6 **Committee of the Whole, on January 15, 2019, at 3:00 p.m.; and determining other**
7 **matters in connection therewith.**
8

9 WHEREAS, Under Chapter 43, Article X of the San Francisco Administrative Code (the
10 "Code"), which Code incorporates by reference the Mello-Roos Community Facilities Act
11 of 1982, as amended (the "Act"), this Board of Supervisors is authorized to establish a special
12 tax district and to act as the legislative body for a special tax district; and

13 WHEREAS, The Central SoMa planning area (the "Central SoMa Plan Area") runs
14 from 2nd Street to 6th Street, Market Street to Townsend Street, exclusive of those areas that
15 are part of the Downtown Plan or in the C-3 zoning districts; and

16 WHEREAS, In 2008, the City adopted the Eastern Neighborhoods Plan, including new
17 land use controls and proposed community improvements for the eastern part of the South of
18 Market neighborhood ("SoMa"), as well as the Central Waterfront, Mission, and Showplace
19 Square/Potrero Hill neighborhoods, and the City determined that the development potential of
20 the industrially-zoned part of East SoMa, coupled with the improved transit to be provided by
21 the Central Subway, necessitated a subsequent, focused planning process that took into
22 account the city's growth needs and City and regional environmental goals, such planning
23 culminating in the development of the Central SoMa Plan; and

24 WHEREAS, Since that time, the Planning Department released a draft Plan and
25

1 commenced environmental review as required by the California Environmental Quality Act
2 (“CEQA”) in April 2013, released an Initial Study in February of 2014, released a revised Draft
3 Plan and Implementation Strategy in August 2016, released the Draft Environmental Impact
4 Report in December 2016, and released Responses to Comments on the Draft Environmental
5 Impact Report in March 2018; and

6 WHEREAS, The vision of the Central SoMa Plan is to create a sustainable
7 neighborhood by 2040, where the needs of the present are met without compromising the
8 ability of future generations to meet their own needs, and the Central SoMa Plan seeks to
9 achieve sustainability in each of its aspects – social, economic, and environmental – which
10 will require implementing the following three strategies: 1) Accommodate growth, 2) Provide
11 public benefits; and 3) Respect and enhance neighborhood character; and

12 WHEREAS, The Central SoMa Plan will accommodate development capacity for up
13 to 32,500 jobs and 8,570 housing units by removing much of the Plan Area’s industrially-
14 protective zoning and increasing height limits on many of the Plan Area’s parcels; and

15 WHEREAS, The Planning Commission conducted a duly noticed public hearing on
16 May 10, 2018 in accordance with Planning Code Section 340(c), to consider the General Plan
17 Amendment, Planning Code and Administrative Code Amendment, Zoning Map Amendment,
18 and Implementation Program related to the Central SoMa Plan Area, and at such hearing, the
19 Commission voted to recommend approval with modifications to the various ordinances, in
20 Planning Commission Resolutions No. 20183, 20184, 20185, 20186, and 20187; and

21 WHEREAS, The Planning Commission conducted a duly noticed public hearing on
22 May 10, 2018 to review and consider the Final Environmental Impact Report for the Central
23 SoMa Plan (“Final EIR”) and found the Final EIR to be adequate, accurate and objective, thus
24 reflecting the independent analysis and judgment of the Planning Department and the
25 Commission, and that the summary of comments and responses contained no significant

1 revisions to the Draft EIR, and by Motion No. 20182 certified the Final EIR for the Central
2 SoMa Plan as accurate, complete, and in compliance with CEQA, the CEQA Guidelines, and
3 Chapter 31 of the San Francisco Administrative Code; by Resolution No. 20183, the Planning
4 Commission approved CEQA Findings, including a statement of overriding considerations,
5 and adoption of a Mitigation Monitoring and Reporting Program ("MMRP"), under Case
6 No. 2011. 1356E, for approval of the Central SoMa Plan; and

7 WHEREAS, This Board of Supervisors wishes to proceed with the establishment of a
8 special tax district in order to finance costs of public infrastructure and other authorized
9 facilities and services necessary or incidental to development of the Central SoMa Plan Area;
10 and

