23 authorizing the Mayor’s Treasure Island Project Office to establish a nonprofit public benefit
24 corporation known as the Treasure Island Development Authority (the “Authority”) to act as a
25 single entity focused on the planning, redevelopment, reconstruction, rehabilitation, reuse and

1 conversion of the Base for the public interest, convenience, welfare and common benefit of
2 the inhabitants of the City and County of San Francisco; and

3 WHEREAS, The Authority, acting by and through its Board of Directors (the "Authority
4 Board"), has the power, subject to applicable laws, to sell, lease, exchange, transfer, convey
5 or otherwise grant interests in or rights to use or occupy all or any portion of the Base; and,

6 WHEREAS, In 2003, Treasure Island Community Development, LLC (the "Master
7 Developer") was selected as master developer for the Base following a competitive process;
8 and

9 WHEREAS, The Authority, the Authority Board, the Treasure Island Citizens Advisory
10 Board, the City and County of San Francisco, and the Master Developer worked for more than
11 a decade to plan for the reuse and development of Treasure Island, and as a result of this
12 community-based planning process, Authority and the Developer negotiated the Disposition
13 and Development Agreement ("DDA") to govern the disposition and subsequent development
14 of the proposed development project (the "Project"); and

15 WHEREAS, The Financing Plan, an exhibit to the DDA, calls for the Authority and

6 circumstances that would require preparation of a supplemental or subsequent environmental
7 study under Public Resources Code, Section 21166, or CEQA Guidelines, Section 15162, are
8 present, in the sense that no changes to the Project or the Project circumstances have
9 occurred that would result in additional environmental impacts, or in substantially increased
10 severity of already identified environmental impacts, and there are no mitigation measures or
11 alternatives that were previously identified to be infeasible but would in fact be feasible; and
