herein by this reference thereto.

c. NEIGHBORHOOD FIRE STATIONS. On January 26, 2016, the Planning Department determined that the Bond funding program for the modernization and upgrade of San Francisco Fire Department neighborhood fire stations citywide was statutorily exempt from environmental review under CEQA Guidelines, Section 15273(a)(4)—establishment of rates, tolls, fares, and charges for the purpose of obtaining funds for capital projects necessary to maintain service within existing service areas:

d. HOMELESS HEALTH AND SAFETY PROJECT. On January 26, 2016, the Planning Department determined that the Bond funding program for the improvement of facilities to better serve homeless individuals and families at shelters and homeless service sites, and acquisition and construction of related facilities, was statutorily exempt from environmental review under CEQA Guidelines, Section 15273(a)(4)—establishment of rates, tolls, fares, and charges for the purpose of obtaining funds for capital projects necessary to maintain service within existing service areas.

The Board affirms these exemption determinations of the Planning Department, for the reasons set forth in the analyses in these exemptions contained in Board of Supervisors File
No. 151276. The Board finds that based on the whole record before it there are no substantial project changes, no substantial changes in project circumstances, and no new information of substantial importance that would change the conclusions set forth in these exemption determinations by the Planning Department that these proposed projects are exempt from environmental review.

Section 13. The Board finds and declares that the proposed Bond is (a) in conformity with the priority policies of Section 101.1(b) of the Planning Code, (b) in accordance with Section 4.105 of the Charter and Section 2A.53(f) of the Administrative Code, and (c) consistent with the City’s General Plan, and adopts the findings of the Planning Department, as set forth in the General Plan Referral Reports dated December January 26, 2016, for the Public Health Projects—SFGH Building 5: January 26, 2016, for the Public Health Project—Southeast Health Center: January 26, 2016, for the Safety Project — SFFD Emergency Medical Services Facility: and [Homeless Shelter] -copies of which are on file with the Clerk of the Board of Supervisors in File No. 151276 and incorporates such findings by reference.

Section 14. Under Section 53410 of the California Government Code, the bonds shall be for the specific purposes authorized in this ordinance and the proceeds of such bonds will be applied only for such specific purposes. The City will comply with the requirements of Sections 53410(c) and 53410(d) of the California Government Code.

Section 15. The Bonds are subject to, and incorporate by reference, the applicable provisions of Administrative Code Sections 5.30 – 5.36 (the "Citizens’ General Obligation Bond Oversight Committee"). Under Section 5.31, to the extent permitted by law, one-tenth of one percent (0.1%) of the gross proceeds of the Bonds shall be deposited in a fund established by the Controller’s Office and appropriated by the Board of Supervisors at the
direction of the Citizens' General Obligation Bond Oversight Committee to cover the costs of
said committee.

Section 16. The time requirements specified in Section 2.34 of the Administrative
Code are waived.

Section 17. The appropriate officers, employees, representatives, and agents of the
City are hereby authorized and directed to do everything necessary or desirable to accomplish
the calling and holding of the Bond Special Election, and to otherwise carry out the provisions
of this ordinance.

Section 18. Documents referenced in this ordinance are on file with the Clerk of the
Board of Supervisors in File No. 151276, which is hereby declared to be a part of
this ordinance as if set forth fully herein.