11 WHEREAS, This Board of Supervisors wishes to undertake the proceedings to form
12 the special tax district under the alternate procedures established by Section 43.10.17 of the
13 Code, pursuant to which a special tax district may initially consist solely of territory proposed
14 for annexation to the special tax district in the future, with the condition that a parcel or parcels
15 within that territory may be annexed to the special tax district and subjected to the special tax
16 only with the unanimous approval of the owner or owners of such parcel or parcels at the time
17 that such parcel or those parcels are annexed or in compliance with other procedures
18 established by the Code, and pursuant to which no additional hearings or procedures are
19 required, and each such unanimous approval shall be deemed to constitute a unanimous vote
20 in favor of the matters addressed in the unanimous approval; and

21 WHEREAS, This Board of Supervisors further wishes to undertake the proceedings to
22 authorize the issuance of bonded indebtedness and other debt (as defined in the Act) for the
23 special tax district under the alternate procedure established by Section 43.10.18 of the Code,
24 pursuant to which the proposition to authorize bonded indebtedness and other debt may be
25 approved by the owner or owners of a parcel or parcels of property at the time that the parcel

1 or parcels are annexed to the special tax district pursuant to the unanimous approval
2 described in 43.10.17 of the Code or in compliance with other procedures established by the
3 Code, and pursuant to which no additional hearings or procedures are required, and each
4 such unanimous approval shall be deemed to constitute a unanimous vote in favor of such
5 proposition; now, therefore, be it

6 RESOLVED, That this Board of Supervisors proposes to conduct proceedings to
7 establish a special tax district pursuant to the alternate procedures established in
8 Section 43.10.17 of the Code; and, be it

11 District"); and, be it

12 FURTHER RESOLVED, That the proposed boundaries of the Special Tax District are
13 as shown on the map of it on file with the Clerk of the Board of Supervisors, which boundaries
14 are hereby preliminarily approved and to which map reference is hereby made for further
15 particulars; and, be it

16 FURTHER RESOLVED, That the Special Tax District shall initially consist solely of
17 territory proposed for annexation to the Special Tax District in the future, with the condition
18 that a parcel or parcels within that territory may be annexed to the Special Tax District and

20 parcel or parcels at the time that such parcel or those parcels are annexed or in compliance
21 with other procedures established by the Code, without any additional hearings or procedures;
22 and, be it

23 FURTHER RESOLVED, That the Clerk of the Board of Supervisors is hereby directed
24 to record, or cause to be recorded, the map of the boundaries of the Special Tax District in the
25

1 office of the Assessor-Recorder for the City and County of San Francisco within 15 days of
2 the date of adoption of this Resolution; and, be it

3 FURTHER RESOLVED, That the types of facilities proposed to be financed by the
4 Special Tax District may consist of those facilities listed on Exhibit A hereto, which is hereby
5 incorporated herein ("Facilities"), subject to compliance with the Code and following any
6 required environmental review under the California Environmental Quality Act, and this Board
7 of Supervisors hereby determines that the Facilities are necessary to meet increased
8 demands placed upon local agencies as the result of development occurring within the
9 Special Tax District; and, be it

10 FURTHER RESOLVED, That this Board of Supervisors hereby finds and determines
11 that the public interest will not be served by allowing the property owners in the Special Tax
12 District to enter into a contract in accordance with Section 53329.5(a) of the Act, and
13 notwithstanding the foregoing, this Board of Supervisors, on behalf of the Special Tax District,
14 may enter into one or more contracts directly with any of the owners of property in the Special
15 Tax District with respect to the construction and/or acquisition of any portion of the Facilities;
16 and, be it

17 FURTHER RESOLVED, That the Director of the Office of Public Finance is hereby
18 authorized and directed to enter into joint community facilities agreements with any entity that
19 will own or operate any of the Facilities, as may be necessary to comply with the provisions of
20 the Code, and this Board of Supervisors' approval of a joint community facilities agreement
21 shall be conclusively evidenced by the execution and delivery thereof by the Director of the
22 Office of Public Finance, and this Board of Supervisors hereby declares that such joint
23 agreements will be beneficial to owners of property in the area of the Special Tax District; and,
24 be it

