Be it ordained by the People of the City and County of San Francisco:

Section 1. Findings. The Board of Supervisors (the “Board”) of the City hereby finds and declares as follows:

A. On November 5, 2002, the voters of the City and County of San Francisco (the “City”) approved Proposition E (“Proposition E”), which among other things, authorized the San Francisco Public Utilities Commission (the “Commission”) to issue revenue bonds, including notes, commercial paper or other forms of indebtedness, when authorized by Mayor Lee
BOARD OF SUPERVISORS
ordinance approved by a two-thirds vote of the Board of Supervisors, for the purpose of
reconstructing, replacing, expanding, repairing or improving water facilities or clean water
facilities or combinations of water and clean water facilities under the jurisdiction of the
Commission; and
B. The Commission adopted the Amended and Restated Indenture dated as of
January 1, 2002, as further amended and supplemented from time to time (the “Indenture”),
between the Commission and U. S. Bank National Association and in connection therewith,
has from time to time issued revenue bonds to finance projects benefitting the Water
Enterprise; and
C. By Resolution 16-0035 adopted by the Commission on February 9, 2016 (the
“Commission Resolution”) the Commission has determined to issue Water Revenue Bonds
(the “Water Revenue Bonds”) and other forms of indebtedness (including SRF Loans as
described below) to finance the costs of various capital projects benefitting the Water
Enterprise (the “Capital Improvement Projects” such projects being more fully described in the
Commission Resolution), pursuant to Proposition E, and has formally requested this Board to
authorize the issuance and sale of Water Revenue Bonds for such purposes, such
Commission Resolution being on file with the Clerk of the Board of Supervisors in File No.
160472, which is hereby declared to be a part of this Ordinance as if set forth fully herein; and
D. In order to finance the costs of the Capital Improvement Projects, the Board now
desires to authorize the issuance and sale of Water Revenue Bonds and other forms of
indebtedness, including obtaining State Revolving Fund Loans and/or grants from the State
Water Resources Control Board (collectively “SRF Loans”) for such purposes; and
E. The Commission has paid, beginning no earlier than 60 days prior to the
adoption of this Ordinance and will pay, on and after the date hereof, certain expenditures (the
“Expenditures”) in connection with the acquisition, construction and/or equipping of the Capital Improvement Projects, and

F. This Board is concurrently considering with this Ordinance a Capital Improvement Program related supplemental appropriations Ordinance totaling $316,468,468 for fiscal years ending 2017 and 2018, such amount being inclusive of the Water Revenue Bonds and other forms of indebtedness (including SRF Loans).

G. This Board, on behalf of the Commission, adopts this Ordinance as official action of the Commission in order to comply with Treasury Regulation §1.150-2 and any other regulations of the Internal Revenue Service relating to the qualification for reimbursement of Commission expenditures incurred prior to the date of issue of the Water Revenue Bonds, and

Section 2. Authorization to Issue Water Revenue Bonds and other forms of indebtedness. The Board hereby authorizes the issuance and sale of Water Revenue Bonds in one or more series from time to time by the Commission pursuant to Proposition E and in accordance with the Commission Resolution, and the execution and delivery of SRF Loan agreements, in an aggregate principal amount not to exceed $264,997,468 (inclusive of financing costs), at a maximum rate or rates of interest of not to exceed twelve percent (12%) per annum to finance a portion of the costs of the design, acquisition and construction of the Capital Improvement Projects. Without limiting the foregoing, the Commission shall also be authorized to enter into agreements to obtain State Revolving Fund Loans and/or grants (collectively “SRF Loans”) from the State Water Resources Control Board on such terms as the Commission may deem advantageous. The Commission is hereby authorized to determine the timing, amount and manner of sale (i.e., competitive or negotiated) of each series of Water Revenue Bonds or the delivery of other forms of indebtedness (including SRF Loans) pursuant to this authorization; provided however, the Commission’s authorization to
issue Water Revenue Bonds or incur other forms of indebtedness (including SRF Loans) is subject to approval by the Commission of the form of substantially final offering document related to such bonds (if any) and the approval of any related agreements, financing documents and the filing with its Board and the Clerk of the Board any certifications required by Proposition E prior to the issuance of any bonds herein authorized. The Commission shall also file, within 30 days of any bond sale authorized hereby, with the Clerk of the Board of Supervisors a report showing the results of the sale of bonds or other form of indebtedness including (i) principal amount sold and method of sale, (ii) true interest cost, (iii) final maturity, (iv) the facilities constructed and/or improved, and (v) a statement about the remaining bonding authorization under this Ordinance (the “Report”).

