On September 25, 2025, the Board of Directors adopted Resolution No. 2025-01, directing the preparation of a Downtown Revitalization Financing Plan ("Downtown Revitalization Plan") for the District. The Downtown Revitalization Plan will include a description of the boundaries of the District and the potential commercial-to-residential conversion projects or other projects of communitywide significance that may receive financial assistance from the District; a financing section including a description of the incremental tax revenue of the City to be committed to the District; and other such information and analyses required by the District Law.