25 FURTHER RESOLVED, That the types of services proposed to be financed by the

1 Special Tax District may consist of those services listed on Exhibit A hereto ("Services"),
2 subject to compliance with the Code and following any required environmental review under
3 the California Environmental Quality Act; and, be it

4 FURTHER RESOLVED, That this Board of Supervisors hereby determines that the
5 Services are necessary to meet increased demands for such services placed upon local
6 agencies as the result of development occurring within the area of the Special Tax District;
7 and, be it

8 FURTHER RESOLVED, That except to the extent that funds are otherwise available,
9 the City will levy a special tax (the "Special Tax") to pay directly for the Facilities and the
10 Services and to pay the principal of and interest on bonds and other debt of the City issued for
11 the Special Tax District to finance the Facilities; and, be it

12 FURTHER RESOLVED, That the Special Tax will be secured by recordation of a
13 continuing lien against all non-exempt real property in the Special Tax District, will be levied
14 annually within the Special Tax District, and collected in the same manner as ordinary ad
15 valorem property taxes, or in such other manner as this Board of Supervisors or its designee
16 shall determine, including direct billing of the affected property owners in the Special Tax
17 District; and, be it

18 FURTHER RESOLVED, That the proposed rate and method of apportionment of the
19 Special Tax among the parcels of real property within the Special Tax District, in sufficient
20 detail to allow each owner of property within the Special Tax District to estimate the maximum
21 amount such owner will have to pay, is described in Exhibit B attached hereto and hereby
22 incorporated herein (the "Rate and Method"); and, be it

23 FURTHER RESOLVED, That the Special Tax to be levied in the Special Tax District

1 levied in or before the final tax year and that remains delinquent may be collected in
2 subsequent years; under no circumstances shall the Special Tax levied against any parcel in
3 the Special Tax District to finance Facilities in any fiscal year used for private residential
4 purposes be increased in that fiscal year as a consequence of delinquency or default by the
5 owner or lessee of any other parcel or parcels within the Special Tax District by an amount
6 that exceeds any limits established in the Code; and, be it

7 FURTHER RESOLVED, That this Board of Supervisors hereby finds that the provisions
8 of Section 53313.6, 53313.7 and 53313.9 of the Act (relating to adjustments to *ad valorem*
9 property taxes and schools financed by a special tax district) are inapplicable to the proposed
10 Special Tax District; and, be it

11 FURTHER RESOLVED, That the Special Tax shall be levied on a parcel or parcels in
12 the Special Tax District only with the written unanimous approval of the owner or owners of
13 the parcel or parcels to their annexation to the Special Tax District or in compliance with other
14 procedures established by the Code, without any requirement for further public hearings or
15 additional proceedings; the unanimous approval shall be in substantially the form and
16 substance of the Unanimous Approval attached hereto as Exhibit C, or such other form
17 authorized by the Director of the Office of Public Finance; and, be it

18 FURTHER RESOLVED, That except as may otherwise be provided by law or by the
19 Rate and Method, all lands owned by any public entity, including the United States, the State
20 of California and/or the City, or any departments or political subdivisions thereof, shall be
21 omitted from the levy of the Special Tax to be made to cover the costs and expenses of the
22 Facilities, the Services or the Special Tax District; in the event that a portion of the property
23 within the Special Tax District shall become for any reason exempt, wholly or in part, from the
24 levy of the Special Tax, this Board of Supervisors will, on behalf of the Special Tax District,
25 increase the levy to the extent necessary upon the remaining property within the Special Tax

1 District which is not exempt in order to yield the required debt service payments and other
2 annual expenses of the Special Tax District, if any, subject to the provisions of the Rate and
3 Method; and, be it

4 FURTHER RESOLVED, That it is the intention of this Board of Supervisors, acting as
5 the legislative body for the Special Tax District, to cause bonds and other debt of the City to
6 be issued for the Special Tax District pursuant to the Code to finance and refinance in whole
7 or in part the construction and/or acquisition of the Facilities, and the bonds and other debt
8 shall be in the aggregate principal amount of not to exceed \$5,300,000,000, shall be issued in
9 such series and bear interest payable semi-annually or in such other manner as this Board of
10 Supervisors shall determine, at a rate not to exceed the maximum rate of interest as may be
11 authorized by applicable law at the time of sale of such bonds and other debt, and shall
12 mature not to exceed 40 years from the date of the issuance thereof; and, be it

