WHEREAS, Government Code, Section 29304 provides that whenever any special assessment or special assessment taxes are levied upon land or real property by any city, county, district or other public corporation, and the same are to be collected by a county, there shall be added to the amount of the special assessment or special assessment tax an amount fixed by agreement between the county and city, district, public corporation, officer, or body for each special assessment or special assessment tax to be collected; and

WHEREAS, Special assessments are not taxes under the State Constitution but are levies upon the real property (land or land and improvements) in a district for the purpose of paying for improvements or special services, the amount of the levy being based upon the benefits accruing to the property as a result of the improvements or services; and whether a particular charge is a tax or a special assessment is not governed by the designation thereof in the statute providing therefor but is governed by the nature of the imposition; and

WHEREAS, The Authority has requested, and it is in the public interest, that the City and County of San Francisco (the "City") collect on the tax rolls the special taxes, fees, and assessments for the Authority; and

WHEREAS, The Authority and City desire to enter into an agreement whereby the special taxes and assessments for the Authority will be collected by the City at the same time and in the same manner as City taxes are collected and the Authority will pay to the City the fees for such collection; now, therefore, be it
