[Master Major Encroachment Permit - Sunnydale HOPE SF]

Resolution granting revocable permission to Sunnydale Infrastructure, LLC, to construct and maintain encroachments in the public right-of-way, including but not limited to retaining walls, irrigation lines, community gateway and perimeter markers, and vehicular directional signs; adopting environmental findings under the California Environmental Quality Act; and making findings of consistency with the General Plan, and the eight priority policies of Planning Code, Section 101.1.

WHEREAS, Pursuant to Public Works Code, Sections 786 et seq., Sunnydale Infrastructure LLC, (hereafter referred to as "Permittee") requested permission to construct and maintain various improvements in the public right-of-way in connection with the phased redevelopment of the property commonly known as Sunnydale HOPE SF Project, as delineated in the City-approved Tentative Map 9537, and as described in greater detail in that certain Development Agreement dated as of March 3, 2017, recorded in the Official Records of the City and County of San Francisco (the "Official Records") on March 3, 2017, as Document No. K416604-00 (the "DA"), and pursuant to that certain Master Developer Agreement dated as of March 3, 2017, and recorded in the Official Records of the Official Records on March 3, 2017, as Document No. K416598-00 (the "MDA"); together, the DA and MDA approve and describe the comprehensive redevelopment of the above referenced site, including but not limited to the construction of new public housing, new market rate housing, and new public and private infrastructure to support the redevelopment of the site (the "Project"); and

WHEREAS, The improvements include: retaining walls, wall-mounted fencing, irrigation lines, stairwell handrails (interim conditions to connect proposed roadway grades to existing residential buildings), community gateway and perimeter markers, vehicular directional signs,

light pole mounted banners, and private storm drains and combined sewer laterals and temporary mains; (collectively referred to as the "Encroachments"); and

WHEREAS, The Encroachments associated with the first phase (Phase 1A-1, 1A-2) include a CMU wall and fence on the south side of Harmonia Street, Irrigation line in the Harmonia Street Right-of-way, as described in greater detail in that certain Street Improvement Permit 191E-00564 for Phase 1A-1 and 1A-2; and

WHEREAS, The Permittee, has proposed to maintain the Encroachments for the life of the encroachment permit in accordance with and subject to that certain Master Major Encroachment Permit and Maintenance Agreement (Permit No. 22ME-00007) ("Encroachment Permit Agreement"); and

WHEREAS, The Encroachments are shown in documents and plans on file in the office of the Clerk of the Board of Supervisors in File No. 220707 and incorporated herein by reference; and

WHEREAS, The joint Final Environmental Impact Report/Environmental Impact Statement ("FEIR") prepared for the Project and certified by the Planning Commission on November 17, 2016, together with the CEQA findings (the "Environmental Findings") and the Mitigation Measures adopted concurrently therewith and set forth in the Mitigation Monitoring and Reporting Program ("MMRP"), comply with CEQA, the CEQA Guidelines, and Chapter 31 of the Administrative Code; the FEIR thoroughly analyzes the Project and Project alternatives, and the Mitigation Measures were designed to mitigate significant impacts to the extent they are susceptible to feasible mitigation; and

WHEREAS, On November 17, 2016, the Planning Commission held a public hearing on the Project, duly noticed and conducted under the Development Agreement Statute and Chapter 56; following the public hearing, the Planning Commission adopted the CEQA findings and determined among other things that the FEIR thoroughly analyzes the Project, and the

Mitigation Measures are designed to mitigate significant impacts to the extent they are susceptible to a feasible mitigation, and further determined that the Project and this Agreement will, as a whole, and taken in their entirety, continue to be consistent with the objectives, policies, general land uses and programs specified in the General Plan, as amended, and the Planning Principles set forth in Section 101.1 of the Planning Code (together the "General Plan Consistency Findings"); and

WHEREAS, The Planning Department determination, Environmental Findings, and General Plan Consistency Findings are on file with the Clerk of the Board of Supervisors in File No. 161164 and incorporated herein by reference; and

WHEREAS, In Public Works Order No. 206650, dated June 7, 2022, the Director recommended that the Board of Supervisors approve the subject Encroachment Permit and its Encroachment Permit Agreement (collectively, "Permit") and determined under Public Works Code, Section 786.7(f)(3) that the public right-of-way occupancy assessment fee Sunrise Way between Hahn Street and Malosi Street; Malosi Street between Sunrise Way and Harmonia Street; and Harmonia Street between Malosi Street and Hahn Street is waived because the Encroachments are a condition of the DA, a City-approved development agreement for the Project; and

WHEREAS, Public Works Order No. 206650, is on file with the Clerk of the Board of Supervisors in File No. 220706 and incorporated herein by reference; and

WHEREAS, The Permit for the Encroachments shall not become effective until:

- (1) The Permittee executes and acknowledges the Permit and delivers said Permit and all required documents and fees to Public Works, and
- (2) Public Works records the Permit in the County Recorder's Office ensuring constructive notice of the maintenance of the Encroachments; and

WHEREAS, The Permittee, at its sole expense and as is necessary as a result of this

permit, shall make the following arrangements:

- (1) To provide for the support and protection of facilities under the jurisdiction of Public Works, the San Francisco Public Utilities Commission, the San Francisco Fire Department, other City Departments, and public utility companies;
- (2) To provide access to such facilities to allow said entities to construct, reconstruct, maintain, operate, or repair such facilities as set forth in the Permit;
- (3) To remove or relocate such facilities if installation of Encroachments requires said removal or relocation and to make all necessary arrangements with the owners of such facilities, including payment for all their costs, should said removal or relocation be required; and
- (4) The Permittee shall assume all costs for the maintenance and repair of the Encroachments pursuant to the Permit and no cost or obligation of any kind shall accrue to Public Works by reason of this permission granted; and

WHEREAS, No structures shall be erected or constructed within the public right-of-way except as specifically permitted herein; now, therefore, be it

RESOLVED, The Board adopts the Environmental Findings as its own; and, be it FURTHER RESOLVED, That the Board finds that the Permit is consistent with the General Plan, and the eight priority policies of Planning Code, Section 101.1 for the reasons set forth in the General Plan Consistency Findings; and, be it

FURTHER RESOLVED, Pursuant to Public Works Code, Sections 786 et seq., the Board hereby grants revocable, non-exclusive, and non-possessory permission to the Permittee, Sunnydale Infrastructure, LLC, to occupy the public right-of-way for purposes of constructing the Encroachments and to maintain said Encroachments under the terms of the Permit; and, be it

FURTHER RESOLVED, The Board accepts the recommendations of the Public Works

Order No. 206650 and approves the Permit with respect to the Encroachments; and, be it

FURTHER RESOLVED, The Board also authorizes the Director of Public Works to perform and exercise the City's rights and obligations with respect to the Encroachments under the Permit and to enter into any amendments or modifications to the Permit with respect to the Encroachments; and, be it

FURTHER RESOLVED, That such actions may include without limitation, those amendments or modifications that the Director of Public Works, in consultation with the City Attorney, determines are in the best interest of the City, do not materially increase the obligations or liabilities of the City or materially decrease the obligations of the Permittee or its successors, are necessary or advisable to effectuate the purposes of the Permit or this resolution with respect to the Encroachments, and are in compliance with all applicable laws; and, be it

FURTHER RESOLVED, The Board, under Public Works Code, Section 786.7, acknowledges waiver of the public right-of-way occupancy assessment fee in accordance with the DA and the Public Works Director's determination for the Encroachments.