13 FURTHER RESOLVED, That the Director of the Office of Public Finance, as the officer
14 having charge and control of the Facilities and Services, or the designee of such officer, is
15 hereby directed to study said proposed Facilities and Services and to make, or cause to be
16 made, and file with the Clerk of the Board of Supervisors a report in writing, (the "Special Tax
17 District Report") presenting the following:

18 (a) A description of the Facilities and the Services by type which will be
19 required to adequately meet the needs of the Special Tax District.

20 (b) An estimate of the fair and reasonable cost of the Facilities including the
21 cost of acquisition of lands, rights-of-way and easements, any physical facilities
22 required in conjunction therewith and incidental expenses in connection therewith,
23 including the costs of the proposed bond financing and other debt and all other related
24 costs as provided in Section 53345.3 of the Act.
25

1 (c) An estimate of the fair and reasonable cost of the Services and incidental
2 expenses in connection therewith, and all other related costs.

3 The Special Tax District Report shall be made a part of the record of the public hearing
4 specified below; and, be it

5 FURTHER RESOLVED, That January 15th, 2019, at 3:00 p.m. or as soon as possible
6 thereafter, in the Board of Supervisors' Chamber, 1 Dr. Carlton B. Goodlett Place, City Hall,
7 San Francisco, California, be, and the same are hereby appointed and fixed as the time and
8 place when and where this Board of Supervisors, as legislative body for the Special Tax
9 District, will conduct a public hearing on the establishment of the Special Tax District and
10 consider and finally determine whether the public interest, convenience and necessity require
11 the formation of the Special Tax District and the levy of the Special Tax; and, be it

12 FURTHER RESOLVED, That the Clerk of the Board of Supervisors is hereby directed
13 to cause notice of the public hearing to be given by publication one time in a newspaper
14 published in the area of the Special Tax District; the publication shall be completed at least
15 seven days before the date of the public hearing specified above; and the notice shall be
16 substantially in the form specified in Section 53322 of the Act; and, be it

17 FURTHER RESOLVED, That notwithstanding the foregoing, because of the complexity
18 associated with the Central SoMa Plan, the Board of Supervisors hereby authorizes the Clerk
19 of the Board of Supervisors to determine that the public hearing should be held on a later date
20 or time and to cause notice of such later date or time to be given by publication one time in a
21 newspaper published in the area of the Special Tax District; and, be it

22 FURTHER RESOLVED, That pursuant to Section 43.10.19 of the Code, in connection

7 collection of special tax and the authorization to incur bonded indebtedness for such parcel or
8 parcels shall apply only to the improvement area; the City may incur indebtedness payable
9 solely from special taxes levied on property in the improvement area; and, be it

10 FURTHER RESOLVED, That Section 53314.9 of the Act provides that, either before or
11 after formation of the Special Tax District, the City may accept advances of funds and may
12 provide, by resolution, for the use of those funds, including but not limited to pay any cost
13 incurred by the local agency in creating the Special Tax District, and may agree to reimburse
14 the advances under all of the following conditions: (A) the proposal to repay the advances is
15 included both in the resolution of intention and the resolution of formation to establish the
16 Special Tax District; and (B) any proposed special tax is approved by the qualified electors of
17 the Special Tax District and, if the qualified electors of the Special Tax District do not approve
18 the proposed special tax, the City shall return any funds which have not been committed for
19 any authorized purpose by the time of the election and, in furtherance of Section 53314.9 of
20 the Act, the Board of Supervisors hereby declares its intent to enter into an agreement
21 providing for the advance and reimbursement of funds if it is determined by the Director of
22 Public Finance to be in the best interest of the City; and, be it

