9 Section 3. No Conflicts with the Code. The SFMTA Revenue Bonds shall be issued

2 "Pledged Revenues" to the extent such revisions are deemed necessary or desirable by the
3 Director for the issuance of the SFMTA Revenue Bonds based on advice from the SFMTA's
4 financial advisors.

5 Section 11. CEQA. This Board makes the following findings in compliance with the
6 California Environmental Quality Act, California Public Resources Code Sections 21000 et
7 seq. (CEQA), the CEQA Guidelines, 15 Cal. Administrative Code Sections 15000 et seq.,
8 (CEQA Guidelines), and San Francisco Administrative Code Chapter 31 (Chapter 31). The
9 following three projects proposed to be funded with this Bond have been reviewed as required
10 by CEQA.

11 A. Light Rail Vehicle (LRV) Procurement. As set forth in Resolution No. 16-044 of the
12 SFMTA Board of Directors, dated April 5, 2016, the Department of City Planning has
13 determined that a portion of the LRV Procurement is statutorily exempt under CEQA and the
14 proposed LRVs for the Central Subway Project were reviewed as part of the Central Subway
15 Final Supplemental EIS/EIR, certified by the Planning Commission on August 7, 2008, which
16 findings and conclusions were adopted by the SFMTA Board of Directors on August 19, 2008;
17 by Resolution No. 08-150, the SFMTA Board of Directors found that since the certification of
18 the Central Subway Final Supplemental EIS/EIR, there have been no substantial project
19 changes, no substantial changes in project circumstances, and no new information that would
20 change the conclusions set forth in the Central Subway Final Supplemental EIS/EIR requiring
21 additional environmental review under CEQA.

22 B. Van Ness Transit Improvement Project (also known as the Van Ness BRT Project).
23 As set forth in Resolution No. 16-044 of the SFMTA Board of Directors, dated April 5, 2016,
24 on September 10, 2013, the San Francisco County Transportation Authority (Authority) Board
25 certified the Van Ness BRT Final EIS/EIR, and on September 17, 2013, the SFMTA Board of

1 Directors adopted Resolution No. 13-214, approving the Van Ness BRT Project and adopting
2 the CEQA Findings and Statement of Overriding Considerations for the Van Ness BRT Final
3 EIS/EIR, and subsequently affirmed, after considering a memorandum and an addendum to the
4 Final EIS/EIR prepared by the Authority, that no additional environmental review is required
5 under Public Resources Code section 21166 with respect to the Van Ness BRT Project for the
6 proposed Bond issuance.

7 C. Mission Bay Component. As set forth in Resolution No. 16-044 of the SFMTA
8 Board of Directors, dated April 5, 2016, the San Francisco Commission on Community
9 Investment and Infrastructure (CCII) certified the Final Subsequent Environmental Impact Report
10 (FSEIR) for the Golden State Warriors (GSW) Event Center and Mixed Use Development at
11 Mission Bay Blocks 29-32 (referred to herein as the "Mission Bay Component"), as being in
12 compliance with CEQA and made CEQA findings; on November 3, 2015, under Resolution No.
13 15-154, the SFMTA Board adopted CEQA findings and took various approval actions with
14 respect to the Mission Bay Component; the Board of Supervisors, acting as the legislative body to
15 the CCII, affirmed the certification in response to an appeal of the FSEIR by Motion M15-178 on
16 December 8, 2015; by Resolution No. 16-044, the SFMTA Board of Directors found that since the
17 certification of the GSW FSEIR, there have been no substantial project changes, no substantial
18 changes in project circumstances, and no new information that would change the conclusions set
19 forth in the GSW FSEIR requiring additional environmental review under CEQA.

20 As to the three projects discussed in paragraphs A, B and C above, the Board of
21 Supervisors incorporates the factual statements and affirms all findings contained in
22 Resolution No. 16-044 of the SFMTA Board of Directors, dated April 5, 2016.

23 D. That except as to the three projects discussed in paragraphs A, B and C above, this
24 Board finds that the issuance of the SFMTA Revenue Bonds by the SFMTA is not subject to
25 CEQA because as the establishment of a government financing mechanism that does not

1 identify individual specific projects to be constructed with the funds, it is not a project as
2 defined by CEQA and the CEQA Guidelines and that the SFMTA shall consult with the City
3 Attorney as to necessary CEQA findings and determinations with respect to any project prior
4 to the expenditure of bond proceeds. Further, this Board incorporates and adopts the findings
5 of the SFMTA Board of Directors in Resolution No.16-044 that the City will not proceed with
6 any such project until it is fully compliant with CEQA and the City retains absolute discretion
7 with respect to any such specific project to modify the project to mitigate specific impacts,
8 select feasible alternatives to avoid impacts, reject the project due to significant environmental
9 impacts, or approve the project notwithstanding significant environmental impacts on a finding
10 that the economic and social benefits of the project outweigh the adverse environmental
11 impacts.

12 Section 12. The Controller, the Director, the Clerk of the Board, the City Attorney and
13 any and all other officers of the City are hereby authorized to approve and make such
14 modifications, changes or additions to the forms of Fourth Supplement, the Bond Purchase
15 Contract, the Official Statement, and the Continuing Disclosure Certificate, upon consultation
16 with the City Attorney, as may be necessary or desirable in the interests of the SFMTA, and
17 which changes do not materially increase the obligations of the SFMTA under the Fourth
18 Supplement, the Bond Purchase Contract, the Official Statement, and the Continuing
19 Disclosure Certificate. Approval of such modifications, changes or additions shall be
20 conclusively evidenced by the execution and delivery by the Controller, the Director, or the
21 Clerk of the Board, as the case may be, of the applicable document. Any such actions are
22 solely intended to further the purposes of this Resolution, and are subject in all respects to the
23 terms of the Resolution. No such actions shall increase the risk to the SFMTA or require the
24 SFMTA to spend any resources not otherwise granted herein. Final versions of any such
25

1 documents shall be provided to the Clerk of the Board for inclusion in the official file within 30
2 days of execution (or as soon thereafter as final documents are available) by all parties.

3 Section 13. The Board finds and declares that the proposed Bond issuance is (i) in
4 conformity with the priority policies of Section 101.1(b) of the San Francisco Planning Code,
5 (ii) in accordance with Section 4.105 of the San Francisco Charter and Section 2A.53(f) of the
6 San Francisco Administrative Code, and (iii) consistent with the City's General Plan, and
7 adopts the findings of the Planning Department, as set forth in the General Plan Referral
8 Report dated April 25, 2016, a copy of which is on file with the Clerk of the Board

9 Section 14. All actions authorized and directed by this Resolution, consistent with any
10 documents presented herein, and heretofore taken are hereby ratified, approved and
11 confirmed by this Board.

12 Section 15. All documents referenced herein as being on file with the Clerk of the
13 Board are located in File No. 160465, which is hereby declared to be a part of this Resolution
14 as if set forth fully herein.
