Resolution establishing the modification and renewal of an assessment district known as the Union Square Business Improvement District, ordering the levy and collection of assessments against property located in that district for fiscal years 2004-2005 through 2008-2009, repealing Resolution No. 1066-98, creating the Union Square Business Improvement District Advisory Board, and making environmental findings.

WHEREAS, Pursuant to the Property and Business Improvement Law of 1994, California Streets and Highways Code Sections 36600 et seq. ("the Act"), the Board of Supervisors adopted Resolution No. 697-03 on October 21, 2003, entitled "Resolution declaring the intention of the Board of Supervisors to authorize renewal and modification of boundaries of a property-based business improvement district known as the 'Union Square Business Improvement District,' to order the levy and collection of a multi-year assessment, and setting a time and place for a public hearing thereon," which among other things, approved the District Management Plan that is on file with Clerk of the Board in File No. 031277; and,

WHEREAS, the Board of Supervisors adopted Resolution No. 700-03 on October 21, 2003, entitled "Resolution establishing ballot and hearing procedures governing ballots cast by property owners of property located within the boundaries of the Business Improvement District known as the 'Union Square Business Improvement District' for the purpose of deciding whether to renew the assessment for the Union Square Business Improvement District for an additional five year term;" and,

WHEREAS, The Board of Supervisors caused notice of a public hearing concerning the proposed renewal of the Union Square Business Improvement District and the proposed...
levy of assessments against property located within the District for fiscal years 2003-2004 through 2008-2009 to be duly published and mailed as required by law, to the record owner of each parcel proposed to be assessed within the District; and,

WHEREAS, The Board of Supervisors has caused ballots to be mailed as required by law, to the record owner of each parcel proposed to be assessed within the District; and,

WHEREAS, A public hearing concerning the proposed renewal of the Union Business Improvement District and the proposed levy of assessments within such District was held on December 16, 2003, at 4 p.m., in the Board’s Legislative Chambers, located on the Second Floor of City Hall, 1 Dr. Carlton B. Goodlett Place, San Francisco, California; and,

WHEREAS, At the public hearing, the testimony of all interested persons for or against the proposed renewal of the Union Square Business Improvement District, the levy of assessments within such District, the extent of the District, and the furnishing of specified types of activities within the District, was heard and considered, and a full, fair and complete meeting and hearing was held; and,

WHEREAS, The Board of Supervisors heard and considered all objections or protests to the proposed assessments and the Director of the Department of Elections tabulated the assessment ballots submitted and not withdrawn, in support of or in opposition to the proposed assessments, and the Clerk of the Board determined that a majority of the ballots cast (weighted according to the proportional financial obligations of the property) by the owners of record of the property located within the proposed district did not oppose establishing the proposed district; and,

WHEREAS, The public interest, convenience and necessity require the establishment of the proposed renewal of the Union Square Business Improvement District; and,

WHEREAS, In the opinion of the Board of Supervisors, the property within the Union Square Business Improvement District will be specially benefited by the improvements,
services and activities funded by the assessments, and no assessment has been imposed on any parcel which exceeds the reasonable cost of the proportional special benefit conferred on that parcel; now therefore be it