5 specified in the Act; any work in-kind must be performed or constructed as if the work had
6 been performed or constructed under the direction and supervision, or under the authority of,
7 the City and, in furtherance of Section 53314.9 of the Act, the Board of Supervisors hereby
8 declares its intent to authorize the City to enter into an acquisition and reimbursement
9 agreement with one or more property owners in the Special Tax District; and, be it

10 FURTHER RESOLVED, That the Board of Supervisors hereby reserves the right and

C. DETERMINATION OF THE MAXIMUM SPECIAL TAX

1. Base Special Tax

Prior to the Transition Year, the Base Special Tax to be used for calculation of the Maximum Special Tax for each Taxable Parcel within a Building shall be the Base Facilities Special Tax determined based on reference to Table 1 below:

Table 1		
Base Facilities Special Tax		
Land Use Category	Base Facilities Special Tax Before the Transition Year (in Fiscal Year 2018-19 dollars) *	Base Facilities Special Tax In and After the Transition Year (in Fiscal Year 2018-19 dollars) *
Tier C For-Sale Residential Square Footage	\$5.50 per square foot	\$0.00 per square foot
Tier B Non-Residential Square Footage	\$2.00 per square foot	\$0.00 per square foot
Tier C Non-Residential Square Footage	\$2.75 per square foot	\$0.00 per square foot

*** The Base Facilities Special Taxes shown above shall be escalated as set forth in Section D.1.**

In and after the Transition Year, the Base Special Tax to be used for calculation of the Maximum Special Tax for each Taxable Parcel within the Building shall be the Base Services Special Tax, which shall be determined based on reference to Table 2 below:

Table 2		
Base Services Special Tax		
Land Use Category	Base Services Special Tax Before the Transition Year (in Fiscal Year 2018-19 dollars) *	Base Services Special Tax In and After the Transition Year (in Fiscal Year 2018-19 dollars) *
Tier C For-Sale Residential Square Footage	\$0.00 per square foot	\$1.37 per square foot
Tier B Non-Residential Square Footage	\$0.00 per square foot	\$0.50 per square foot
Tier C Non-Residential Square Footage	\$0.00 per square foot	\$0.69 per square foot

* The Base Services Special Taxes shown above shall be escalated as set forth in Section D.2.

2. Maximum Special Tax for Tier C For-Sale Residential Square Footage and Non-Residential Square Footage

Upon issuance of the first Certificate of Occupancy for a Taxable Building within a Conditioned Project that is not an Affordable Housing Project, the Administrator shall

1 coordinate with the Review Authority to determine the Square Footage of each Land Use on
2 each Taxable Parcel. The Administrator shall then apply the following steps to determine the
3 Maximum Special Tax for the next succeeding Fiscal Year for each Taxable Parcel in the
4 Taxable Building:

5
6 **Step 1.** Determine the Tier C For-Sale Residential Square Footage for all Residential Units on
7 each Taxable Parcel, as well as the Tier B Non-Residential Square Footage and Tier C
8 Non-Residential Square Footage on each Taxable Parcel.

9
10 **Step 2.** For each Taxable Parcel that includes only For-Sale Units, multiply the Tier C For-
11 Sale Residential Square Footage by the applicable Base Special Tax to determine the
12 Maximum Special Tax for the Taxable Parcel.

13
14 **Step 3.** For each Taxable Parcel that includes only Tier B Non-Residential Square Footage or
15 Tier C Non-Residential Square Footage, multiply the Tier B Non-Residential Square
16 Footage and Tier C Non-Residential Square Footage on the Parcel by the applicable
17 Base Special Tax to determine the Maximum Special Tax for the Taxable Parcel.

18
19 **Step 4.** For Taxable Parcels that include multiple Land Uses, determine the Tier C For-Sale
20 Residential Square Footage, Tier B Non-Residential Square Footage, and Tier C Non-
21 Residential Square Footage on each Parcel. Multiply the Square Footage of each
22 Land Use by the applicable Base Special Tax, and sum the individual amounts to
23 determine the aggregate Maximum Special Tax for the Taxable Parcel for the
24 succeeding Fiscal Year.