Section 3. Authorization to Issue Water Revenue Refunding Bonds. The Board further authorizes and approves the issuance by the Commission of Water Revenue Refunding Bonds and other forms of indebtedness (including SRF Loans) (the “Refunding Bonds”), without limitation as to principal amount, in one or more series on one or more dates, at a maximum interest rate or rates of interest not to exceed twelve percent (12%) per annum, provided that each such Refunding Bond issue or obligation is permitted under the applicable policies and procedures of the City and authorized by either Section 9.109 of the Charter or Proposition E of 2002 (including related ordinances and resolutions of the Board). The Refunding Bonds may be issued as tax-exempt or taxable bonds, or any combination thereof. Refunding Water Revenue Bonds authorized hereunder shall be subject to the further following conditions, that: (i) three percent (3%) net present value debt service savings or greater is achieved to ensure ratepayer savings; (ii) this authorization is subject to a 2-year term through June 30, 2018, at which time this Board may consider an extension; principal payments and term may be adjusted, where permitted under federal and state tax law, only if and when the underlying capital asset funded through said refunded bonds has a useful life
not in excess of any limit permitted under federal and state tax law than the refunded term; and (iii) the Commission shall within 30 days of any executed refunding transaction provide a savings report prepared by its financial advisors (that reflects at least a three percent (3%) net present value debt service savings) to the Board, together with a copy of the final Official Statement with respect to such series of Refunding Bonds.

Section 4. Declaration of Official Intent. The Board, on behalf of the Commission, hereby declares the official intent of the Commission to reimburse the Commission with proceeds of the Water Revenue Bonds or other forms of indebtedness (including SRF Loans) for the Expenditures with respect to the Capital Improvement Projects made on and after a date that is no more than 60 days prior to the adoption of this Ordinance. The Commission reasonably expects on the date hereof that it will reimburse the Expenditures with proceeds of the Water Revenue Bonds or other forms of indebtedness (including SRF Loans). Each said Expenditure was and will be either (A) of a type properly chargeable to a capital account under general federal income tax principles (determined in each case as of the date of the Expenditure), (B) a cost of issuance with respect to the Water Revenue Bonds or other forms of indebtedness (including SRF Loans), (C) a nonrecurring item that is not customarily payable from current revenues, or (D) a grant to pay a party that is not related to or an agent of the issuer so long as such grant does not impose any obligation or condition (directly or indirectly) to repay any amount to or for the benefit of the Commission. The maximum principal amount of the Water Revenue Bonds or other forms of indebtedness (including SRF Loans) to be issued for the Capital Improvement Projects is $264,997,468 (inclusive of financing costs).

The Commission will make a reimbursement allocation, which is a written allocation by the Issuer that evidences the Commission’s use of proceeds of the Water Revenue Bonds or other forms of indebtedness (including SRF Loans) to reimburse an Expenditure, no later than
18 months after the later of the date on which the Expenditure is paid or the component of the Capital Improvement Projects is placed in service or abandoned, but in no event more than three years after the date on which the Expenditure is paid. The Commission recognizes that exceptions are available for certain “preliminary expenditures,” costs of issuance, certain de minimis amounts, expenditures by “small issuers” (based on the year of issuance and not the year of expenditure) and expenditures for construction projects of at least 5 years.

Section 5. General Authority. The Controller, Treasurer, the City Attorney and other officers of the City and their duly authorized deputies and agents are hereby authorized and directed, jointly and severally, to take such actions and to execute and deliver such certificates, agreements, requests or other documents, as they may deem necessary or desirable to facilitate the issuance, sale and delivery of the Water Revenue Bonds, Refunding Bonds, to obtain bond insurance or other credit enhancements with respect to such obligations, to obtain surety, to obtain title and other insurance with respect to the facilities to be financed, and otherwise to carry out the provisions of this Ordinance. The Commission is hereby directed to provide the final form to the Clerk of the Board of any disclosure document prepared in connection with the execution of any Water Revenue Bonds or Refunding Bonds, and the final executed Installment Sale Agreement or other document reflecting the incurrence of an SRF Loan, within 30 days of the closing of such transactions.

Section 6. Ratification of Prior Actions. All actions authorized and directed by this Ordinance in connection with the issuance of the Water Revenue Bonds or other forms of indebtedness (including SRF Loans), Refunding Bonds, and heretofore taken are hereby ratified, approved and confirmed by this Board.

Section 7. File Documents. All documents referred to as on file with the Clerk of the Board are in File No. 160472.
Section 8. Effective Date. Pursuant to Charter Section 8B.124, this Ordinance shall take effect thirty (30) days after its adoption.
