

[Supporting Immigrant Communities and Local Autonomy]

Resolution recognizing that San Francisco's Sanctuary City Ordinance prohibits the use of City resources to assist any federally deployed National Guard personnel or other federal agents engaged in civil immigration enforcement; and reaffirming the City's enduring commitment to support immigrant communities.

WHEREAS, In 1989, the City and County of San Francisco enacted the Sanctuary City Ordinance (Administrative Code, Chapter 12H) to ensure that no City resources would be used to assist in the enforcement of federal immigration law, establishing San Francisco as one of the first municipalities in the United States to formally protect the rights and safety of immigrant residents; and

WHEREAS, The Board of Supervisors reaffirmed and strengthened those protections in 2013 with the adoption of the Due Process for All Ordinance (Administrative Code, Chapter 12I), further limiting the circumstances under which City departments may cooperate with federal civil immigration enforcement and ensuring due process and equal treatment for all residents; and

WHEREAS, San Francisco's Sanctuary policies have long been rooted in the recognition that trust between immigrant communities and local government is essential to public safety, public health, and civic participation, and that fear of deportation or surveillance undermines those goals; and

WHEREAS, The Sanctuary framework embodies San Francisco's core values of inclusion, dignity, and the right of all people to live free from discrimination, harassment, or intimidation, regardless of immigration status; and

1 WHEREAS, Over more than three decades, San Francisco's Sanctuary laws have
2 served as a national model for safeguarding local autonomy and community trust, principles
3 that have been repeatedly reaffirmed in the face of shifting federal policies and enforcement
4 priorities; and

5 WHEREAS, Across the nation and in cities such as San Francisco, residents have
6 voiced renewed concern that federal agencies, including the Drug Enforcement
7 Administration, the Bureau of Alcohol, Tobacco, Firearms and Explosives, or federally-
8 deployed National Guard units, could be tasked with civil immigration enforcement operations,
9 fueling anxiety in immigrant communities and underscoring the need to safeguard local
10 autonomy and Sanctuary protections; and

11 WHEREAS, To reaffirm local autonomy and community safety amid these shifting
12 federal dynamics, the City seeks to make clear that its Sanctuary protections apply equally to
13 any federal entity conducting civil immigration enforcement, including federalized National
14 Guard troops, ensuring that City resources are not used to assist in civil immigration
15 enforcement; and

16 WHEREAS, The Sanctuary Ordinance provides that City departments, officers, and
17 employees shall not use City funds or resources to assist in the enforcement of federal
18 immigration law except where required by federal or state law or court order, and shall not
19 collect, maintain, or disseminate information regarding an individual's immigration status
20 except as specifically required by law; and

21 WHEREAS, Pursuant to these Ordinances, City employees are prohibited from
22 participating in investigations, surveillance, arrests, or any other enforcement actions
23 conducted by the United States (U.S.) Immigration and Customs Enforcement (ICE) or any
24 other federal agency engaged in civil immigration enforcement, and are similarly prohibited
25 from sharing personal or identifying information, including home or work addresses,

1 emergency contacts, or other information as specified in Chapter 12I of the Administrative
2 Code, that could be used for such purposes; and

3 WHEREAS, Across the country, cities such as Los Angeles, Chicago, and Portland
4 have reaffirmed or expanded their own Sanctuary City commitments in recent months,
5 recognizing the importance of local autonomy and community trust during periods of federal
6 uncertainty; and

7 WHEREAS, California's Values Act (Government Code, Sections 7282–7284.12)
8 further reinforces these protections statewide by limiting local cooperation with civil
9 immigration enforcement and affirming that public resources shall not be used to separate
10 families or erode community trust; and

11 WHEREAS, San Francisco's Sanctuary laws have been strengthened and upheld
12 through decades of partnership among community organizations, legal advocates, and
13 residents who continue to advance policies rooted in safety, justice, and belonging; and

14 WHEREAS, Nothing in the Sanctuary Ordinance prohibits City cooperation with the
15 National Guard or other federal or state agencies when engaged in disaster response,
16 humanitarian assistance, or other lawful non-immigration activities; and

17 WHEREAS, The City and County of San Francisco remains steadfast in its
18 commitment to uphold local authority, preserve community trust, and protect all residents from
19 discrimination or fear based on their immigration status; now, therefore, be it

20 RESOLVED, That the Board of Supervisors of the City and County of San Francisco
21 hereby recognizes and affirms that San Francisco's Sanctuary City Ordinance (Administrative
22 Code, Chapter 12H) prohibits the use of City funds, personnel, or resources to assist any
23 federal agency personnel or other federal agents engaged in civil immigration enforcement
24 unless required by law or court order, and confirms that these prohibitions apply equally to the
25 use of City funds, personnel, or resources to assist any federalized military or law

1 enforcement agency engaged in civil immigration enforcement activity within City limits; and,
2 be it

3 FURTHER RESOLVED, That the Board of Supervisors reaffirms that San Francisco's
4 Sanctuary City Ordinance and Due Process for All Ordinance provide comprehensive
5 prohibitions against local participation in civil immigration enforcement, including cooperation
6 with any federalized National Guard units acting under federal command; and, be it

7 FURTHER RESOLVED, That the Board of Supervisors remains committed to
8 continuing public communication and community partnership to reassure residents that San
9 Francisco's Sanctuary laws remain in full force and effect, and that City resources, personnel,
10 and facilities shall not be used to assist in federal civil immigration enforcement under any
11 circumstances except as required by law or court order.