1 **3. *Maximum Special Tax for Taxable Rental Residential Square Footage, Taxable***
2 ***Community Facility Square Footage, Taxable PDR Square Footage, Taxable***
3 ***Parking Square Footage, and Taxable Public Square Footage***
4

5 In any Fiscal Year in which the Administrator determines that there is Taxable Rental
6 Residential Square Footage, Taxable PDR Square Footage, Taxable Community Facility
7 Square Footage, Taxable Parking Square Footage, and/or Taxable Public Square Footage on
8 a Parcel, the Administrator shall determine the prior Land Use or expected Land Use for such
9 square footage before it was designated for Rental Units, PDR Square Footage, Community
10 Facility Square Footage, parking, or public use. The Administrator shall use the Base Special
11 Tax for the Land Use that had been, or was expected to be, on the Parcel to calculate the
12 Maximum Special Tax for the Taxable Parcel.
13

14 **D. CHANGES TO THE MAXIMUM SPECIAL TAX**
15

16 **1. *Annual Escalation of Facilities Special Tax***
17

18 1a. For-Sale Residential Square Footage. Beginning July 1, 2019 and each July 1
19 thereafter until the Transition Year, the Base Facilities Special Taxes for Tier C For-
20 Sale Residential Square Footage in Table 1, and the Maximum Facilities Special Tax
21 (or portion thereof) assigned to each Parcel based on the Tier C For-Sale Residential
22 Square Footage on such Parcel shall be increased by 2% of the amount in effect in the
23 prior Fiscal Year.
24
25

1b. Tier B Non-Residential Square Footage and Tier C Non-Residential Square Footage. Beginning July 1, 2019 and each July 1 thereafter until the Transition Year, the Base Facilities Special Tax for Tier B Non-Residential Square Footage and Tier C Non-Residential Square Footage in Table 1 shall be increased by 2% of the amount in effect in the prior Fiscal Year. After the first Fiscal Year in which a Facilities Special Tax is levied against Tier B Non-Residential Square Footage and/or Tier C Non-Residential Square Footage on a Parcel, the Maximum Facilities Special Tax (or portion thereof) assigned to the Parcel based on the Tier B Non-Residential Square Footage and/or Tier C Non-Residential Square Footage on such Parcel shall, on July 1 of the next consecutive 25 Fiscal Years, be increased by 4% of the amount in effect in the prior Fiscal Year. On July 1 of the Fiscal Year that commences after the 25th Fiscal Year in which the Maximum Special Tax on the Parcel was escalated by 4%, and on each July 1 thereafter until the Transition Year, the Maximum Special Tax shall, be increased by 2% of the amount in effect in the prior Fiscal Year.

2. Annual Escalation of Services Special Tax

2a. For-Sale Residential Square Footage. Beginning July 1, 2019 and each July 1 thereafter until the Transition Year, the Base Services Special Taxes for Tier C For-Sale Residential Square Footage in Table 2 shall be increased by 2% of the amount in effect in the prior Fiscal Year. In July 1 of the Transition Year and each July 1 thereafter, the Base Services Special Taxes for Tier C For-Sale Residential Square Footage in Table 2, and the Maximum Services Special Tax (or portion thereof) assigned to each Parcel based on the Tier C For-Sale Residential Square Footage on such Parcel shall be increased by the Escalator.

1
2 2b. Tier B Non-Residential Square Footage and Tier C Non-Residential Square
3 Footage. Beginning July 1, 2019 and each July 1 thereafter until the Transition Year,
4 the Base Services Special Tax in Table 2 shall be increased by 2% of the amount in
5 effect in the prior Fiscal Year. In July 1 of the Transition Year and each July 1
6 thereafter, the Base Services Special Tax in Table 2 and the Maximum Services
7 Special Tax (or portion thereof) assigned to each Parcel based on the Tier B Non-
8 Residential Square Footage and/or Tier C Non-Residential Square Footage on such
9 Parcel shall be increased by the Escalator.

