About Public Comment

General public comment is taken on issues relevant to the Castro Merchants and will be limited to 1 minute per person. Public comment is also taken on every agenda item, after member discussion, but before member votes. The President shall exclude or remove all persons who willfully cause a disruption of a meeting so that the meeting cannot be conducted in an orderly manner. "Disruption" includes personal attacks, physical threats, derogatory, offensive, insolent, threatening, slanderous, obscene, etc. comments directed at members of the Board, Merchant members, Administrative Staff, guests, or members of the public. Disruption also includes boisterous or other behavior that prevents the meeting from continuing in an orderly fashion. This behavior is to be distinguished from comments which are critical but are delivered in a manner which is not disruptive to the meeting and non-threatening.
