Hello,

I am reaching out from Street Soccer USA, a nonprofit that works in the San Francisco Bay Area. We are a recent City grantee and are newly required to submit notification of upcoming public Board Meetings and accessibility to the public.

Please find our Board meeting notification attached, with information about virtual access.

As this is my first time submitting this notice, could you please confirm that this is the correct contact address to submit this information to? Please let me know if you need any additional information from me.

Thank you,

--