10
11 **3. *Conversion of For-Sale Units to Rental Units***

12
13 If, prior to the First Bond Sale, a Taxable Building with For-Sale Units converts to an
14 Apartment Building, the Rental Residential Square Footage in the Apartment Building will be
15 exempt from the levy of the Special Tax unless and until the Residential Units in the building
16 are converted back into For-Sale Units. After the First Bond Sale, if a Taxable Building with
17 For-Sale Units converts to an Apartment Building, the aggregate Square Footage of the
18 Residential Units shall be categorized as Taxable Rental Residential Square Footage for
19 purposes of levying the Special Taxes pursuant to this RMA.

20
21 **4. *Below Market Rate Unit/Market Rate Unit Transfers***

22
23 If, in any Fiscal Year, the Administrator determines that a Residential Unit that had previously
24 been designated as a BMR Unit no longer qualifies as such, the Maximum Special Tax on the
25 new Market Rate Unit shall be established pursuant to Section C.2 and adjusted, as

1 applicable, by Sections D.1 or D.2. If a Market Rate Unit becomes a BMR Unit after it has
2 been taxed in prior Fiscal Years as a Market Rate Unit, the Maximum Special Tax on such
3 Residential Unit shall not be decreased unless: (i) a BMR Unit is simultaneously redesignated
4 as a Market Rate Unit, and (ii) such redesignation results in a Maximum Special Tax on the
5 new Market Rate Unit that is greater than or equal to the Maximum Special Tax that was
6 levied on the Market Rate Unit prior to the swap of units. If, based on the Square Footage,
7 there would be a reduction in the Maximum Special Tax due to the swap, the Maximum
8 Special Tax that applied to the former Market Rate Unit will be transferred to the new Market
9 Rate Unit regardless of the Square Footage of the new Market Rate Unit.

11 ***5. Changes in Land Use on a Taxable Parcel***

12
13 If any Square Footage that had been taxed as Tier C For-Sale Residential Square Footage,
14 Tier B Non-Residential Square Footage, or Tier C Non-Residential Square Footage in a prior
15 Fiscal Year changes Land Use, the Administrator shall apply the applicable subsection in
16 Section C.2 to calculate what the Maximum Special Tax would be for the Parcel based on the
17 new Land Use(s). If the amount determined is greater than the Maximum Special Tax that
18 applied to the Parcel prior to the land use change, the Administrator shall increase the
19 Maximum Special Tax to the amount calculated for the new Land Uses. If the amount
20 determined is less than the Maximum Special Tax that applied prior to the land use change,
21 there will be no change to the Maximum Special Tax for the Parcel.

22
23 Under no circumstances shall the Maximum Special Tax on any Taxable Parcel be reduced,
24 regardless of changes in Land Use or Square Footage on the Parcel, including reductions in
25 Square Footage that may occur due to demolition, fire, water damage, or acts of God. In

1 addition, if a Taxable Building within the STD that had been subject to the levy of Special
2 Taxes in any prior Fiscal Year becomes all or part of an Affordable Housing Project, the
3 Parcel(s) shall continue to be subject to the Maximum Special Tax that had applied to the
4 Parcel(s) before they became part of the Affordable Housing Project. Notwithstanding the
5 foregoing, in and after the Transition Year, if the City determines that an adjustment in the
6 Maximum Services Special Tax on a Parcel due to a change in Land Use, affordability
7 restrictions, or Square Footage would not adversely affect the funding of Authorized
8 Expenditures, the City may direct the Administrator to adjust the Maximum Services Special
9 Tax for the Parcel based on the current Land Use, affordability category, or Square Footage,
10 and such Maximum Services Special Tax shall be adjusted by the Escalator in future Fiscal
11 Years.

12

13 ***6. Changes to Tier Assignment***

14

15 Each Parcel that has been, or is expected to be, developed with Non-Residential Square
16 Footage shall, upon annexation to the STD, be assigned to a Tier and, based on such
17 assignment, the square footage shall be designated as Tier B Non-Residential Square
18 Footage or Tier C Non-Residential Square Footage. Prior to the First Bond Sale, the Review
19 Authority may change the Tier to which any Parcel is assigned. After the First Bond Sale,
20 Non-Residential Square Footage on or expected on a Parcel may be moved from Tier B Non-
21 Residential Square Footage to Tier C For-Sale Residential Square Footage, and the Review
22 Authority shall immediately notify the Administrator of such reassignment. However, no Non-
23 Residential Square Footage may be moved from Tier C Non-Residential Square Footage to
24 Tier B Non-Residential Square Footage after the First Bond Sale.

1 Prior to the First Bond Sale, if two or more Parcels that are in different Tiers merge to create a
2 new Parcel, the Review Authority shall determine the Tier to which the new Parcel will be
3 assigned. After the First Bond Sale, any Non- Residential Square Footage that is constructed
4 on a Parcel created by the merger of two or more Parcels on which at least one parcel is
5 categorized as Tier C Non-Residential Square Footage shall be categorized as Tier C Non-
6 Residential Square Footage.

7
8
9 **E. METHOD OF LEVY OF THE SPECIAL TAX**

10
11 Each Fiscal Year, the Special Tax shall be levied Proportionately on each Taxable Parcel up
12 to 100% of the Maximum Special Tax for each Parcel for such Fiscal Year until the amount
13 levied on Taxable Parcels is equal to the Special Tax Requirement.

14
15
16 **F. COLLECTION OF SPECIAL TAX**

17
18 Special Taxes shall be collected in the same manner and at the same time as ordinary ad
19 valorem property taxes, provided, however, that the City may directly bill the Special Tax, may
20 collect Special Taxes at a different time or in a different manner, and may collect delinquent
21 Special Taxes through foreclosure or other available methods. The Special Tax bill for any
22 Parcel subject to a leasehold interest will be sent to the same party that receives the
23 possessory interest tax bill associated with the leasehold.

1 The Facilities Special Tax shall be levied and collected until the Transition Year. The Services
2 Special Tax shall be levied and collected in perpetuity beginning in the Transition Year.
3 Pursuant to Section 53321(d) of the Act, the Facilities Special Tax levied against a Parcel
4 used for private residential purposes shall under no circumstances increase more than ten
5 percent (10%) as a consequence of delinquency or default by the owner of any other Parcel
6 or Parcels and shall, in no event, exceed the Maximum Facilities Special Tax in effect for the
7 Fiscal Year in which the Facilities Special Tax is being levied.

8 9 10 **G. EXEMPTIONS**

11
12 Notwithstanding any other provision of this RMA, no Special Taxes shall be levied on: (i) BMR
13 Units except as otherwise provided in Sections D.4 and D.5, (ii) Affordable Housing Projects,
14 including all Residential Units and Non-Residential Square Footage within buildings that are
15 part of an Affordable Housing Project, except as otherwise provided in Section D.5, (iii) Rental
16 Residential Square Footage unless it is determined to be Taxable Rental Residential Square
17 Footage, and (iv) Exempt Community Facility Square Footage, Exempt Parking Square
18 Footage, Exempt PDR Square Footage, and Exempt Public Square Footage.

19 20 **H. INTERPRETATION OF SPECIAL TAX FORMULA**

21
22 The City may interpret, clarify, and revise this RMA to correct any inconsistency, vagueness,
23 or ambiguity, by resolution and/or ordinance, as long as such interpretation, clarification, or
24 revision does not materially affect the levy and collection of the Special Tax and any security
25 for any Bonds.

1
2 **I. SPECIAL TAX APPEALS**
3

4 Any taxpayer who wishes to challenge the accuracy of computation of the Special Tax in any
5 Fiscal Year may file an application with the Administrator. The Administrator, in consultation
6 with the City Attorney, shall promptly review the taxpayer's application. If the Administrator
7 concludes that the computation of the Special Tax was not correct, the Administrator shall
8 correct the Special Tax levy and, if applicable in any case, a refund shall be granted. If the
9 Administrator concludes that the computation of the Special Tax was correct, then such
10 determination shall be final and conclusive, and the taxpayer shall have no appeal to the
11 Board from the decision of the Administrator.
12

13 The filing of an application or an appeal shall not relieve the taxpayer of the obligation to pay
14 the Special Tax when due.
15

16 Nothing in this Section I shall be interpreted to allow a taxpayer to bring a claim that would
17 otherwise be barred by applicable statutes of limitation set forth in the Act or elsewhere in
18 applicable law.
